TUESDAY, 21 JULY, 1914.

At the Court at Buckingham Palace, the 16th day of July, 1914.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 3rd and 4th years of Her late Majesty Queen Victoria, chapter 113, of the Act of the 4th and 5th years of Her said late Majesty, chapter 39, and of the Act of the 17th and 18th years of Her said late Majesty, chapter 84, duly prepared, and laid before His Majesty in Council, a scheme, bearing date the 11th day of June, in the year 1914, in the words and figures following, that is to say:—

“We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 3rd and 4th years of Her late Majesty Queen Victoria, chapter 113, of the Act of the 4th and 5th years of Her said late Majesty, chapter 39, and of the Act of the 17th and 18th years of Her said late Majesty, chapter 84, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for apportioning the income of the benefice (being a rectory) of Merthyr Tydfil, in the county of Glamorgan, and in the diocese of Llandaff, between that benefice and three other benefices,

namely, the benefice (being a vicarage) of Aberdare, the benefice (being a rectory with chapelry annexed) of Neath with Llantwit, and the benefice (being a vicarage) of Roath, all of which last-named three benefices are also situate in the said county of Glamorgan, and in the said diocese of Llandaff.

“Whereas the patronage of the said benefice of Merthyr Tydfil, and of the said three benefices of Aberdare, Neath with Llantwit, and Roath, is vested in the Most Honourable John, Marquess of Bute.

“And whereas under the provisions of the statutes relating to the exercise of the ecclesiastical patronage belonging to Roman Catholics the University of Cambridge would be entitled to present to each of the said benefices in case the same were now vacant.

“And whereas it has been made to appear to us that the said three benefices of Aberdare, Neath with Llantwit, and Roath, are at present insufficiently endowed; and that the said benefice of Merthyr Tydfil has endowments of such an amount that, after the charges hereinafter recommended and proposed to be made shall have been placed upon the same endowments, the said benefice of Merthyr Tydfil will still be sufficiently endowed.

“And whereas the Right Reverend Joshua Pritchard, Bishop of the said diocese of Llandaff, has represented to us, and we are of

opinion, that it is desirable that additional provision should be made for the cure of souls within the parishes of the said three benefices of Aberdare, Neath with Llantwit, and Roath, by means of that apportionment of the income of the said benefice of Merthyr Tydfil which is hereinafter recommended and proposed.

"And whereas the said benefice of Merthyr Tydfil is now full, the Reverend Daniel Lewis being rector or incumbent thereof.

"Now, therefore, with the consent of the said Joshua Pritchard, Bishop of Llandaff, acting as such Bishop (in testimony whereof he has affixed his signature and episcopal seal to this scheme) and with the consent of the said John, Marquess of Bute (in testimony whereof he has signed and sealed this scheme), and with the consent of the University of Cambridge (testified by the seal of the University affixed to this scheme), we, the said Ecclesiastical Commissioners, humbly recommend and propose that without any conveyance or assurance in the law other than this scheme and any duly gazetted Order of Your Majesty in Council ratifying the same, and as from the day of the date at which the said benefice of Merthyr Tydfil shall from whatsoever cause be next voided, all the tithe rent charges, glebe lands, and all (if any) other the endowments, which shall at the date of the next avoidance of the said benefice of Merthyr Tydfil, or which may thereafter belong to the same benefice, shall be charged and for ever thereafter chargeable with the several annual sums or yearly charges hereinafter mentioned, that is to say, a clear annual sum or yearly charge of £160 in favour of the Incumbent of the said benefice of Aberdare, and his successors Incumbents of the said benefice for ever; a clear annual sum or yearly charge of £65 in favour of the Incumbent of the said benefice of Neath with Llantwit, and his successors Incumbents of the same benefice for ever; and a clear annual sum or yearly charge of £130 in favour of the Incumbent of the said benefice of Roath, and his successors Incumbents of the same benefice for ever, to be as from the day aforesaid due and payable to the Incumbents of the said three benefices of Aberdare, Neath with Llantwit, and Roath respectively, and to be apportionable between any outgoing Incumbent of any of the said three benefices of Aberdare, Neath with Llantwit, and Roath, or his representatives, on the one hand, and his successors in the same Incumbency on the other hand; and to be receivable by the Incumbents in whose favour the same are charged respectively as aforesaid by equal half-yearly payments on the 1st day of May and the 1st day of November in every year.

"Provided always that the whole of the First Fruits and Tenths now payable to the Governors of Queen Anne's Bounty in respect of the said benefice of Merthyr Tydfil shall continue to be payable by the rector or Incumbent of the said benefice.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament."

And whereas the said scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts. And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of Llandaff.

At the Court at *Buckingham Palace*, the 16th day of *July*, 1914.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 6th and 7th years of His late Majesty King William the Fourth, chapter 77, and of the Act of the 5th year of Her late Majesty Queen Victoria (Session two), chapter 26, duly prepared, and laid before His Majesty in Council, a scheme, bearing date the 25th day of June, in the year 1914, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 6th and 7th years of His late Majesty King William the Fourth, chapter 77, and of the Act of the 5th year of Her late Majesty Queen Victoria (Session two), chapter 26, have prepared, and now humbly lay before Your Majesty in Council, the following scheme for authorising certain improvements to the drainage at the Episcopal House of Residence belonging to the See of St. Asaph, which is known as The Palace, St. Asaph.

"Whereas the Right Reverend Alfred George, now Bishop of Saint Asaph, is desirous that certain improvements to the drainage should be made at the said Episcopal House of Residence, and has submitted to us the particulars of such improvements, and we have approved the same.

"And whereas the said Bishop is also desirous, and it appears to us to be expedient, that towards the cost of effecting the said improvements a sum of £150 (being a sum which together with the amount of the outstanding balance of the sum already borrowed upon the same security under the authority of the statutes hereinbefore-mentioned does not exceed two years' income of the See) should be provided by the borrowing of the same sum, by way of mortgage, upon the security of all and every part of the lands, tenements and hereditaments, endowments or emoluments which now belong or may hereafter belong to the Bishop of Saint Asaph.

"Now, therefore, with the consent of the said Alfred George, Bishop of Saint Asaph, (testified by his having affixed his signature and episcopal seal to this scheme) we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that the said Bishop be authorised to borrow from the

Governors of the Bounty of Queen Anne, and that the said Governors be empowered to lend, under the provisions of the above-mentioned Acts, any sum not exceeding £150, and that as a security for the same the said Bishop do mortgage all and every part of the lands, tenements and hereditaments, and endowments or emoluments which now belong, or may hereafter belong, to his said See to the said Governors by deed for the term of twenty years or until the said sum so to be borrowed as aforesaid with the interest for the same as hereinafter-mentioned, and all costs and charges which may attend the recovery thereof shall be fully paid and satisfied, and that such principal sum shall be repaid with interest in the manner following; that is to say, during and in respect of the first period of twelve months of the said term, computed from the day of the date of the mortgage, no part of the said principal sum shall be repayable, but the said Bishop or his successor shall yearly, at the end of the second period of twelve months so computed, and at the end of every such like period of twelve months thereafter, pay to the said Governors, their successors or assigns, one fifteenth part of the said principal sum until the whole thereof shall be repaid, and shall also at the end of the first and each succeeding period of twelve months, computed as aforesaid, pay interest at the rate of four pounds per centum per annum on the said principal sum or on so much thereof as shall from time to time remain unpaid. And that if and when it shall happen that either the principal or the interest directed to be paid as hereinbefore-mentioned shall be in arrear and unpaid for the space of forty days after the same shall become due it shall and may be lawful for the said Governors, their successors and assigns, to recover the same and the costs and charges attending the recovery thereof by distress and sale in the like manner as rents may be recovered by landlords or lessors from their tenants by the laws in force at the time of such distress and sale, and that such mortgage deed shall be in the form and to the effect to be approved by us, the said Ecclesiastical Commissioners, and shall bind as well the said Alfred George, now Bishop of the said Diocese of Saint Asaph, as every succeeding Bishop of the same Diocese until the principal money and interest, costs and charges, shall have been paid off and discharged.

“And we further recommend and propose that the said sum so to be borrowed as aforesaid shall be paid to us, the said Ecclesiastical Commissioners, and that the receipt of one of our joint treasurers for the time being indorsed on the said mortgage deed shall be a good and sufficient discharge of the said Governors and their successors for the same, who shall not be bound or required to see to the application thereof, and that upon the receipt of the said sum so to be borrowed as aforesaid the whole or any part or parts thereof shall be applied by us at such times and in such manner as shall appear to us to be expedient towards effecting the said proposed improvements at the Episcopal House of Residence aforesaid.

