3. Any officer in Branch B serving abroad who, in the cases specified below, is called upon to assume the full duties of a post, which has been approved as a post to be occupied by an officer two grades above his own in Branch B or by an officer of the comparable grade in Branch A, may be granted, after a period of three months and while continuing to perform such higher duties, an acting allowance equal to one-quarter of the salary of the grade in which he is acting (or the mean of the salary of that grade if it is on a scale) always provided that the officer's own salary together with the Acting Allowance shall not exceed the minimum of the salary for the grade in which he is acting—

Comment.

The meaning of the expression "the salary of the post is available" is that the salary in question is not being paid to any person.

REGULATION No. 2.

OUTFIT AND TRANSFER ALLOWANCE.

1. Outfit allowances will be payable on the following basis:—

(i) The actual reasonable cost of a Foreign Service uniform when its purchase is authorised.

(ii) (a) On first appointment abroad from the United Kingdom: £100 for a married man, £50 for an unmarried man or woman.

(b) On subsequent appointment abroad or on transfer from one post abroad to another post abroad: one-tenth of the mean of the salary scale in the case of a transfer to a post where furniture is not provided and one-twentieth if furniture is provided.

Comment.

(i) Where transfer is accompanied by promotion this proportion will be based on the new salary scale. No outfit allowance will be granted in respect of promotion alone.

(ii) For payments in respect of a transfer to a post in the United Kingdom, see Regulation No. 5 (Home Service Allowance).

(iii) Exceptionally, those officers who are established while serving at a post abroad may be given, on the occasion of their first transfer to another post abroad, the allowance specified in (ii) (a) above or the allowance specified in (ii) (b) above, whichever is the greater.

2. On appointment to a post at which special clothing is, in the opinion of the Secretary of State, necessary for climatic reasons, the allowances under paragraph 1 (ii) above will be increased by the actual cost of such clothing up to £30 in respect of an unmarried officer and £45 in respect of a married officer whose wife accompanies him. These increases will be subject to the production of a certificate that the sums claimed have been expended for the purposes laid down and will be limited to three occasions during an officer's career.

3. On promotion, with or without transfer: the actual cost of the alteration of the uniform (provided its initial purchase has been approved) rendered necessary by the promotion provided the cost is reasonable and is supported by a certificate that the amount has been paid for the purpose stated.

Comment.

(i) Where an officer prefers to buy a new uniform instead of having his present one altered, he may receive the cost which would have been incurred if he had had the necessary alterations made to his existing uniform.

(ii) An allowance for a new uniform will not be granted except where special circumstances are proved to the satisfaction of the Secretary of State.

REGULATION No. 3.

FOREIGN ALLOWANCES.

1. A foreign allowance will be assigned to officers of Branch B serving abroad.

Comment.

(1) Salary is intended to cover necessary expenditure in the United Kingdom and to take the first strain of the cost of living of the officer abroad, foreign allowances supplementing it to the extent to which the salary falls short of total necessary expenditure. In assessing foreign allowances, the following items *inter alia* are taken into account: (a) local cost of living; (b) expenditure which an officer serving abroad necessarily incurs, either at home or abroad, over and above that of an officer of corresponding grade serving in the Foreign Office; and (c) representational expenditure, where appropriate, *i.e.*, expenditure which, while optional for a private individual, is obligatory for a member of the Foreign Service resident abroad by virtue of his official position.

(2) Foreign allowance is not subject to United Kingdom income tax.

2. The amount of the foreign allowance to be assigned to an officer will be determined by the Secretary of State in the light of the conditions at the particular post.

3. When an officer to whom a foreign allowance is assigned is absent from his post abroad, the foreign allowance will be paid on the basis specified in the paragraphs 4-9 of this regulation.

A.—When the officer is returning to his Post.

