COUNTY OF LONDON.

The London County Council (Tower Bridge Southern Approach) Act, 1895; Tower Bridge-road Improvement Charge.

NOTICE is hereby given, that the Arbitrator appointed by the Local Government Board for the purposes of Part III of the above-mentioned Act, has duly made and published his Award, a copy of which is as follows:—

To all to whom these presents shall come I, Benjamin l'Anson Breach, of 29, Fleet-street, in the city of London, Surveyor, send greeting:

Whereas under and by virtue of the London County Council (Tower Bridge Southern Approach) Act, 1895, the London County Council duly made a specification under their Seal dated

the twenty-sixth day of November, one thousand eight hundred and ninety-five, being two months at least before the said Council commenced any part of any improvement authorized by the said Act as provided by the said Act of all the lands within the improvement area referred to in the said Act, upon which they proposed to place an improvement charge and which they desired to include in the assessment mentioned in the said Act (which specification included the property mentioned in the schedule hereto), and gave notice of and deposited a copy of the said specification as and within the period required by the said Act; and whereas under and by virtue of the said Act an initial valuation of the said property was made after such Notice and hearing as therein provided by an instrument in writing, dated the thirteenth day of January, one thousand eight hundred and ninety-seven, under the hand of James Green, the Valuer appointed by the Local Government Board, and was deposited with the clerk of the said Council for the period required by the said Act; and whereas under and by virtue of the said Act an assessment of the said property was framed by the said Council in manner and within the period by the said Act required, and was approved by the said Council by a resolution made on the seventh day of March, one thousand nine hundred and five, and such assessment was in the words and figures set forth in the first four columns of the schedule hereto; and whereas the said Council duly published, posted, and served notices of, and deposited the said resolution or copies thereof in manner and upon the persons and within and during the periods provided by the said Act; and whereas during the period by the said Act limited for objections to the said assessment written notices of such objections were served on the said Council on behalf of Messrs. Noakes and Company Limited in respect of the public house known as the “Dundee Arms” number 59, Artillery-street, being part of number 18, part of number 19, part of number 20 and part of number 21 on plan in the parish of Saint John Horselydown (and the land being part of number 18 and part of number 19 on plan in the parish of Saint John Horselydown), by George Thomas Robinson and James Arthur Farquhar in respect of the houses, offices, warehouses, engine and boiler houses, chimney-shaft, workshops, still-house, malt and grain stores, cooperage, platform, stables, well, sheds, yards and outbuildings, number 37, Tanner-street, and Church-street, being number 165 on plan in the parish of Saint Mary Magdalen, Bermondsey, and the houses, shop, bakehouse, yards and outbuildings numbers 43 and 41, Tanner-street, being numbers 163 and 164 on plan in the parish of Saint Mary Magdalen, Bermondsey, on behalf of the city of London Brewery Company Limited in respect of the public-house, yard and outbuildings known as the “Old Rose,” number 42, Tanner-street, being numbers 145 and 146 on plan, in the parish of Saint Mary Magdalen, Bermondsey, by John Poupart in respect of the houses, yards, and outbuildings, numbers 33 and 35, Purbrook-street, being numbers 137 and 138 on plan, in the parish of Saint Mary Magdalen, Bermondsey, and the houses, yards, and outbuildings, number 30, Steven-street, and number 1, Prince-street, being numbers 133 and 134 on plan, in the parish of Saint Mary Magdalen, Bermondsey, on behalf of Mortimer Rooke and Henry Lumley Webb (Trustees under the will of Eleanor Sarah Ram, deceased) and Arthur Archibald Ram and Joseph Rivers in respect of the house, yard, stables, lofts, sheds, outbuildings and roadway, number