“And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in conformity with the provisions

of the hereinbefore-mentioned Acts, or of either of them, or of any other Act of Parliament.”

And whereas the said scheme has been approved by His Majesty in Council.

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts. “We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal consideration, and to make such Order in respect thereto as to Your Majesty, in Your Royal Wisdom, shall seem meet.

“The SCHEDULE to which the foregoing Representation has reference.

“The Consolidated Chapelry of Saint Alban, Portsea, comprising:—

At the Court at *Buckingham Palace*, the 16th day of *July*, 1914.

PRESENT,

The KING's Most Excellent Majesty in Council.

IN pursuance of the Winter Assizes Acts, 1876 and 1877, His Majesty is pleased, by and with the advice of His Most Honourable Privy Council, to order as follows:—

1. The county of Cumberland and the county of Westmorland shall, for the purpose of the next Winter Assizes, be united together and form one county, under the name of the Winter Assize County, No. 1.

2. The said Winter Assizes for the said Winter Assize County shall be held at Carlisle.

3. The Court at the said Winter Assizes at Carlisle shall have jurisdiction to try any prisoner committed in the said Winter Assize County who may be brought before it, and shall have the same powers with respect to the trial of and passing sentence upon such prisoner, as a Court of Oyer and Terminer and Gaol Delivery would have had at the Assizes in the county where, but for the said Winter Assizes Acts, such prisoner would have been tried.

The provisions of section thirteen of the Sheriffs Act, 1887, shall apply to the execution of any capital sentence passed at such Assizes, as herein mentioned; provided that the expres-

sion in the said section "the Sheriff of such county" shall mean the Sheriff of the county in which the prisoner so sentenced would have been tried if the Winter Assizes Acts, 1876 and 1877, had not been passed.

4. The Sheriff of the county of Cumberland shall alone act for the purpose of the said Winter Assizes for the said Winter Assize County, and subject to the provisions of this Order shall have jurisdiction for that purpose over the whole district constituting the said Winter Assize County, and precepts and other documents relating to the said Winter Assizes shall be addressed to him alone.

5. The Gaol Delivery precept of the Judges to the said Sheriff shall direct him to summon the Grand Jurors and Petty Jurors from the county of Cumberland, and the Jurors so summoned shall be deemed to be good and lawful men of the body of the several counties constituting the said Winter Assize County, and the Grand and Petty Jury formed out of those Jurors shall be deemed to be a Grand and Petty Jury respectively of the body of the said counties respectively, and shall have jurisdiction accordingly.

6. The precepts of the Judges to the said Sheriff shall direct him to cause the prisoners from all the prisons in the said Winter Assize County who under the provisions of this Order will have to be tried at Carlisle, to be brought there, and the Sheriff shall cause such prisoners to be brought accordingly without any writ of habeas corpus.

7. In all matters not before specifically mentioned the precepts to the said Sheriff shall direct him to issue, and he shall issue the like notices, precepts, warrants, and documents, and perform the same acts (*mutatis mutandis*) as if he were Sheriff for the whole of the said Winter Assize County, and all Under Sheriffs, Bailiffs, Constables, and Officers in the said Winter Assize County shall obey accordingly.

8. The said Sheriff shall, as to all matters in relation to such Winter Assizes for which no specific provision is made by this Order, have the same power, jurisdiction, and responsibility as if he were Sheriff for the whole of the said Winter Assize County, except that this provision shall not authorise the said Sheriff to carry sentences into execution outside the county of Cumberland, or to levy outside the said county fines imposed or recognizances estreated at the said Winter Assizes.

9. All Justices of the Peace, Mayors, Coroners, Escheators, Stewards, Bailiffs, Gaolers, Constables, Officers, and persons having authority, and being under an obligation to attend the Assizes for either of the counties comprised in the said Winter Assize County, or to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, any indictment, inquisition, recognizance, examination, deposition, or document, shall have the same authority and be under the same obligation to attend at the said Winter Assizes held for the said Winter Assize County, and to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, such indictment, inquisition, recognizance, examination, deposition, or document. This provision shall not apply to the Sheriff of the county of Westmorland.

10. In all indictments and presentments at the said Winter Assizes the venue laid in the margin thereof shall, in addition to the name of the county where the offence is charged to have been committed, contain the words "Winter Assize County, No. 1."

11. Any person who, after the date of this Order and before the said Winter Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery to be holden for either of the counties constituting the said Winter Assize County, shall be bound to attend at the said Winter Assizes for the said Winter Assize County.

12. In all cases in which the like recognizances have been entered into in respect of any offence committed in either of the counties constituting the said Winter Assize County prior to the making of this Order or in relation to a prisoner committed for trial under the provisions of the Assizes and Quarter Sessions Act, 1908, such recognizances shall be deemed to have been entered into for attendance at the said Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes or forfeit this recognizance.

13. Ten days before the day fixed for the opening of the Commission at Carlisle, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, and of the prisoners (if any) to be transmitted under the provisions of the Assizes and Quarter Sessions Act, 1908, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of Cumberland, and the said Sheriff shall cause to be inserted in one or more newspapers in the Winter Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Carlisle.

14. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the said Winter Assizes for the said Winter Assize County shall be in custody three days before the day upon which the said Winter Assizes for the said Winter Assize County are appointed to be held, to send, without any writ of habeas corpus, such prisoners to His Majesty's Gaol at Carlisle, for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol, and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be discharged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial, or sent to any other prison which has been duly appointed as an alternative for such prison. If, however, the said Gaol has itself been duly appointed as an

alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

15. The Clerk of Assize at the said Winter Assizes for the said Winter Assize County shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the county where such prisoners were committed would have had if such prisoners had been tried at the Assizes held in such last-mentioned county.

Where any person is committed for trial, or is bound by any recognizance to appear and answer, in the said Winter Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed, or admitted to bail, may, upon the application of such person, direct the Treasurer of the county or place where such person was committed, or entered into any recognizance to appear and answer as aforesaid, to advance to such person a sum not exceeding £20 to enable him to defray the travelling expenses of such of his witnesses as may have been bound by recognizances to appear on his behalf, and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

16. In any case where money is ordered by the Court at the said Winter Assizes for the said Winter Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Winter Assizes Acts, or for the Assizes and Quarter Sessions Act, 1908, and this Order; and every such Treasurer or some known Agent on his behalf shall attend the said Winter Assizes during the sitting of the Court to pay all such orders.

17. Where the Court at the said Winter Assizes for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly, without any writ of habeas corpus.

18. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Winter Assizes Acts, 1876 and 1877.

19. This Order, unless earlier revoked, shall be in force during the continuance of the Winter Assizes, 1914.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 16th day of *July*, 1914.

The provisions of section thirteen of the Sheriffs Act, 1887, shall apply to the execution of any capital sentence passed at such Assizes as herein mentioned; provided that the expression in the said section "the Sheriff of such county" shall mean the Sheriff of the county in which the prisoner so sentenced would have been tried if the Winter Assizes Acts, 1876 and 1877, had not been passed.

4. The Sheriff of the county of Leicester shall alone act for the purpose of the said Winter Assizes for the said Winter Assize County, and subject to the provisions of this Order shall have jurisdiction for that purpose over the whole district constituting the said Winter Assize County, and precepts and other documents relating to the said Winter Assizes shall be addressed to him alone.

5. 7. In all matters not before specifically mentioned the precepts to the said Sheriff shall direct him to issue, and he shall issue the like notices, precepts, warrants, and documents, and perform the same acts (*mutatis mutandis*) as if he were Sheriff for the whole of the said Winter Assize County, and all Under Sheriffs, Bailiffs, Constables, and Officers in the said Winter Assize County shall obey accordingly.

8. The said Sheriff shall, as to all matters in relation to such Winter Assizes for which no specific provision is made by this Order, have the same power, jurisdiction, and responsibility as if he were Sheriff for the whole of the said Winter Assize County, except that this provision shall not authorise the said Sheriff to carry sentences into execution outside the county of Leicester, or to levy outside the said county fines imposed or recognizances estreated at the said Winter Assizes.

9. All Justices of the Peace, Mayors, Coroners, Escheators, Stewards, Bailiffs, Gaolers, Constables, Officers, and persons having authority, and being under an obligation to attend the Assizes for either county comprised in the said Winter Assize County, or to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, any indictment, inquisition, recognizance, examination, deposition, or document, shall have the same authority and be under the same obligation to attend at the said Winter Assizes held for the said Winter Assize County, and to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, such indictment, inquisition, recognizance, examination, deposition, or document. This provision shall not apply to the Sheriff of the county of Rutland.

10. In all indictments and presentments at the said Winter Assizes the venue laid in the margin thereof shall, in addition to the name of the county where the offence is charged to have been committed, contain the words "Winter Assize County, No. 2."

