The Governing Body of Shrewsbury School having, on the 9th day of March, 1920, in virtue of the powers conferred upon them by the Public Schools Act, 1868, and of every other power enabling them in that behalf, made a Scheme (which was sealed on the 21st day of April 1920) in the terms annexed hereto for

further amending and altering the original Scheme (approved by Order in Council of the 12th day of February, 1876), for the removal of the said School from its former site:

The said Scheme has this day been laid before His Majesty in Council, and is hereby published in the London Gazette in accordance with the provisions in that behalf contained in the said Act.

And notice is hereby given, that any person, body of persons, or body corporate, authorized in that behalf by the said Act, may, within two months after the publication of this notification, petition His Majesty in Council to withhold His approval from the whole or any part of the said Scheme.

**SCHEME FOR FURTHER AMENDING AND ALTERING THE SCHEME APPROVED BY ORDER IN COUNCIL OF THE 12TH DAY OF FEBRUARY, 1876, FOR THE REMOVAL OF SHREWSBURY SCHOOL FROM ITS ACTUAL SITE.**

Whereas by the Public Schools Act, 1868, 31 and 32 Vict., c. 118, it is *inter alia* enacted as follows:—

Section 25. Any Scheme authorized to be made under this Act may contain all powers and provisions that may be thought expedient for carrying into effect its objects; and where any scheme authorizes the purchase or acquisition of any lands there shall be deemed to be incorporated with such scheme "The Lands Clauses Consolidation Act, 1845," with the exception of the provisions relating to the purchase of lands otherwise than by agreement and of the provisions relating to entry upon land to intersected lands, and to the recovery of forfeitures, penalties, and costs, and of the provisions relating to access to the special Act.

Section 26. The new Governing Body of Shrewsbury School may, if they deem it expedient, at any time after the passing of this Act, lay a scheme before Her Majesty in Council for the removal of the school from its actual site to some other place, and may provide in such scheme for the sale or mortgage of any property belonging to or held in trust for such school and for its appropriation to building or other purposes with power to suspend any Scholarships or Exhibitions payable out of such property and for the purchase of other property and for the erection of new buildings on the property so purchased and generally for all matters (including the sale of any surplus property that may be purchased, and the investment of the money which may be produced by such sale) required to effect such removal in a convenient manner to the same extent as if such Governing Body were the absolute owners of any property they may be dealing with under this section as purchasers, vendors, or otherwise; and any such scheme shall be subject to the same provisions and if approved shall take effect and be subject to alteration in the same manner as Statutes made by a Governing Body, provided, firstly that any scheme made under this section before the expiration of the powers by this Act conferred on the Special Commissioners shall be approved of by them before being laid before Her Majesty in Council; secondly, that the power of making a scheme under this section shall not pass to the Special Commissioners or cease after the first of January, one thousand eight hundred and seventy, or such further time as may be determined by Her Majesty as hereinafter mentioned, but shall continue vested in the New Governing Body of the said school; thirdly, that the school shall not be removed to any site exceeding in distance three miles measured in a straight line from the market place in Shrewsbury.

And whereas divers other Acts of Parliament have since been passed, continuing and enlarging the powers conferred by the

above mentioned Act; and, in particular, it was by the second section of the Public Schools Act, 1869, enacted that "Any Governing Body established for any of the schools to which the said Act (meaning the said Public Schools Act, 1868) applies shall, as in the case of Westminster School, be a body corporate, with perpetual succession and a common seal, and with power to hold lands for the purposes of the school for which it is established, without licence of mortmain."

And whereas the Governing Body of Shrewsbury School did on the twenty-first day of August, one thousand eight hundred and seventy-five propose (by virtue and in pursuance of the powers above mentioned) a scheme for the removal of the said School in the terms following, that is to say:—

1. With a view to the removal of Shrewsbury School from its actual site the Governing Body may purchase the messuages, buildings, and several pieces of land situate at Kingsland, near Shrewsbury, and more particularly described in the schedule hereto (that is to say, in the Schedule to the Scheme now being recited), and delineated upon the map or plan thereof annexed hereto (that is to say, to the Scheme now being recited), and thereon coloured pink, which messuages and land are delineated on the plan annexed hereto, and thereon coloured pink.