4. When the officer is married and takes his wife and family (if any) with him and is—

(i) *On Duty.*

(a) *In the United Kingdom.*

He will retain the foreign allowance of his post and draw subsistence allowance for himself only at the rates in force for the United Kingdom. The position will be reviewed after two months' absence.

Comment.

The officer will be responsible for the travelling expenses of his wife and family.

(b) *Elsewhere.*

He will retain the foreign allowance of his post and draw subsistence allowance for himself and also for his wife if approval is given for her to accompany him officially.

(ii) *On Earned Leave.*

He will draw no subsistence allowance but will retain his foreign allowance except in the case of posts where the allowance is abnormally high, *i.e.*, where it exceeds 100 per cent. of the mean of the salary scale of the officer's grade. In such cases the foreign allowance will be subject to a reduction at the rate of 25 per cent. as from the date of departure on leave. This reduction shall not operate so as to bring the foreign allowance below the mean of his salary scale. This reduction will not be applied in respect of brief absences within a total of 14 days in one calendar year.

(iii) *On Sick Leave Outside the Country where he is Posted.*

The foreign allowance will be the same as that payable on earned leave (see (ii) above) except that, as from the date of departure on sick leave, it will be reduced by 25 per cent. for such period as the Secretary of State considers reasonable in the circumstances. At the end of such period the Secretary of State will exercise full discretion with regard to a further payment of foreign allowance.

Comment.

A married officer on sick leave outside the country where he is posted, who is due to return to his post, may thus incur a double cut in his foreign allowance.

5. When the officer is married and leaves his wife and family (if any) at the post and is—

(i) *On Duty.*

(a) *In the United Kingdom.*

He will retain the foreign allowance of his post and draw subsistence allowance.

(b) *Temporarily attached to another post.*

He will retain the whole of the foreign allowance of his own post or draw that of the temporary post, whichever is higher, with subsistence allowance in addition at the discretion of the Secretary of State.

(c) *On duty in circumstances other than (a) and (b).*

He will retain the foreign allowance of his post and draw subsistence allowance.

(ii) *On Earned Leave.*

Wherever he is on earned leave he will retain the foreign allowance of his post but will draw no subsistence allowance.

(iii) *On Sick Leave Outside the Country where he is Posted.*

Any such case which may arise will be dealt with on its merits.

6. When the officer is unmarried and is—

(i) *On Duty.*

(a) *In the United Kingdom.*

He will be eligible for subsistence allowance and will retain, for the period of one month, the foreign allowance of his post. Thereafter, the foreign allowance will be subject to a reduction at the rate of 50 per cent. provided that this reduction shall not bring the amount of this allowance below the minimum of his salary scale.

(b) *Temporarily attached to another post.*

He will retain the whole of the foreign allowance of his own post or draw that of the temporary post, whichever is higher, with subsistence allowance in addition at the discretion of the Secretary of State.

(c) *On duty in circumstances other than those in (a) and (b).*

He will retain the foreign allowance of his post and draw subsistence allowance.

(ii) *On Earned Leave.*

Wherever his leave may be taken and whatever the foreign allowance of his post may be, the unmarried officer's allowance will be subject to a reduction at the rate of 50 per cent. as from the date of departure on leave provided that this reduction shall not bring the amount of the foreign allowance below the minimum of his salary scale and that this reduction shall not be applied in respect of brief absences within a total of 14 days in one calendar year.

(iii) *On Sick Leave Outside the Country where Posted.*

The foreign allowance will be the same as that payable on earned leave (see (ii) above) except that as from the date of departure on sick leave it will be reduced by 25 per cent. for such period as the Secretary of State considers reasonable in the circumstances. At the end of such period the Secretary of State will exercise full discretion with regard to a further payment of foreign allowance.

Comment.

An unmarried officer on sick leave outside the country where he is posted, who is due to return to his post, may thus incur a double cut in his foreign allowance.

