**W**HEREAS by Treaty, grant, usage, sufferance and other lawful means, His Majesty the King has power and jurisdiction in and over Cyprus:

And whereas Her late Majesty Queen Victoria on the thirtieth day of November, one thousand eight hundred and eighty-two, made an Order in Council entitled "The Cyprus Courts of Justice Order, 1882," and it is expedient to amend the same:

Now therefore His Majesty by virtue of the powers in this behalf by the "The Foreign Jurisdiction Act, 1890," or otherwise, in His Majesty vested, is pleased by and with the

advice of His Privy Council to order and it is hereby ordered as follows:

**Short Title.**

1. This Order may be cited as "The Cyprus Courts of Justice Amendment Order, 1902," and, where not inconsistent therewith, shall be read as one with "The Cyprus Courts of Justice Order, 1882."

**Definitions.**

2. For the purposes of this Order, unless the context otherwise requires, the expression "Village Judge" means any village judge who is not also an ordinary Judge of a District Court.

Power of the High Commissioner to direct Additional Courts to be held.

3.—(1.) Where it appears to the High Commissioner expedient for the better despatch of judicial business so to do, he may direct that additional district courts or magisterial courts or village judge courts shall be held in any district or judicial division temporarily, or for a specified time, or at certain periods, or whenever the state of business may require it, and such additional courts and the ordinary courts of the district or judicial division may sit and exercise concurrent jurisdiction in the same district or judicial division at the same time.

(2.) Where it appears to the High Commissioner expedient for the better despatch of judicial business so to do, he may direct that a Puisne Judge of the Supreme Court shall sit and act as president of any district court or additional district court to be held as aforesaid.

**Extension of Jurisdiction of Judges.**

4. Every Puisne Judge of the Supreme Court shall have, in any district in the island in which he is directed by the High Commissioner to act, the jurisdiction of the president of the district court of such district.

Every president of a district court shall have, in any district in the island in which he is directed as aforesaid to act, the jurisdiction of the president of the district court of such district.

Every ordinary judge of a district court shall have, in any district in the island in which he is

directed as aforesaid to act, the jurisdiction of an ordinary judge of such district.

Every village judge shall have, in any judicial division in which he is directed as aforesaid to act, the jurisdiction of the village judge of such judicial division.

Power of High Commissioner to appoint additional Ordinary Judges.

5. Whenever it appears to the High Commissioner expedient to do so, the High Commissioner may appoint any village judge to act as an additional ordinary judge of such district court temporarily or for a specified period or as occasion requires, and every additional ordinary judge appointed as aforesaid shall have in the district to which he is appointed the jurisdiction of an ordinary judge of a district court.

Provided that where the additional district judge is a Moslem, he shall not take part in the hearing or adjudication of any proceeding before an assize court, district court, or magisterial court, together with the Moslem ordinary judge of the court, and if he is a Christian he shall not take part in the hearing or adjudication of any such proceeding together with the Christian ordinary judge of the district court.

Directions of the High Commissioner.

6. The directions of the High Commissioner under this Order may be signified by a Government Notice published in the Official Gazette; and it shall not be necessary in any proceedings to prove any such direction.

Regulation of Duties of Additional District Judges.

7.—(1.) Where additional district courts or magisterial courts are sitting in any district, the Chief Justice may, from time to time, give such directions as to the division of the duties of the respective judges of such courts as may be necessary, and, subject to such directions, the registrar of the district court shall set down cases for hearing before the ordinary or the additional courts as the convenience of business may require. Provided that any person who is aggrieved by the action of the registrar in setting down a case for hearing, may apply to the Chief Justice who shall give such order as the justice of the case may require.

(2.) The title of all proceedings, civil and criminal, set down for hearing before an additional court shall be the same as if the same were to be heard before an ordinary court.

Distribution of Duties between Additional and Ordinary Village Judge.

8. Where an additional village judge is sitting in any judicial division, cases shall ordinarily be heard by the village judge by whom the summons was issued, but nothing herein contained shall be taken to prevent a village judge from disposing of a case in which the summons was issued by another village judge.

Power of President of District Court to regulate duties of Village Judges.

9. When any question arises as to the distribution of the duties of different village judges having jurisdiction in the same judicial division, the same shall be settled, on the application of a village judge or of any interested party, by the president of the district court of the district in which the principal village judge court of the judicial division in question is situated.

Appointment of Judge of Supreme Court for special purpose.

10. Whenever it is undesirable that any Judge of the Supreme Court should take part in the

hearing of any appeal or other proceeding by reason of his having been a member of the court the decision of which is appealed against or for any other cause the High Commissioner may appoint, by commission under the Public Seal of the Island, another fit and proper person to be a Judge of the Supreme Court for the purpose of hearing such appeal or other proceeding, and every such person so appointed shall while so acting have all the powers of a Judge of the Supreme Court.

Substitution of new clause for clause sixteen of "The Cyprus Courts of Justice Order, 1882."

11. Clause sixteen of the said Order is hereby revoked but without prejudice to anything lawfully done thereunder, and the said Order shall henceforth be construed and take effect as if, instead of the said clause sixteen, the following clause had been inserted therein.

Bailiffs and Messengers.

"It shall be lawful for the High Commissioner from time to time, as occasion may require, to appoint persons to perform the duties of messengers or bailiffs to the Supreme Court and to the District Courts, and every person so appointed shall be liable to dismissal or removal for sufficient cause by the High Commissioner."

Substitution of new clauses for clauses eighty-one and eighty-two of the said Order.

12. Clauses eighty-one and eighty-two of the said Order are hereby revoked, but without prejudice to anything lawfully done thereunder, and the said Order shall henceforth be construed and take effect as if, instead of the said clauses eighty-one and eighty-two, the following clauses had been inserted therein.

Appeals from Magisterial Court to Supreme Court.

"81. When any person is adjudged by a conviction or order of a Magisterial Court to be imprisoned without the option of a fine either as a punishment for an offence, or, save as herein-after mentioned, for failing to do or abstain from doing any act or thing required to be done or left undone, and such person does not admit the truth of the charge, such person may appeal to the Supreme Court, provided that he shall immediately after sentence has been pronounced declare to the Court by which he has been convicted his desire to appeal."

"Provided always that this clause shall not apply where the imprisonment is adjudged for failure to comply with an order for the payment of money, for the finding of sureties, for the entering into any recognizance or for the giving of any security."

"Whenever any person convicted as aforesaid declares his intention to appeal in accordance with the provisions of this clause, a note of such declaration shall thereupon be entered on the notes of the proceedings by a member of the Court."

"Procedure on Appeal."

"82. The provisions of 'The Criminal Appeal Law, 1889,' or any law amending or substituted for the same with regard to the procedure to be followed on appeals from the decisions of District Courts and with regard to the powers of the Supreme Court on the hearing of such appeals shall be applicable to appeals from Magisterial Courts subject to the following modifications:—

"(a.) The file of the proceedings required by section two of the said law to be forwarded to the Registrar of the Supreme Court shall, in

appeals from a decision of a Magisterial Court be forwarded by the Registrar of the District Court of the district within which the Magisterial Court has jurisdiction, and shall consist of the summons or warrant, the notes of the evidence taken by the Magisterial Court, and any statement which may have been made by the appellant before the Magisterial Court together with any document which may have been put in evidence of which the Magisterial Court has the custody, or certified copies of any of them of which the Court has not the custody."

