FRIDAY, 7 FEBRUARY, 1919.

At the Court at Buckingham Palace, the 5th day of February, 1919.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Order in Council, dated the twenty-eighth day of November, nineteen hundred and fourteen, His Majesty was pleased to make regulations (called the "Defence of the Realm Regulations") under the Defence of the Realm Consolidation Act, 1914, for securing the public safety and the defence of the realm:

And whereas the said Act has been amended by the Defence of the Realm (Amendment) Act, 1915, the Defence of the Realm (Amendment) (No. 2) Act, 1915, and the Munitions of War Act, 1915, and other enactments:

And whereas the said regulations have been amended by various subsequent Orders in Council:

And whereas it is expedient further to amend the said regulations in manner hereinafter appearing:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, that the follow-

ing amendment be made in the said regulations:—

After Regulation 43b the following Regulation shall be inserted:—

"43c. With a view to affording to the public similar protection in relation to the supply of electricity to that conferred in relation to the supply of gas and water by section four of the Conspiracy and Protection of Property Act, 1875, the following provision shall have effect:—

"Where a person employed by a Government Department or by a municipal authority or by any company or contractor upon whom is imposed by Act of Parliament the duty, or who have otherwise assumed the duty of supplying any city, borough, town or place, or any part thereof, with electricity, wilfully and maliciously breaks a contract of service with that department, authority, company, or contractor, knowing or having reasonable cause to believe that the probable consequences of his so doing, either alone or in combination with others, will be to deprive the inhabitants of that city, borough, town, place, or part, wholly or to a great extent of their supply of electricity, he shall be guilty of a summary offence against these regulations."

By the Lords of His Majesty's Most Honourable Privy Council.—No. 75.

And whereas by Section one, sub-section two, of the said Act, it is provided that any List of persons and bodies of persons, incorporated or unincorporated, with whom such trading is prohibited by a Proclamation under the said Act may be varied or added to by an Order made by the Lords of the Council on the recommendation of a Secretary of State:

And whereas the Statutory List contained in the last-mentioned Proclamation has been varied and added to by subsequent Orders of Council:

And whereas there was this day read at the Board a recommendation from the Secretary of State for Foreign Affairs to the effect that the Statutory List should be further varied and added to as set forth in the Schedule hereto.

Now, therefore, Their Lordships, having taken the said recommendation into consideration, are pleased to order, and it is hereby ordered,

NOTE (1).—All persons or firms resident, carrying on business or being in the United Kingdom are prohibited from having, with any person or firm mentioned in this List, or in any List issued under the Trading with the Enemy (Statutory List) Proclamation, any dealings other than such as are expressly authorized by paragraph 5 of the Proclamation. A List (The Consolidated List No. 68A), consolidating all previous Lists, up to and including that of the 15th November, 1918, together with List No. 69 of November 29th, List No. 70 of December 13th, List No. 71 of December 20th, 1918, List No. 72 of January 3rd, List No. 73 of January 17th, List No. 74 of January 24th, 1919, and the list herewith annexed, contain all the names which up to this date are included in the Statutory List.

Additions to and variations in these Lists will be published at intervals approximately of two weeks.

The Lists are published in the London Gazette and reproduced in the Board of Trade Journal, and separate copies of all Lists may be obtained at a small cost from the Superintendent of Publications, His Majesty's Stationery Office, Imperial House, Kingsway, W.C.

NOTE (2).—Where a firm is mentioned in the List, every partner in the firm is also included in the List, and all dealings with any partner in the firm, as well as all dealings with the firm, are prohibited; and conversely, all dealings with a firm, any partner in which is mentioned in the List, are also prohibited.

NOTE (3).—Where a person or firm mentioned in the List has more than one address in the country or group of countries under which the name of the person or firm appears, all dealings in that country, or in any country in the group, with such person or firm are prohibited, even in cases where only one of the

addresses or one only of the countries is specially mentioned.

NOTE (4).—Trading is prohibited under the Trading with the Enemy Proclamations of 25th June and 10th November, 1915, with any person or firm of enemy nationality resident or carrying on business in China, Siam, Persia, Morocco, Liberia or Portuguese East Africa. Persons or firms in the United Kingdom are therefore prohibited from trading with any person or firm of enemy nationality in any of those countries, even though such person or firm is not mentioned by name in the Statutory List.

