TOWN AND COUNTRY PLANNING ACT, 1944

BIRMINGHAM (CENTRAL REDEVELOPMENT) COMPULSORY PURCHASE ORDER, 1946.

NOTICE is hereby given that the Birmingham City Council in pursuance of their powers under Section 9 of the Town and Country Planning Act, 1944, on the 15th day of February 1946, made an Order, which has been submitted for confirmation by the Minister of Town and Country Planning, authorising them to purchase compulsorily for the purposes set forth in Section 9 of the Town and Country Planning Act, 1944, viz. for the purposes of dealing satisfactorily with conditions of bad layout and obsolete development in the area of the Authority and for the purpose of providing for relocation of population or industry and for replacement of open space and for the purpose of the construction or improvement of any road necessary for the purpose of securing a satisfactory layout or of enabling development or for providing proper means of access to land made available for providing for relocation of population or industry or for replacement of open space and for carrying out the improvement and controlling the development of frontages to any such road or of lands abutting thereon or adjacent thereto the lands described in the Schedule hereto, and directing that the provisions of the Act relating to expedited completion of purchase shall apply thereto.

A copy of the Order, and of the Maps referred to therein, have been deposited at the office of the undersigned Town Clerk and will be open for inspection without payment of fee between the hours of 9.0 a.m. and 12.30 p.m. on Saturdays; 9.0 a.m. and 7.0 p.m. on Tuesdays and Fridays; and 9.0 a.m. and 5.30 p.m. on other weekdays.

Where the Minister confirms the Order, he may, if he is satisfied that it is requisite so to do, confirm the Order with a Direction that the provisions of the Act relating to expedited completion of purchase shall apply to the said land.

Where the confirmed Order contains such a Direction the following provisions will operate:—

(a) The Lands Clauses Acts and the Acquisition of Land (Assessment of Compensation) Act, 1919, as amended and applied by the Town and Country Planning Act, 1944, will have effect as if a notice, to treat such as is mentioned in Section 18 of the Lands Clauses Consolidation Act, 1845, had been served on every person on whom the Council could, under the terms of that Section, have served such a notice, namely, all persons interested in the said lands; all persons enabled by the Lands Clauses Acts to sell and convey or release any of the said lands; or such of the above persons as would after diligent enquiry be known to the Council, and the date on which such notice to treat will be deemed to have been served will be the date on which the Order is registered in the Register of Local Land Charges kept in respect of the area in which the lands are situated. Such notice to treat will not be deemed to have been served on any person in respect of an interest which is a tenancy for a year, or from year to year, or a less interest, or a tenancy having still to run only a period expiring on the 31st day of December, 1947;

(b) The Birmingham City Council may, at any time after the expiration of two months from the date of first publication of the notice of confirmation of the Order and subject to the said tenancies, execute a Declaration:

(i) of their intention to enter on the whole or part of the lands to which the Order relates and take possession thereof at the expiration of a period specified in such declaration, not being less than fourteen days from the completion of the service of a notice to that effect on occupiers, and on persons entitled to claim compensation who have given information to the Council of the nature of the land in respect of which they are entitled to claim compensation and of their interest therein, and

(ii) that the lands will vest in the Council at the expiration of the period specified in such declaration.

Any objection to the Order must be made in writing stating the grounds of the objection, and addressed to the Minister of Town and Country Planning, 32, St. James's Square, London, S.W.1, before the 31st day of May, 1946.

The Minister is not, in all cases, required to arrange for objections to be heard by a person appointed

by him for that purpose. It is important, therefore, that an objection should include a full statement in writing of the grounds on which the objection is made as the objector may have no further opportunity to make such a statement.

Any owner or occupier of any land to which the Order relates may send to the undersigned Town Clerk at the address below, a request in writing to serve him with a notice that the Order has been confirmed, and naming a place where a copy of the Order and of the map and of any descriptive matter annexed thereto, may be seen. Such request should contain a statement of the name, postal address and the interest in the land of the owner or occupier, and particulars sufficient to enable the local planning or highway authority to identify the extent and boundaries of the land.
