

*Board of Trade (Harbour Department),
London, January 3, 1910.*

H. 76.

The Board of Trade have received, through the Secretary of State for Foreign Affairs, a translation of a Circular, dated December 23rd, issued by the Imperial and Royal Marine Board at Trieste, stating that cholera having broken out at Taganrog, arrivals from the said port will be treated according to the prescriptions contained in Government Circular of August 12th, 1904, No. 12468.

*Board of Trade, 7, Whitehall Gardens,
London, January 3, 1910.*

For the purposes of the Electric Lighting Acts, 1882 to 1890, and all Provisional Orders and Licences made and issued thereunder, the Board of Trade approve of the pattern and construction of the meter (hereinafter described) for the measurement of electrical energy when supplied on the constant potential continuous current system, namely:—

The meter No. 215,633 deposited at the Board of Trade on 13th May, 1909, by or on behalf of Chamberlain and Hookham Limited, Solar Works, Birmingham, and sealed by the Board of Trade, and known as Hookham's Patent Continuous Current Watt-hour Meter, 1908 Type.

Provided that the meter be as described in the specification, with drawings, deposited at the Board of Trade and dated and numbered 24th December, 1909, and H. 16446.

The Board of Trade further approve of the means provided for fixing meters of this description, and for connecting them with the service lines as described in the specification above referred to.

Signed by order of the Board of Trade this 3rd day of January, 1910.

*T. H. W. Pelham, Assistant Secretary,
Board of Trade.*