B.—*When the Officer is not returning to his Post.*

7. When the officer is married and takes his wife and family (if any) with him and is—

(i) *On Temporary Duty.*

(a) *In the United Kingdom.*

He will cease to receive his foreign allowance and receive a taxable allowance at the following annual rates:—

Grade 2	£
Grade 3	210
Grade 4	150
Grade 4	100
Grades 5 and 6	50

(b) *At another post.*

He will receive the foreign allowance of that post.

(ii) *On Earned Leave.*

He will receive the allowance described in paragraph 7 (i) (a) above.

(iii) *On Sick Leave in the United Kingdom.*

No allowance will be payable.

8. When an officer is married and leaves his wife and family (if any) at his post—

Such cases are likely to be rare and will be dealt with on their merits.

9. When the officer is unmarried and is—

(i) *On Temporary Duty.*

(a) *In the United Kingdom.*

He will cease to receive his foreign allowance and receive a taxable allowance at the following annual rates:—

Grade 2	£
Grade 3	100
Grade 4	70
Grade 4	50
Grades 5 and 6	Nil

(b) *At another post.*

He will receive the foreign allowance of that post.

(ii) *On Earned Leave.*

He will receive the allowance described in paragraph 9 (i) (a) above.

(iii) *On Sick Leave in the United Kingdom.*

No allowance will be payable.

10. An officer, married or unmarried, who is on sick leave in the country where he is posted will retain his foreign allowance in full for two months. Thereafter the foreign allowance will be reduced by 25 per cent. for such period as the Secretary of State considers reasonable in the circumstances.

11. When an officer of Branch B temporarily occupies a Branch A post at his own station he will (subject to the limitations in paragraphs 5, 6, 7, and 9 above) receive one-quarter of the foreign allowance of the absent Branch A officer, less an appropriate deduction in respect of any entertainment expenditure included in his own foreign allowances.

If, however, he is required to occupy a Branch A post at a station other than his own, he will receive the foreign allowance appropriate to the holder of that post less the difference in that part of their respective allowances which is related to expenditure in the United Kingdom.

12. When a Branch B officer acts as Chargé d'Affaires at a Diplomatic Mission during the absence of the Head of the Mission, he will draw, in addition to his own foreign allowance, an allowance at rates laid down from time to time to enable him to meet the additional cost of entertainment.

REGULATION No. 4.

HOME SERVICE ALLOWANCES.

1. Home Service allowances will be payable to members of Branch B of the Foreign Service appointed for duty at the Foreign Office after service abroad. They comprise three elements:—

(i) A transfer grant, payable to all officers on transfer from a post abroad to a post at home.

(ii) An annual rent and representation allowance (towards special expenditure on rent and representation necessarily arising in connexion with an officer's position as a member of the Foreign Service) payable to senior and married officers.

(iii) An annual education allowance (designed to assist officers to meet extra expenditure resulting from special conditions in the Foreign Service in connexion with the education of their children) payable to officers with children.

Transfer Grant.

2. This grant will be of an amount equivalent to one-tenth of the mean of the officer's salary scale.

Comment.

(1) This grant, which will not be liable to Income Tax, will be payable to members of Branch B of the Foreign Service on appointment for duty at home after service abroad.

(2) Where transfer is accompanied by promotion, this amount will be calculated on the new salary.

Rent and Representation Allowance.

3. This allowance will be payable to members of Branch B during service at home after duty abroad. The amount of the allowance will vary according to the officer's grade and according to whether he is married or single, as shown in the following table:—

	Married.	Single.
Grades 1 and 2	£ 210	£ 100
Grade 3	150	70
Grade 4	100	50
Grades 5 and 6	50	nil

Comment.

This allowance will be liable to Income Tax.

Education Allowance.

4. This allowance, up to a maximum of £100 for each child, will be payable in respect of the amount by which the cost of boarding school education exceeds a standard figure which is assumed to represent the average normal cost of bringing up and educating a child.

