PRESENT,  
The KING's Most Excellent Majesty in Council.

This day Sir Ralph Henry Knox, K.C.B., was, by His Majesty's command, sworn of His Majesty's Most Honourable Privy Council, and took his place at the Board accordingly.

At the Court at *Buckingham Palace*, the 9th day of *July*, 1903.

PRESENT,  
The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her late Majesty Queen Victoria, chapter one hundred and thirteen, of the Act of the sixth and seventh years of Her said late Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter one hundred and four, duly prepared and laid before His Majesty in Council a scheme, bearing date the eleventh day of June, in the year one thousand nine hundred and three, in the words and figures following, that is to say:—

"We the Ecclesiastical Commissioners for England in pursuance of the Act of the third and fourth years of Her late Majesty Queen Victoria chapter one hundred and thirteen of the

Act of the sixth and seventh years of Her said late Majesty chapter thirty-seven and of the Act of the nineteenth and twentieth years of Her said late Majesty chapter one hundred and four have prepared and now humbly lay before Your Majesty in Council the following scheme for constituting a separate district for spiritual purposes to be taken partly out of the parish of Finchley and partly out of the new parish (sometime consolidated chapelry) of Saint Paul Long-lane Finchley both in the county of Middlesex and in the diocese of London.

"Whereas we are satisfied that the said parish of Finchley and the said new parish of Saint Paul Long-lane Finchley are cures wherein or in parts whereof the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof and it has been made to appear to us that it would promote the interests of religion that the particular portions of the said parish of Finchley and of the said new parish of Saint Paul Long-lane Finchley which are hereinafter mentioned and described should be constituted a separate district in the manner which is hereinafter set forth.

"And whereas there is not at present within the limits of the said proposed separate district any consecrated church or chapel in use for the purpose of Divine worship.

"And whereas under the provisions of an Order of Your Majesty in Council bearing date the twentieth day of May in the year one thousand nine hundred and three and published in the London Gazette on the twenty-second day of the same month a sum of three thousand three hundred and thirty-three pounds six shillings and eight pence India Three pounds per centum stock (being part of a sum of fifteen thousand two hundred and thirty-six pounds eleven shillings and two pence India Three pounds per centum stock formerly held by us for the benefit of the rector or Incumbent of the parish of Hornsey in the said county of Middlesex and in the said diocese of London) has been transferred to our common fund created by the firstly hereinbefore mentioned Act to the intent that the said sum of three thousand three hundred and thirty-three pounds six shillings and eight pence India Three pounds per centum stock shall be applied by us for the benefit of the minister or Incumbent of the district hereinafter recommended to be constituted and when such district shall have become a new parish then of such new district.

"And whereas the said sum of three thousand three hundred and thirty-three pounds six shillings and eight pence India Three pounds per centum stock will produce an income of one hundred pounds per annum for the minister or Incumbent of the said proposed district or new parish.

"And whereas there has been contributed and paid to the credit of our account at the Bank of England (firstly) a sum of five thousand pounds sterling towards providing a permanent church within and for the said proposed separate district and (secondly) a sum of two thousand pounds towards providing a further endowment for such proposed separate district and (thirdly) a sum of one thousand pounds towards providing a parsonage house for the same proposed separate district, and we have in respect of the said sum of two thousand pounds sterling agreed and have undertaken to pay by equal quarterly payments on the first day of February the first day of May the first day of August and the first day of November in each and every year to the minister of the said proposed district and to his successors and when the said proposed

district shall become a new parish under the provisions of the secondly hereinbefore mentioned Act then to the vicar or Incumbent of such new parish and to his successors the sum of sixty pounds per annum so long as the said capital sum of two thousand pounds shall remain in our hands.