NOTE (5).—In order to minimise as far as possible any inconvenience which may be caused to British traders by the dislocation of export trade owing to the inclusion in the Statutory List of a former connection, the Foreign Trade Department is collecting and classifying the names of non-enemy firms who may be able to act as substitutes for firms mentioned in the Statutory List. A considerable amount of information is already available at the Foreign Trade Department, and it is in many cases possible to suggest the names of satisfactory substitutes for individual firms on the Lists, without the necessity of referring the matter abroad. The Department is, however, prepared on application to inquire of His Majesty's Representatives abroad for the names of suitable substitutes. When the applicant wishes this done by telegraph he is required to undertake to pay the cost of telegraphic correspondence. It would greatly facilitate the work of the Foreign Trade Department if applicants in making inquiries would specify the particular trade or trades for which substitutes are required. *General inquiries for new connections abroad should be addressed to The Comptroller-General, Department of Overseas Trade (Development and Intelligence), 73, Basinghall Stret, London, E.C. 2.*

NOTE (6).—The Statutory List for each country is telegraphed, on the day of issue, to His Majesty's Representative in that country, who is instructed to notify accordingly British Consular Officers, to whom persons abroad should apply for information as to names on the List. Persons and firms in the United Kingdom with agencies or branches abroad would, however, be well advised to furnish such agencies or branches with issues of the List as they appear. The names on the Lists for all countries in Central or South America are also notified to His Majesty's Ambassador at Washington, who transmits them to H.M. Consul-General at New York and to other centres in the United States likely to be interested.

NOTE (7).—It is not unusual for firms in Holland and the Netherland East Indies to be registered under names commencing with descriptive terms such as "Handel Maatschappij" (Trading Company) or "Naamloze Venootschap" (Limited Liability Company). In such cases it has been found more convenient to publish the firm under its proper name followed by the general descriptive term "Handel Maatschappij" or "Naamloze Venootschap" (N.V.) as in the case of an English company. For instance, Handel Maatschappij van den Berg & Company, and Naamloze Venootschap de Komeet v/h Dumonceau Frères will be found under "Berg" and "Komeet" respectively, and not under "Handel" or "Naamloze."

ADMIRALTY NOTICE TO MARINERS.

No. 214 of the year 1919.

SCOTLAND, WEST COAST—FIRTH OF CLYDE, ISLE OF ARRAN.

Lamlash Harbour Entrances—Traffic Regulations.

Former Notices.—Nos. 154, 320, 455, 554, 677, 797, 926, 1038, 1133, 1291, 1422 of 1918, and No. 8 of 1919.

A ship-passage, 500 feet in width, has been established at the entrance to North channel. This ship-passage is marked on its northern side by a buoy situated about $4\frac{3}{4}$ cables south-eastward from Hamilton rock as shown on chart.

A ship-passage, 500 feet in width, has also been established at the entrance to South channel. This ship-passage is marked on its western side by a light-buoy situated about $6\frac{3}{4}$ cables south-eastward from Stone on Kings-cross point as shown on chart.

All vessels bound for Lamlash must approach by the Northern channel, and maintain a course 244° (S. 82° W. Mag.) for a distance of a quarter of a mile on either side of the buoy, which should be left on the starboard hand at a distance not exceeding 75 yards.

Vessels must not attempt to enter by the Southern channel unless they have been definitely ordered by their route instructions or a Clyde Patrol vessel to do so, when they must maintain a course 329° (N. 15° W. Mag.) for a distance of a quarter of a mile on either side of the light-buoy, which should be left on the port hand at a distance not exceeding 75 yards.

When using the Northern channel, inward-bound vessels will be given priority over those outward bound.

Vessels entering are not to approach the ship-passage at a speed exceeding 10 knots.

Vessels entering are to close the drifter, which will be lying off the ship-passage, for instructions. Any instructions which may be given by Patrol vessels in the outer reaches of the Clyde must also be strictly observed.

The drifter regulates the traffic both inward and outward bound as follows:—

To indicate that the ship-passage is clear for *inward-bound traffic*, she will display at both yard-arms:

By day—Two black balls hoisted vertically.
By night—One red light.

To indicate that the ship-passage is clear for *outward-bound traffic*, she will display at both yard-arms:

By day—One black cone, point up.
By night—One green light.

During fog or thick weather, she will sound three long blasts on her steam whistle at intervals of five minutes to indicate that the ship-passage is clear for outward-bound traffic.

There will be no sound signal for inward-bound traffic.