This allowance is not payable in respect of more than two children unless the Secretary of State at his discretion so decides.

Comment.

This allowance will be liable to Income Tax.

5. The period during which these allowances will be payable to any individual will be limited to a maximum of five years, before the expiry of which an officer may ordinarily expect to have again been posted abroad.

REGULATION No. 5.

LEAVE.

1.—Ordinary Leave.

1. Permission to take ordinary leave can only be granted subject to the exigencies of the Service.

2.—(a) Members of the Service can take the ordinary leave, for which they are eligible under this regulation, only with the permission:—

(i) in the case of persons serving at a post abroad, of the Secretary of State and, where applicable, of the Head of the post or of the superintending post or, in the case of superintending consular officers, of the Head of the Mission;

(ii) in the case of the Head of a Department in the Foreign Office, the Superintending Under-Secretary of State;

(iii) in the case of other officers serving in the United Kingdom, of the Head of the Department in which they are serving.

(b) Applications for leave from Heads of posts should state the name of the officer to be left in charge.

3. In calculating the number of days of ordinary leave to which an officer is eligible at any time:—

(a) Sundays, occurring during a period when leave is being taken, are counted;

(b) the remainder of the calendar year in which leave is taken may, if the officer so desires, be included in the computation;

(c) if an officer falls sick while on ordinary leave or during travelling time under paragraph 10 below and furnishes a medical certificate to that effect, the period of sickness will be regarded as sick leave.

4. All officers are eligible for the amount of ordinary leave prescribed in paragraph 5, the provisions of paragraphs 6 to 10 apply only to officers serving abroad.

5. Members of Branch B of the Foreign Service are eligible for ordinary leave on the following basis:—

Grade 4 and above: 42 days a year rising to 56 days after fifteen years in a grade carrying 42 days' leave.

Grade 5: 42 days a year.

Grade 6: 28 days a year.

Comment.

(1) In addition they may be eligible for further leave in respect of service in unhealthy posts (see paragraph 6 of this regulation).

(2) An officer in Grade 4 or above taking leave in respect of service of which only a part falls within the period during which he is eligible for 42 days' leave a year is eligible for leave at the rate of 42 days for that part and at the rate of 56 days for the remainder of the period.

Similarly an officer in Grade 5 taking leave in respect of a period part of which was served in Grade 6 shall be eligible for leave at the rate of 28 days a year in respect of that part of his service in Grade 6 and at the rate of 42 days a year for the remainder of the period.

6. Officers who are stationed at certain posts or in certain countries, which shall from time to time be specified by the Secretary of State with the approval of the Treasury as unhealthy for purposes of leave of absence, and who, at the expiration of their leave, return to the same post or any other of the specified posts, are eligible for additional ordinary leave at the rate of 14 days per annum, with a maximum accumulation of 28 days.

7. Subject to the limitations of paragraph 9 below, ordinary leave may be taken—

(a) in the country where the officer is serving or in another country;

(b) in one period during the calendar year covering all the leave for which the officer is eligible in that year;

(c) in more than one period during the calendar year;

(d) by accumulating the leave to which the officer is entitled (or any part thereof) over a period of more than one year.

Comment.

Officers passing through the United Kingdom on transfer will normally be required to take any leave for which they are then eligible.

8. Where an officer has spent sick leave in the United Kingdom, he should take any ordinary leave for which he is eligible at the time his sick leave terminates before he returns to his post abroad, unless the Secretary of State decides otherwise.

9. The following rules are applicable to accumulated leave:—

(a) No officer may accumulate leave in excess of the number of days shown below:—

Officers in Grade 4 and above with 15 years' service in a grade in which they were eligible for 42 days' leave a year (see paragraph 5)	196 days
Officers of Grade 5 or officers in Grade 4 and above with less than 15 years' service in a grade in which they were eligible for 42 days' leave a year	147 days
Officers in Grade 6	98 days

These limits of 196, 147 and 98 days respectively are increased by 28 days in the case of officers serving at the posts or in the countries referred to in paragraph 6 of this regulation.

