The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS RESPECTING A SPECIAL OPEN COMPETITIVE EXAMINATION FOR SITUATIONS IN THE DEPARTMENTAL CLERICAL CLASS (WOMEN) OF THE MINISTRY OF LABOUR.

These Regulations are liable to alteration from time to time.

1. The limits of age for this situation are 18 and 19; candidates must be of the prescribed age on the first day of the examination. A candidate who attained the age of 18 on the first day of the examination would be admitted, but a candidate who attained the age of 19 on that day would not be admitted.

In reckoning age for competition the following allowance will be made:—

Persons who have served in any established civil situation to which they were admitted with the certificate of the Civil Service Commissioners may deduct from their actual age

any time not exceeding two years which they may have spent in such service.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made in the case of a person serving in a civil situation to which she was admitted with the certificate of the Civil Service Commissioners.

Provided also that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

3. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to attend the examination before the commencement of the competition.

4. Candidates will be required to take up duty in such place in Great Britain as the Minister of Labour may determine.

5. Candidates must satisfy the Civil Service Commissioners as to their health and character. They must be unmarried or widows; and they will be required to resign their appointments on marriage.

6. The subjects of examination and the marks they will carry are as follows:—

	Marks.
(1) English	200
(2) Arithmetic	100
(3) General Knowledge	100
(4) One of the following:—	
Mathematics; French;	
History; Geography;	
Economics	100

Candidates must obtain such an aggregate number of marks in the examination as a whole as to satisfy the Civil Service Commissioners.

7. Application for permission to attend an examination must be made in the writing of the candidate, at such time and in such manner as may be fixed by the Civil Service Commissioners.

8. A fee of £2 will be required from each candidate attending an examination.

The Civil Service Commissioners further give notice that an Open Competitive Examination will be held under the foregoing Regulations, commencing on the 16th December, 1930. The following is a provisional list of the centres at which the examination may be held:—Birmingham, Bristol, Cardiff, Edinburgh, Leeds, London, Manchester, Newcastle-on-Tyne, Nottingham and Preston. The final

list of centres will be decided when the number of candidates desiring examination at each centre is known.

It is expected that it may be decided to fill not fewer than 300 vacancies on the result of this competition, provided so many candidates are found to be duly qualified.

No person will be admitted to Examination from whom the Secretary of the Civil Service Commission has not received, on or before the 30th October, 1930, an application, in the Candidate's own handwriting, on a prescribed form, which may be obtained from the Secretary at once.