2. The Governing Body may appropriate the said pieces of land or such part thereof as they may deem necessary for the use of the school, and may either alter and adapt to the purposes of the school any of the existing buildings on the said pieces of land or may pull down the existing buildings thereon, or any of them, and erect such new buildings thereon as they may deem requisite for the use of the school (including residences for the Masters), and may lay out any further part of the said land as a playground for the Scholars, or gardens for the Masters, or any like purposes.

3. With a view to the erection of residences for the Assistant Masters, and of Boarding Houses, the Governing Body may grant building leases of any part or parts of the said pieces of land, subject to the following restrictions (that is to say):—

(I.). No such lease shall be for any longer term than 99 years, to take effect in possession, or within 6 calendar months after the making of the demise.

(II.). The rents to be reserved shall be the best yearly rents that can reasonably be obtained without the payment of any fine or premium, but a peppercorn rent, or any rent less than the rent ultimately made payable, may be made during the first two years of the term.

(III.). The lessee shall covenant to erect on the land demised within a reasonable time, not exceeding two years after the date of the lease, a suitable residence for an Assistant Master, with proper offices and outbuildings, either with or without accommodation for boarders as the case may be.

(IV.). Every such lease shall contain a proviso for re-entry on non-payment of the rent reserved, or non-performance or non-observance of the covenants contained in the lease.

4. As soon as, in the opinion of the Governing Body, the new site shall be ready, the school shall be removed to such new site; and there-

upon the actual site, and the buildings thereon, shall be discharged from the trusts for the use of the school upon which the same are at present held, and shall thenceforth be held upon the trusts and for the purposes hereinafter declared.

5. For the purpose of raising funds for defraying the expenses of carrying the Scheme into effect, the Governing Body may sell or mortgage (but subject as to any such mortgage to the restrictions hereinafter provided) any property belonging to or held in trust for the school, and shall apply the proceeds of any such sale or mortgage, and may apply any capital funds for the time being belonging to or held in trust for the school, in or towards payment of such expenses, provided that the proceeds of any such sale may be applied in discharging the principal moneys raised by any previous mortgage, or any part thereof.

6. No money shall be borrowed by the Governing Body on mortgage of any part of the property of the school, to be effected under Article 5, at any higher rate of interest than five pounds per cent. per annum; and the Governing Body shall make provision for discharging the principal moneys borrowed within thirty years, either by payment of the same in yearly or other instalments, or by the formation of a sinking or accumulation fund out of the income of the charity.

7. The Governing Body may also sell all or any part of the actual site of the school, or any part or parts of the said pieces of land so to be purchased as aforesaid, which may not be required for the purposes of the school, either subject or not to any building lease thereof to be made under the said power for that purpose at such time or times, and in such manner, and for such sums of money, as the Governing Body may think fit. All moneys to arise from any sale made under this Article may be applied to the same purposes to which the moneys raised by any sale under Article 5 are hereinbefore made applicable, and so far as the same may not be required for those purposes and in the meantime, and until the same shall be so applied, shall be invested in any of the securities which may for the time being be authorized by the Court of Chancery for the investment of cash under the control of the Court, and the income of the stocks, funds, and securities in or upon which the said sale moneys shall be invested, and also the rents and profits of the said lands, until sold, shall be applicable to the same purposes as the income of any other property belonging to or held in trust for the school.

8. The Governing Body may from time to time, and during such time as they may think necessary, either wholly or partially suspend any Scholarships or Exhibitions payable out of any property belonging to or held in trust for the school which, or the proceeds of the sale or the mortgage of which, may have been appropriated for the purposes of this Scheme.

9. No person dealing with the Governing Body shall be bound to enquire whether any disposition purporting to be made under the powers hereby conferred is in fact proper or authorized, or be bound to see to the application of any moneys to be raised by any sale or mortgage purporting to be made under the powers of this Scheme.

And whereas the said Scheme (hereinafter referred to as "the original Scheme") was duly laid before, and approved and sanctioned

by, Her late Majesty Queen Victoria, of blessed memory, in Council on the twelfth day of February, 1876.