11. Any person who, after the date of this Order and before the said Winter Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery to be holden for either of the counties constituting the said Winter Assize County, shall be bound to attend at the said Winter Assizes for the said Winter Assize County.

12. In all cases in which the like recognizances have been entered into in respect of any offence committed in either of the counties constituting the said Winter Assize County prior to the making of this Order or in relation to a prisoner committed for trial under the provisions of the Assizes and Quarter Sessions Act, 1908, such recognizances shall be deemed to have been entered into for attendance at the said Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes or forfeit his recognizance.

13. Ten days before the day fixed for the opening of the Commission at Leicester, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, and of the prisoners (if any) to be transmitted under the provisions of the Assizes and Quarter Sessions Act, 1908, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of Leicester, and the said Sheriff shall cause to be inserted in one or more newspapers in the Winter Assize County the said list and state-

14. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the said Winter Assizes for the said Winter Assize County shall be in custody three days before the day upon which the said Winter Assizes for the said Winter Assize County are appointed to be held, to send, without any writ of habeas corpus, such prisoners to His Majesty's Gaol, formerly the Gaol for the county of Leicester at Leicester, for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol, and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be discharged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial, or sent to any other prison which has been duly appointed as an alternative for such prison. If, however, the said Gaol has itself been duly appointed as an alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

15. Where any person is committed for trial, or is bound by any recognizance to appear and answer, in the said Winter Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed, or admitted to bail, may, upon the application of such person, direct the Treasurer of the county or place where such person was committed, or entered into any recognizance to appear and answer as aforesaid, to advance to such person a sum not exceeding £20 to enable him to defray the travelling expenses of such of his witnesses as may have been bound by recognizances to appear on his behalf, and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

16. In any case where money is ordered by the Court at the said Winter Assizes for the said Winter Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Winter

Assizes Acts, or for the Assizes and Quarter Sessions Act, 1908, and this Order; and every such Treasurer or some known Agent on his behalf shall attend the said Winter Assizes during the sitting of the Court to pay all such orders.

17. Where the Court at the said Winter Assizes for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly, without any writ of habeas corpus.

18. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Winter Assizes Acts, 1876 and 1877.

19. This Order, unless earlier revoked, shall be in force during the continuance of the Winter Assizes, 1914.

2. The said Winter Assizes for the said Winter Assize County shall be held at Ruthin.

3. The Court at the said Winter Assizes at Ruthin shall have jurisdiction to try any prisoner committed in the said Winter Assize County who may be brought before it, and shall have the same powers with respect to the trial of and passing sentence upon such prisoner as a Court of Oyer and Terminer and Gaol Delivery would have had at the Assizes in the county where, but for the said Winter Assizes Acts, such prisoner would have been tried.

The provisions of section thirteen of the Sheriffs Act, 1887, shall apply to the execution of any capital sentence passed at such Assizes; as herein mentioned; provided that the expression in the said section "the Sheriff of such County" shall mean the Sheriff of the county in which the prisoner so sentenced would have been tried if the Winter Assizes Acts, 1876 and 1877, had not been passed.

4. The Sheriff of the county of Denbigh shall alone act for the purpose of the said Winter Assizes for the said Winter Assize County, and subject to the provisions of this Order shall have jurisdiction for that purpose over the whole district constituting the said Winter Assize County, and precepts and other documents relating to the said Winter Assizes shall be addressed to him alone.

5. The Gaol Delivery precept of the Judges to the said Sheriff shall direct him to summon the Grand Jurors and Petty Jurors from the county of Denbigh, and the Jurors so summoned shall be deemed to be good and lawful men of the body of the several counties constituting the said Winter Assize County, and the Grand and Petty Jury formed out of those Jurors shall be deemed to be a Grand and Petty Jury respectively of the body of the said counties respectively, and shall have jurisdiction accordingly.

6. 7. In all matters not before specifically mentioned, the precepts to the said Sheriff shall direct him to issue, and he shall issue the like notices, precepts, warrants, and documents, and perform the same acts (*mutatis mutandis*) as if he were Sheriff for the whole of the said Winter Assize County, and all Under Sheriffs, Bailiffs, Constables, and Officers in the said Winter Assize County shall obey accordingly.

8. The said Sheriff shall, as to all matters in relation to such Winter Assizes for which no specific provision is made by this Order, have the same power, jurisdiction, and responsibility as if he were Sheriff for the whole of the said Winter Assize County, except that this provision shall not authorise the said Sheriff to carry sentences into execution outside the county of Denbigh, or to levy outside the said county fines imposed or recognizances estreated at the said Winter Assizes.

9. All Justices of the Peace, Mayors, Coroners, Escheators, Stewards, Bailiffs, Gaolers, Constables, Officers, and persons having authority, and being under an obligation to attend the Assizes for any county comprised in the said Winter Assize County, or to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, any indictment, inquisition, recognizance, examination, deposition, or document, shall have the same authority and be under the same obligation to attend at the said Winter Assizes held for the said Winter Assize County, and to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, such indictment, inquisition, recognizance, examination, deposition, or document. This provision shall not apply to the Sheriffs of any of the counties constituting the said Winter Assize County, other than the Sheriff of the county of Denbigh.

10. In all indictments and presentments at the said Winter Assizes the venue laid in the margin thereof shall, in addition to the name of the county where the offence is charged to have been committed, contain the words "Winter Assize County, No. 4."

11. Any person who, after the date of this Order, and before the said Winter Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery, to be holden for any of the counties constituting the said Winter Assize County, shall be bound to attend at the said Winter Assizes for the said Winter Assize County.

12. In all cases in which the like recognizances have been entered into in respect of any offence committed in any of the counties constituting the said Winter Assize County prior to the making of this Order or in relation to a prisoner committed for trial under the provisions of the Assizes and Quarter Sessions Act, 1908, such recognizances shall be deemed to have been entered into for attendance at the said Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes, or forfeit his recognizance.

If, however, the said Gaol has itself been duly appointed as an alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

15. The Clerk of Assize at the said Winter Assizes for the said Winter Assize County shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the county where such prisoners were committed would have had if such prisoners had been tried at the Assizes held in such last-mentioned county.

Where any person is committed for trial, or is bound by any recognizance to appear and answer, in the said Winter Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed, or admitted to bail, may, upon the application of such person, direct the Treasurer of the county or place where such person was committed, or entered into any recognizance to appear and answer as aforesaid, to advance to such person a sum not exceeding £20 to enable him to defray the travelling expenses of such of his witnesses as may have been bound by recognizances to appear on his behalf, and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

16. In any case where money is ordered by the Court at the said Winter Assizes for the said Winter Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Winter Assizes Acts, or for the Assizes and Quarter Sessions Act, 1908, and this Order; and every such Treasurer or some known Agent on his behalf shall attend the said Winter Assizes during the sitting of the Court to pay all such orders.

17. Where the Court at the said Winter Assizes for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or con-

wicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly, without any writ of habeas corpus.

18. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Winter Assizes Acts, 1876 and 1877.

19. This Order, unless earlier revoked, shall be in force during the continuance of the Winter Assizes, 1914.

Privy Council Office, July 16, 1914.

The following three STATUTES made by the University of Oxford, on the 9th day of June, 1914, and sealed on the 16th day of June, 1914, have been submitted for the approval of His Majesty in Council, and notice of their having been so submitted is published in accordance with the provisions of "The Universities of Oxford and Cambridge Act, 1877."

1

Whereas under and by virtue of the powers conferred on them by the Universities of Oxford and Cambridge Act, 1877, the University of Oxford Commissioners made a certain Statute concerning Dr. Lee's Readers, and declared the said Statute to be a Statute in part for the University and in part for the Cathedral or House of Christ Church, which Statute was approved by Her late Majesty Queen Victoria in Council on the 3rd day of May, 1882.

And whereas the said Statute was afterwards incorporated in the Statutes of the University, and is now known and hereinafter referred to as *Statt. Tit. IV. Sect. II E. § 16.*

And whereas under and by virtue of the powers aforesaid the said Commissioners also made a Statute for the Cathedral or House of Christ (hereinafter called Christ Church) concerning Dr. Lee's Readers, which Statute is Statute XVII of the Statutes of Christ Church, and was approved by Her late Majesty Queen Victoria in Council on the 3rd day of May, 1882.

And whereas under and by virtue of the powers conferred by the said Act the Governing Body of Christ Church on the 27th June, 1912, and the 31st May, 1913, duly made a Statute (hereinafter referred to as the Amending Christ Church Statute) by way of substitution

for the said Statute XVII of the Statutes of Christ Church; in which Amending Christ Church Statute the establishment in the University of the Dr. Lee's Professorships hereinafter mentioned is contemplated and provision is made for the endowment thereof and provision is also made for the appointment, emoluments, and duties of Dr. Lee's Readers who are to give instruction within the House.

