**N**OTICE is hereby given, that application is intended to be made to Parliament, in the ensuing Session, by the Mayor, Aldermen and Burgesses of the Borough of Basingstoke, in the county of Southampton (hereinafter referred to as "the Council"), for an Act for all or some of the following purposes and objects (that is to say):—

To authorize the Council to make and maintain in the parish and borough of Basingstoke, and in the parish of Cliddesden, in the county of Southampton, the waterworks following, or some of them, or some part or parts thereof (that is to say):—

(1) A well and pumping station, to be situate in the western portion of the field numbered 291 on the  $\frac{1}{2500}$  Ordnance Map for the parish of Basingstoke (2nd edition, 1896).

(2) A covered service reservoir to be situate in the western portion of the said field, numbered 291 on the said  $\frac{1}{2500}$  Ordnance Map of the said parish of Basingstoke (2nd edition, 1896).

(3) An aqueduct, conduit, or line of pipes, commencing at the north-eastern corner of the reservoir (Work No. 2) and terminating by a junction with the existing main of the Council at the extreme southern end of Vyne-road.

(4) A well and pumping station, to be situate on Basingstoke Common on the northern portion of the property numbered 64 on the  $\frac{1}{2500}$  Ordnance Map for the parish of Basingstoke (2nd edition, 1896).

(5) An aqueduct, conduit or line of pipes, commencing at the well (Work No. 4) and terminating at the north-eastern corner of the reservoir (Work No. 2).

(6) A well and pumping station, to be situate in the western portions of the fields numbered 88 and 89 on the said  $\frac{1}{2500}$  Ordnance Map for the parish of Basingstoke (2nd edition, 1896).

(7) A water tower and tank, to be situate adjoining the existing reservoirs of the Council in the property numbered 14a on the said  $\frac{1}{2500}$  Ordnance Map for the parish of Basingstoke (2nd edition, 1896).

Together with all proper embankments, bridges, roads, ways, wells, tanks, basins, gauges, softening tanks, filters, and filter beds, dams, sluices, hatch-

boxes, chambers, bye-washes, waste weirs, out-falls, discharge pipes, shafts, adits, drifts, tunnels, aqueducts, culverts, cuts, catchwaters, channels, conduits, mains, pipes, stand-pipes, junctions, valves, drains, telegraphs, telephones, engines, pumps, apparatus, roadways, approaches, buildings, houses, chimney shafts, ventilating shafts, works and conveniences connected with the hereinbefore described works, or any of them, or incidental thereto, or necessary for conducting, controlling, inspecting, cleansing, repairing or managing the same, and together with full power and right at all times of approach and access to the works aforesaid or any of them.

To authorize the Council to discharge water from any of the aforesaid works into any available stream or watercourse, and to make provision for compensating all riparian owners and other persons for any damage which may be caused by the exercise of such power.

To authorize the Council to deviate from the lines and levels of the intended works, as shown upon the plans and sections hereinafter mentioned, to such extent as may be provided by the Bill.

To incorporate with the Bill, and to apply to the works hereinbefore described or any of them, and to the Council in respect thereof the provisions or some of the provisions of the Railways Clauses Act, 1845, with respect to the temporary occupation of lands near the works during the construction thereof.

To empower the Council to purchase and of take by compulsion or agreement, and to take leases or grants of or easements in, under or over lands, houses, springs, streams, waters and other hereditaments in the borough of Basingstoke and the parish of Cliddesden, for the purposes of their Undertaking generally, including about 1 acre of Basingstoke Common, in the parish of Basingstoke, and the Bill will or may vary or extinguish any rights or privileges connected with any such lands, houses, springs, streams, waters and hereditaments as aforesaid, and will or may empower the Council to acquire compulsorily easements or wayleaves in or under lands in the said district for the purposes of the works above described instead of purchasing such lands, and to exercise and do on any lands such works, matters, and things as are mentioned or referred to in section 12 of the Waterworks Clauses Act, 1847.

To empower the Council to lay down, maintain, take up, alter and renew mains, pipes, culverts and other works for the distribution of water within their limits of supply, and to cross, break up, open, alter, divert or stop up, and interfere with, either temporarily or permanently, any roads, highways, footpaths, streets, bridges, canals, railways, tramways, sewers, drains, pipes, streams and watercourses within their district for the purposes of the aforesaid works or of supplying or distribution of water.

To empower the Council to hold lands for the purpose of protecting, securing and preserving their waterworks or water supply, and to sell, lease or exchange lands vested in them, and to exempt such lands and the Council in respect thereof from the provisions or some of the provisions of the Lands Clauses Consolidation Act, 1845, with respect to the sale of superfluous lands.

To authorize the Council to erect and let cottages for their officers and servants, and to make provisions with respect to the service of notices on and by the Council.