And whereas the Governing Body having in the year 1878 completed the purchase of the messuage, buildings, and pieces of land described in the schedule to the original scheme, with the exception of a piece of land containing 2a. 0r. 19p., therein described as the property of the representatives of the late Mr. John Beck, and having removed the school to its new site, as soon as the buildings then necessary had been erected upon it, thereafter became convinced that owing to the insufficient area of the land originally purchased, and the increasing number of the scholars, it was necessary to take any favourable opportunity which might occur of providing additional adjoining land for the purposes of the school. And whereas the Governing Body, accordingly, from time to time purchased divers other lands adjacent to the lands mentioned in the schedule to the original Scheme, and ultimately by an Order of Her late Majesty Queen Victoria in Council, dated the 28th day of October, 1892, an amending scheme made by the Governing Body of the said school was duly sanctioned, by which amending scheme the original scheme was altered so as to be read and construed as though the lands so purchased as aforesaid (other than such parts as had been resold), and which lands, other than as aforesaid, were delineated upon the plan thereto annexed, and thereon coloured pink and blue, and are delineated on the plan annexed hereto, and therein coloured green, had been described in the said schedule to the original Scheme, and had been thereby authorized to be purchased. And, also, as though it had been provided by clause 6 of the original Scheme, that the Governing Body should make provision for discharging the principal moneys borrowed by them within forty years from the time of borrowing, instead of thirty years as therein mentioned. And whereas in the year one thousand nine hundred and twelve an offer was made to sell to the Governing Body part of a field known as Kingsland field, lying on the west of the lands, the purchase of which was authorized by the said amending Scheme, such part containing 26,840 square yards, and delineated on the plan annexed to the scheme hereinafter recited, and thereon coloured pink, and delineated on the said plan annexed hereto, and thereon coloured yellow, at the price of one thousand one hundred and seventy pounds. And whereas the Governing Body were of opinion that it was very desirable that such offer should be accepted, but being advised that such purchase could not lawfully be made without an amending Scheme, the Rt. Honble. Henry De Vere Baron Barnard, the then Chairman of the Governing Body, took upon himself the responsibility of purchasing the said piece of land in his own name, with a view of giving to the Governing Body the option of taking over the same upon the terms of repaying to him the said purchase money, with interest thereon at 4 per cent. per annum, from the twenty-ninth day of September, one thousand nine hundred and eleven, together with all costs and expenses incurred by the said Baron Barnard in relation to the transaction. And whereas the said purchase was duly completed by the said Baron Barnard on the sixth day of December, one thousand nine hundred and eleven, And whereas it was considered

that it would be of great benefit to the school that the Governing Body should be empowered to adopt the said purchase, and to acquire the said piece of land for the purposes of the school. And whereas by a deed dated the seventeenth day of August, one thousand nine hundred and eleven the Governing Body took an assignment from one Edward Branthwaite Moser of a piece of leasehold land, containing two thousand eight hundred and sixty-five square yards or thereabouts, delineated and coloured blue on the plan annexed to the amending scheme hereinafter recited, and on the said plan annexed hereto, together with the House erected thereon by the said E. B. Moser, and theretofore used as a Boarding House for Scholars at the said school, of which he was an Assistant Master. And whereas, ultimately, by an Order of His Majesty King George V. in Council, dated the fourteenth day of May, one thousand nine hundred and twelve, an amending scheme made by the Governing Body of the said school was duly sanctioned, by which amending scheme the original Scheme was altered so as to be read and construed as though (a) the said piece of freehold land which the said Baron Barnard had so purchased as aforesaid, and (b) the said piece of leasehold land and Boarding House acquired (or expressed to have been acquired) by the Governing Body from the said E. B. Moser as aforesaid had been respectively comprised in the schedule to the said original scheme, and delineated on the plan thereto annexed and thereon coloured pink, and that the adoption by the Governing Body of the purchase and acquisition of the said freehold piece of land by the said Baron Barnard on the terms aforesaid and the acquisition by the Governing Body of the said piece of leasehold land and Boarding House on the terms aforesaid should be deemed to have been authorized by the said original Scheme. And that the said scheme should be read and construed as though it had been by clause 6 thereof provided that the Governing Body should make provision for discharging the principal moneys borrowed by them within fifty years from the time of borrowing instead of within thirty years (extended to forty years by the said amending Scheme of 1892), as therein mentioned. And whereas by an Indenture dated the twenty-third day of November, one thousand nine hundred and twelve, and made between the said Henry de Vere Baron Barnard of the first part, Alfred Barnes Deakin and Benjamin Blower, both therein described, of the second part, and the Governing Body of the third part, the said piece of freehold land so purchased by the said Baron Barnard as aforesaid was duly conveyed by him to the Governing Body. And whereas of late the married Masters of the said School have experienced very great difficulty in finding houses to reside in in the neighbourhood of the School. And whereas owing to the increasing number of the Scholars, particularly of those who row on the River Severn, it is necessary to acquire a site for an additional boat-house with living rooms for the boatman over it. And whereas the Governing Body recently had an offer from Mrs. Gladys Mary Milnes, the wife of Kenneth William Milnes, to sell to the Governing Body the messuage land and hereditaments described in the first schedule hereto and delineated on the plan annexed hereto and therein coloured orange, for the sum of three thousand two hundred and fifty pounds, and as the said