"If the Registrar is not able to forward the original or copies of any of such documents he shall furnish a statement of the reason why he is unable to do so."

"(b.) For the purposes of this Order the expression 'District Court' in the said law shall be taken to include the Magisterial Court by which the appellant was convicted, and the word 'information' in the said law shall be taken to include the charge upon which the appellant was convicted."

**Jurisdiction of Ordinary Judges of District Courts sitting alone to hold preliminary enquiries into offences.**

13. Notwithstanding anything contained in "The Cyprus Courts of Justice Order, 1882," every Ordinary Judge of a District Court, sitting alone shall, for the purposes of holding preliminary enquiries into offences not triable summarily, have the same jurisdiction, and may exercise the same powers as are conferred by the said Order for the said purpose upon Magisterial Courts consisting of the two Ordinary Judges of a District Court sitting together.

**Substitution of new clause for Clause 166 of the Cyprus Courts of Justice Order, 1882.**

14. Clause one hundred and sixty-six of the said Order is hereby revoked, and the said Order shall henceforth be construed and take effect as if, instead of the said clause one hundred and sixty-six, the following clause had been inserted therein.

#### Notes of Evidence.

"In every case, civil or criminal, before any Assize Court or before the Supreme Court, one of the Judges of the Supreme Court shall take down in writing notes of all oral evidence given before the Court."

"In every such case before any District Court or the President thereof, the President, or, in his absence, one of the Judges, shall take down in writing notes of all such evidence."

"Provided that if the President is disabled from taking down notes of such evidence he may direct one of the Judges or the Registrar to do so, and the notes of the evidence so taken, if signed by the President and accompanied by a statement of the reason why they were not taken by the President, shall be deemed to have been duly taken."

"No person shall be entitled as of right, at any time or for any purpose, to inspection or a copy of the Court's notes, save as may be expressly provided by any Order or any rule of Court."

**Jurisdiction of Judges of District Court under Tithe and Tax Collection Ordinance, 1882.**

15. The powers exercisable by the Daavi Court under the provisions of the Tithe and Tax Collection Ordinance, 1882, may be exercised by the President or by any ordinary Judge of a District Court sitting alone.

A. W. FitzRoy.

At the Court at *Buckingham Palace*, the 11th day of *August*, 1902.

PRESENT,

The KING's Most Excellent Majesty  
in Council.

**WHEREAS** the territories of Africa situate within the limits of this Order are under the protection of His Majesty the King, and are known as the Uganda Protectorate:

And whereas by Treaty, grant, usage, sufferance, and other lawful means, His Majesty has power and jurisdiction within the said territories:

Now therefore, His Majesty, by virtue, and in exercise of the powers on this behalf by The Foreign Jurisdiction Act, 1890, or otherwise, in His Majesty vested, is pleased, by and with the advice of his Privy Council, to order, and it is hereby ordered, as follows:—

#### Preliminary.

1. This Order may be cited as "The Uganda Order in Council, 1902."

The limits of this Order are the territories constituting the Uganda Protectorate, that is to say, (1) the Central Province, comprising the districts of Elgon, Karamoja, Busoga, Bukedi, and Lohor; (2) the Rudolf Province, comprising the districts of Turkwel, Turkana, and Dabossa; (3) the Nile Province, comprising the districts of Dodinga, Bari, and Shuli; (4) the Western Province, comprising the districts of Unyoro, Toro, and Achole; and (5) the Kingdom of Uganda, with the islands appertaining thereto.

The said territories are in this Order referred to as "Uganda" and "the Protectorate."

If His Majesty is pleased to direct that any other territories, for the time being under the protection of His Majesty, shall form part of the Uganda Protectorate, those territories shall, from and after a date to be fixed by an order of the Secretary of State, be deemed to be within the limits of this Order. In like manner, if His Majesty is pleased to direct that any territories for the time being forming part of the Uganda Protectorate shall cease to form part thereof, those territories shall, from and after a date to be fixed by an Order of the Secretary of State, cease to be within the limits of this Order.

2. In this Order—

"Secretary of State" means one of His Majesty's Principal Secretaries of State;

"Crown Lands" means all public lands in Uganda which are subject to the control of His Majesty by virtue of any Treaty, Convention, or Agreement, or of His Majesty's Protectorate, and all lands which shall have been acquired by His Majesty for the public service or otherwise howsoever;

"Gazette" means the Gazette of the Uganda Protectorate;

"Person" includes Corporation;

Words importing the plural or the singular may be construed as referring to one person or thing, or to more than one person or thing, and words importing the masculine as referring to females (as the case may require).

3.—(1.) Where this Order or any Ordinance confers a power or imposes a duty, then, unless a contrary intention appears, the power may be exercised, and the duty shall be performed from time to time as occasion requires.

(2.) Where this Order or any Ordinance confers a power or imposes a duty on the holder of an office, then, unless a contrary intention appears, the power may be exercised and the duty shall be performed by the holder of the office for the time being, or by a person duly appointed to act for him.

(3.) Where this Order or any Ordinance confers a power to make rules, regulations, or orders, then, unless a contrary intention appears, the power shall be construed as including a power, exercisable in the like manner and subject to the like approval and conditions (if any) to rescind, revoke, amend, or vary the rules, regulations, or orders.

(4.) Expressions defined in this Order shall have the same respective meanings in any Ordinances, rules, or regulations made under this Order, unless a contrary intention appears.

#### Administration.

4.—(1.) His Majesty may by Commission under His Sign Manual and Signet appoint a fit person to administer the Government of Uganda, under the designation of Commissioner or such other designation as His Majesty thinks fit, and the person so appointed is hereinafter referred to as the Commissioner.

(2.) In the event of the death, incapacity, removal, or absence from Uganda of the Commissioner for the time being, all and every the powers and authorities by this Order granted to him shall until His Majesty's further pleasure is signified through the Secretary of State, be vested in the Deputy Commissioner or other principal officer of the Protectorate Government for the time being in Uganda.

(3.) The Commissioner shall administer the Government of Uganda in the name and on behalf of His Majesty, and shall do and execute in due manner all things that shall belong to his said command and to the trust thereby reposed in him, according to the several powers and authorities granted or appointed to him by virtue of this Order and of his Commission, and according to such instructions as may from time to time be given to him under His Majesty's Sign Manual and Signet or by Order of His Majesty in Council, or by His Majesty through a Secretary of State, and according to such laws as are or shall hereafter be in force in Uganda.

5. The Commissioner shall have an official seal, bearing the style of his office, and such device as a Secretary of State from time to time approves, and such seal shall be deemed the public seal of Uganda, and may be kept and used by the Commissioner for the sealing of all things whatsoever that shall pass the public seal. And, until a public seal shall be provided, the seal of the Commissioner may be used as the public seal.

6.—(1.) The Commissioner may, with the approval of the Secretary of State, by Proclamation, define any boundaries of the territories for the time being within the limits of this Order, and divide those territories into provinces or districts in such manner and with such subdivisions as may be convenient for purposes of administration, describing the boundaries thereof and assigning names thereto. Under this provision the Commissioner may alter the names and divisions referred to in Article 1 of this Order.

(2.) If a question arises whether any place is or is not within the Protectorate, or within any province, and such question does not appear to be determined by any such Proclamation, or other evidence, it shall be referred to the Commissioner, and a certificate under his hand and seal shall be conclusive on the question, and judicial notice shall be taken thereof.