And whereas the Amending Christ Church Statute was, on the 18th day of December, 1913, submitted to His Majesty in Council for approval in accordance with the provisions of the said Act in that behalf.

And whereas the University by Decree on the 27th day of January, 1914, declared its consent to the Amending Christ Church Statute.

And whereas it is expedient to amend the provisions of *Statt. Tit. IV, sect. II E. § 16*, so as to provide for the establishment in the University of three Professorships, to be entitled respectively Dr. Lee's Professorship of Anatomy, Dr. Lee's Professorship of Chemistry, and Dr. Lee's Professorship of Experimental Philosophy in place of the Lee's Readerships mentioned in *Statt. Tit. IV, sect. II E. § 16*, and for the sake of clearness to substitute new provisions for all the existing provisions of the last-mentioned Statute.

Now the University, under and by virtue of the powers conferred on it by the Universities of Oxford and Cambridge Act, 1877, and of any other power enabling it, hereby enacts, subject to the approval of His Majesty in Council, as follows:—

The following provisions shall be substituted for such parts of *Statt. Tit. IV, sect. II E. § 16* as were by the said Commissioners declared to be a Statute for the University.

4. *Ibid.*, the words "Chemistry, Lee's Reader in" shall be struck out.

5. In *Statt. Tit. V Sect. xi § 3 cl. 2* (p. 139, ed. 1913) the words "Dr. Lee's Professor of Anatomy" shall be substituted for the words "The Professor of Human Anatomy" so soon as the aforesaid provisions relating to Dr. Lee's Professor of Anatomy shall take effect.

The Seal of the Chancellor, Masters, and Scholars of the University of Oxford was hereunto affixed this sixteenth day of June, one thousand nine hundred and fourteen, in the presence of

Privy Council Office, July 16, 1914.

The following STATUTES made by the Governing Body of Christ Church, Oxford, on the 10th day of June, 1914, have been submitted for the approval of His Majesty in Council, and notice of their having been so submitted is published in accordance with the provisions of "The Universities of Oxford and Cambridge Act, 1877."

STATUTES for Christ Church, made by the House under the Universities of Oxford and Cambridge Act, 1877.

XI.—PENSION FUND.

For Clauses 1 and 2 substitute:—

1. For the formation of a Pension Fund the Governing Body, when circumstances require, shall set apart out of the Corporate revenues a yearly sum not exceeding £1,000 in any one year, which may be increased to a sum not exceeding £1,250, if and when the number of Official Students shall reach fifteen, and which may be further increased to a sum not exceeding £1,500, if and when the number of Official Students shall reach eighteen. The Governing Body, when circumstances require, shall add to the Pension Fund a sum deducted from the Tuition Fund, provided such deduction does not exceed £10 per cent. per annum, and shall also add the whole or part of any balance of the Tuition Fund unexpended in any year.

2. The Fund so formed shall be from time to time invested and accumulated in any securities in which Trust Funds may legally be invested, and the income of the Fund shall be applied in payment of pensions as claims thereto arise. The payments from the Tuition Fund and from the Corporate revenues made in any year shall be applicable, in whole or in part, as income of the Pension Fund for the purpose of paying pensions payable in that year.

XII.—DISPOSAL OF REVENUE.

Add the following Clause:—

10. The Governing Body may from time to time, whenever the funds at their disposal permit, contribute towards the endowment of the Bodleian Library such a sum as they may think fit, but so that no such contribution shall be made except upon condition that the same shall be used for capital purposes only and shall not be applicable as income. Any con-

tribution made under this clause shall, for the purposes of clause 3 of this Statute, be deemed to be expenditure of the House.

XVI.—THE STUDENTS.

Substitute for the existing Statute:—

1. There shall be two classes of Studentships, one tenable for five years from the date of the election, and called "Non-official," the other tenable as hereinafter mentioned, and called "Official." Non-official Studentships shall be divided into two classes, namely, "Studentships by Examination" and "Research Studentships."

2. In addition to the Official Students and Non-official Students, whether the number of Students in either or both of these classes be or be not complete, the Governing Body may from time to time, by a majority of two-thirds of those present and voting, and with the consent of the Visitor, elect to a Studentship tenable for a term not exceeding seven years and endowed with a stipend not exceeding £200 a year:—

a. Any Professor or Public Reader of the University of Oxford.

Provided that, if the emoluments (exclusive of fees) of any Professor or Public Reader so elected shall exceed £700 per annum, he shall not receive as the emolument of his Studentship a greater sum than will amount with the emoluments of his Professorship or Public Readership (exclusive of fees) to £900 per annum.

Any person who, as such Professor or Public Reader shall be elected and become a Student, shall *ipso facto* vacate his Studentship upon ceasing to be such Professor or Public Reader.

b. Any person who is distinguished in some branch of Literature or Science, and who shall undertake, if required, to perform any definite literary, scientific or educational work in the House, or in the University, or (under the direction of the House or the University) elsewhere, which work shall be specified in the resolution by which he is elected.

And any person who, as undertaking, if required, to perform such work as aforesaid, shall be elected and become a Student, shall *ipso facto* vacate his Studentship upon declining or ceasing to do such work.

Students elected under this clause shall take rank as to seniority with the Official Students and shall be re-eligible.

The total amount of stipends payable at any one time under this clause shall not exceed £400 a year.

3. Candidates for Non-official Studentships shall be persons of unblemished character, and, in the case of Candidates for Studentships by Examination, unmarried, who shall have passed all the examinations required by the University for the Degree of Bachelor of Arts, and any such Student, if not already a Bachelor of Arts, shall be required to proceed to that Degree on the first opportunity.

4. The election of Students by Examination shall be held on a stated day, or stated days, in each year, to be appointed by the Governing Body, and notice of such intended election and of the conditions of the election shall be given by the Dean in such manner as he shall

deem best adapted to secure publicity thirty days at least before the day of election.

5. The Candidates for Studentships by Examination shall be examined in such subjects connected with the studies of the University as the Governing Body shall from time to time determine, and the Governing Body shall choose that Candidate, who after such examination shall appear to them to be of the greatest merit and most fit to be a Student of the House as a place of religion, learning, and education, provided he shall be in their opinion duly qualified for election. That Candidate for whom the greatest number of votes shall have been given shall be declared duly elected.

6. Elections to Research Studentships shall be made at such times, and after such notice of the intended election, as the Governing Body shall from time to time determine, and that Candidate for whom the greatest number of votes shall have been given shall be declared duly elected provided the Governing Body shall judge him to be of sufficient merit for election. Every person elected to a Research Studentship shall undertake, if required, to perform some definite literary, scientific or educational work in the House, or in the University, or (under the direction of the House or the University) elsewhere, which work shall be specified in the resolution by which he is elected; and any person who, as undertaking, if required, to perform such work as aforesaid, shall be elected, shall *ipso facto* vacate his Studentship upon declining or ceasing to perform such work.

7. Every person elected to a Non-official Studentship shall undergo probation for twelve calendar months from the day of his election inclusive, and at the end of such twelve calendar months shall be admitted a full Student, if found fit in the judgment of the Governing Body. During this time every such person shall be required to reside, unless special leave of absence be granted him by the Governing Body. Every person admitted to probation shall receive, during the period of probation, the same emoluments as if he had been admitted a full Student. No Non-official Student shall be eligible for membership of the Governing Body.

8. The Non-official Students shall be not more than ten in number and elections to Non-official Studentships may be made from time to time if and when the funds at the disposal of the Governing Body will permit. The Governing Body may at its discretion determine whether a Non-official Studentship which it is intended to offer shall be a Studentship by Examination or a Research Studentship.

9. The emoluments of each Non-official Studentship shall be £200 per annum, clear of income tax, exclusive of rooms for those who are unmarried and reside within the House.

10. Every person holding a Studentship by Examination who shall be instituted to a benefice, or become entitled either by descent or devolution or by virtue of any testamentary or other gift or settlement to property or to a pension, or be admitted to an office tenable for life or during good behaviour (not being an academical office in the University), or to any office in the permanent Civil Service of the State, and shall retain such benefice, property, pension, or office for one year, shall, if the annual income derivable by him from such

benefice, property, pension, or office, or from any two or more of those sources, clear of deductions (except for property or income tax) shall exceed £200, vacate his Studentship at the expiration of one year from the time of his institution, accession, or admission to such benefice, property, pension, or office. In construing this clause the word 'property' shall include any estate or interest in possession in any property real or personal; and the income which the estimated value of any property would produce, if invested in £2½ per centum Consolidated Bank Annuities, at the price current at the time of the acquisition thereof, shall, in case of doubt, be considered to be the income derivable from any such property, and in any case in which the sources of income may have been acquired by a Student at different times, the latest time at which any of such sources of income shall have been acquired by him shall be considered as the time of the acquisition of the whole.