messuage will be suitable as a residence for a married Master of the said School, and as the land adjoining will be suitable in connection with the boathouse and boating of the said School, and as the said Gladys Mary Milnes would not sell part of the said hereditaments, the Governing Body considered that they ought not to let the opportunity of acquiring the said premises slip, and accordingly they entered into the Agreement next hereinafter recited. And whereas by an Agreement dated the thirtieth day of January, one thousand nine hundred and twenty, and made between the said Gladys Mary Milnes of the one part and the Governing Body of the other part, the said Gladys Mary Milnes agreed to sell and the Governing Body agreed to buy the said hereditaments described in the said first schedule hereto at the price of three thousand two hundred and fifty pounds, to be paid as to the sum of three hundred and twenty-five pounds upon the signing of the said agreement and the remainder on the twenty-fourth day of June, one thousand nine hundred and twenty, when the purchase should be completed. And it was by the said Agreement provided that it was conditional upon the Privy Council approving of an Amending Scheme under the Public Schools Act, 1868, authorizing the purchase of the said premises upon the terms of such agreement. And whereas by an Indenture dated the eleventh day of September, one thousand nine hundred and eleven, and made between the Mayor, Aldermen and Burgesses of the Borough of Shrewsbury of the one part, and the Rev. Cyril Argentine Alington, the then Head Master of the School, Walter Dodsworth Haydon and Cuthbert William Mitford, assistant Masters in the said School (thereinafter and hereinafter in this recital called "the Lessees") of the other part, the piece or parcel of land described in the second schedule hereto and delineated on the plan annexed hereto and therein coloured brown, with the appurtenances, was demised unto the lessees as joint tenants for the term of ninety-nine years from the twenty-fourth day of June, one thousand nine hundred and eleven, at the yearly rent of six pounds ten shillings, and subject to the covenants by the lessees and conditions therein contained, including a covenant that the Lessees would within three years after the execution of the said Lease erect and complete upon the said piece of land a messuage with suitable outbuildings and other conveniences of not less than the aggregate clear annual value of sixty pounds at least, exclusive of the ground rent thereby reserved. And whereas the said Cyril Argentine Alington, Walter Dodsworth Haydon and Cuthbert William Mitford, in accordance with the said covenants in that behalf, erected a house upon the said piece of land suitable for the occupation of unmarried assistant Masters at the said School at a cost in the whole of £2,330 4s. 5d., which was eventually defrayed out of funds in which the Governing Body were interested. And whereas when the said Cyril Argentine Alington had been appointed Head Master of Eton College and was consequently on the point of retiring from the Head Mastership of Shrewsbury School at the end of the year 1916, he and the said Walter Dodsworth Haydon and Cuthbert William Mitford were desirous of making over the said leasehold premises to the Governing Body and accordingly by an Indenture dated the ninth day of July, one thousand

nine hundred and seventeen, and made between the said Cyril Argentine Alington, Walter Dodsworth Haydon, and Cuthbert William Mitford of the one part, and the Governing Body of the other part it was agreed and declared that the said Cyril Argentine Alington, Walter Dodsworth Haydon, and Cuthbert William Mitford, their executors, administrators and assigns should stand possessed of the said leasehold premises for all the residue of the term, estate and interest granted therein by the said lease (subject to the rent covenants and conditions therein reserved and contained) in trust for the Governing Body. And the said Cyril Argentine Alington, Walter Dodsworth Haydon, and Cuthbert William Mitford thereby covenanted and agreed to assign the said premises to the Governing Body or to such person or persons at such time and in such manner as the Governing Body should appoint subject to the said rents, covenants and conditions. And whereas the acquisition by the Governing Body of the said Leasehold Premises is highly desirable in the interest of the said School as the house is adapted for the purpose of a residence of assistant Masters at the said School. And whereas it is apprehended that the Governing Body had not power to acquire the said Leasehold premises under or by virtue of the said declaration of trust or otherwise. And whereas at the present day it is difficult and often impossible to borrow money at so low a rate as five pounds per cent. per annum, and accordingly it is desirable that there should be some relaxation in the requirement as to the rate of interest contained in Clause 6 of the original scheme.