29, Bermondsey-square, being number 66 on plan, in the parish of Saint Mary Magdalen, Bermondsey, and the public-house known as the "Horse Shoe," number 230, Grange-road, being number 37 on plan, in the parish of Saint Mary Magdalen, Bermondsey, and by Walter Junkison in respect of the houses, forecourts, gardens, and outbuildings, numbers 8 and 9, Grange-road, being numbers 33 and 34 on plan, in the parish of Saint Mary Magdalen, Bermondsey; and whereas each of the notices mentioned in the last recital contained objections (1) that the said lands and premises to which such notice related ought to be excluded from the said assessment, by reason that it had not been or could not be clearly shewn that the market value thereof was substantially and permanently increased by the said improvement, or (2) that the amount of the charge proposed to be placed upon the said lands and premises to which such notices related ought to be varied, or (3) that the assessment was incorrect in respect of some matter of fact; and whereas the said notices of objections served upon the said Council by the said George Thomas Robinson and James Arthur Farquhar, were subsequently withdrawn; and whereas notices were given by Sophia Schutz, in respect of the property known as numbers 43 and 41, Tanner-street, and numbered respectively 163 and 164 on plan, and on behalf of Charles Stanley Williams in respect of numbers 8 and 9, Grange-road, being numbers 33 and 34 on plan, requiring the Council to purchase the objector's estate and interest in the said premises at the values respectively specified in the aforesaid initial valuation; and whereas it was agreed that the said notice given by the said Sophia Schutz was not enforceable, and the Council did not, therefore, agree to purchase her interest; and whereas the Council accepted the said notice given by the said Charles Stanley Williams, and agreed to purchase his interest; and whereas no notices of objection except as above mentioned were served on the said Council in respect of the said assessment, and no notices of decrease in the value of other property caused by the said improvement were given to the said Council; and whereas by an Order dated the twentieth day of September, one thousand nine hundred and five, and made by the Local Government Board under their seal, on the application of the said Council, the Local Government Board appointed me, the said Benjamin I'Anson Breach, to act as arbitrator for the purposes of Part III of the said Act, so far as it relates to the said improvement, and whereas, after my appointment as aforesaid, the said Council applied to me to appoint a time for determining the matter of all the said objections, and for making an award and duly published notice of the time and place appointed, and served copies of such notice as required by the said Act upon the said objectors, and also upon all the owners, lessees, and occupiers mentioned in the second column of the said schedule hereto, and whereas, upon the hearing of the said objections, the Council and the parties interested in the properties first, second, and thirdly mentioned in the schedule hereto, agreed that the improvement charges charged upon the property firstly, secondly, and thirdly mentioned in the schedule hereto, should be as therein appearing; and whereas the South Eastern Railway Company objected to the inclusion in this Award of any charge in respect of the land being part of number 15 on plan, on the ground that subsection N of section 7 of the said Act provided that no part of the railways and lands of the Railway Company shall be deemed to be land liable to the

improvement charge authorised by the said Act and whereas the said Sophia Schutz applied to me, the said Benjamin I'Anson Breach, to postpone the improvement charge upon number 43, Tanner-street, until the expiration of her lease, now I, the said Benjamin I'Anson Breach, having taken upon myself the burthen of the said reference, and having heard, examined and considered the allegations, and the witnesses, documents and evidence of the said Council and of the said objectors concerning the premises (including the value of the said property and the parts of the said assessment as to which no notice of objection was served as aforesaid) and having viewed the property included in the said assessment do hereby make and publish my Award, in writing, of and concerning the premises in manner following, that is to say:—

1. I award and determine that the property mentioned in the first column of the schedule hereto should be included in the said assessment by reason that the value thereof is substantially and permanently increased by the said improvement.

2. I award, assess, and determine that the enhanced values of the property, respectively mentioned in the first column of the schedule hereto, from the said improvement after making all fair and proper deductions for rates, taxes, assessments and impositions on the said lands, as defined by the said Act according to such increased value, are the sums set opposite such property respectively in the fifth column of the schedule hereto, and that the improvement charges on such property respectively, equal to three per cent. per annum upon one half of such enhanced values respectively, are the sums set opposite such enhanced values respectively in the sixth column of the schedule hereto, and I further award, assess, and determine that the charge in respect of the lands numbered 5, 10, and 14 in the said schedule shall be postponed as therein mentioned.

3. I award, assess, and determine that out of the charge of eleven pounds eleven shillings assessed upon numbers 43 and 41, Tanner-street, and being numbers 163 and 164 on plan, the sum of seven pounds sixteen shillings per annum being the sum I find as the charge due in respect of number 43, Tanner-street, shall not become payable until such time as number 43, Tanner-street ceases to be occupied as at present for the purpose of the business of a baker, or until the expiration of three years from the first day of April, one thousand nine hundred and six, whichever shall first happen.

4. I award, assess, and determine that if the South Eastern Railway Company or the South Eastern and Chatham Railway Company's Committee, as the case may be, are liable to pay an improvement charge under the said Act in respect of the land numbered 4 in the schedule hereto, and being part of number 15 on the plan, then such improvement charge shall be the amount specified in the said schedule in column six thereof.

In witness whereof I have hereunto set my hand and seal the twenty-second day of December, one thousand nine hundred and five.

B. I'ANSON BREACH.

JOHN J. WITHERS, Solicitor,