No vessel, either inward or outward bound, is to approach within half a mile of the ship-passage unless the drifter is displaying the traffic signal in her favour.

In foggy or thick weather, vessels approaching are to sound the regulation fog-signals, and proceed with great caution.

All vessels entering Lamlash by night are to burn side lights.

Vessels entering Lamlash by day are to anchor to the southward of a line joining the new Pier head and the north end of Holy island.

Vessels entering during the night may anchor to the northward of this line until the morning.

Before attempting to leave Lamlash, all vessels must obtain instructions as to the route to be followed.

Variation.—18° W.

ADMIRALTY NOTICE TO MARINERS.

No. 215 of the year 1919.

IRELAND, EAST COAST.

Belfast Lough—Traffic Regulations.

Former Notices.—Nos. 1177, 1293, 1420 of 1918, and No. 10 of 1919.

A ship-passage has been established on the northern side of the entrance to Belfast lough, about 8 cables south-eastward from Cloghan point. The ship-passage is marked by two light-buoys as shown on the charts.

When making for this ship-passage, vessels must maintain a course of 201° (S. 40° W. Mag.) or 21° (N. 40° E. Mag.) for a distance of a quarter of a mile on either side of the ship-passage.

The Gobbins head light-and-whistle-buoy,

exhibiting a *flashing red* light, situated in lat. 54° 48' 10" N., long. 5° 38' 20" W., approximately, serves as an additional aid to vessels.

Vessels approaching Belfast lough must be careful to look out for and close the Patrol vessels off Black head and strictly observe any instructions communicated to them by the Patrols.

A Drifter will be stationed at a distance of about half a mile north-eastward of the ship-passage. This Drifter regulates the inward and outward bound traffic.

Inward-bound vessels will be given priority over outward-bound vessels in respect of passage through the ship-passage.

Signals:

To indicate that the ship-passage is clear for *inward-bound* vessels, the Drifter will display:—

- (a) By Day: No signal.
- (b) By Night: Two horizontal red lights.

To indicate that the ship-passage is clear for *outward-bound* vessels, the Drifter will display:—

- (a) By Day: A black shape.
- (b) By Night: Two horizontal white lights.

During fog the Drifter will remain close to the ship-passage, and will sound the following signals:

(a) Under normal conditions when no vessel is passing either way, the Drifter will sound "K" (— — —) on her whistle every two minutes. This signal is intended to indicate the position of the Drifter and of the ship-passage.

(b) When an inward-bound vessel is heard approaching, the Drifter will sound letter "W" (— — —) on her whistle to indicate that the ship-passage is clear for inward-bound vessels.

(c) When an outward-bound vessel is heard approaching, the Drifter will sound letter "O" (— — —) on her whistle to indicate that the ship-passage is clear for outward-bound vessels.

Vessels approaching Belfast lough in foggy weather should be careful to sound the regulation fog-signals, and to proceed with great caution when within a depth of 30 fathoms at all states of the tide.

During the hours of darkness, all vessels entering or leaving must exhibit their side lights.

At all times, day or night, when the signals indicate that the ship-passage is clear for inward-bound traffic, no outward-bound vessel may approach within half a mile of the ship-passage; and similarly, when the signals indicate that the ship-passage is clear for outward-bound traffic, no inward-bound vessel may approach within half a mile of the ship-passage.

ADMIRALTY NOTICE TO MARINERS.

No. 207 of the year 1919.

SCOTLAND, NORTH-EAST COAST,
WITH ORKNEY AND SHETLAND ISLES.*Former Notices.*—No. 1505 of 1918, and No. 7 of 1919; hereby cancelled.

Notice is hereby given that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following Regulations have been made by the Lords Commissioners of the Admiralty, and are now in force:—

(1) *Scotland, North-East Coast—Traffic Regulations.*

The pilotage and traffic regulations for Inverness and approaches, mentioned in the former Notice, are no longer in force. A pilot vessel will cruise in the North channel, and pilots will be available for vessels requiring their services.

(2) *Orkney Isles—Traffic Regulations.*

I.—SCAPA FLOW AND APPROACHES.

1. All entrances are dangerous, and entry is absolutely prohibited by way of them except as provided in succeeding paragraphs.

2. Examination services have been established in the entrances to Hoxa and Hoy sounds; vessels directed to enter must communicate with the Examination vessel and follow the instructions received from her very carefully.

3. No vessel is permitted to approach the entrance to Hoxa sound within a radius of 5 miles under any circumstances whatever, except when actually ordered to Scapa Flow.