7. (1.)—All rights of His Majesty in or in relation to any Crown lands shall vest in and may be exercised by the Commissioner for the time being in trust for His Majesty, or if the Secretary of State at any time with respect to all or any such lands by order under his hand so directs, in

such other trustee or trustees for His Majesty as the Secretary of State may appoint.

(2.) The Secretary of State may, when he thinks fit, by a like order remove any trustee so appointed, and may appoint any new or additional trustee or trustees.

(3.) The Commissioner, or such other trustee or trustees, may make grants or leases of any Crown lands, or may permit them to be temporarily occupied, on such terms and conditions as he or they may think fit, subject to the provisions of any Ordinance.

(4.) All mines and minerals being in, under, or upon any lands in the occupation of any native tribe, or any members thereof, or of any person not possessed of the right to work such mines and minerals, shall vest in the Commissioner, or such trustee or trustees, in like manner as the mines and minerals being in, under, or upon any Crown lands.

8. The Commissioner may, as he shall see occasion, in His Majesty's name and on His behalf, grant to any offender convicted of any offence in any Court in Uganda, a free and unconditional pardon, or a pardon subject to such conditions as may be lawfully thereunto annexed, or remit or commute any sentence in whole or in part.

9. The Commissioner may, as he shall see occasion, in His Majesty's name and on His behalf, remit any fines, penalties, or forfeitures which may accrue or become payable to His Majesty.

10.—(1.) A Secretary of State, or the Commissioner, subject to the directions of a Secretary of State, may, on behalf of His Majesty, appoint such public officers for the administration of Uganda, under such designations as he may think fit, and may prescribe their duties.

(2.) The Commissioner may, upon sufficient cause to him appearing, suspend from the exercise of his office in Uganda any such public officer, which suspension shall continue and have effect only until His Majesty's pleasure therein shall be made known and signified to the Commissioner.

(3.) Subject to the provisions of any Ordinance, the Commissioner may appoint, or authorize Heads of Departments to appoint, such clerks and other subordinate officers as may be required; and, unless other provision is made, all subordinate officers shall be removable by the respective officers by whom they were appointed.

11. All Ordinances, Proclamations, Regulations, Rules, or other public notifications shall be published in the Gazette, and also in such other manner, if any, as the Commissioner may direct in the case of any particular notification.

#### Legislation.

12.—(1.) The Commissioner may make Ordinances for the administration of justice, the raising of revenue, and generally for the peace, order, and good government of all persons in Uganda.

(2.) The Commissioner shall observe any general or special instructions of the Secretary of State with respect to the previous submission to the Secretary of State of draft Ordinances, to the making of Ordinances for particular purposes, to the amendment of Ordinances or draft Ordinances, and to other matters in relation thereto; but nothing in this provision shall affect the validity of any Ordinance.

(3.) In making Ordinances, the Commissioner shall respect existing native laws and customs except so far as the same may be opposed to justice or morality.

(4.) The Commissioner shall sign every Ordinance made by him, and shall at the first available opportunity transmit an authenticated copy thereof to the Secretary of State.

(5.) The Secretary of State may disallow any Ordinance, wholly or in part, and upon such disallowance being publicly notified in the Gazette, the provisions so disallowed shall thereupon cease to have effect, but without prejudice to anything lawfully done or suffered thereunder.

(6.) The Ordinances of each year shall be numbered consecutively, and each may be cited by its number and year, or by its short title, if any.

(7.) Where a date for the commencement of an Ordinance is not fixed in the Ordinance, it shall come into force on the day on which it is promulgated by the Commissioner.

(8.) An Ordinance may apply to Uganda any Act or law of the United Kingdom, or of any legislature of India, or of any Colony, subject to any exceptions and modifications.

(9.) The Commissioner shall, at the first available opportunity after any such rules or regulations are made under the provisions of any Ordinance, transmit an authenticated copy thereof to the Secretary of State.

(10.) An Ordinance shall not be repealable by any rules or regulations made under an Ordinance.

(11.) An Ordinance varying or affecting any Order in Council relating to the Protectorate, which is not repealed by this Order, shall not come into force unless it has been previously approved by the Secretary of State, and such approval shall be recited therein.

#### Application of Law.

13. The enactments described in the First Schedule to The Foreign Jurisdiction Act, 1890, shall apply to Uganda as if it were a British Colony or possession, but subject to the provisions of this Order, and to the exceptions, adaptations, and modifications following, that is to say:—

(i.) The Commissioner is hereby substituted for the Governor of a Colony or British possession, and the High Court is hereby substituted for a Superior Court or Supreme Court, and for a Magistrate or Justice of the Peace of a Colony or British possession.

(ii.) For the portions of the Merchant Shipping Acts, 1854 and 1867, referred to in the said Schedule, shall be substituted Part XIII of The Merchant Shipping Act, 1894.

(iii.) In Section 51 of the Conveyancing (Scotland) Act, 1874, and any enactment for the time being in force amending the same, the High Court is substituted for a Court of Probate in a Colony.

(iv.) With respect to the Fugitive Offenders Act, 1881,—

(a.) So much of the 4th and 5th sections of the said Act as relates to sending a report of the issue of a warrant, together with the information, or a copy thereof, or to the sending of a certificate of committal and report of a case, or to the information to be given by a Magistrate to a fugitive, shall be excepted, and in lieu of such information the person acting as the Magistrate shall inform the fugitive that in the British possession or Protectorate to which he may be conveyed he has the right to apply for a writ of habeas corpus or other like process.

(b.) So much of the 6th section of the said Act as requires the expiration of fifteen days before issue of warrant, shall be excepted.

(c.) The Commissioner shall not be bound to return a fugitive offender to a British possession

unless satisfied that the proceedings to obtain his return are taken with the consent of the Governor of that possession.

(d.) For the purposes of Part II of the said Act, Uganda, Zanzibar, the East Africa Protectorate, and all British possessions and Protectorates in Africa south of the Equator shall be deemed to be one group of British possessions.

14. Where, under the Merchant Shipping Act, 1894, or any amending Act, anything is authorized to be done by, to, or before a British Consular officer, such thing may be done in any place in Uganda, at which there is no Consular officer, by such officer of the Protectorate as the Commissioner may appoint.

#### Courts of Justice.

15.—(1.) There shall be a Court of Record styled "His Majesty's High Court of Uganda" (in this Order referred to as "the High Court"), with full jurisdiction, civil and criminal, over all persons and over all matters in Uganda.

(2.) Such civil and criminal jurisdiction shall, so far as circumstances admit, be exercised in conformity with the Civil Procedure, Criminal Procedure, and Penal Codes of India, except so far as may be otherwise provided by law.

(3.) The High Court shall sit at such place or places as the Commissioner may appoint.

(4.) The High Court shall have a seal bearing the style of the Court and a device approved by the Secretary of State; but until such a seal is provided, a stamp bearing the words "High Court of Uganda" may be used instead thereof.

16.—(1.) The High Court shall be a court of Admiralty, and shall exercise Admiralty jurisdiction in all matters arising upon any lake or other navigable inland waters or otherwise relating to ships and shipping.

(2.) The following enactments of the Colonial Courts of Admiralty Act, 1890, that is to say, section 2, sub-sections (2) to (4), sections 5 and 6, section 16, sub-section (3), shall apply to the High Court as if in the said sections the said Court were mentioned in lieu of a Colonial Court of Admiralty, and the Protectorate were referred to in lieu of a British possession.