11. A Non-official Studentship shall not be vacated by marriage.

12. Official Students shall be appointed as follows:—

The Governing Body shall, by the vote of a majority of those present and voting at a Stated Meeting or at a Meeting specially summoned for the purpose, appoint to an Official Studentship, for a period not exceeding fifteen years, any person who may be deemed eminently fitted for the educational requirements of the House. Such person, if unmarried, shall be under such restriction (if any) as regards celibacy as the Governing Body shall determine at the time of his appointment, provided only that such restriction shall not exceed that imposed by clause 17.

13. There shall be not more than eighteen Official Students, including Dr. Lee's Readers, but exclusive of any person who, under the provisions of these Statutes, may be placed on the Governing Body.

14. The emoluments of the Official Students, as such, shall be the same with those of Non-official Students already provided for; but, in addition thereto, each such Student shall receive, in respect of the educational or other work to be done by him (subject to the provisions hereinafter contained), a stipend consisting of £100 per annum out of the general revenues of the House, together with a variable sum, to be paid out of the Tuition Fund, which shall depend partly on the length of service and partly on the amount of work required from each Student. Such variable sum shall be determined from time to time by the Salaries Board hereinbefore mentioned.

15. Every person appointed to an Official Studentship shall be entitled to hold his Studentship (subject to the provisions for vacating Studentships otherwise than by lapse of time and for deprivation of Students in these Statutes contained) for a period of fifteen years, except as hereinafter provided; but any Official Student may, at any time within two years before the expiration of the period for which he shall have been originally appointed or last previously re-appointed, be re-appointed for any period not exceeding ten years from the expiration of the period for which he was originally appointed, or last previously re-appointed, as the case may be, each

re-appointment being made by the Governing Body at a Stated Meeting.

16. The Governing Body may, if they think fit, either with or without previous notice or examination, appoint to an Official Studentship a person in Holy Orders of the Church of England who may be deemed eminently qualified to give religious and theological instruction to the undergraduate members of the House, and to be a Student of the House as a place of religion, learning and education, or a person so qualified who is willing to take Holy Orders within one year after his appointment.

A person so appointed shall hold his Studentship on the condition of taking such part in the religious and theological teaching, and performing such duties with respect to the Chapel Services and the discipline and educational work of the House, as may from time to time be assigned to him by the Governing Body.

He shall be required, as a condition of retaining his Studentship, to take Holy Orders (if not in Holy Orders at the time of his appointment) within one year afterwards, and to proceed to Priest's Orders within one year after taking Deacon's Orders, or within one year after his appointment if at that time he be in Deacon's Orders. But in case of his sickness, or for any other urgent cause, the Governing Body may grant a delay in taking either Deacon's or Priest's Orders for a period not exceeding one year.

Provided as follows:—

(1) No election shall be made under this clause whilst there are two Students of the House elected under the same clause.

(2) If at any time there be not more than one Official Student in Holy Orders of the Church of England residing and giving religious instruction to the undergraduate members of the House, and performing the aforesaid duties with respect to the Chapel Services, then (subject to the foregoing proviso) an election shall be made under this clause without undue delay.

(3) If at any time there shall be no Official Student in Holy Orders of the Church of England residing and giving religious and theological instruction to the undergraduate members of the House, and performing the aforesaid duties with respect to the Chapel Services, then (subject to the same proviso) an election shall on the next vacancy be made under this clause.

17. Every Official Student, who at the time of his appointment shall not be married, shall vacate his Studentship by marriage, if such marriage shall take place within seven years from the day of his appointment. The Censors hereinafter named shall be elected annually by the Governing Body out of the Official Students, and shall reside in College. Every Official Student shall reside in rooms in the House during the usual College Terms; unless the Governing Body at a Stated Meeting shall have given him leave to reside elsewhere, within the statutable limits of the University; and there shall always be at least two Students, being Tutors or Lecturers in the House, besides the two Censors, resident in rooms in the House during the usual College Terms. So long as that number is complete, an Official Student vacating his Studentship by marriage shall not be incapable of being appointed to fill the vacancy so created, if the House should

desire to retain his services as a Tutor or Lecturer. The seniority of a Student so re-appointed shall be reckoned from the date of such re-appointment; and he shall be entitled to hold his Studentship for such period within the limit of fifteen years from the date of his first appointment to an Official Studentship, as the Governing Body at the time of his re-appointment shall determine; after which period he may be re-appointed according to the provisions of clause 15.

18. The retention of an Official Studentship, except as hereinafter provided, shall be conditioned on the performance of Educational work for the House. No further payments, except as hereinafter provided, shall be given for work so performed.

19. No Official Student shall hold any Ecclesiastical Benefice with cure of souls beyond the limits of the jurisdiction of the Local Board of Oxford; and no such Student shall, unless he shall first obtain leave from the House at a Stated Meeting, undertake any Educational work elsewhere than in the House, or hold any Benefice or other permanent paid appointment whatsoever.

20. In case any Official Student desire to reduce the amount of Educational work done by him, or to be relieved from Educational work altogether, for the purpose of undertaking any definite literary or scientific work (which work shall be specified in the resolution of the Governing Body by which permission is given him), he may obtain the leave of the Governing Body for this purpose. Such leave may be granted upon such conditions as the Governing Body shall think fit to require; and on breach of any such condition he shall be liable to be deprived of his Studentship.

The Salaries Board shall determine what change shall be made in his stipend, which stipend, in the case of a Student relieved altogether from Educational work, shall not exceed £300 a year, including the emoluments of his Studentship.

21. In case any Official Student shall desire, by reason of ill-health, or for the purpose of study, or for other sufficient cause approved by the Governing Body, to absent himself or to suspend teaching for a limited period, it shall be lawful for the Governing Body to grant him leave for such purpose, with such reduction of stipend as to the Salaries Board shall seem fit.

22. In case any Official Student shall, in the judgment of the Governing Body, be incapacitated from performing the duties assigned to him, or conduct himself negligently or improperly therein, the Governing Body shall have power to declare his place vacant, and the same shall thereupon become vacant accordingly. The Governing Body shall have power, if they think fit, to grant to any such Student so removed by them from his place on the ground of his having become incapacitated without culpable negligence or other improper conduct, and also to any such Student who, on the expiration of the original or any subsequent term for which he may have been appointed, shall not be re-appointed, a pension of such amount and for such period of time as the Governing Body shall think fit; but no such pension shall in any case exceed in amount that which he might have received had he retired voluntarily in consequence of ill-health, or otherwise, in the year of such compulsory retirement.

23. Any Student who, having served the House for a period of fifteen years as an Official Student, shall be compelled to retire by reason of ill-health shall be entitled to receive a pension not exceeding for the fifteen years £200 a year, which shall be increased by a sum not exceeding £15 a year for each additional year's service in this class.

24. Any Student who has served the House for a period of twenty-five years as an Official Student shall be entitled to retire on a pension not exceeding £350 a year, which shall be increased by the sum of £10 a year for each additional year's service as such Student: but no such pension shall exceed the sum of £400 a year.

Provided that, if and so long as a retiring Student hold any post at this or any other University, his pension shall not exceed such amount as, with the income derivable by him from such sources, will make up £1,000 a year.

25. Any person who has been a Student, and whose Studentship has expired, may, by the vote of a majority of two-thirds of those present and voting at a Stated Meeting, be placed on the Governing Body, without emolument, for a period of ten years, which may be renewed from time to time.

26. Seniority of Students in each class shall, subject to the provisions of clause 17, be reckoned from the date of their original election or appointment to that class; but Official Students shall be deemed senior to all Non-official Students.

27. There shall be, as heretofore, a Censor "Moralis Philosophiæ," and a Censor "Naturalis Philosophiæ."

28. All Students shall be required to take either the Degree of Master of Arts, or the Degrees of Bachelor and Doctor of Civil Law, or the Degrees of Bachelor and Doctor of Medicine, within one year after they shall be of sufficient standing to take those Degrees respectively according to the Statutes of the University. Any Student failing to comply with the foregoing provisions shall vacate his Studentship; provided that the Governing Body may, whenever they shall deem it just on special grounds to do so, allow the taking of any such Degree to be postponed for a period, not exceeding, except in the case of unsoundness of mind or disability of body, one year.

29. If any Student, or any person holding the rank of Student, shall be guilty of grave immorality, or misconduct, or of contumacious non-observance of the Statutes or Bylaws of the House, he may be deprived of his Studentship by the Visitor after due inquiry held upon the petition of the majority of the Governing Body present at a Meeting specially called with notice of the business to be transacted thereat.

