At the Court at *Buckingham Palace*, the 29th day of *February*, 1908.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the fifth and sixth years of Her late Majesty Queen Victoria, chapter one hundred and eight, and of the Act of the twenty-first and twenty-second years of Her said late Majesty, chapter fifty-seven, which Acts are known as "The Ecclesiastical Leasing Acts," duly prepared and laid before His Majesty in Council a scheme bearing date the nineteenth day of December, in the year one thousand nine hundred and seven, in the words following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the fifth and sixth years of Her late Majesty Queen Victoria, chapter one hundred and eight, and of the Act of the twenty-first and twenty-second years of Her said late Majesty, chapter fifty-seven, which Acts are known as "The Ecclesiastical Leasing Acts," have prepared and now humbly lay before Your Majesty in Council the following scheme relating to the rectory and parish of Cantreff, with the chapelry of Nantddu in the county of Brecknock and diocese of Saint David's.

"Whereas the annual value of the benefice of Cantreff with Nantddu, that is to say, of the rectory of the parish of Cantreff with the chapelry of Nantddu aforesaid (hereinafter called the said benefice), has been improved by means of certain leases of the minerals underlying portions of the glebe lands of the said benefice which leases were granted under the authority of the said Acts by former Rectors or Incumbents of the said benefice or of the perpetual curacy of Nantddu before its union with the rectory of Cantreff.

"And whereas the rents, royalties, and other reservations by the said leases reserved and made payable to us, the said Ecclesiastical Commissioners, have from time to time as the same have been received by us been invested in accordance with the provisions in that behalf contained in the said Acts, and of such investments there remain standing in the name of us, the said Ecclesiastical Commissioners, first, a sum of seven thousand four hundred and ninety-six pounds sixteen shillings and sixpence India three pounds per centum stock, secondly, a sum of twenty-two thousand seven hundred and fifty-three pounds nineteen shillings and fivepence London County three pounds per centum stock, and thirdly, a sum of four thousand four hundred and twenty-one pounds three shillings and sevenpence Metropolitan Consolidated three pounds per centum stock, all which said sums of stock are now held by us in trust to pay the Rector or Incumbent for the time being of the said benefice the annual interest or dividends from time to time arising or accruing therefrom or thereupon, but subject nevertheless to the provisions contained in the said Acts with respect to making a certain portion of the improved value arising to the said benefice from the said leases payable to us for the benefit of our common fund to be applied as in the said Acts mentioned.

"And whereas the improvement in the annual value of the said benefice arising from or by means of the said leases exceeds the annual sum of one thousand pounds, and after the appropria-

tion hereinafter recommended to us, the said Ecclesiastical Commissioners, for the benefit of our common fund, of the sum of ten thousand pounds London County three pounds per centum stock the average annual income of the said benefice will not be left at a less sum than six hundred pounds.

"Now, therefore, we, the said Ecclesiastical Commissioners, humbly recommend and propose that as from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme the sum of ten thousand pounds London County three pounds per centum stock (being part of the sum of twenty-two thousand seven hundred and fifty-three pounds nineteen shillings and fivepence London County three pounds per centum stock hereinbefore mentioned) shall cease to be held by us for the benefit of the Rector or Incumbent of the said benefice and shall be held by us for the benefit of our common fund to be applied as in the said Acts mentioned.

"And we further recommend and propose that as from the said day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme all the rents, royalties, and other reservations which shall become payable to us, the said Ecclesiastical Commissioners, under and by virtue of the two indentures of lease described in the schedule hereto (being two of the leases by means whereof the annual value of the said benefice has been improved as aforesaid) or of any renewal or renewals of such leases or either of them or of any lease or leases that may hereafter be granted of the minerals or any part of the minerals demised by the said indentures of lease or either of them shall cease to be paid to us for the benefit of the Rector or Incumbent of the said benefice and shall be paid to us for the benefit of our common fund to be applied as in the said Acts mentioned.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts or of either of them, or of any other Act of Parliament.

"The SCHEDULE.

"First. An indenture of lease dated the twenty-fifth day of March one thousand eight hundred and sixty-six and granted by the Reverend James Price then Incumbent of the perpetual curacy of Nantddu with the consent and approval of us the said Ecclesiastical Commissioners and of the Reverend John James Evans as then patron of the said perpetual curacy and of the Lord Bishop of Saint David's whereby there was demised to George Thomas Clark and the Right Honourable Henry Austin Bruce both therein described for a term of fifty-four years from the twenty-fifth day of March one thousand eight hundred and sixty-six coal ironstone and fireclay underlying certain lauds containing about eighty-four acres situate in the parish of Merthyr Tydfil in the county of Glamorgan and belonging to the said perpetual curacy.