(3.) Admiralty jurisdiction may be conferred by Ordinance on any Court subordinate to the High Court.

(4.) Any Ordinance varying or affecting the Admiralty jurisdiction of any Court or conferring Admiralty jurisdiction on any Court shall not come into force unless it has been previously approved by the Secretary of State, and such approval shall be recited therein.

17.—(1.) There shall be as many judges of the High Court as may from time to time be required.

(2.) Every judge shall be appointed by His Majesty and shall hold office during pleasure.

(3.) When there are more judges than one, the principal judge shall have such distinguishing title as the Secretary of State may approve.

(4.) In any case of death, illness, or absence, or in any other emergency, the Commissioner may appoint an acting judge.

18.—(1.) Courts subordinate to the High Court and Courts of special jurisdiction may be constituted by or under the provisions of any Ordinance as occasion requires.

(2.) Provision may be made by Ordinance for the hearing and determining of appeals from any such Court by the High Court or otherwise.

19.—Article 10 of this Order shall apply to the appointment of all judges and magistrates (other than judges of the High Court), and to registrars, and other principal officers of the High Court, in like manner as it applies to public officers; and

the provisions of that Article relating to clerks and subordinate officers shall apply to all Courts.

20. In all cases, civil and criminal, to which natives are parties, every Court (a) shall be guided by native law so far as it is applicable and is not repugnant to justice and morality or inconsistent with any Order in Council or Ordinance, or any regulation or rule made under any Order in Council or Ordinance; and (b) shall decide all such cases according to substantial justice without undue regard to technicalities of procedure and without undue delay.

21. If any sentence of death is pronounced by the High Court, a copy of the evidence shall be transmitted to the Commissioner, and the sentence shall not be carried into effect until confirmed by him.

22.—(1.) Subject to the provisions of any Ordinance, the High Court may, with the approval of the Commissioner, make rules for regulating the practice and procedure of the High Court and of all other Courts which may be established in Uganda.

(2.) The power to make rules under this Article shall include (a) a power to fix fees and scales of remuneration, and (b) a power to regulate the conditions on which persons may be admitted to practice as advocates or solicitors in the Courts of Uganda.

(3.) At the first available opportunity after any such rules are made, the Commissioner shall transmit an authenticated copy thereof to the Secretary of State.

23.—(1.) A Court under this Order shall not exercise any jurisdiction in any proceeding whatsoever over the Commissioner or his official or other residences, or his official or other property.

(2.) This Article shall not operate in bar of any proceeding against the Commissioner in his official capacity, where it is sought to establish any liability of the Government of the Protectorate.

#### Removal and Deportation.

24. Where an offender convicted before any Court is sentenced to imprisonment, and the Commissioner, proceeding under section 7 of The Foreign Jurisdiction Act, 1890, authority in that behalf being hereby given to him, considers it expedient that the sentence should be carried into effect outside of the Protectorate, the place shall be a place in some part of His Majesty's dominions out of the United Kingdom, the Government whereof consents that offenders may be sent thither under this Article.

25.—(1.) Where it is shown by evidence on oath to the satisfaction of the Commissioner, that any person is conducting himself so as to be dangerous to peace and good order in Uganda, or is endeavouring to excite enmity between the people of the Protectorate and His Majesty, or is intriguing against His Majesty's power and authority in the Protectorate, the Commissioner may, if he thinks fit, by order under his hand and official seal, order that person to be deported from the Protectorate to such place as the Commissioner may direct.

(2.) The place shall be a place in some part (if any) of His Majesty's dominions to which the person belongs, or the Government of which consents to the reception of persons deported under this Order, or to some place under the protection of His Majesty.

(3.) An appeal shall not lie against an order of deportation made under this Order.

(4.) If any person deported under this Order returns to the Protectorate without the permission in writing of the Secretary of State (which permission the Secretary of State may give), he shall be deemed guilty of an offence, and liable,

on conviction, to imprisonment for any period not exceeding three months, with or without a fine, not exceeding 500 rupees; and he shall also be liable to be forthwith again deported.

(5.) The Commissioner, by order under his hand and official seal, may vary or rescind any order of deportation under this Article.

(6.) The Commissioner shall forthwith report to the Secretary of State every order made by him under this Article, and the grounds thereof, and the proceedings thereunder.

26.—(1.) Where, under this Order, a person is to be removed, or deported from the Protectorate, he shall, by warrant of the Commissioner under his hand and seal, be detained if necessary, in custody or in prison, until a fit opportunity for his removal or deportation occurs, and then, if he is to be deported beyond sea, be conveyed through the East Africa Protectorate and put on board one of His Majesty's vessels of war, or, if none is available, then on board some other British or other fit vessel.

(2.) The warrant of the Commissioner shall be sufficient authority to the person to whom it is directed or delivered for execution and to the Commander or master of the vessel to receive and detain the person therein named, in the manner therein prescribed, and to remove and carry him to the place therein named, according to the warrant.

(3.) In case of removal for any purpose other than deportation, the warrant of the Commissioner shall be issued in duplicate, and the person executing it shall, as soon as practicable after his arrival at the place therein named, deliver, according to the warrant, with one of the duplicates of the warrant, to a constable, or proper officer of police or keeper of a prison, or other proper authority or person there, the person named in the warrant, to be produced on the order of the proper Court or authority there, or to be otherwise dealt with according to law.

27. Subject to the other provisions of this Order, all expenses of removal of prisoners and others, and the expenses of deportation, and of the sending of any person to any part of His Majesty's dominions or Protectorates, including expenses of maintenance, shall be defrayed in such manner as the Secretary of State directs.

#### Supplementary.

**W**HEREAS the territories of Africa situate within the limits of this Order are under the protection of His Majesty the King, and are known as the British Central Africa Protectorate:

And whereas by Treaty, grant, usage, sufferance, and other lawful means, His Majesty has power and jurisdiction within the said territories:

Now, therefore, His Majesty, by virtue and in exercise of the powers on this behalf by the Foreign Jurisdiction Act, 1890, or otherwise, in His Majesty vested, is pleased, by and with the advice of his Privy Council, to order, and it is hereby ordered, as follows:—

In like manner, if His Majesty is pleased to direct that any territories for the time being forming part of the Protectorate shall cease to form part thereof, those territories shall, from and after a date to be fixed by an order of the Secretary of State, cease to be within the limits of this Order.

2. In this Order—

(2) In the event of the death, incapacity, removal, or absence from the Protectorate of the Commissioner for the time being, all and every the powers and authorities by this Order granted to him shall, until His Majesty's further pleasure is signified through the Secretary of State, be vested in the Deputy Commissioner or other principal officer of the Protectorate Government for the time being in the Protectorate.

(3) The Commissioner shall administer the Government of the Protectorate in the name and on behalf of His Majesty, and shall do and execute in due manner all things that shall belong to his said command and to the trust thereby reposed in him, according to the several powers and authorities granted or appointed to him by virtue of this Order and of his Commission, and according to such instructions as may from time to time be given to him under His Majesty's Sign Manual and Signet, or by Order of His Majesty in Council, or by His Majesty through a Secretary of State, and according to such laws as are or shall hereafter be in force in the Protectorate.

5. The Commissioner shall have an official seal, bearing the style of his office, and such device as a Secretary of State from time to time approves, and such seal shall be deemed the public seal of British Central Africa, and may be kept and used by the Commissioner for the sealing of all things whatsoever that shall pass the public seal. And, until a public seal shall be provided, the seal of the Commissioner may be used as the public seal.

