PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by the Termination of the Present War (Definition) Act, 1918, it is provided that His Majesty in Council may declare what date is to be treated as the date of the termination of the present war, and that the date so declared shall be as nearly as may be the date of the exchange or deposit of ratifications of the treaty or treaties of peace, and that His Majesty may also similarly declare what date is to be treated as the date of the termination of war between His Majesty and any particular State:

And whereas at Versailles on the twenty-eighth day of June, nineteen hundred and nineteen, a treaty of peace between the Allied and Associated Powers and Germany was signed on behalf of His Majesty:

And whereas by the said treaty of peace it was provided that a procès-verbal of the deposit of ratifications should be drawn up as soon as the treaty had been ratified by Germany on the one hand and by three of the principal Allied or Associated Powers on the other, and that from the date of the said procès-verbal the treaty would come into force between the high contracting parties who had ratified it:

And whereas the said treaty having been ratified by Germany and three of the principal Allied and Associated Powers, including His Majesty, such a procès-verbal as aforesaid has been drawn up dated the tenth day of January, nineteen hundred and twenty:

And whereas treaties of peace with other belligerents not having yet been ratified it is desirable to declare the date which is to be treated as the date of the termination of war with Germany before declaring the date which is to be treated as the date of the termination of the present war:

Now, therefore, His Majesty, by and with the advice of His Privy Council, is pleased to order, and it is hereby ordered, that the said tenth day of January shall be treated as the date of the termination of war between His Majesty and Germany.

PRESENT,

The KING's Most Excellent Majesty.

Lord President.

Earl Curzon of Kedleston.

Lord Colebrooke.

Sir Frederick Ponsonby.

WHEREAS by reason of conditions arising out of the war difficulties have been experienced by citizens of the United States of America in complying with the requirements of the Copyright Act, 1911, as to first publication within the parts of His Majesty's Dominions to which the Act extends of their works first published in the United States of America during the war:

And whereas His Majesty is advised that the Government of the United States of America has undertaken, upon issue of this Order, to extend the protection afforded by the United States Law of December 18, 1919, entitled "An Act to amend Sections 8 and 21 of the Copyright Act, approved March 4, 1909," to British subjects:

And whereas by reason of the said undertaking of the Government of the United States of America His Majesty is satisfied that the said Government has made, or has undertaken to make, such provision as it is expedient to require for the protection of works first made or published between the 1st August, 1914, and the termination of the war in the parts of His Majesty's Dominions to which this Order applies, and entitled to copyright under Part I. of the Copyright Act, 1911:

And whereas by the Copyright Act, 1911, authority is conferred upon His Majesty to extend, by Order in Council, the protection of the said Act to certain classes of foreign works within any part of His Majesty's Dominions, other than self-governing Dominions, to which the said Act extends:

And whereas by reason of these premises it is desirable to provide protection within the said Dominions for literary or artistic works first published in the United States of America between August 1, 1914, and the termination of the war which have failed to accomplish the formalities prescribed by the Copyright Act, 1911, by reason of conditions arising out of the war:

Now, therefore, His Majesty, by and with the advice of His Privy Council, and by virtue of the authority conferred upon Him by the Copyright Act, 1911, is pleased to order, and it is hereby ordered, as follows:—

1. The Copyright Act, 1911, shall, subject to the provisions of the said Act and of this Order, apply to works first published in the United States of America between the 1st August, 1914, and the termination of the war, which have not been republished prior to the

commencement of this Order in the parts of His Majesty's Dominions to which this Order applies, in like manner as if they had been first published within the parts of His Majesty's Dominions to which the said Act extends:

Provided that the enjoyment by any work of the rights conferred by the Copyright Act, 1911, shall be conditional upon publication of the work in the Dominions to which this Order relates not later than six months after the termination of the war, and shall commence from and after such publication, which shall not be colourable only, but shall be intended to satisfy the reasonable requirements of the public.

2. The provisions of Section 15 of the Copyright Act, 1911, as to the delivery of books to libraries, shall apply to works to which this Order relates upon their publication in the United Kingdom.

3. In the case of musical works to which this Order relates and provided that no contrivances by means of which the work may be mechanically performed have before the commencement of this Order been lawfully made, or placed on sale, within the parts of His Majesty's Dominions to which this Order applies, copyright in the work shall include all rights conferred by the said Act with respect to the making of records, perforated rolls and other contrivances by means of which the work may be mechanically performed.