"And whereas the contributor of the said sums of five thousand pounds two thousand pounds and one thousand pounds has nominated Francis Augustus Bevan of number 54 Lombard-street in the city of London Banker, the Very Reverend William Hagger Barlow Doctor of Divinity Dean of the Cathedral Church of Peterborough, the Reverend Sir John Robert Laurie Emilius Laurie, Baronet, Clerk in Holy Orders of number 14 Hyde Park-street in the metropolitan borough of Paddington, the Reverend Henry Elliott Fox Clerk in Holy Orders one of the Prebendaries of the Cathedral Church of Saint Paul in London, and John Francis William Deacon of number 20 Birch-lane in the city of London Banker, as the persons in whom the said contributor of the said sums of five thousand pounds two thousand pounds and one thousand pounds desires that the whole right of patronage of the said proposed district or new parish (as the case may be) shall be vested.

"Now therefore with the consent of the said Arthur Foley Bishop of London (in testimony whereof he has signed and sealed this scheme) we the said Ecclesiastical Commissioners humbly recommend and propose that all those portions of the said parish of Finchley and of the said new parish of Saint Paul Long-lane Finchley which are described in the schedule hereunder written all which portions together with the boundaries thereof are delineated and set forth on the map or plan hereunto annexed shall upon and from the day of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme become and be constituted a separate district for spiritual purposes and that the same shall be named 'The District of Saint Luke Finchley.'

"And we further recommend and propose that without any assurance in the law other than this scheme and any duly gazetted Order of Your Majesty in Council ratifying the same and upon and from the day of the date of publication of such Order in the London Gazette as aforesaid the whole right of patronage of the said proposed district and when the said district shall have become a new parish as aforesaid then of the said new parish and of the nomination of the minister or Incumbent thereto shall be assigned to and be absolutely vested in and shall and may from time to time be exercised by the said Francis Augustus Bevan, William Hagger Barlow, John Robert Laurie Emilius Laurie, Henry Elliott Fox, and John Francis William Deacon and their heirs and assigns for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of any of them or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The District of Saint Luke Finchley comprising:—

"All those contiguous portions of the parish of Finchley and of the new parish (sometime consolidated chapelry) of Saint Paul Long-lane Finchley both in the county of Middlesex and in the diocese of London which taken together are

bounded upon the south partly by the parish of Hendon and partly by the new parish of the Holy Trinity Finchley both in the said county and diocese upon the south-east by the last-named new parish and upon the remaining sides that is to say upon the north-east and upon the west by an imaginary line commencing upon the boundary which divides the said new parish of the Holy Trinity Finchley from the said new parish of Saint Paul Long-lane Finchley at the centre of the bridge which carries Green-lane over the Edgware Highgate and London Branch Line of the Great Northern Railway and extending thence north-westward along the middle of the said branch line of railway for a distance of fifty-five chains or thereabouts to the centre of the bridge which carries Regent's Park-road over the said branch line of railway upon the boundary which divides the said new parish of Saint Paul Long-lane Finchley from the said parish of Finchley and extending thence first south-westward and then southward along the middle of Regent's Park-road for a distance of seventy-three chains or thereabouts (thereby in part following the last-mentioned boundary) to the centre of the bridge or culvert which carries Regent's Park-road over Mutton Brook upon the boundary which divides the said parish of Finchley from the parish of Hendon aforesaid."

And whereas drafts of the said scheme have, in accordance with the provisions of the secondly hereinbefore mentioned Act, been transmitted to the patrons and to the Incumbents of the cures out of which it is intended that the district recommended in such scheme to be constituted shall be taken, and such patrons have respectively signified their assent to such scheme:

And whereas the Incumbents of such cures have offered certain objections to the said scheme:

And whereas notwithstanding such objections the said scheme has been approved by His Majesty in Council: now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of London.

A. W. FitzRoy.

At the Court at *Buckingham Palace*, the 9th day of *July*, 1903.