6.—(1) The Commissioner may, with the approval of the Secretary of State, by Proclamation, define any boundaries of the territories for the time being within the limits of this Order,

and divide those territories into provinces or districts in such manner and with such subdivisions as may be convenient for purposes of administration, describing the boundaries thereof and assigning names thereto.

(2.) If a question arises whether any place is or is not within the Protectorate, or within any province, and such question does not appear to be determined by any such Proclamation, or other evidence, it shall be referred to the Commissioner, and a certificate under his hand and seal shall be conclusive on the question, and judicial notice shall be taken thereof.

7.—(1.) All rights of His Majesty in or in relation to any Crown lands shall vest in and may be exercised by the Commissioner for the time being in trust for His Majesty, or if the Secretary of State at any time with respect to all or any such lands by order under his hand so directs, in such other trustee or trustees for His Majesty as the Secretary of State may appoint.

(4.) All mines and minerals being in, under, or upon any lands in the occupation of any native tribe, or any members thereof, or of any person not possessed of the right to work such mines and minerals, shall vest in the Commissioner, or such trustee or trustees, in like manner as the mines and minerals being in, under, or upon any Crown lands.

8. The Commissioner may, as he shall see occasion, in His Majesty's name and on his behalf, grant to any offender convicted of any offence in any Court in the Protectorate, a free and unconditional pardon, or a pardon subject to such conditions as may be lawfully thereunto annexed, or remit or commute any sentence in whole or in part.

(3.) Subject to the provisions of any Ordinance, the Commissioner may appoint, or authorize Heads of Departments to appoint, such clerks and other subordinate officers as may be required; and unless other provision is made, all subordinate officers shall be removable by the respective officers by whom they were appointed.

11. All Ordinances, Proclamations, Regulations, Rules, or other public notifications shall be published in the Gazette, and also in such other manner, if any, as the Commissioner may direct in the case of any particular notification.

The Commissioner shall observe any general or special instructions of the Secretary of State with respect to the previous submission to the Secretary of State of Draft Ordinances, to the making of Ordinances for particular purposes, to the amendment of Ordinances, or draft Ordinances, and to other matters in relation thereto; but nothing in this provision shall affect the validity of any Ordinance.

(3.) In making Ordinances, the Commissioner shall respect existing native laws and customs except so far as the same may be opposed to justice or morality.

(4.) The Commissioner shall sign every Ordinance made by him, and shall at the first available opportunity transmit an authenticated copy thereof to the Secretary of State.

(5.) The Secretary of State may disallow any Ordinance, wholly or in part, and upon such disallowance being publicly notified in the Gazette, the provisions so disallowed shall thereupon cease to have effect, but without prejudice to anything lawfully done or suffered thereunder.

(6.) The Ordinances of each year shall be numbered consecutively, and each may be cited by its number and year, or by its short title, if any.

(7.) Where a date for the commencement of an Ordinance is not fixed in the Ordinance, it shall come into force on the day on which it is promulgated by the Commissioner.

(8.) An Ordinance may apply to the Protectorate any Act or law of the United Kingdom, or of any legislature of India, or of any Colony, subject to any exceptions and modifications.

(a.) So much of the 4th and 5th sections of the said Act as relates to sending a report of the issue of a warrant, together with the information, or a copy thereof, or to the sending of a certificate of committal and report of a case, or to the information to be given by a Magistrate to a fugitive, shall be excepted, and in lieu of such information the person acting as the Magistrate shall inform the fugitive that in the British possession or Protectorate to which he may be conveyed he has the right to apply for a writ of *habeas corpus* or other like process.

(b) So much of the 6th section of the said Act as requires the expiration of fifteen days before issue of warrant shall be excepted.

(c) The Commissioner shall not be bound to return a fugitive offender to a British possession unless satisfied that the proceedings to obtain his return are taken with the consent of the Governor of that possession.

(d) For the purposes of Part II of the said Act, Uganda, Zanzibar, the East Africa Protectorate, and all British possessions and Protectorates in Africa south of the Equator shall be deemed to be one group of British possessions.

14.—Where, under The Merchant Shipping Act, 1894, or any amending Act, anything is authorized to be done by, to, or before a British Consular officer, such thing may be done in any place in the Protectorate at which there is no Consular officer by such officer of the Protectorate Government as the Commissioner may appoint.

#### Courts of Justice.

15.—(1.) There shall be a Court of Record styled "His Majesty's High Court of British Central Africa" (in this Order referred to as the High Court) with full jurisdiction, civil and criminal, over all persons and over all matters in the Protectorate.

(2) Such civil and criminal jurisdiction shall, so far as circumstances admit, be exercised in conformity with the substance of the law for the time being in force in England, and with the powers vested in and according to the procedure and practice observed by and before Courts of Justice and Justices of the Peace in England according to their respective jurisdictions and authorities, except so far as may be otherwise provided by law.

(3) The High Court shall sit at such place or places as the Commissioner may appoint.

(4) The High Court shall have a seal bearing the style of the Court and a device approved by the Secretary of State; but until such a seal is provided, a stamp bearing the words "High Court of British Central Africa" may be used instead thereof.

16.—(1.) The High Court shall be a Court of Admiralty, and shall exercise Admiralty jurisdiction in all matters arising upon any lake or other navigable inland waters or otherwise relating to ships and shipping.

(2.) The following enactments of The Colonial Courts of Admiralty Act, 1890, that is to say, section 2, sub-sections (2) to (4), sections 5 and 6, section 16, sub-section (3), shall apply to the High Court as if in the said sections the said Court were mentioned in lieu of a Colonial Court of Admiralty, and the Protectorate were referred to in lieu of a British possession.

(3.) Admiralty jurisdiction may be conferred by Ordinance on any Court subordinate to the High Court.

(4.) Any Ordinance varying or affecting the Admiralty jurisdiction of any Court or conferring Admiralty jurisdiction on any Court shall not come into force unless it has been previously approved by the Secretary of State, and such approval shall be recited therein.

17.—(1.) There shall be as many judges of the High Court as may from time to time be required.

19. Article 10 of this Order shall apply to the appointment of all judges and magistrates (other than judges of the High Court), and to registrars and other principal officers of the High Court, in like manner as it applies to public officers; and the provisions of that Article relating to clerks and subordinate officers shall apply to all Courts.

20. In all cases, civil and criminal, to which natives are parties, every Court (a) shall be guided by native law so far as it is applicable and is not repugnant to justice and morality or inconsistent with any Order in Council or Ordinance, or any Regulation or Rule made under any Order in Council or Ordinance; and (b) shall decide all such cases according to substantial justice without undue regard to technicalities of procedure and without undue delay.

21. If any sentence of death is pronounced by the High Court, a copy of the evidence shall be transmitted to the Commissioner, and the sentence shall not be carried into effect until confirmed by him.

22. Subject to the provision of any Ordinance, the High Court may, with the approval of the Commissioner, make rules for regulating the practice and procedure of the High Court and of all other Courts which may be established in the Protectorate.

The power to make rules under this Article shall include (a) a power to fix fees and scales of remuneration, and (b) a power to regulate the conditions on which persons may be admitted to practise as advocates or solicitors in the Courts of the Protectorate.

At the first available opportunity after any such rules are made, the Commissioner shall transmit an authenticated copy thereof to the Secretary of State.