30. The House may set apart out of the corporate revenues in respect of every member of the Governing Body, every Non-official Student, and every Honorary Student, an allowance not exceeding two shillings and sixpence for the expenses of his dinner on each day when he shall dine at the Common Dinner. No Student shall receive any other pecuniary allowance beyond the emolument of his Studentship.

31. The two Censors, and all resident unmarried Students receiving emoluments, shall be entitled to rooms in the House, rent free.

No Student shall be entitled to claim rooms, unless he have declared that he intends to reside in them, nor be permitted to retain them after he has ceased so to reside: "residence" meaning for the purposes of this clause pernoctation during an aggregate period of not less than thirteen weeks in the academical year. No other Student, whether married or unmarried, shall be entitled to rooms, with or without payment of rent, unless they shall be specially assigned to him by the Governing Body for educational purposes connected with the House.

XVIII.—THE TREASURER.

Substitute for the existing Statute:—

There shall be a Treasurer and (if necessary) a Steward, who may be elected Members of the Governing Body, and who (in that case) shall take rank (as to seniority) with the Official Students, though receiving no emoluments as Students, and not subject to the provisions relating to that class. The Governing Body shall grant to the Treasurer and to the Steward or either of them, on retirement, a reasonable pension or allowance, payable out of the general revenue of the House, and not out of the Pension Fund, for which provision is made in Statute XI, which shall be available for Official Students only.

XXII.—THE SCHOLARSHIPS.

For Clause 1 substitute:—

1. There shall be an election to six Open Scholarships in every year; they shall be tenable for two years from the day of election, if the person elected be already a member of the University, if otherwise, from a day to be fixed by the Governing Body, which shall not be later than the actual commencement of the Scholar's residence, and (at the expiration of such two years) shall then determine; but the Governing Body may, if satisfied with the industry and good conduct of the Scholar and subject to the provisions of clause 3, renew the Scholar's tenure for a further period of one or two years and, in the former case, may, at the expiration of such year, in like manner renew the Scholar's tenure for a further period of one year. Where a Scholarship has been held for four years, the Governing Body may (subject to the provisions of clause 3) extend the tenure of such Scholarship for one year longer if, for special reasons, they deem it advisable so to do: Provided always, that nothing in this clause shall prevent the exercise at any time, for any sufficient cause, of the power of deprivation conferred by the Statute hereinafter numbered XXVI, or of the power of inflicting any fines or penalties less than deprivation under any Bylaw of the House for the time being in force.

Add the following Clauses:—

8a. The Governing Body may from time to time, if the funds at their disposal permit, elect to special Scholarships (hereinafter called 'Graduate Scholarships') persons, being members of the University, who shall have passed all the examinations required for the degree of Bachelor of Arts, and shall notify the electors that they intend to enter upon some definite course of literary, educational, scientific, or professional study or training, and that they will have difficulty in so doing without assist-

ance. The persons holding such scholarships shall not at any time be more than eight in number. Elections to Graduate Scholarships shall be made after such notice of an intended election, by such manner of selection (either with or without examination), and on such conditions as to work and residence and otherwise, as the Governing Body shall from time to time determine.

8b. Every Graduate Scholarship shall be tenable for a period of two years from the date of election, and, if at the expiration of such period the Governing Body is satisfied with the industry and good conduct of the holder, may be continued for a further period of two years, but so that no person shall hold a Graduate Scholarship for more than four years in all. The emoluments of every Graduate Scholarship shall be £150 a year inclusive of all allowances.

8c. Every holder of a Graduate Scholarship shall furnish annually in writing to the Dean satisfactory evidence that he is engaged in the study or training approved by the Governing Body at the time of his election, or some other study or training approved by the Governing Body, and shall vacate his Scholarship upon failing to produce such evidence, or upon ceasing to follow such course of study or training as aforesaid. Clause 10 of Statute XVI shall apply to Graduate Scholarships in like manner as it applies to Studentships by Examination.

XXV.—EXHIBITION FUND.

For Clause 1 substitute:—

1. The Governing Body may, if they think fit, set apart out of Corporate Revenue a sum not exceeding in any year £800 to be applied in granting assistance, in the way of Exhibitions or otherwise, to members of the House, whether Scholars or Commoners, who are in need of assistance to support them at the University.

Add the following Statute:—

XXVA.—LAPSED EMOLUMENTS FUND.

1. The emoluments of all Non-official Studentships, Scholarships, or Exhibitions, which for any reason shall have lapsed or been vacated, or which shall have been offered and not awarded, shall (subject to the provisions hereinafter contained in the Statute concerning Westminster Scholarships within the House) be paid into a Fund to be called the Lapsed Emoluments Fund.

2. Any moneys for the time being standing in the Lapsed Emoluments Fund shall from time to time be applied by the Governing Body at their discretion for any purposes relative to the House or to the University and conducive to the advancement of learning, science, or education.

3. If and when the Lapsed Emoluments Fund shall have reached such an amount as in the judgment of the Visitor shall constitute a sufficient fund, the payments thereto shall be discontinued for such time as he shall determine.

Privy Council Office, July 16, 1914.

The following STATUTES made by the Governing Body of New College, Oxford, on the 14th day of January, 1914, and the 28th day of April, 1914, and sealed on the 15th day of June, 1914, have been submitted for the approval of His Majesty in Council, and notice of their having been so submitted is published in accordance with the provisions of "The Universities of Oxford and Cambridge Act, 1877."

STATUTE III.—THE FELLOWS.

For Statute III, clauses 13 and 14, substitute the following:—

ORDINARY FELLOWSHIPS.

III. 13. The Ordinary Fellowships shall (subject to the power of suspension or diminution vested by these Statutes in the Visitor) be not less than twelve in number, nor more than will make up the whole number of Fellowships to thirty-five, exclusive of Fellowships without emolument, but including any Fellowship held by the Bursar under the provisions of the preceding clause.

EMOLUMENTS OF ORDINARY FELLOWSHIPS.

III. 14. The emoluments of an Ordinary Fellowship shall be £200 a year.

For Statute III, clauses 16, 17, 18, 19, 20, and 21, substitute the following:—

POWER TO ELECT PERSONS SPECIALLY QUALIFIED.

III. 16. The Warden and Fellows may, at any Stated General Meeting, by two-thirds of the votes of those present and voting on the question, elect to an Ordinary Fellowship, without giving public notice and without examination, any Professor or Public Reader in the University, or any person whose attainments in Literature, Science, or Art shall in the judgment of the Warden and Fellows qualify him for election as a Fellow, and who shall prior to his election have given an undertaking to the satisfaction of the Warden and Fellows that he will if elected perform such definite literary, scientific, or educational work in the College or the University or elsewhere under the direction of the College or the University as shall be specified in the Resolution by which he is elected; Provided that before proceeding to an election which is not a re-election, and which is not wholly or partly for educational work in the College, the Warden and the Fellows shall invite representation from the Hebdomadal Council as to the special needs of the University at the time. The Warden and Fellows may either at the time of election or subsequently assign to any person elected under this clause, in addition to the emoluments of an Ordinary Fellowship, such reasonable payment as they may determine not exceeding £300 per annum: Provided that the aggregate amount of such additional payments for the time being payable to all persons elected under this clause shall not in any year exceed the sum of £900. Provided also that if the emoluments (exclusive of fees) of any Professor or Reader so elected shall in any year exceed £700 per annum, he shall not in that year receive in respect of the emolu-

ments of his Fellowship (inclusive of any such additional payment as aforesaid which may have been assigned to him) a greater sum than will amount with the emoluments of his Professorship or Readership (exclusive of fees) to £900. Provided also that every Professor or Reader so elected shall, if he ceases to hold his Professorship or Readership, vacate his Fellowship: and that every other person so elected shall, if in the judgment of the Warden and Fellows he fails or ceases to perform such definite literary, scientific, or educational work as aforesaid, vacate his Fellowship.

POWER OF RE-ELECTION.

III. 17. The Warden and Fellows may, in the manner and under the conditions specified in the last preceding clause, re-elect, from time to time, to an Ordinary Fellowship any person who shall have been elected under that clause, or any person qualified under that clause who already holds an Ordinary Fellowship: Provided that the whole number of persons holding Fellowships under the powers conferred by this and the last preceding clause, or either of them, shall not exceed nine at any one time.

ELECTION ON CONDITION OF TEACHING.

III. 18. The Warden and Fellows may at any Stated General Meeting elect to an Ordinary Fellowship, with or without examination, and on account of proficiency in any branch of learning for the time being recognised in the Schools of the University, a person who shall undertake to reside and take part in the teaching work of the College during at least three years of the tenure of his Fellowship. Provided that there shall not be more than four such Fellows at any one time.