4. This Order shall apply to all His Majesty's Dominions, Colonies and Possessions with the exception of those hereinafter named, that is to say:—

The Dominion of Canada;

The Commonwealth of Australia;

The Dominion of New Zealand;

The Union of South Africa;

Newfoundland.

5. Nothing in this Order shall be construed as depriving any work of any rights which have been lawfully acquired under the provisions of the Copyright Act, 1911, or any Order in Council thereunder.

6. This Order shall take effect as from the 2nd day of February, 1920, which day is in this Order referred to as the commencement of this Order.

And the Lords Commissioners of His Majesty's Treasury are to give the necessary orders accordingly.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 9th day of *February*, 1920.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Act passed in the 4th year of the reign of His Majesty King William IV. entitled "An Act for the better Administration of Justice in His Majesty's Privy Council" it is, amongst other things, enacted that it shall be lawful for His Majesty in Council from time to time to make any such Rules and Orders as may be thought fit for regulating the mode, form and time of Appeal to be made from the decisions of any Courts of Judicature in India (from the decisions of which an Appeal lies to His Majesty in Council), and in like manner from time to time to make such other Regulations for the preventing delays in the making or hearing such

Appeals and as to the expenses attending the said Appeals and as to the amount or value of property in respect of which any such Appeal may be made:

And whereas Her Majesty Queen Victoria did by Her Order in Council of the 10th day of April, 1838, approve certain Rules and Orders for regulating the mode, form and time of Appeal from the decisions of the said Courts and also certain Regulations for the preventing delays in the making or hearing such Appeals and as to the expenses attending such Appeals and as to the amount or value of property in respect of which any such Appeal may be made:

And whereas the King's Most Excellent Majesty in Council hath deemed it expedient to rescind all the said Rules, Orders and Regulations and to substitute others in lieu thereof:

His Majesty is, therefore, pleased, by and with the advice of His Privy Council, to rescind all the said Rules, Orders and Regulations in the said Order in Council of the 10th day of April, 1838, contained, and to approve of the several Rules, Orders and Regulations contained in the Schedule hereto, and to order, as it is hereby ordered, that the same be respectively observed by all Courts of Judicature in India and by all persons whom it shall or may concern.

Whereof the Governor-General of India in Council, and all other persons whom it may concern, are to take notice and govern themselves accordingly.

Almeric FitzRoy.

The SCHEDULE above referred to.

1. Applications to the Court for leave to appeal to His Majesty in Council shall be made within 90 days of the Decree or Order to be appealed from, subject to the provisions of Sections 4, 5 and 12 of the Indian Limitation Act, 1908.

2. The preparation of the Record shall be subject to the supervision of the Court, and the parties may submit any disputed question arising in connection therewith to the decision of the Court, and the Court shall give such directions thereon as the justice of the case may require.

3. The Registrar, as well as the parties and their legal Agents, shall endeavour to exclude from the Record all documents (more particularly such as are merely formal) that are not relevant to the subject-matter of the Appeal, and, generally, to reduce the bulk of the Record as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of headings and other merely formal parts of documents; but the documents omitted to be copied or printed shall be enumerated in a manuscript list to be transmitted with the Record.

4. Where in the course of the preparation of a Record one party objects to the inclusion of a document on the ground that it is unnecessary or irrelevant, and the other party nevertheless insists upon its being included, and the Court allows the document to be included, the Record, as printed (whether in India or in England), shall, with a view to the subsequent adjustment of the costs of and incidental to such document, indicate in the index of papers, or otherwise, the fact that, and the party by whom, the inclusion of the document was objected to.

5. Where the Record is printed in India, the

Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council 40 copies of such Record, one of which copies he shall certify to be correct by signing his name on, or initialling, every eighth page thereof and by affixing thereto the seal, if any, of the Court.

6. Where the Record is to be printed in England, the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council one certified copy of such Record, together with an index of all the papers and exhibits in the case. No other certified copies of the Record shall be transmitted to the Agents in England by or on behalf of the parties to the Appeal.

7. Where there are two or more Appeals arising out of the same matter, and the Court is of opinion that it would be for the convenience of the Lords of the Judicial Committee and all parties concerned that the Appeals should be consolidated, the Court may direct the Appeals to be consolidated.