(b) An officer who has accumulated ordinary leave must, unless the Secretary of State otherwise decides, on the next occasion when he is granted travelling time for the purpose of proceeding on leave, take all the accumulated leave to which he is then entitled.

(c) Save in exceptional circumstances and with the express permission of the Secretary of State, no leave may be accumulated in respect of service in the United Kingdom.

10. Travelling time (*i.e.*, the time actually occupied by the outward and return journey by an approved route between the country where the officer is serving and the country where he is taking his leave) is allowed on one occasion in respect of each calendar year in addition to the periods of ordinary leave under the previous paragraphs of this regulation with the proviso that travelling time thus allowed shall not exceed the time occupied by a journey to and from the United Kingdom by an approved route.

Comment.

For the conditions on which travelling allowances are granted, see Regulation No. 7.

II.—Sick Leave.

11. Unless otherwise stated, the following paragraphs of this regulation apply to members of the Service whether they are serving in the United Kingdom or abroad.

12. The grant of sick leave is subject in all cases to the Secretary of State being satisfied that the officer to whom it is granted has a reasonable prospect of recovery so as to enable him to return to his duties.

13. The grant of sick leave to any officer for a period exceeding four days is conditional on the production by the officer of a certificate by a duly qualified medical practitioner indicating the nature of the illness and the period estimated to be required for recovery. If the number of days during which any officer is absent on sick leave in any period of twelve months without such certificate shall exceed seven in the aggregate, the number of days of absence in excess of seven shall be deducted from the amount of ordinary leave allowable.

14. The permissions required for the grant of sick leave are the same as those described in paragraph 2 of this Regulation. In the case of officers serving abroad, no reference need be made to the Foreign Office for any period of sick leave not exceeding 14 days.

15. The Secretary of State may require further medical certificates or periodical medical certificates reporting progress where he considers it desirable.

16. Sick leave on full pay may, subject to the provision of a medical certificate showing that the officer is likely to be able to resume his duties within a reasonable period, be granted for a period or periods not exceeding six months in the aggregate during any period of twelve months. An officer who has had sick leave on full pay for the maximum period may be granted sick leave on half pay, subject always to a maximum of twelve months' sick leave (whether on whole or half pay and whether on the basis of a medical certificate or not) in any period of four years.

17. Where an officer has been granted the maximum amount of sick leave which can be granted on half pay, the grant of further sick leave will be conditional on the receipt by the Secretary of State of a reliable medical certificate showing that the officer is considered likely to be able to resume his duties within a reasonable period. If further sick leave is granted, the officer may be paid a salary at the rate not exceeding the amount of pension (if any) for which he would have been qualified if he had retired for reasons of health at the time when his period of sick leave expired (hereafter referred to as pension rate of pay); or on half pay if this would be less than pension rate of pay. If the officer is unable to furnish a medical certificate as described above the Secretary of State may, if he thinks fit, call on him to retire on grounds of ill-health.

Comment.

(1) Periods of sick leave in excess of twelve months during any period of four years will be excluded from service on which annual increments of salary, or for pension or retirement, are calculated.

(2) See paragraph 8 of this Regulation as to the taking of accrued ordinary leave at the end of sick leave in the case of an officer serving abroad.

(3) See paragraph 3 (c) of this Regulation as regards officers falling sick during their ordinary leave.

III.—Leave (General).

18. Every officer serving abroad must inform the Personnel Department, in advance if possible, of the date on which he intends to proceed on leave, and of the address to which he is going. Every subsequent change of address must be reported to that Department.

19. Every officer serving abroad must inform the Personnel Department in advance of the date on which he intends to leave the United Kingdom in order to return to his post from leave.

20. The actual dates of every officer's departure from his post abroad and on leave and of his return must be officially reported to the Foreign Office by telegram in the case of heads of posts and by despatch in other cases.