Candidates for Fellowships under this clause must have fulfilled all the conditions required by some University in Great Britain or Ireland for the degree of Bachelor of Arts or other first degree therein.

The Warden and Fellows may, if they shall think fit, allow a Fellow elected under this clause to postpone the commencement of his teaching for not more than two years from the date of his election, on condition that he shall pursue a definite course of study in Oxford, or elsewhere, to be approved by the Warden and Fellows.

A Fellow elected under this clause who shall cease to reside and teach (except on the conditions mentioned in the last paragraph) before he shall have completed three years of such residence and teaching shall, *ipso facto*, vacate his Fellowship.

ELECTION BY COMPETITION.

III. 19. The remaining Ordinary Fellowships shall be filled up by competition, but so that not more than two Fellowships shall be so filled up in any one year. Half of them shall be open to all persons who shall have been educated for at least two years in the School of the College of Saint Mary of Winchester, otherwise called Winchester College, or have been for at least eleven Terms members of New College, and shall be called Winchester Fellowships; half of them shall be open to all persons who shall have passed all the examinations required by the University for the degree of

Bachelor of Arts, and shall be called Open Fellowships. No person shall be eligible to a Fellowship under this clause who shall hold any benefice, property, pension, or office which if acquired after his election would have disqualified him from continuing to be a Fellow. Every Fellow elected under this clause shall (subject to the proviso hereinafter contained) before being admitted an Actual Fellow give an undertaking to the satisfaction of the Warden and Fellows that he will devote a substantial portion of his time to such a course of higher study either in preparation for professional life or otherwise as the Warden and Fellows may in his case approve: Provided that such undertaking shall not be required to be given by any Fellow who at the time when he would otherwise be admissible as an Actual Fellow shall be engaged in educational work in the College, but such Fellows shall, if after being admitted an Actual Fellow he ceases to be so engaged, be required to give such undertaking. Any Fellow who fails to give, or, having given, fails, in the judgment of the Warden and Fellows, to perform such undertaking shall vacate his Fellowship.

III. 19A. Any Fellow elected under clauses 18 or 19 of this Statute shall not be re-elected under either of those clauses.

MANNER OF ELECTION BY COMPETITION.

III. 20. The election to Ordinary Fellowships open to competition shall be made by the Warden and Fellows at a Stated General Meeting. Thirty days, at least, before every day of election notice of such intended election, of the number of vacancies to be filled up, and of the conditions of election, shall be given by the Warden in such manner as he shall deem best adapted to ensure publicity.

The intellectual qualifications of the candidates shall be tested by an examination in such subjects connected with the studies of the University as the Warden and Fellows shall determine: Provided that the system of examination shall be such as shall render Ordinary Fellowships accessible, from time to time, to excellence in each of the principal branches of knowledge for the time being recognised in the Schools of the University. Candidates may be invited to submit dissertations in addition to or instead of other work.

ELECTION TO LAPSE IF NO SUFFICIENT CANDIDATE.

III. 21. The Warden and Fellows shall elect that candidate (being otherwise duly qualified according to the Statutes in force for the time being) who, after such examination, shall appear to them to be of the greatest merit, and most fit to be a Fellow of the College as a place of religion, learning, and education. Provided that if there shall be no candidate whom the Electors shall judge to be of sufficient merit for election, the Warden and Fellows shall declare the election to have lapsed.

In Statute III, after clause 25, add the following clause:—

EMOLUMENTS TO BE PAID CLEAR OF INCOME TAX.

25A. All emoluments paid out of the general revenues of the College under any of the foregoing clauses of this Statute shall be paid clear of Income Tax.

STATUTE IV.—THE SCHOLARS.

For Statute IV, clauses 1 and 2, substitute the following:—

SCHOLARSHIP FUND.

IV. 1. The Warden and Fellows shall establish a Fund, to be called 'The Scholarship Fund,' into which there shall be paid from the general revenues of the College the sum of £3,400 per annum. The Warden and Fellows may also, if they think fit, pay into the said Fund a further sum not exceeding £100 in any one year.

NUMBER AND CLASSES OF SCHOLARSHIPS.

IV. 2. There shall be maintained from the above-mentioned Fund within the College (a) so many Winchester Scholarships as will enable the Warden and Fellows to elect to six such Scholarships in each year; (b) so many Open Scholarships as will enable the Warden and Fellows to elect in each year to not less than four such Scholarships; and (c) at least one, and if the Fund suffices two, Senior Scholarships.

In Statute IV, after clause 4, add the following clause:—

SENIOR SCHOLARSHIPS.

IV. 4A. The Senior Scholarships shall be open as to half their number to all members of the University who have qualified for the degree of Bachelor of Arts or Bachelor of Civil Law or Bachelor of Letters or Bachelor of Science, and as to half their number to all persons who would be eligible to Winchester Fellowships under the provisions of Statute III. 19, and who in either case satisfy the Warden and Sub-Warden that they are in need of assistance to enable them to continue their studies.

For Statute IV, clause 5, substitute the following:—

ELECTION OF WINCHESTER AND OPEN SCHOLARS.

IV. 5. The Winchester and Open Scholars shall be elected by the Warden and Fellows, after an examination in such subjects and conducted in such manner as the Warden and Fellows shall from time to time determine, and the candidate or candidates shall be elected who after such examination shall appear to the Electors to be of the greatest merit and most fit to be a Scholar or Scholars of the College. No candidate shall be eligible to an Open Scholarship, except in the case of a Scholarship for Modern History, whose age on the day of election shall exceed nineteen years. Subject to this restriction, the conditions of eligibility to Winchester and Open Scholarships in respect of age, and in the case of Winchester Scholarships in respect of position and length of standing in the School of Winchester College, shall be such as the Warden and Fellows shall from time to time at any Stated General Meeting determine.

In Statute IV, after clause 5, add the following clause:—

ELECTION OF SENIOR SCHOLARS.

IV. 5A. The Senior Scholars shall be elected by the Warden and Fellows in such manner as

the Warden and Fellows shall from time to time by Bylaw determine, and the candidate or candidates shall be elected who shall appear to the Electors to be of the greatest merit and most fit to be a Senior Scholar or Scholars of the College.

For Statute IV, clauses 6, 7 and 8, substitute the following:—

ELECTION TO SCHOLARSHIPS TO BE POSTPONED WHEN NO SUFFICIENT CANDIDATE.

IV. 6. Whenever there shall be no candidate for a Winchester or Open Scholarship duly qualified and of sufficient merit in the judgment of the Electors, the Warden and Fellows shall determine at the next Stated General Meeting whether such Scholarship shall be filled up as an Open Scholarship, and if so, at what date. Whenever there shall be no candidate for a Senior Scholarship duly qualified and of sufficient merit in the judgment of the Electors, the Scholarship shall be filled up at such time as the Warden and Fellows may determine.

EMOLUMENTS AND TENURE OF WINCHESTER AND OPEN SCHOLARSHIPS.

IV. 7. The emoluments of each Winchester or Open Scholarship, inclusive of rooms and of all allowances (if any), shall be £80 a year. Every Scholarship shall be tenable for two years from the date at which the holder thereof shall commence residence in the University, and shall then determine, unless the Warden and Fellows shall have by resolution declared themselves satisfied with the industry and general good conduct of the Scholar; in which case the tenure of the Scholarship shall be prolonged for such period, not exceeding two years, as the Warden and Fellows may from time to time determine. At the end of the latter period the Warden and Fellows may again extend the tenure of any Winchester or Open Scholarship, subject to such conditions as they may think fit, if for special reasons they deem it advisable to do so; provided that in no case shall a Winchester or Open Scholarship be tenable for more than five years in all. But nothing in this clause shall prevent the exercise at any time of the power of deprivation conferred by clause 9 of this Statute.

CAUSES OF VACATING SCHOLARSHIPS.

IV. 8. Every Scholar who shall marry, or be admitted to a Fellowship in the College, or a Fellowship or Scholarship in any other College, or shall accept any office or undertake any duties which, by the Bylaws of the College in force at the time of his election, shall be inconsistent with the position of a Scholar of the College, shall thereby vacate his Scholarship. Any holder of a Winchester or Open Scholarship who may be elected to a Senior Scholarship shall thereby vacate his Winchester or Open Scholarship.

In Statute IV, after clause 8, add the following clauses:—

EMOLUMENTS AND TENURE OF SENIOR SCHOLARSHIPS.