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS by the Burial Act, 1853, as amended by the Burial Act, 1900, it was enacted that, in case it appeared to His Majesty in Council, upon the representation of the Local Government Board, that, for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of the Local Government Board, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it should be lawful for His Majesty, by and with the advice of His Privy Council, to order that no new burial-ground should be

opened in any city or town, or within such limits, without such previous approval, or (as the case might require) that, after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burial, should be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time as circumstances might require; provided always, that notice of such representation, and of the time when it should please His Majesty to order that the same be taken into consideration by the Privy Council, should be published in the London Gazette, and should be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation, one month before such representation was so considered; provided also that no such representation should be made in relation to the burial-ground of any parish until ten days' previous notice of the intention to make such representation should have been given to the Incumbent and vestry clerk or churchwardens of such parish:

And whereas His Majesty was pleased by His Order in Council of the twentieth day of May last, to give notice of such representations, and to order that the same should be taken into consideration by a Committee of the Lords of His Majesty's Most Honourable Privy Council on the thirtieth day of June, one thousand nine hundred and three, and such Order has been published in the London Gazette, and copies thereof have been affixed as required by the said Act:

Now, therefore, His Majesty by and with the advice of His Privy Council, is pleased to order, and it is hereby ordered, that no new burial grounds shall be opened in the said civil parishes or borough of Southend-on-Sea without the previous approval of the Local Government Board, and that burials in the said parishes and borough shall be discontinued as follows: viz. :—

**ALVERSTOKE.**—Forthwith and entirely in the Church of Saint Thomas, Elson, in the civil parish of Alverstone, in the county of Southampton; and in the churchyard except as follows:—

(a.) In any walled grave now existing in the said churchyard burial may be allowed subject to the condition that every coffin buried in such grave be separately enclosed by stonework or brickwork properly cemented:

(b.) In any earthen grave now existing in the said churchyard the burial may be allowed, at or below the depth of five feet from the surface of the ground, of the body of any member of the family of the person or persons heretofore buried in such grave.

(c.) In the said portion of the churchyard in any grave space in which no interment has heretofore taken place the burial may be allowed, at or below the depth of five feet from the surface of the ground, of the body of any person for whom or of any member of a family for which such grave space has been reserved and appropriated as a burial place with the exclusive right of burial therein.

#### PRESENT.

The KING's Most Excellent Majesty in Council.

**WHEREAS** by the Burial Act, 1853, as amended by the Burial Act, 1900, it was enacted that, in case it appeared to His Majesty in Council, upon the representation of the Local Government Board, that, for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of the Local Government Board, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it should be lawful for His Majesty, by and with the advice of His Privy Council, to order that no new burial-ground should be opened in any city or town, or within such limits, without such previous approval, or (as the case might require) that, after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burial, should be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time as circumstances might require; provided always, that notice of such representation, and of the time when it should please His Majesty to order that the same be taken into consideration by the Privy Council, should be published in the *London Gazette*, and should be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation, one month before such representation was so considered: provided also, that no such representation should be made in relation to the burial-ground of any parish until ten days' previous notice of the intention to make such representation should have been given to the

Incumbent and vestry clerk or churchwardens of such parish:

And whereas by the Burial Act, 1855, it was, amongst other things, enacted that it should be lawful for His Majesty, by and with the advice of His Privy Council, from time to time to postpone the time appointed by any Order in Council for the discontinuance of burials, or otherwise to vary any Order in Council made under any of the Acts recited in the said Act, or under the said Act (whether the time thereby appointed for the discontinuance of burials thereunder, or other operation of such Order, should or should not have arrived), as to His Majesty, with such advice as aforesaid, might seem fit:

And whereas the Local Government Board after giving to the Incumbent and the churchwardens of the parish of Saint Mary, Minster, near Ramsgate, in the county of Kent, ten days' previous notice of their intention to make such representation, made a representation stating that they were of opinion that so much of the Order in Council of the twelfth day of September, one thousand eight hundred and sixty-three, as relates to burials in the said parish, should be varied as hereinafter set forth:

And whereas His Majesty was pleased by His Order in Council of the twentieth day of May, one thousand nine hundred and three, to give notice of such representation, and to order that the same should be taken into consideration by a Committee of the Lords of His Majesty's Most Honourable Privy Council on the thirtieth day of June, one thousand nine hundred and three, and copies thereof have been affixed as required by the said first recited Act:

Now, therefore, His Majesty, by and with the advice of His Privy Council, is pleased to order, and it is hereby ordered, that so much of the Order in Council of the twelfth day of September, one thousand eight hundred and sixty-three, as relates to the said parish be varied by substituting for the directions contained in the said Order with regard to Minster the following directions, viz.:—

**MINSTER.**—That, except as hereinafter provided, burials be discontinued forthwith and entirely in the Parish Church of Saint Mary, Minster, near Ramsgate, in the county of Kent; and, after the thirty-first day of July, one thousand nine hundred and three, in the churchyard;

Provided that in any vault or walled grave now existing in the said churchyard, burial may be allowed, subject to the condition that every coffin buried in such vault or grave be separately enclosed by stonework or brickwork properly cemented.

*A. W. FitzRoy.*

*Privy Council Office, July 9, 1903.*

The following Statute made by the Governing Body of Oriel College, Oxford, on the twenty-fourth day of April, one thousand nine hundred and three (and sealed on the twenty-first day of May, one thousand nine hundred and three), has been submitted for the approval of His Majesty in Council, and notice of its having been so submitted is published in accordance with the provisions contained in "The Universities of Oxford and Cambridge Act, 1877":—

A STATUTE to amend a Statute made by the University of Oxford Commissioners under the Universities of Oxford and Cambridge Act, 1877 (40 and 41 Vict., c. 48), and approved by Her Majesty Queen Victoria in Council on the

third day of May, one thousand eight hundred and eighty-two, in relation to Oriel College, in the University of Oxford, duly made at a General Meeting of the Provost and Fellows of the said College, specially summoned for this purpose, held on the twenty-fourth day of April, one thousand nine hundred and three, and passed at such meeting by the votes of two-thirds of the number of persons present and voting, and submitted to His Majesty the King in Council.

Whereas by Statute IV, 7, made by the University of Oxford Commissioners, under the Universities of Oxford and Cambridge Act, 1877, and approved by Her Majesty Queen Victoria in Council on the third day of May, one thousand eight hundred and eighty-two, in relation to Oriel College, in the University of Oxford, and amended by a Statute approved by Her Majesty Queen Victoria in Council on the twenty-fifth day of March, one thousand eight hundred and ninety-seven, and further amended by a Statute approved by Her Majesty Queen Victoria in Council on the sixth day of April, one thousand eight hundred and eighty-nine, it was enacted as follows:—

7. "Two Exhibitions at least shall always be maintained within the College, to be called the Exhibitions of Adam de Brome, and to be filled up by the election of deserving persons whom the Provost and Fellows shall have ascertained to be in need of support at the University. Each Exhibitioner shall receive such sum not exceeding £80 per annum from the Exhibition Fund, as the Provost and Fellows shall from time to time determine.

The Exhibitioners shall be elected by the Provost and Fellows, with or without examination, and with or without public notice, as the electors shall think fit.

The conditions of tenure of these Exhibitions shall be the same in all respects as those of Scholarships: save that, in the event of any one of the Exhibitioners being elected to a Scholarship within the College, or ceasing, in the judgment of the Provost and Fellows, to be in need of support at the University, he shall thereupon vacate his Exhibition.

It shall be lawful for the Provost and Fellows, at or upon the election after examination and with public notice of any such Exhibitioner or under and in pursuance of regulations made by them from time to time respecting the election after examination and with public notice of such Exhibitioners, to assign to any Exhibitioner or Exhibitioners so elected the title of Scholar, and to the Exhibition or Exhibitions so filled up the name of Scholarship; provided that no exercise by the Provost and Fellows of the power hereby given shall affect the conditions of tenure hereinbefore expressed with respect to such Exhibitions."

And whereas under the said Statutes the emoluments of Adam de Brome Exhibitioners are the same as those of Scholars of the College, and the conditions of tenure, other than that of the Exhibitioners being in need of support at the University, of Adam de Brome Exhibitions, are the same in all respects as those of Scholarships within the College.