23.—(1.) A Court under this Order shall not exercise any jurisdiction in any proceeding whatsoever over the Commissioner or his official or other residences, or his official or other property.

(2.) This Article shall not operate in bar of any proceeding against the Commissioner in his official capacity, where it is sought to establish any liability of the Government of the Protectorate.

## Removal and Deportation.

24. Where an offender convicted before any Court is sentenced to imprisonment, and the Commissioner, proceeding under section 7 of The Foreign Jurisdiction Act, 1890, authority in that behalf being hereby given to him, considers it expedient that the sentence should be carried into effect outside of the Protectorate, he may order the offender to be removed to a place in some part of His Majesty's dominions out of the United Kingdom, the Government whereof consents that offenders may be sent thither under this Article.

25.—(1.) Where it is shown by evidence on oath, to the satisfaction of the Commissioner, that any person is conducting himself so as to be dangerous to peace and good order in British Central Africa, or is endeavouring to excite enmity between the people of the Protectorate and His Majesty, or is intriguing against His Majesty's power and authority in the Protectorate, the Commissioner may, if he thinks fit, by writing under his hand and official seal, order that person to be deported from the Protectorate, to such place as the Commissioner may direct.

(2.) The place shall be a place in some part (if any) of His Majesty's dominions to which the person belongs, or the Government of which consents to the reception of persons deported under this Order, or to some place under the protection of His Majesty.

(3.) An appeal shall not lie against an order of deportation made under this Article.

(4.) If any person deported under this Order returns to the Protectorate without the permission in writing of the Secretary of State (which permission the Secretary of State may give), he shall be deemed guilty of an offence and liable on conviction to imprisonment for any period not exceeding three months, with or without a fine not exceeding fifty pounds; and he shall also be liable to be forthwith again deported.

(5.) The Commissioner, by order under his hand and official seal, may vary or rescind any order of deportation under this Article.

(6.) The Commissioner shall forthwith report to the Secretary of State every order made by him under this Article, and the grounds thereof, and the proceedings thereunder.

26.—(1.) Where, under this Order, a person is to be removed or deported from the Protectorate, he shall, by warrant of the Commissioner under his hand and seal, be detained, if necessary, in custody or in prison, until a fit opportunity for his removal or deportation occurs, and then, if he is to be deported beyond sea, be put on board one of His Majesty's vessels of war, or, if none is available, then on board some other British or other fit vessel.

(2.) The warrant of the Commissioner shall be sufficient authority to the person to whom it is directed or delivered for execution and to the Commander or master of the vessel to receive and detain the person therein named, in the manner therein prescribed, and to remove and carry him to the place therein named, according to the warrant.

(3.) In case of removal for any purpose other than deportation, the warrant of the Commissioner shall be issued in duplicate, and the person executing it shall, as soon as practicable after his arrival at the place therein named, deliver, according to the warrant, with one of the duplicates of the warrant, to a constable, or proper officer of police or keeper of a prison, or other proper authority or person there, the person named in the warrant, to be produced on the order of the

proper Court or authority there, or to be otherwise dealt with according to law.

27. Subject to the other provisions of this Order, all expenses of removal of prisoners and others, and the expenses of deportation, and of the sending of any person to any part of His Majesty's dominions or Protectorates, including expenses of maintenance, shall be defrayed in such manner as the Secretary of State directs.

A. W. FitzRoy.

At the Court at Buckingham Palace, the 11th day of August, 1902.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by section twenty-six of "The Pluralities Act 1838" after reciting that "Whereas in some instances tithings, hamlets, chapelries, and other places or districts may be separated from the parishes or mother churches to which they belong, with great advantage, and places altogether extra-parochial may in some instances with advantage be annexed to parishes or districts to which they are contiguous, or be constituted separate parishes for ecclesiastical purposes," it is, amongst other things, enacted "That when with respect to his own diocese it shall appear to the Archbishop of the Province, or when the Bishop of any diocese shall represent to the said Archbishop that any such tithing, hamlet, chapelry, place or district within the diocese of such Archbishop, or the diocese of such Bishop, as the case may be, may be advantageously separated from any parish or mother church and either be constituted a separate benefice by itself or be united to any other parish to which it may be more conveniently annexed, or to any other adjoining tithing, hamlet, chapelry, place, or district, parochial or extra-parochial, so as to form a separate parish or benefice, or

"that any extra-parochial place may with advantage be annexed to any parish to which it is contiguous, or be constituted a separate parish for ecclesiastical purposes; and the said Archbishop or Bishop shall draw up a scheme in writing (the scheme of such Bishop to be transmitted to the said Archbishop for his consideration) describing the mode in which it appears to him that the alteration may best be effected, and how the changes consequent on such alteration in respect to ecclesiastical jurisdiction, glebe lands, tithes, rent-charges, and other ecclesiastical dues, rates, and payments, and in respect to patronage and rights to pews, may be made with justice to all parties interested; and if the patron or patrons of the benefice or benefices to be affected by such alteration shall consent in writing under his or their hands to such scheme, or to such modification thereof as the said Archbishop may approve, and the said Archbishop shall, on full consideration and inquiry, be satisfied with any such scheme, or modification thereof, and shall certify the same and such consent as aforesaid, by his report to His Majesty in Council, it shall be lawful for His Majesty in Council to make an Order for carrying such scheme, or modification thereof, as the case may be, into effect."

And whereas the Right Reverend William Boyd, Lord Bishop of Ripon, hath pursuant to the enactment aforesaid made a representation in writing to the Right Honourable and Most Reverend William Dalrymple, Lord Archbishop of York, as follows:—

"That there is in the county of York, within my diocese of Ripon, the consolidated chapelry of Saint Martin Potternewton Leeds, the parish whereof contains according to the last census a population of six thousand four hundred and ninety-two.

"The net annual value of the benefice of Saint Martin Potternewton is at present four hundred pounds.

"The patronage of the said consolidated chapelry is vested in the Reverend Edgar Charles Sumner Gibson, Clerk D.D. vicar of the vicarage of the parish church of Leeds aforesaid, the Right Honourable William Lawies Jackson M.P. of Allerton Hall, Leeds aforesaid, Charles Ryder of Gledhow Hill Leeds aforesaid Esquire and Robert Benson Jowitt of Albion-street Leeds aforesaid Esquire and the Reverend James Salmon Addison, Clerk M.A. is the present Incumbent thereof.

"That there is also in the same county and diocese the perpetual curacy of the parochial chapelry of Saint Matthew Chapel Allerton Leeds the chapelry whereof contains according to the last census a population of three thousand four hundred and thirty.

"The net annual value of the benefice of Saint Matthew Chapel Allerton is four hundred and thirty pounds.

"The patronage of the said perpetual curacy is vested in the said Edgar Charles Sumner Gibson, as vicar of the vicarage of the parish church of Leeds aforesaid, and the Reverend John Primatt Maud, Clerk M.A. is the present Incumbent thereof.

"That the said consolidated chapelry of Saint Martin Potternewton comprises a district situated to the south of the old church of Chapel Allerton aforesaid the boundaries whereof are well known and defined and which said district contains according to the last census a population of five hundred.

