1. Throughout these by-laws the expression "the Council" means the London County Council, and the expression "the County" means the Administrative County of London (exclusive of the City of London).

2. A person in charge of a locomotive on any highway shall not use the locomotive to draw more than three unloaded waggons, with or without any waggon solely used for carrying water for such locomotive.

Provided that this prohibition shall not apply in any case, where, on application to the Council for permission to use a locomotive to draw more than three unloaded waggons, with or without any waggon solely used as aforesaid, such Council in writing grant such permission.

3. A person in charge of a locomotive shall not cause or suffer the locomotive to remain stationary on any part of a highway for more than twenty minutes at any one time.

Provided that this by-law shall not be deemed to apply in any case where the stopping of the locomotive for a longer period than twenty minutes

(a) is necessary in order to enable the person using the locomotive to comply with the requirements of any statutory provision or by-law for the time being in force for the regulation of the use of locomotives; or

(b) is rendered necessary by accident, or other unavoidable cause; or

(c) is necessary in case of a steam roller lawfully on any highway for the purpose of maintenance, repair, or construction of highways.

4. Where for a continuous length exceeding fifty yards a highway comprises a carriageway or cartway of a width less than twenty-four feet, a person in charge of a locomotive shall not drive or suffer the locomotive to be driven upon the carriageway or cartway unless a person accompanying the locomotive shall precede the locomotive for a distance reasonably sufficient to warn the drivers of vehicles of the approach of the locomotive.

culvert or within ten feet from the face of the abutment of any bridge, arch or culvert.

Provided that this prohibition shall not be deemed to apply in any case

(a) where a steam roller is lawfully on any highway for the purpose of the construction, repair, or maintenance of a highway; or

(b) where, in pursuance of the statutory provision in that behalf, a locomotive may be required to be instantly stopped; or

(c) where the stopping of a locomotive may be rendered necessary by accident, or other unavoidable cause.

6. A person in charge of a locomotive on any highway who may be required by any officer of the Council or police constable, duly authorized in that behalf, to stop the locomotive, for the purpose of enabling the officer or constable to ascertain by examination whether any provision of any statute or by-law applicable to the locomotive has been or is duly complied with, shall forthwith cause the locomotive, if in motion, to stop, and shall not cause or suffer the locomotive to be again set in motion until such time shall have elapsed as may be reasonably necessary for the purpose of such examination.

The person in charge of the locomotive shall, in connection with such examination, give all reasonable assistance that may be demanded by the officer or constable requiring the locomotive to be stopped.

7. A person in charge of a locomotive on any highway shall furnish his true name and address to any officer of the Council or police constable, duly authorized in that behalf, who shall demand the same.

8. A person in charge of a locomotive on any highway shall not cause or suffer the locomotive to be driven on the same track as another locomotive preceding it, at a less distance than two hundred yards, except where there is a reasonable necessity for so doing.

9. From and after the date of the confirmation of these by-laws the by-laws with respect to locomotives in force in the County of London, shall be repealed.

The said by-laws will be deposited at the County Hall, Spring Gardens, Charing Cross, for one calendar month from and after the publication of this notice, and, before application for confirmation is made as aforesaid, will be open during office hours thereat, to the inspection of the ratepayers of the district to which such by-laws relate, without fee or reward.

And it was ordered that Frederick William Lord, the Liquidator in the voluntary winding up of the said Company should, every three months, file with the Registrar Companies (Winding-up) a report, in writing, as to the position of and the progress made with the winding up of the said Company, and with the realization of the assets thereof, and as to any other matters connected with the winding up as the Court should from time to time direct; the first of such reports to be filed on the 5th March, 1906. And it was ordered that no bills of costs, charges, or expenses, or special remuneration of any Solicitor employed by the Liquidator of the said Company, or any remuneration, charges, or expenses of such Liquidator, or of any manager, accountant, auctioneer, broker, or other person be paid out of the assets of the said Company, unless such costs, charges, expenses, or remuneration should have been taxed or allowed by the Registrar Companies (Winding-up). And it was ordered that the costs of the petitioner and of the Company, and of the creditors supporting the Petition be taxed by the proper Taxing Master, and paid out of the assets of the Company, and that on such taxation only one set of costs was to be allowed between the petitioner and the creditors supporting the Petition. And the creditors, contributories, and Liquidator of the said Company, and all other persons interested were to be at liberty to apply to the Court as there might be occasion. And the time for the advertisement of the said Order in the London Gazette was thereby extended to the 20th December, 1905.—Dated the 18th day of December, 1905.