4. The only vessels permitted to enter Hoy sound from the westward are those ordered to Stromness.

5. Vessels are not permitted to enter Hoxa or Hoy sounds by night or in thick weather.

6. Passage through Cantick sound is entirely prohibited.

II.—PORT OF KIRK WALL AND APPROACHES.

1. The port of Kirkwall shall comprise all enclosed waters of the Wide Firth and Kirkwall bay to westward of Thieves holm.

2. Merchant vessels shall obey all orders given them by the Admiralty Port Officer as regards anchoring or shifting position.

3. No vessel other than H.M. Ships shall enter or leave the Port of Kirkwall during hours of darkness, *i.e.*, between half an hour after sunset and half an hour before sunrise, except in special circumstances with special permission from the Admiralty Port Officer.

4. During foggy and thick weather, traffic in and out of the port is stopped, and no vessel shall approach the boom from either direction.

5. No vessel other than H.M. Ships or boats shall move in the harbour during hours of darkness as aforesaid. And no boat other than those belonging to H.M. Ships shall approach the shore or go alongside any pier in the Port of Kirkwall.

6. All vessels other than H.M. Ships entering or leaving the Port of Kirkwall shall be piloted in and out by a Pilot drifter, and are

prohibited from entering or leaving harbour unless so piloted, save and except only, (1) in the case of such British vessels as have a written exemption therefrom, issued by the Admiralty Port Officer, (2) when a liner is entering the harbour, the Pilot may, at his discretion, when circumstances of tide and sea render it advisable, direct such liner to enter the harbour without being piloted, provided always that the gate is open for incoming traffic.

7. Vessels, when cleared, shall wait for the Pilot vessel to conduct them out of port, or proceed as directed by the Naval Authorities.

8. Drifters engaged on pilot duty will fly the pilot flag (white and red, horizontal).

9. Incoming and outgoing traffic will be regulated by signals hoisted at the yardarm of the Boom trawler and repeated at the Helliær holm lighthouse.

10. Traffic signals are to be strictly obeyed, and no vessel shall approach the entrance against the signal.

11. The following Traffic signals will be displayed at the Boom and at Helliær holm:—

Gate "Open for Incoming Traffic":

By day—Two balls, vertical.

By night—A red light.

Gate "Open for Outgoing Traffic":

By day—A cone, point upwards.

By night—A green light.

Gate Closed:

By day—Three balls at Helliær holm.

By night—Three red lights at Helliær holm.

12. Vessels entering will, as a rule, be given priority over those leaving.

13. All outgoing vessels shall pass round the Turning buoy (red and white striped, spherical) moored approximately 285° (N. 56° W. Mag.), one mile from the entrance.

14. Incoming vessels will not pass round the Turning buoy, but will shape course as requisite for the anchorage on entering.

15. No outgoing vessel shall pass the Turning buoy, unless the signal for outgoing traffic is up. If the signal is against it, such vessel shall stop and wait in the neighbourhood of the Turning buoy.

16. No incoming vessel shall pass Helliær holm, unless the signal for incoming traffic is up at Helliær holm. If the signal is against it, such vessel shall wait in Shapinsay sound.

17. Incoming and outgoing vessels shall not pass through the gate simultaneously. If, through any misunderstanding, an outgoing and an incoming ship are approaching the gate simultaneously, then the outgoing ship shall give way and shall turn round, and return to the Turning buoy and there wait till such time as the entrance is clear.

18. As a rule only one ship will be conducted out at a time, but under exceptional circumstances, in the event of two ships being conducted out, then the pilot will give instructions as to which ship is to go first and the rear ship shall then keep a full half mile directly astern, and is on no account to close or overhaul or attempt to pass the ship ahead.

19. *Caution.*—Caution is necessary when approaching the boom, as the tidal stream does not set fairly through the opening and attains considerable velocity especially on the ebb or

west-going stream, which sets in a north-westerly direction.
Variation.—19° W.

(3) *Shetland Isles—Traffic of Neutral Vessels Prohibited.*

No vessel other than those of British Nationality or those of the Allied Nations, except vessels calling for the purpose of Examination, shall enter any ports or harbours in, or anchor off any part of, the coasts of the Shetland Isles until further notice.

Note.—Special traffic regulations for the Port of Lerwick and approaches will be found in Admiralty Notice to Mariners No. 767 of 1917.