8. An Appellant who has obtained a certificate for the admission of an Appeal may at any time prior to the making of an Order admitting the Appeal withdraw the Appeal on such terms as to costs and otherwise as the Court may direct.

9. Where an Appellant, having obtained a certificate for the admission of an Appeal, fails to furnish the security or make the deposit required (or apply with due diligence to the Court for an Order admitting the Appeal), the Court may, on its own motion or on an application in that behalf made by the Respondent, cancel the certificate for the admission of the Appeal, and may give such directions as to the costs of the Appeal and the security entered into by the Appellant as the Court shall think fit, or make such further or other Order in the premises as, in the opinion of the Court, the justice of the case requires.

10. An Appellant whose Appeal has been admitted shall prosecute his Appeal in accordance with the Rules for the time being regulating the general practice and procedure in Appeals to His Majesty in Council.

11. Where an Appellant, whose Appeal has been admitted, desires, prior to the dispatch of the Record to England, to withdraw his Appeal, the Court may, upon an application in that behalf made by the Appellant, grant him a certificate to the effect that the Appeal has been withdrawn, and the Appeal shall thereupon be deemed, as from the date of such certificate, to stand dismissed without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt with in such manner as the Court may think fit to direct.

12. Where an Appellant, whose Appeal has been admitted, fails to show due diligence in taking all necessary steps in connection with the preparation of the Record, the Court may, either on its own motion or on the application of the Respondent, call upon the Appellant to show cause why a certificate should not be issued that the Appeal has not been effectually prosecuted by the Appellant, and if the Court sees fit to issue such a certificate, the Appeal shall be deemed, as from the date of such certificate, to stand dismissed for non-prosecution without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt

with in such manner as the Court may think fit to direct.

13. Where at any time between the admission of an Appeal and the dispatch of the Record to England the Record becomes defective by reason of the death, or change of status, of a party to the Appeal, the Court may, notwithstanding the admission of the Appeal, on an application in that behalf made by any person interested, grant a certificate showing who, in the opinion of the Court, is the proper person to be substituted, or entered, on the Record, in place of, or in addition to, the party who has died, or undergone a change of status, and the name of such person shall thereupon be deemed to be so substituted or entered on the Record as aforesaid without express Order of His Majesty in Council. If, in the opinion of the Court, there has been undue delay in making this application, the Court may order the Appellant, or the party interested, to take all necessary steps to perfect the Record within such time as the Court may direct, and, if he fails to comply with such Order, the Court may call upon him to show cause why a certificate should not be issued that the Appeal has not been effectually prosecuted, and if the Court sees fit to issue such a certificate, the Appeal shall be deemed, as from the date of such certificate, to stand dismissed for non-prosecution without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt with in such manner as the Court may think fit to direct.

14. Where the Record subsequently to its dispatch to England becomes defective by reason of the death, or change of status, of a party to the Appeal, the Court may, upon an application in that behalf made by any person interested, cause a certificate to be transmitted to the Registrar of the Privy Council showing who, in the opinion of the Court, is the proper person to be substituted, or entered, on the Record, in place of, or in addition to, the party who has died, or undergone a change of status. If, in the opinion of the Court, there has been undue delay in making this application, the Court may order the Appellant, or the party interested, to take all necessary steps to perfect the Record within such time as the Court may direct, and, if he fails to comply with such Order, the Court shall report the matter to the Registrar of the Privy Council.

15. These Rules shall come into operation on the 1st day of January, 1921, or on such other date as the Governor-General of India in Council may determine

At the Court at *Buckingham Palace*, the 9th day of *February*, 1920.

PRESENT,

The KING's Most Excellent Majesty in Council.

Now, therefore, His Majesty is pleased, by

and with the advice of His Privy Council, to order, and it is hereby ordered, that the Special Constables (Scotland) Order, 1914, as so amended, shall have effect as if in Regulation 1 and in Regulation 1A, for the words "five shillings" the words "ten shillings" were substituted.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 6th and 7th years of Her late Majesty Queen Victoria, Chapter 37, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 15th day of January, 1920, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 6th and 7th years of Her late Majesty Queen Victoria, Chapter 37, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for authorizing the sale and disposal of certain property in the Parishes of Southgate and Edmonton, in the County of Middlesex, now vested in us:

"Whereas under and by virtue of the several Indentures, particulars whereof are set forth in the Schedule hereunder written, the lands, tenements and hereditaments, situate in the Parishes of Southgate and Edmonton aforesaid, and particularly described in the same Indentures and Schedule, became with their appurtenances and are now vested in us:

"And whereas none of the said lands, tenements and hereditaments, are subject to any outstanding beneficial lease or grant but are now in our possession, but some portions thereof on account of their character or situation are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed:

"And whereas with a view to the advantageous appropriation of the same or of the proceeds thereof for the ultimate improvement of our Common Fund it is expedient that the said lands, tenements and hereditaments, or such part or parts thereof as we shall at any time and from time to time think fit should be sold or disposed of, and accordingly that we should be empowered to sell or dispose of our interest in such lands, tenements and hereditaments, or in any part or parts thereof, in such manner as shall appear to us advisable:

"Now, therefore, we humbly recommend and propose that we may be authorized and empowered by instrument or instruments in writing, duly executed according to law, from time to time to sell or dispose of and duly to convey, according to the provisions of the said Act, all or any of the said lands, tenements and hereditaments, so vested in us as aforesaid, under and by virtue of the said several Indentures, or any of them, with their appurtenances and all our estate, right, title and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same and

his or their heirs, executors, administrators or assigns, or otherwise as he or they shall direct or appoint and for such consideration as shall upon due calculation and enquiry appear to us to be just and reasonable, it being our intention to invest the proceeds of such sale from time to time as occasion may arise in the purchase of other lands, tithes, rentcharges, tenements or hereditaments, or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our

proceedings are governed as aforesaid, and in the meantime to invest the said proceeds in some Government or Parliamentary Stock or other public securities in England.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

Almeric FitzRoy.

At the Court at Buckingham Palace, the 9th day of February, 1920.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 3rd and 4th years of

Her late Majesty Queen Victoria, Chapter 113, and of the Act of the 17th and 18th years of Her said late Majesty, Chapter 84, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 18th day of December, 1919, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 3rd and 4th years of Her late Majesty Queen Victoria, Chapter 113, and of the Act of the 17th and 18th years of Her said late Majesty, Chapter 84, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for apportioning the income of the Benefice (being a Vicarage) of Bream, in the County of Gloucester and in the Diocese of Gloucester, between that Benefice and a certain other Benefice, namely, the Benefice (being a Vicarage) of Saint Paul, Forest of Dean, which said last-named Benefice is situate in the said County of Gloucester and in the said Diocese of Gloucester:

"Whereas the Bishop of the said Diocese of Gloucester is the Patron in right of his See of

the said Benefice of Bream and also of the said Benefice of Saint Paul, Forest of Dean:

"And whereas it has been made to appear to us that the said Benefice of Saint Paul, Forest of Dean, is at present insufficiently endowed, and that the said Benefice of Bream has endowments of such an amount as that after the charge hereinafter recommended and proposed to be made shall have been placed upon the same endowments, the said Benefice of Bream will still be sufficiently endowed:

"And whereas the Right Reverend Edgar Charles Sumner, Bishop of the said Diocese of Gloucester, has represented to us, and we are of opinion that it is desirable that additional provision should be made for the Cure of Souls within the New Parish of Saint Paul, Forest of Dean, by means of that apportionment of the income of the said Benefice of Bream which is hereinafter recommended and proposed:

"And whereas the said Benefice of Bream is now full, the Reverend Charles Harry Travers Wright being the Vicar or Incumbent thereof:

"Now, therefore, with the consent of the Right Honourable and Most Reverend Randall Thomas, Archbishop of Canterbury, acting as Archbishop of the Province within which each of the said two Benefices is situate, and with the consent of the said Edgar

Charles Sumner, Bishop of the said Diocese of Gloucester, acting as such Bishop and also as the Patron in right of his See of each of the said two Benefices as aforesaid (in testimony whereof they the said consenting parties have respectively signed this Scheme and sealed the same with their several Episcopal Seals) and with the consent of the said Charles Harry Travers Wright acting as such Vicar or Incumbent as aforesaid (in testimony whereof he has signed and sealed this Scheme) We, the said Ecclesiastical Commissioners, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme and without any conveyance or assurance in the law other than such duly gazetted Order all and singular the tithe commutation rentcharges amounting to £13 ls. 11d. per annum which are specified in the Schedule annexed to this Scheme, shall be transferred by way of apportionment from the said Benefice of Bream and shall be annexed to and form part of the endowments of the said Benefice of Saint Paul, Forest of Dean.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament.