"That the said district immediately adjoins the said parochial chapelry of Saint Matthew Chapel Allerton and it appears to us that under

the provisions of the Act of Parliament of the first and second years of the reign of Her late Majesty Queen Victoria chapter one hundred and six, and another Act, passed in the second and third years of the same reign chapter forty-nine the same may be advantageously separated from the said consolidated chapelry of Saint Martin Potternewton and annexed for ecclesiastical purposes to the said parochial chapelry of Saint Matthew Chapel Allerton, such separation and annexation as aforesaid being in our opinion desirable on the grounds that the said district is nearer to the church of Saint Matthew Chapel Allerton than it is to the church of the consolidated chapelry of Saint Martin Potternewton and such alteration will be for the convenience of the inhabitants of such district.

"Pursuant to the directions contained in the twenty-sixth section of the said first-mentioned Act of Parliament we the said Lord Bishop have drawn up a scheme in writing annexed to this representation describing the mode in which it appears to us that such separation and annexation may be best effected and how the changes consequent thereon may be made with justice to all parties interested, and we do hereby submit the same to Your Grace together with the consents in writing of the said patrons and Incumbents and in case you shall on full consideration and inquiry be satisfied therewith we request that Your Grace will be pleased to certify the same with the consents aforesaid by your report to His Majesty in Council.

"Given under our hand this second day of June one thousand nine hundred and two.

"W. B. Ripon."

And whereas the said scheme drawn up by the said Bishop and the consents referred to in the said representation are as follows:—

#### "SCHEME."

"It is proposed to separate the portion of the consolidated chapelry of Saint Martin Potternewton comprised within the limits of the district coloured pink on the plan accompanying this representation and described in the Schedule hereunder written from such consolidated chapelry, and to annex the same for ecclesiastical purposes to the chapelry of Saint Matthew Chapel Allerton.

"From and after the passing of any Order in Council carrying this scheme into effect the perpetual curate or Incumbent for the time being of Saint Matthew Chapel Allerton shall have cure of souls within the limits of the said district coloured pink and the vicar of Leeds for the time being who is now entitled to concurrent jurisdiction in the said parochial chapelry as to the performance of the offices of the church shall be entitled to and exercise the same concurrent rights in the said district so to be transferred as aforesaid as he now enjoys in the said parochial chapelry.

"That no alteration shall be made as to the patronage or (save as aforesaid) in the endowment of either of the benefices affected by this scheme.

#### "SCHEDULE."

"The district to be transferred is situate on the southern boundary of the parochial chapelry of Chapel Allerton marked on the plan as Ward Boundary and commences on the east at a point in the carriage drive in Gledhow Park leading to Gledhow Hall where the carriage drive crosses the centre of the beck communicating with the lake and then following the carriage drive in a south-westerly direction to the Leeds and Harrogate main road and crossing it proceeds in a westerly direction along Potternewton Lane past

Rutland Lodge where the lane turns to the south, thence past Mellon Cottage and again to the west along a line by a disused wind mill until the lane joins a public footpath which touches within half a chain of the aforesaid Ward Boundary which thenceforth forms the northern boundary of the district to be transferred.

#### "CONSENTS."

"We the undersigned being respectively the patrons and Incumbents of the benefices affected by the foregoing representation and scheme do hereby give this our consent in writing thereto and to the several matters and things therein stated and proposed.

"Given under our hands this twenty-fourth day of May, one thousand nine hundred and two.

And whereas the said scheme hath been transmitted by the said Bishop to the said Archbishop for his consideration.

And whereas the said Archbishop, being satisfied with the said scheme, hath certified the same and the consents aforesaid to His Majesty in Council by his report dated the fourteenth day of June one thousand nine hundred and two, which said report is in the words and figures following:—

"We the undersigned William Dalrymple by Divine Providence Lord Archbishop of York Primate of England and Metropolitan do hereby report to your Majesty in Council

"That the Right Reverend William Boyd Lord Bishop of Ripon hath represented to us that a portion of the consolidated chapelry of Saint Martin Potternewton in the diocese of Ripon and county of York described in the scheme of the said Lord Bishop hereunto annexed may be advantageously separated from the said consolidated chapelry and annexed for ecclesiastical purposes to the parochial chapelry of Saint Matthew Chapel Allerton in the same diocese and county.

"That the said Lord Bishop has drawn up a scheme describing the mode in which it appears to him that the proposed alterations may be best effected and how the changes consequent thereon may be made with justice to all parties interested and has submitted the same to us together with the consents in writing of the patrons and Incumbents of the benefices affected by the said scheme.

"The representation and scheme of the said Lord Bishop and the consents hereinbefore referred to are hereunto annexed together with the plan accompanying the same.

Maritime Sanitary Ordinance.

No. 14.

In order to accord to navigation and commerce such facilities as are compatible with the exigencies of the sanitary service, and more especially with a view to avoiding delays in admission to free pratique of those vessels, which, although in possession of a clean bill of health, have to be subjected to medical examination and disinfection for the sole reason that they come from cholera-infected places:—

With reference to the law of December 22, 1888, No. 5849 (Series 3A) on the preservation of hygiene and public health;

With reference to the Maritime Sanitary Regulations approved by Royal Decree of September 29, 1895, No. 636.

Decree.

ARTICLE 1. The Ministry, on the application of shipping Companies, may allow vessels sailing from places infected with cholera, when they are provided with a disinfecting stove, to take on board a doctor approved by the Government.

ARTICLE 2. Such vessels are dispensed on arrival from the medical visit, and from the regulation disinfection when it is proved, on a written declaration by the doctor, that:—

(a) Neither previous to departure nor during the voyage were there any proved or suspected cases of cholera on board.

(b) That within twenty-four hours of touching at the Italian port such objects of personal and domestic use as were not perfectly clean were disinfected under his personal supervision.

(c) That before coming alongside he has made a careful examination with satisfactory results of each separate individual on board.

ARTICLE 3. The doctor approved by the Government may extend the disinfecting process mentioned in paragraph b of Article 2 to the clothes worn by the passengers and crew, should he consider such a precaution necessary.

The Prefects of Maritime Provinces are charged with the execution of the present Ordinance.

Maritime Sanitary Ordinance.

No. 16.

The appearance of cholera in Egypt having been officially established:

With reference to the Dresden International Convention of April 15, 1893.

With reference to the law of December 22, 1888, No. 5849 (Series 3A).

With reference to the Maritime Sanitary Regulations approved by Royal Decree of September 29, 1895, No. 636.

Decree.

ARTICLE 1. The sanitary measures mentioned in Chapter XI of the Maritime Sanitary Regulations may only be carried out in the case of vessels coming from Egypt, at the ports of Genoa, Leghorn, Naples, Brindisi, and Venice on the mainland, and at Palermo, Messina, and Catania for Sicily.

ARTICLE 2. After the admission of these vessels to free pratique, all persons landing, whether passengers or crew, must be announced telegraphically by the prefecture of the district to the Syndics of the Communes to which they intend to proceed, in order that they may be subjected to sanitary inspection for the period

of time necessary to complete five whole days to be calculated from the date of their departure from the last Egyptian port.

ARTICLE 3. This sanitary inspection may never consist of measures of isolation or sequestration, but only of a daily medical examination to ascertain the state of health of the person, and in the notification to the Syndic of the Commune of his next destination, should he depart before the prescribed term, with a view to the continuation of the examination up to the close of the period of five days.

Prefects, Captains, and Officers of Ports are charged with the execution of the present Decree, which will come into force immediately on its publication in the Official Gazette.