And whereas it appears to us the Provost and Fellows of the said College that the abilities and attainments of the persons qualified for election to Exhibitions of Adam de Brome and offering themselves as candidates for such Exhibitions at elections held after examination and with public

notice are equal or not inferior to those of candidates for Scholarships within the College, and that it is desirable that they should not be placed in respect of rank or title in a position inferior to that which they would hold if elected to Scholarships within the College.

We, the said Provost and Fellows of the said College, being the Governing Body thereof, do hereby in exercise of the power given to us by the fifty-fourth section of the said Act, alter Statute IV, 7, by substituting for the clauses as hereinbefore set out the following clauses:—

7. "Two Scholarships or Exhibitions at least shall always be maintained within the College, to be called the Scholarships or Exhibitions of Adam de Brome, and to be filled up by the election of deserving persons whom the Provost and Fellows shall have ascertained to be in need of support at the University. Each Scholar or Exhibitioner shall receive such sum not exceeding £80 per annum from the Exhibition Fund as the Provost and Fellows shall from time to time determine.

The Scholars or Exhibitioners of Adam de Brome shall be elected by the Provost and Fellows, with or without examination, and with or without public notice, as the electors shall think fit.

The conditions of tenure of these Scholarships or Exhibitions shall be the same in all respects as those of Open Scholarships: save that in the event of any one of the Scholars or Exhibitioners being elected to an Open Scholarship within the College, or ceasing, in the judgment of the Provost and Fellows, to be in need of support at the University, he shall thereupon vacate his Scholarship or Exhibition.

It shall be lawful for the Provost and Fellows at or upon the election of any Adam de Brome Exhibitioner, or under and in pursuance of regulations made by them from time to time respecting the election of such Exhibitioners, to assign to any Exhibitioner or Exhibitioners so elected the title of Scholar and to the Exhibition or Exhibitions so filled up the name of Scholarship: and the Provost and Fellows shall exercise the power hereby given in favour of every person who shall be elected after examination and with public notice."

Given under our Common Seal this twenty-first day of May, in the year of our Lord one thousand nine hundred and three.

(L. S.)

*Privy Council Office, July 9, 1903.*

The following Statute made by the Governing Body of Saint John's College, Oxford, on the fifteenth day of May, one thousand nine hundred and three (and sealed on twentieth May, one thousand nine hundred and three), has been submitted for the approval of His Majesty in Council, and notice of its having been so submitted is published in accordance with the provisions contained in "The Universities of Oxford and Cambridge Act, 1877":—

Ex parte the President and Fellows of Saint John's College in the University of Oxford.

A STATUTE made to amend a Statute framed by the Commissioners appointed under the Universities of Oxford and Cambridge Act, 1877 (40 and 41 Victoria, cap. 48), in relation to Saint John's College in the University of Oxford duly passed at a General Meeting of

the Governing Body of the said College specially summoned for this purpose on the fifteenth day of May, one thousand nine hundred and three by the votes of the whole number of persons present and voting and submitted to His Majesty the King in Council.

Whereas in Statute XV, 1, of the Statutes of Saint John's College in the University of Oxford it is enacted (inter alia):

"The President and Fellows may from time to time pay out of the Corporate revenues a sum not exceeding five hundred pounds in any year to a Pension Fund and may add to it a sum deducted from the Tuition Fund such deduction not to exceed ten pounds per centum in any year. The proceeds of any Advowsons which may be sold by the College may if the President and Fellows think fit be added to the Capital of this Fund."

And whereas it appears to us the President and Fellows of the said College that it is desirable that the said Statute shall be altered and amended in manner hereinafter appearing:

Now we the President and Fellows of the said College in exercise of the powers vested in us under and by virtue of the fifty-fourth section of the Universities of Oxford and Cambridge Act, 1877, do by this present instrument under the Corporate Seal of our said College alter and amend Statute XV, 1, of the Statutes of the College as hereinbefore set out by inserting after the words "the proceeds of any advowsons which may be sold by the College" the words "and any property which the President and Fellows hold in trust for the purchase of advowsons."

Given under our Common Seal this twentieth day of May, one thousand nine hundred and three.
