By adding to Statute XVI, intituled

"Supernumerary Fellows," the following Section to form Section 2 of the same Statute:—

Restrictions on sale of potatoes for planting within the District.

4. No person shall sell or offer for sale potatoes to any person resident or carrying on business within the District except with the authority of a licence issued by the Board or otherwise than in accordance with the conditions imposed by the licence. secution under this Order, except in respect of an alleged failure to comply with the provisions of this Article.

Powers of Entry.

10. Any Inspector of the Board or of the Local Authority or other person duly empowered by the Board or the Local Authority in this behalf, upon production if so required of his appointment or authority, may for the purpose of enforcing this Order enter on any premises and may examine any potato plants or tubers thereon.

Execution of the Order.

11. (1) Each Local Authority shall carry into effect this Order within their District, and shall appoint such Inspectors or other officers for that purpose as may be necessary.

(2) Any duty or power imposed or conferred on the Board or a Local Authority by this Order may be performed or exercised by an Inspector of the Board or of the Local Authority acting under and in accordance with any directions in that behalf given by the Board or the Local Authority.