Civil Service Commission,

The Civil Service Commissioners hereby give notice that the following Regulations have been approved by the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS respecting Boy Copyists (New Class) registered for Temporary Employment in Public Departments on the results of Competitions held later than 1st April, 1902.

N.B.—Revised Regulations may at any time be issued, which will apply to every Copyist who may accept or renew an engagement after their publication in the London Gazette.

1. A Register of Boy Copyists (new Class) for temporary employment in Public Departments will be kept by the Civil Service Commissioners.

2. This Register will contain the names of boys who have satisfied the Civil Service Commissioners that they are of good health and character, and that they are duly qualified under the following regulations (3 and 4).

3. The limits of age are 15 to 17. Candidates must be of the prescribed age on the first day of the Examination.

4. The subjects for examination are:—

*Obligatory Subjects*—

1. Handwriting and Orthography.
2. Arithmetic, including Vulgar and Decimal Fractions.
3. English Composition.

*Optional Subjects*:—

Any two of the following:—

1. Copying Manuscript.
2. Geography.
3. English History.
4. Translation from one of the following languages: Latin, French, or German.
5. Euclid, Books I and II; and Algebra up to and including Simple Equations.
6. The rudiments of Chemistry and Physics.

5. Open Competitive Examinations for the purpose of testing the qualifications of Candidates in the above-mentioned subjects will be held by the Civil Service Commissioners from time to time as may be necessary, and a certain number, regulated by the probable demand from the Public Departments, of those who show sufficient proficiency will be placed upon the Register kept by the Commissioners, and will be available for employment as their services are required.

6. The fee payable for attending the Open Competitive Examinations will be 5s.

7. Boy Copyists placed on this Register will be summoned for employment in any of the Public Departments as they are wanted. When not wanted, they will have no claim to employment. Refusing to serve when called upon, except for reasons satisfactory to the Civil Service Commissioners, they will be removed from the Register. The order in which they may be employed, the Departments to which they may be assigned, and their retention generally on the Register, will be determined by the Civil Service Commissioners; but they will be subject to the orders of the Departments in which they are serving during the time of their actual employment, and will be liable to dismissal from them by the authorities thereof, without notice, for inefficiency or misconduct.

Their assignment for service will, as a general rule, be according to their order of merit in the examination; but exceptions to this general rule may be made when the engagement offered is very short or for other sufficient reasons.

8. These Boy Copyists will usually be engaged and paid by the week of 39 hours, viz.:—7 hours a day on Mondays, Tuesdays, Wednesdays, Thursdays, and Fridays, and 4 hours on Saturdays; and they will be paid 15s. per week during the first year of their service. After a year of approved service, an increase of pay to 16s. a week may be allowed; after a second year, an increase of pay to 17s. a week; after a third year, an increase to 18s.; after a fourth year, an increase to 19s.

They may also be engaged and paid by the hour at the rate of 4½d. per hour during their first year of service; at the rate of 5d. per hour during the second, 5½d. during the third year of service; and afterwards at the rate of 6d. per hour. Any who may be engaged by the week and who may be required to attend for more than 7½ hours on Monday, Tuesday, Wednesday, Thursday, or Friday, or more than 4½ hours on Saturday, will be paid at the hourly rate for such overtime attendance. But in no case must overtime attendance exceed 12 hours in any one week. They may also be paid by the piece at such rates as may be fixed by the Civil Service Commissioners, with the approval of the Lords Commissioners of the Treasury.

9. No service, however much it may happen to be prolonged, will confer any claim to superannuation or compensation allowance; and Boy Copyists of the new Class will not be retained, as such; after they shall have reached the age of 20.

10. If a public holiday, on which the office is closed, fall within the period of a Copyist's engagement, he may be paid in respect of it as for a working day. Boy Copyists (new Class) may, with the consent of the Department in

which they are serving, or if not at the time serving, with the consent of the Civil Service Commissioners, be allowed holidays\*, with pay at the rate for the official day in the proportion of one day for every 24 full days of actual and approved service previously rendered by them as Boy Copyists (new Class). But no Copyist shall be allowed to take more than 12 days' leave under these conditions, between the 1st day of January and the 31st day of December, both days inclusive, in any one year, and in calculating the leave to be allowed in any given year, no service rendered before the 1st day of January of the preceding year shall be counted.

11. Boy Copyists (new Class) who may fall ill while serving in any Department, and whose illness may be attested by medical certificate to the satisfaction of the authorities of such Department, may be allowed sick-leave, receiving three-fourths of the rate of pay for the official day; provided such Copyists have been borne on the Register one year or upwards, and provided that no Copyist shall be paid for holidays and sick-leave, taken together, for more than 28 days within any one year, exclusive of public holidays.

12. Except in conformity with Regulations 10, 11, 15, and 16, Boy Copyists (new Class), will only receive pay for the hours, or parts of hours, during which they actually attend.

13. No person who has been trained, either wholly or partially, at the public expense, for the occupation of a teacher in schools in connexion with the Committee of Council for Education, or the Board of National Education, Ireland, is eligible for employment as a Boy Copyist (new Class), until the consent of those Departments, given in conformity with rules sanctioned by the Lords of the Treasury, has been notified to the Civil Service Commissioners.

14. Boy Copyists (new Class) are not intended to travel during an engagement, nor will they, as a rule, be required to accept engagements at a distance from their residence; but any Copyist who may be ordered to travel will be allowed such reasonable and customary expenses as the Lords of the Treasury may in each case approve.

15. If any case of infectious disease should occur in the house where a Copyist is living, he must immediately report the fact to the Officer under whom he is employed, and must, if required, at once discontinue his attendance. In cases of such enforced absence from his employment, it is in the discretion of the Head of the Department in which he has been serving to allow the Copyist full pay at the usual rate for the period for which it is medically certified that his attendance at the office would be likely to be dangerous to his colleagues.

16. In any year in which an open Competition for situations as Assistant Clerk (Abstractor Class) in the Civil Service or for Clerkships of the Second Division is held, a Boy Copyist who obtains from the Head of the Department in which he is serving leave of absence to attend such Examination may also, at the discretion of the Head of the Department, be allowed pay, at the usual rate, for the days during which he is attending the Examination.

\* It must be clearly understood that holiday pay can only be allowed for holidays actually taken, not for days on which the Copyist is drawing pay in respect of employment in any capacity in the Public Service.

TAKE notice, that by an Order dated 25th January, 1902, made in the above action, it was ordered that enquiry be made: (1) Who were the persons entitled to a sum of £3,008 16s. 9d. It is alleged by the said Nelson and Co. that the whole of the persons who were entitled to participate in the above mentioned funds have released all their claims thereto, and have in lieu thereof accepted grants of annuities similar in amount from Nelson and Co., Limited, being a new limited company which have acquired the business of Nelson and Co., and all its assets and liabilities (excluding the life assurance business, if any). A list of all persons alleged by Nelson and Co. to have heretofore been annuitants and to have released their claims as above indicated, is open to inspection at the offices of Messrs. And further take notice, that after the expiration of the time limited for publication of the said advertisement all such persons as afore-said will be bound by the proceedings in the above action in the same manner as if they had been originally made parties, and that any of such persons may, on entering an appearance at the central office, attend the proceedings under the said Orders of the 25th January, 1902, and 23rd June, 1902, and may within one month after the date of publication of the last of the said advertisements, apply to discharge, vary, or add to the said Order dated 23rd June, 1902.—Dated the 4th day of August, 1902.