The Governing Body of Shrewsbury School do hereby propose by virtue of and in pursuance of the powers above mentioned to alter the original scheme as follows, that is to say:

1. The Original Scheme shall throughout be read and construed as though

(a) The messuage land and hereditaments described in the first Schedule hereto and delineated and coloured orange on the plan annexed hereto

(b) And the said Leasehold premises described in the said second Schedule hereto and delineated and coloured brown on the said plan annexed hereto

had been respectively described in the schedule to the said original Scheme and delineated on the plan thereto annexed and thereon coloured pink. And in particular that the said agreement of the said thirtieth day of January, one thousand nine hundred and twenty, and the carrying into effect thereof and the adoption by the said Indenture of the ninth day of July, one thousand nine hundred and seventeen by the Governing Body of the acquisition by the said Cyril Argentine Alington Walter Dodsworth Haydon and Cuthbert William Mitford of the said lease of the eleventh day of September, one thousand nine hundred and eleven, and the erection of the messuage thereon in manner aforesaid and the carrying into effect of the said adoption and Indenture by assignment of the said Leasehold premises to the Governing Body may respectively be deemed to have been authorized by the said original scheme.

2. The said original scheme shall be read and construed as though it had by Clause 6 provided that no moneys should be borrowed by the Governing Body on Mortgage of any part

of the property of the School to be effected under Article 5 at any higher rate of interest than six per cent. or such higher rate as the current Bank rate for the time being may be.

THE FIRST SCHEDULE above referred to:

All that messuage or dwelling-house with the gardens, pleasure-grounds and appurtenances thereto belonging commonly known as "St. Leonards Lodge," but formerly known as "Walton Place," and containing by admeasurement 1,615 square yards or thereabouts, and also all that plot, piece or parcel of ground adjoining thereto having a frontage of 202 feet to a road called Canonbury and containing 3,055 square yards or thereabouts. And also all that piece or parcel of land adjoining to the said messuage and the said piece or parcel of land lastly before described and reaching to the River Severn and containing by admeasurement 2a. Or. 31p. or thereabouts the whole of which said messuage lands and premises are contiguous or adjoining and are bounded on the north-east side by the River Severn, on the south by the road called Canonbury, and on the south-west and west sides by lands of the Governing Body, and on the east by a strip of land belonging to the Kingsland Bridge Company and property belonging to the said Gladys Mary Milnes, and are situate in the Borough of Shrewsbury, and are more particularly delineated on the plan annexed hereto and thereon coloured orange, together with a right of footway for all purposes through the grounds of the adjoining property as shown on the said plan, and a right of way for all purposes with or without horses or other animals, carriages, carts or other vehicles as heretofore enjoyed over the piece of land between the points marked A and B on the said plan from or to the Kingsland Bridge Road, but subject to the payment of the authorized tolls to the Kingsland Bridge Company for passing over their property.

THE SECOND SCHEDULE above referred to:

All that piece or parcel of land situate at Kingsland in the Parish of St. Julian in the Borough of Shrewsbury, and lying to the south of the Upper Road constructed by the Mayor, Aldermen, and Burgesses of the Borough of Shrewsbury and having a frontage to the said road of 91.3 feet or thereabouts and a frontage to the cross roads on the east side of 155 feet which said piece or parcel of land formed part of the property of the Mayor, Aldermen and Burgesses of the Borough of Shrewsbury known as "The Kingsland Estate," and contains by admeasurement 1,566 square yards or thereabouts. All which said piece or parcel of land is together with the boundaries and abutments thereof and the position of the said road more particularly described and delineated on the plan drawn on the back of the said Indenture of lease of eleventh day of September, one thousand nine hundred and eleven and therein coloured pink, and on the plan annexed hereto and therein coloured brown. Together with the appurtenances. And together with full and free right of passage and way for all purposes with or without horses, cattle, carts and carriages to and from the said piece or parcel of ground over and upon all roads made or to be made for the accommodation of the owners or occupiers of the said estate of the said Mayor, Aldermen and Burgesses. And together with full right of pas-

sage and running of water and soil from the said piece or parcel of land through the main sewer or drain laid down by the lessors.