"Secondly. An indenture of lease dated the twenty-first day of May one thousand eight hundred and ninety-six and granted by the Reverend John James Evans then Rector or Incumbent of the said benefice (and since deceased) with the consent and approval of us the said Ecclesiastical Commissioners and of David

Evans therein described and the said John James Evans as then patrons of the said benefice whereby there was demised to the Powells Tillery Steam Coal Company Limited for a term of twenty-one years from the first day of July one thousand eight hundred and ninety-four coal ironstone and fireclay underlying certain other lands containing thirty-four acres three roods and nine perches situate in the parish of Aberystwith in the county of Monmouth and belonging to the said benefice."

And whereas the notices of the foregoing scheme, which are required by the hereinbefore mentioned Acts have been given by the said Commissioners to the patrons of the said benefice of Cantreff with Nantddu and the said patrons have not made any objection to the said scheme:

And whereas the said scheme has been approved by His Majesty in Council: now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Saint David's.

"And we further represent, recommend and propose that nothing herein contained shall prevent us from representing, recommending or proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the hereinbefore mentioned Acts or of any of them or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme or Representation has reference.

"The territory to be dissevered from the new parish of Saint John, Moordown, in the county of Southampton, and in the diocese of Winchester; and to be annexed to the new parish of Saint Augustin, Bournemouth, in the same county and diocese, being all that portion of the said new parish of Saint John, Moordown, which is bounded upon the east by a detached portion of the new parish of the Holy Trinity, Bournemouth, in the said county and diocese, upon the south by the said new parish of Saint Augustin, Bournemouth, and upon the remaining sides, that is to say, upon the west and upon the north, by an imaginary line commencing at the point where the boundary which divides the said new parish of Saint Augustin, Bournemouth, from the said new parish of Saint John, Moordown, crosses the middle of Heron Court-road, and extending thence northward along the middle of Heron Court-road for a distance of twenty-seven chains or thereabouts to its junction with Markham-road, and extending thence eastward along the middle of Markham-road for a distance of twenty-four chains or thereabouts to its junction with Charminster-road, upon the boundary which divides the said new parish of Saint John, Moordown, from the said detached portion of the new parish of the Holy Trinity, Bournemouth."

And whereas drafts of the said scheme or representation have been transmitted to the patron and to the Incumbents of the cures affected by the arrangements which are contemplated by such scheme or representation and such patron and the Incumbent of the vicarage of the said new parish of Saint Augustin, Bournemouth, have respectively signified their assent thereto:

And whereas the Incumbent of the vicarage of the said new parish of Saint John, Moordown, has not signified his consent to the said scheme or representation.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by the Burial Act, 1853, as amended by the Burial Act, 1900, it was enacted that, in case it appeared to His Majesty in Council, upon the representation of the Local Government Board, that, for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of the Local Government Board, should be prohibited, or that burials, in any city or town, or within any other limits, or in any burial-grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it should be lawful for His Majesty, by and with the advice of His Privy Council, to order that no new burial-ground should be opened in any city or town, or within such limits, without such previous approval, or (as the case might require) that, after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burial, should be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time as circumstances might require; provided always that notice of such representation, and of the time when it should please His Majesty to order that the same be taken into consideration by the Privy Council, should be published in the *London Gazette*, and should be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation, one month before such representation was so considered; provided also that no such representation should be made in relation to the burial-ground of any parish until ten days' previous notice of the intention to make such representation should have been given to the Incumbent and vestry clerk or churchwardens of such parish:

And whereas the Local Government Board, after giving to the Incumbent and the Churchwardens of the parish of All Saints, Stoke Ferry, in the county of Norfolk, ten days' previous notice of their intention to make such representation, made a representation stating that, for the protection of the public health, no new burial-ground should be opened in the civil

parish of Stoke Ferry, without the previous approval of the Local Government Board, and that burials should be discontinued in the said parish as hereinafter directed:

And whereas His Majesty was pleased, by His Order in Council of the twenty-first day of December last, to give notice of such representation, and to order that the same should be taken into consideration by a Committee of the Lords of His Majesty's Most Honourable Privy Council, on the tenth day of February, one thousand nine hundred and eight, and such Order has been published in the *London Gazette*, and copies thereof have been affixed, as required by the said Act:

Now, therefore, His Majesty, by and with the advice of His Privy Council, is pleased to order as it is hereby ordered, that no new burial-ground shall be opened in the said civil parish without the previous approval of the Local Government Board, and that burials in the said parish shall be discontinued as follows, viz. :—

STOKE FERRY.—Forthwith and entirely in the parish church of All Saints, Stoke Ferry, and in the churchyard; and in the burial ground known as the church cemetery, except as follows:—

(a.) In any vault or walled grave now existing in the said churchyard or church cemetery burial may be allowed subject to the condition that every coffin buried in such vault or grave be separately enclosed by stonework or brickwork properly cemented:

(b.) In any earthen grave now existing in the said church cemetery the burial may be allowed of the body of any member of the family of the person or persons heretofore buried in such grave, subject to the condition that no part of the coffin containing the body shall be at a depth less than three feet below the level of the surface of the ground adjoining the grave.

Privy Council Office, March 3, 1908.

Notice is hereby given, that "The East Africa Order in Council, 1907," which is published below, came into operation on the 1st day of January, 1908.

At the Court at *Buckingham Palace*, the 2nd day of *November*, 1907.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the territories of Africa known as the East Africa Protectorate are under the protection of His Majesty the King:

And whereas by treaty, grant, usage, sufferance, and other lawful means, His Majesty has power and jurisdiction within the said Protectorate:

And whereas by an Order of His Majesty in Council bearing date the eleventh day of August, one thousand nine hundred and two, and entitled "The East Africa Order in Council, 1902," provision was made for the administration of the government of the said Protectorate by a Commissioner:

And whereas by a further Order of His Majesty in Council bearing date the twenty-second day of October one thousand nine hundred and six, it was provided that a Governor should be appointed for the said Protectorate in place of a Commissioner:

And whereas by the fifteenth and sixteenth Articles of the last recited Order provision was made for the administration of the government of the said Protectorate in the absence of the Governor, and it is desirable to make other provision in lieu thereof:

Now, therefore, His Majesty, by virtue and in exercise of the powers on that behalf by the Foreign Jurisdiction Act, 1890, or otherwise, in His Majesty vested, is pleased, by and with the advice of His Privy Council, to order; and it is hereby ordered as follows:—

I. This Order may be cited as "The East Africa Order in Council, 1907."

II. Articles XV and XVI of the above recited Order in Council of the twenty-second day of October, one thousand nine hundred and six, are as from the coming into operation of this Order hereby revoked without prejudice to anything lawfully done thereunder, and in place thereof the following articles shall be substituted and take effect:—

"XV. Whenever the office of Governor is vacant, or if the Governor become incapable or be absent from the Protectorate, or is from any cause prevented from acting in the duties of his office, the person appointed by His Majesty to be Lieutenant-Governor of the Protectorate, or if there be no such officer therein, or such officer be unable to act, then such person or persons as His Majesty may appoint under His Sign Manual and Signet, and in default of any such appointment the Senior Member of the Executive Council shall, during His Majesty's pleasure, administer the Government of the Protectorate, first taking the oaths hereinbefore directed to be taken by the Governor and in the manner herein prescribed, which being done, the Lieutenant-Governor or any other such administrator as aforesaid is hereby authorized, empowered, and commanded to do and execute, during His Majesty's pleasure, all things that belong to the office of Governor according to the tenour of this Order, and according to His Majesty's Instructions as aforesaid, and the Laws of the Protectorate. Provided that the Governor during his passage by sea to or from any part of the Protectorate, or when, in the exercise or discharge of any powers or duties by this Order in Council or otherwise conferred or imposed upon him, he is in any territories adjacent to or near to the Protectorate, shall not be considered to be absent from the Protectorate.

"XVI. In the event of the Governor having occasion at any time to be temporarily absent for a short period from the seat of Government, or, in the exercise or discharge of any powers or duties by this Order in Council or otherwise conferred or imposed upon him by His Majesty, to visit any territories adjacent to or near to the Protectorate, he may by an instrument under the Public Seal of the Protectorate appoint the Lieutenant-Governor, or if there be no such officer, or such officer is absent or unable to act, then any other person to be his Deputy within any part of the Protectorate, and in that capacity to exercise, during his pleasure, such of the powers hereby vested in the Governor, except the powers of suspension and pardon, as shall in and by such instrument be specified and limited, but no others. The appointment of such Deputy shall not affect the exercise by the Governor himself of any of his powers or authorities. Such Deputy shall, in the discharge of his office, conform to and observe all such instructions as the Governor shall address to him for his guidance."