"The Schedule to which the foregoing Scheme has reference."

a Statute made by the said Provost and Fellows on the 25th day of April, 1917, and approved by the King in Council on the 16th day of January, 1918), the following clause, numbered I (the existing clauses being numbered 2 and so on) was added to Statute XI as made by the University of Oxford Commissioners under the aforesaid Act and approved by the Queen in Council on the 3rd day of May, 1882:—

"I. The Provost and Fellows shall in, or as soon as may be after the close of each year, declare so much of the clear surplus income of the College as they shall think fit to be the divisible income for that year: and the same shall be apportioned among the Fellows for that year (including any Fellowship which may be suspended or vacant) in equal shares, provided that no Fellow shall receive more in respect of such share for any one year than the sum of £200, unless the average amount received by him in each of the preceding years, not exceeding six, in which he has held his Fellowship, has been less than £200, in which case he may receive in respect of such share any sum not greater than the amount which would, with the amounts previously received by him, bring his average receipts for that year and for each of such preceding years up to £200. Before declaring the divisible income the Provost and Fellows shall make repayment to the Provost, to any Fellow elected or admitted under Statute III and to any officer of the College appointed under Statute V of such portion of the Income Tax paid by him in respect of his emoluments received from the Corporate Revenues of the College, as Provost Fellow or Officer as would have been payable by him if such emoluments had constituted his sole income and as if he were assessed on such income as unearned income and without abatement."

And whereas the Provost and Fellows of the said College are of opinion that it is desirable to amend the said Statute in manner herein-after appearing. We the said Provost and Fellows of the said College do hereby in exercise of the powers given to them by the fifty-fourth section of the said Act alter Statute III, 17, by substituting for the existing clause the following clause:—

"17. Each Ordinary Fellow shall be entitled to receive the annual stipend of £200 out of the Corporate Revenues, clear of Income Tax as hereinafter provided, but inclusive of all allowances save as hereinafter mentioned";

and Statute XI, I, by substituting for the existing numbered clause the following clause:—

"The Provost and Fellows shall make repayment each year to the Provost, to any Fellow elected or admitted under Statute III, and to any Officer of the College appointed under Statute V, of such portion of the income tax paid by him in respect of the emoluments received from the Corporate Revenues of the College as Provost, Fellow or Officer, as would have been payable by him if such emoluments had constituted his sole income and as if he were assessed on such income as earned income and without abatement."

Proposed Overtime Rates—Male and Female Workers—All Ages.

SECTION I.—In accordance with Section 3 (1) (c) of the Trade Boards Act, 1918, the Trade Board hereby propose to declare the normal number of hours of work in the trade to be as follows:—

In any week	48
On any day (other than Saturday) ...	9

SECTION II.—The Minimum Rates for Overtime in respect of hours worked by a worker, whether engaged on time-work or on piece-work, in excess of the declared normal number of hours, shall be as follows, that is to say:—

1. For the first two hours' overtime on any day except Saturdays, Sundays, and Customary Public and Statutory Holidays, the Overtime Rates shall be equivalent to time and a quarter, that is to say, one and a quarter times the minimum rate otherwise applicable.

2. For overtime after the first two hours of overtime on any day except Sundays and Customary Public and Statutory Holidays, and for all overtime on Saturdays, the Overtime Rate shall be equivalent to time and a half, that is to say, one and a half times the minimum rate otherwise applicable.

of Section 48 of the Factory and Workshop Act, 1901, is employed on Sunday instead of Saturday, the Minimum Rates for Overtime as proposed above shall apply to such worker in like manner as if in the provisions of this Notice as to Overtime the word "Saturday" were substituted for "Sunday" and the word "Sunday" for "Saturday."

But in the application of these Provisos, where the employer requires attendance on any day on which it is not the established practice of the employer to require attendance, all time worked on such day (not being a Sunday or a Customary Public or Statutory Holiday) shall be paid for at time and a quarter for the first two hours and time and a half thereafter.

NOTE.—The hours of work which female workers and young persons are allowed to work are subject to the provisions of the Factory and Workshop Act, 1901.

PART IV.

For the purpose of this Notice the following definitions shall apply:—