IV. 8A. The emoluments of a Senior Scholarship, inclusive of rooms and all allowances (if any), shall be £120 per annum, to

which the Warden and Fellows may in cases of necessity add out of the Scholarship Fund a further-sum not exceeding £30 per annum. A Senior Scholarship shall be tenable for two years, and shall then determine unless the Warden and Fellows shall prolong it for one year further: Provided that in no case shall a Senior Scholarship be tenable for more than three years in all. But nothing in this clause shall prevent the exercise at any time of the power of deprivation conferred by clause 9 of this Statute.

UNDERTAKING BY SENIOR SCHOLARS.

IV. 8b. Every Senior Scholar shall undertake to pursue some definite course, to be approved in each case by the Warden and Fellows, either of literary or scientific training or research, or of systematic preparation for professional life, and he shall vacate his Scholarship if he fails to fulfil his undertaking to their satisfaction.

RESIDENCE OF SENIOR SCHOLARS.

IV. 8c. Every Senior Scholar shall reside in the University during Term, and shall vacate his Scholarship if he fails so to reside: Provided that the Warden and Fellows may dispense him from residence during the whole or any part of his tenure of his Scholarship. Residence during Term shall for the purposes of this clause mean pernoctation during forty-two nights of Full Term, Easter and Trinity Terms being counted as one Term.

STATUTE VII.—THE CHOIR.

For Statute VII substitute the following:—

THE CHOIR.

VII. For the celebration of Divine Service in the College, as heretofore, there shall be maintained by the College such a number of Chaplains in Holy Orders, Lay Clerks, and Choristers as shall from time to time be determined by the Warden and Fellows at any Stated General Meeting. To provide for the stipends of the Chaplains and Lay Clerks, there shall be set apart out of the general revenues of the College such a yearly sum of money as, with the benefactions of Dr. Woodward, Mr. Preston, and Dr. Bridle, and any other funds that may be applicable to such a purpose, will make up a yearly sum of not less than £1,250. Any surplus of the said yearly sum which may from time to time remain unapplied after payment of such stipends shall form a fund for providing pensions, or gratuities on retirement, for Chaplains or Lay Clerks, or for contributing to pensions for the Organist or Schoolmaster.

To provide for the other expenses of the Choir and Chapel Services, there shall be set apart, out of the general revenues of the College, such yearly sum as may be necessary for that purpose; which shall not, in any one year, exceed £1,000, unless it shall be resolved by a Stated General Meeting, with the assent of the Visitor, that a greater sum is necessary.

The Warden and Fellows may at any time, and from time to time, at any Stated General Meeting, appoint a Precentor for such period as they shall think fit.

The appointment, removal, remuneration, and duties of the Chaplains, Lay Clerks, and Choristers, and of the Precentor, if any, shall be regulated by Bylaws to be made by the Warden and Fellows at any Stated General Meeting, which Bylaws may be repealed and altered from time to time in the same manner as other Bylaws of the College. Until such Bylaws shall have been made, the existing Statutes and Regulations relating to the appointment, removal, remuneration, and duties of the Chaplains, Lay Clerks, Choristers, and Precentor shall have the force of Bylaws made under this clause.

STATUTE XI.—BYLAWS.

For Statute XI. substitute the following:—

BYLAWS.

XI. The Warden and Fellows may from time to time at Stated General Meetings make such Bylaws, not inconsistent with any Statutes of the College in force for the time being, and may rescind and alter such Bylaws, as they may think fit, respecting the manner of the election of the Warden, Sub-Warden, Fellows, and Scholars, the undertaking (if any) required to be given by any Fellow or Scholar or candidate for a Fellowship or Scholarship, the Declaration to be made by any person on his election or admission to any office or place in the College and by the Electors to any such office or place, the residence of the Fellows, and of the Probationers during their year of probation, the residence, discipline, and duties of the Scholars and undergraduate members of the College, the appointment, removal, remuneration, and duties of Officers of the College and of Tutors and Lecturers in the College, the attendance of the Warden and Fellows at Stated General and other Meetings, the proceedings at such meetings, the business to be transacted thereat, the notice to be given before holding any meeting or bringing forward any question, and the mode of giving such notice, the management and supervision of the property of the College, the repairs of the College Buildings, the keeping and auditing of the accounts of the revenue and expenditure of the College, the distribution of rooms in the College, the use of the Hall and other Common Rooms or buildings of the College, the discipline and domestic management of the College, and any other matters which the Warden and Fellows shall think proper to be regulated by Bylaws, and the penalties to be inflicted for disobedience to such Bylaws or any of them, which penalties may include the forfeiture of any part of the emoluments of any Fellowship, Scholarship, Exhibition, or Office within the College, as the case may be. The existing Regulations respecting the matters specified in this clause or any of them shall have the force of, and may be rescinded or altered in the same manner as, Bylaws made under these Statutes.

Provided that no Tutor or Lecturer shall be removed from his office under any Bylaw except by a vote of the Warden and Fellows, and that any Tutor or Lecturer so removed shall (if he be a Tutorial Fellow) have such right of appeal to the Visitor as is provided by Statute XVIII. 6.

July 17, 1914.

The following Rules have been issued by the authority for making Rules of the Supreme Court:—

SUPREME COURT OF JUDICATURE.

RULES OF THE SUPREME COURT.

1. Any party to any cause or matter in the King's Bench Division may at any time after July 18, 1914, apply by summons to one of the Vacation Judges for the Long Vacation of 1914, or in the absence of both such Judges from London to the Judge in Chambers for the trial or hearing of any such cause or matter during the said Long Vacation, and such Judge may make an order for the trial or hearing of such cause or matter during the said Long Vacation accordingly and fix the date of trial: Provided that no such order shall be made (a) unless the Judge is satisfied that there is urgent need for the trial or hearing of the cause or matter during the said Long Vacation; or (b) if the trial is to be before a Judge and Jury.

2. The Court or a Judge dealing with an application under Order 14, r. 8, may, if satisfied that the trial of the case is urgent, order that the trial shall take place in the Long Vacation, and thereupon the case shall be set down for trial in a special list of cases to be tried during the Long Vacation: Provided that no such order shall be made if the trial is to be before a Judge and Jury.

3.—(a) Where upon the summons for directions, or at any later stage, the place of trial comes in question, the Court or a Judge, if of opinion that a *prima facie* case is made for placing the trial at an Assize town other than

those mentioned below, shall refer the case to the Judge of Assize who is going to that town on Circuit.

Manchester,
Liverpool,
Leeds,

Birmingham,
Cardiff, and
Swansea.

(b) If the Assizes have been already chosen, the matter shall be brought forthwith before the Judge of Assize. If otherwise it shall stand referred to the Judge of Assize as soon as he is ascertained.

(c) The Judge of Assize shall determine whether the place of trial shall or shall not be at the town suggested or at some other town on his Circuit, or elsewhere, provided that if he is of opinion that it should be tried at an Assize town not on his Circuit and not one of the excepted towns he shall not make the order for trial at such town without first consulting the Judge who is going to that town.

(d) If he decides that the case shall be tried at an Assize town other than the excepted towns, the Judge going to that town shall be furnished then and from time to time, at further stages in the action, with such information as will enable him to provide for the adequate trial of the action and to arrange his days in each town on Circuit so as best to provide for the adequate trial of all actions on the Circuit. In particular he shall be informed whether the action is expected to be tried at the then pending Assize, and its probable length, and thereafter he or the Clerk of Assize shall be promptly informed if the trial is postponed or accelerated, or the action comes to an end, or the mode of trial is altered, or particular issues are admitted, referred, or deferred.

(e) For any such information promptly given the party may be allowed upon taxation such costs as the Taxing Master shall think proper.

(f) If either party establish a right by statute to fix the venue locally at an Assize town other than those above mentioned, he shall forthwith give notice to the Clerk of Assize, and shall thereupon and thereafter give to the Judge of Assize or to the Clerk of Assize such information as is provided for in the last preceding rule, and shall for it be allowed upon taxation such costs as the Taxing Master shall think proper.

4. Order XXXVI, Rule 22B, is hereby annulled, and the following rule shall stand in lieu thereof.

After notice of trial has been given of any cause, matter, or issue to be tried elsewhere than in London or Middlesex, Manchester, Liverpool, and such other places as the Lord Chancellor shall from time to time direct, either party may, at any time, in the case of Leeds, Birmingham, Cardiff, and Swansea, not less than seven days, and in all other places (except as hereinbefore excepted) not less than twenty-one days before the commission day appointed for such place, enter the trial at the next Assizes in the district registry (if any) of the city or town where the trial is to be had or with the Associate. No later entry shall be allowed, except by leave of a Judge going that Circuit, or by order of a Judge at Chambers, subject to the consent of a Judge going that Circuit.

5. These Rules are declared urgent within the meaning of the Rules Publication Act, and shall come into operation forthwith.