III. His Majesty, His heirs and successors, in Council may at any time revoke, alter, or amend this Order.

IV. This Order shall be read and proclaimed within the Protectorate, and shall thereupon commence and come into operation.

And the Right Honourable the Earl of Elgin, K.G., one of His Majesty's Principal Secretaries of State, is to give the necessary directions herein.

(DATED 29TH FEBRUARY 1908.)

NORTHAMPTON AND DISTRICT
(MUZZLING AND CONTROL OF DOGS)
ORDER OF 1908.

The Board of Agriculture and Fisheries, by
virtue and in exercise of the powers vested in
them under the Diseases of Animals Acts, 1894
to 1903, and of every other power enabling

them in this behalf, do order, and it is hereby
ordered, as follows:

Extent and Enforcement.

1. This Order applies to and shall be in force
in the district described in the schedule to this
Order (in this Order referred to as the scheduled
district), and shall be enforced by the Local
Authority.

*Movement of dogs out of scheduled district
prohibited.*

2. No dog shall be moved out of the scheduled
district, but this Article shall not apply to the
movement of a dog through the scheduled district
by railway from a place outside the said district
to another place outside the said district without
unnecessary delay and without being rebooked
within the scheduled district.

Control of dogs in public places.

3.—(1.) A dog in or on any public place in the
scheduled district shall at all times be efficiently
muzzled with an effective wire cage muzzle and
shall also, between one hour after sunset and
one hour before sunrise, be led by a person with
a collar and chain or other attachment.

(2.) The provisions of this Article shall not
apply to any dog confined in a suitable hamper,
crate, box, or other receptacle, so constructed as
to render it impossible for such dog while so
confined to bite any person or animal.

Control of dogs not in public places.

4. A dog on any premises in the scheduled
district, not being a public place, shall, subject
as hereinafter mentioned, be kept under control
by being—

- (i.) confined in a kennel or other enclosure
from which the dog cannot escape; or
- (ii.) secured to some premises by a collar and
chain; or
- (iii.) efficiently muzzled with an effective wire
cage muzzle, and also led by a person with
a collar and chain or other attachment;

Provided that, between one hour before sunrise
and one hour after sunset, it shall be sufficient
if the dog while on any premises, not being a
public place, is either muzzled or led as above
mentioned.

Seizure, detention, and disposal of unmuzzled dogs.

5.—(1.) Any dog found in or on any public place, which is not muzzled or is not led in manner prescribed by this Order, may be seized by the Local Authority or by the police and any dog so seized shall be dealt with by the Local Authority as follows:

- (i.) If the dog is diseased or suspected or has been bitten by a diseased or suspected dog it shall be forthwith slaughtered.
- (ii.) If the dog has been exposed to the infection of rabies it shall be detained, slaughtered, or otherwise dealt with as the Local Authority think expedient, but so that the dog shall not, while detained by the Local Authority, be allowed to come in contact with any other animal.
- (iii.) In any other case the dog shall be detained in some proper place, and be there kept for such period as the Local Authority think expedient: Provided that where the person having charge of or the owner of a dog so detained is known, the Local Authority shall cause notice to be forthwith given to such person or owner of the fact of the dog having been so seized and detained, and the dog shall, without prejudice to the recovery of any penalty for the infringement of this Order, be given up to such person or owner on payment of the reasonable expenses incurred in respect of such detention. If the dog so seized and detained has not been claimed by such person or owner within three days after the seizure, or, where such person or owner is known, within two days after the aforesaid notice has been given, the Local Authority may cause the dog to be sold or destroyed in a manner to cause as little pain as possible.

(2.) No dog so seized shall be given or sold for the purposes of vivisection.

(3.) Every dog shall for the purposes of this Article be deemed to have been exposed to the infection of rabies which has been in the same shed, stable, building, kennel, field, or other place or otherwise in contact with any diseased or suspected dog, or which has in any other way been exposed to the infection of rabies.

Temporary provision as to muzzling of dogs in public places.

6. Until the ninth day of March, nineteen hundred and eight (including that day) a dog in the scheduled district need not be muzzled if it is led by a person with a collar and chain or other attachment.
