

**WELFARE OF WORKERS IN FACTORIES AND WORKSHOPS.**

The Secretary of State for the Home Department hereby gives notice that on the 2nd May, 1930, he made an Order under Section 7 of the Police, Factories, etc. (Miscellaneous Provisions) Act, 1916, for securing the welfare of the workers employed in all factories and workshops, or parts thereof, in which are carried on the processes of liming and tanning of raw hides and skins (including the re-tanning of tanned or partly tanned hides and skins) and processes incidental thereto.

A draft of this Order was issued in August last, and certain objections lodged against the draft were referred, in pursuance of the statutory procedure, to Sir Harold Morris, K.C., as Referee, for settlement. The Report of the Referee has now been received and the Order as finally made by the Secretary of State is based on that Report.

This Order, which may be cited as the Tanning Welfare Order, 1930, will come into force on 1st July, 1930, from which date the Order made by the Secretary of State on the 22nd March, 1918, for factories or parts of factories in which bichromate of potassium or sodium is used in tanning by the "two bath" process, will be revoked, in so far as it affects factories or parts of factories to which the new Order applies.

Copies of the Order, and of the Referee's Report, may be purchased directly from H.M. Stationery Office at the following addresses:—  
 Adastral House, Kingsway, London, W.C. 2;
