*Board of Trade (Harbour Department),  
London, December 28, 1904.*

H. 16031.

The Board of Trade have received a copy of the following Notice, dated December 19, issued by the Governor of Malta:—

Government Notice. No. 287.

In exercise of the powers vested in him by Ordinances No. V of 1866 and No. I of 1875, His Excellency the Governor—with a view to preventing the spread of glanders or farcy, which has lately appeared among animals of the equine species, and which, in the opinion of the Council of Health, is a disease communicable by contagion or infection—has been pleased to make the following regulations:—

1. In these regulations the word "horse" includes ponies, mules, asses, and all animals of the equine species.

2. The Government Veterinary Surgeon, or any person appointed by the Government for the purpose, shall, as frequently as he may deem it expedient, inspect any horse which is believed to be diseased and any place in which horses are kept, and it shall be lawful for any Police Officer not below the rank of Sub-Inspector to enforce any sanitary measure which the Government Veterinary Surgeon or any person appointed by the Government may deem it expedient to order.

3. No complaint against any order given under the provision of the preceding article shall be taken into consideration by the Head of the Government, unless it be forwarded through the Officer from whom that order emanated.

Unless the Government Veterinary Surgeon or other person on whose advice the order was given recommends its immediate execution, the Police shall refrain from taking any step for enforcing the order complained of, until the decision of the Head of the Government is communicated to them.

4. Every owner of horses shall, without delay, report at the nearest police station the death of any horse in his possession or the appearance of any disease or any symptoms of disease among horses in his possession.

The same duty lies upon any person who shall, in any way, come to know of the appearance of any disease among horses.

When a report to the above effect has been made by one person, the duty of all other persons to make such report with regard to the same animal shall cease. But no one shall be excused, if he fails to make such report, on the ground that he believed that the report had been made by another person.

5. It shall be lawful for any Police Officer not below the rank of Sub-Inspector who observes in any horse any symptom of disease, or to whom, on information received from trustworthy persons, it shall appear that there are reasons for suspecting that any horse is diseased, to order the removal of such horse and of any straw, hay, or other articles which may cause the propagation of the disease, as well as the fumigation of the stall or other place in which the animal was, or into which it may have passed, or to prohibit the removal from such place of such animal or of any of the things aforesaid, and to prohibit any communication with such place.

6. Any animal which, on a report from the Government Veterinary Surgeon, shall be declared by the chief Government Medical Officer and two Government Medical Officers to be suffering from glanders or farcy shall be, at once, destroyed by order of the Police.

7. Whenever any Police Officer shall have prohibited communication with any stall or other place under Art. 5, such prohibition shall imply that no person shall go out of such place and that no animal of any species or any other thing shall be taken therefrom, without permission from the Government Veterinary Surgeon.

8. Any animal which is conveyed out of any place referred to in the preceding Article without permission from the Government Veterinary Surgeon, or which goes out of such place, may be destroyed by any person, while out of such place.

Any person who goes out of such place without permission shall be forthwith arrested and placed in quarantine at the Lazaretto under such restrictions and for such period as the Chief Government Medical Officer may deem necessary.

9. No one shall bury any horse or part of a horse which has died from glanders or farcy, or remove it from the place in which it died, until it has been visited by the Government Veterinary Surgeon or other person appointed for the purpose, unless the burial be necessary to avoid the spreading of such disease, or a nuisance to the public.

10. No one shall remove from the place in which any horse has died, any straw, hay, or other things without permission from the Government Veterinary Surgeon.

11. If any order given under these regulations by any of the Officers mentioned in Article 2 be not fully carried out by the person to whom it was given, it shall be carried out by the police, who shall institute proceedings against the offender according to law.

12. Any order given by a person authorized under these regulations to give such order with a view to preventing the spreading of the disease referred to in the preamble of this Notice, shall be carried out as if it were given by the Head of the Government, even though the power to give such order be not included in any other provision of these regulations.

13. Any order given by any of the persons mentioned in Article 2 may be altered or revoked by such persons or by the Head of the Government; but no application for the alteration or revocation of any such order, shall suspend the execution of the same.

14. Until further notice, no horse shall be landed in either Gozo or Comino from Malta without a permit from the Chief Government Medical Officer.

By command,

E. M. MEREWETHER,

Lieutenant-Governor and  
Chief Secretary to Government.

GENERAL ORDER of the Local Government Board: altering General Consolidated Order: Outdoor Labour Test:—

ORSETT UNION.

To the Guardians of the Poor of the Orsett Union:—

To the Overseers of the Poor of the several Parishes comprised in the said Union;—

And to all others whom it may concern.

Whereas by a General Order dated the 21st day of December, 1844, the Poor Law Commissioners prescribed Regulations with respect to the administration of the relief of poor persons in certain Unions and Parishes including the Orsett Union:

And whereas by a further General Order of the said Commissioners, dated the 24th day of July, 1847, in force in the Orsett Union, the Guardians of the Poor of that Union were required to appoint a Superintendent of Outdoor Labour;

And whereas it is expedient that further provision should be made with regard to the relief of the Poor and with regard to the services of a Superintendent of Outdoor Labour in the said Union:

Now therefore, in pursuance of the powers given to Us by the Statutes in that behalf, We hereby Order as follows; that is to say:—

ARTICLE 1. Subject to the provisions of the said General Order dated the twenty-first day of December, one thousand eight hundred and forty-four, every able-bodied male pauper who receives outdoor relief within the Union shall be relieved in the following manner; that is to say,—

Half at least of the relief given to the pauper shall be given in food, clothing and other articles of necessity.

No such pauper shall receive relief from the Guardians, or any of their officers, or any Overseer of any Parish in the Union, while he is employed for wages or other hire or remuneration by any person; but every such pauper so relieved shall be set to work by the Guardians.

ARTICLE 2. The Guardians shall, within fourteen days after the date of this Order, and from time to time afterwards as the Local Government Board require, report to the Local Government

Board the place or places at which able-bodied male paupers are so set to work in the Union, the sort or sorts of work in which they or any of them are employed, the times and mode of work, and all such other matters relating to the employment of the said able-bodied paupers as the Guardians deem material to be communicated to the Local Government Board, or as the Local Government Board require.

ARTICLE 3. If the Guardians depart, in any particular instance, from any of the regulations hereinbefore contained, and within fifteen days after the said departure, report the same and the grounds thereof to the Local Government Board, and if the Local Government Board approve of that departure, then the relief granted in the particular instance shall, if otherwise lawful, not be deemed to be unlawful, or be subject to be disallowed.

ARTICLE 4. If at any time the number of able-bodied male paupers requiring relief is so small as to render the services of a Superintendent of Outdoor Labour unnecessary, the Guardians, notwithstanding anything in the said General Order dated the twenty-fourth day of July, one thousand eight hundred and forty-seven, may dispense with the services of such an officer.

Given under the Seal of Office of the Local Government Board, this twenty-seventh day of December, in the year one thousand nine hundred and four.

Walter H. Long,

President.

H. C. Monro, Assistant-Secretary.