Comment.

(1) When circumstances permit, officers serving abroad will be expected to spend their ordinary leave in the United Kingdom in order that they may keep in touch with developments in this country.

(2) Where an officer while on leave is ordered to take a refresher course the period spent on such course is regarded as a period of duty and does not count against the officer's leave.

21. Every officer serving in the United Kingdom must, whenever absent from the Foreign Office for whatever reason, leave his address with his superior officer or must follow such other procedure in this connexion as may be indicated in the departmental instructions in force at the time.

REGULATION No. 6.

TRAVELLING ALLOWANCES.

1. Whenever an officer makes a journey on public service, the amount of the fares by rail, ship, aircraft or motor car, as the case may be, for the journey in question by the approved route will be payable to him.

Comment.

The "approved route" means the route approved for the particular journey in question. In many cases there is a standard route for journeys between different countries which will be the "approved route." An officer who makes the journey by a route other than the approved route (*e.g.*, travels by air or in his own car when the approved route is by rail, &c.) will not be able to claim more than the amount payable for a journey by the approved route. On the other hand, if the route which he takes is cheaper than the approved route he will not be able to claim more than the actual expenses incurred.

2. Journeys on the public Service include:—

(a) Any journey made by an officer serving at home or abroad for the purpose of attending an international conference or discussion or consultation, or of making a tour or visit, which the officer makes with the authority of the Secretary of State.

Comment.

The Secretary of State may delegate to the Head of a Diplomatic Mission authority to sanction journeys by members of the Service in the territories within his jurisdiction.

(b) Any journeys from the United Kingdom made by an officer to his post abroad on his appointment to such post.

(c) Any journey to his new post made by an officer on transfer from the place where the officer was previously serving or, if he was on leave at the time of transfer, from the place where he was spending his leave. If, however, the journey from the place where he was spending his leave is more expensive than the journey from his previous post, the officer will not be able to claim more than the amount payable in respect of a journey from the United Kingdom or from his previous post as the Secretary of State may decide.

3. Where the journey in the cases referred to in (b) and (c) of paragraph 2 above is made by an officer who is being moved at his own request before the completion of three years' service at his post or by an officer who is being moved on account of misconduct, the officer would not be entitled to be repaid the cost of his travelling expenses.

4. The amount of the fares by rail, ship, aircraft or motor car, as the case may be, by an approved route, will be payable to an officer serving abroad:—

(a) If he is proceeding from or returning to his post during ordinary leave, in the cases specified in paragraph 5 below.

(b) If he is proceeding from or returning to his post during sick leave, in the cases specified in paragraph 6 below.

(c) If he is retiring on pension and is proceeding from his post to his place of retirement. If the journey to the place of his retirement is a more expensive journey than a journey to the United Kingdom, the officer will not be entitled to claim more than would be payable in respect of the journey to the United Kingdom.

Comment.

An officer who retires in circumstances where he is not granted a pension (*i.e.*, at his own request or for misconduct) may not claim any travelling allowances on retirement.

5. An officer will only be entitled to receive the amount of fares in the cases referred to in paragraphs 4 (a) above (ordinary leave) after 30 months' consecutive service abroad or, in the case of officers serving at certain posts or in certain countries which are regarded as unhealthy for purposes of leave, after 18 months' consecutive service. Where leave is taken in a country other than the United Kingdom, the amounts payable in respect of fares will not usually be paid from public funds and will only be allowed if the Secretary of State decides that payment from public funds is warranted by the special circumstances of the case and, in any case, will not exceed those which would be payable in respect of a journey to or from the United Kingdom by an approved route. If, however, the amount of the fares to or from the place at which leave is being taken is less than the amount of the fares for a journey to the United Kingdom, the officer will not receive more than the amount of the fares for the journey actually taken.

6. In the cases referred to in paragraph 4 (b) above (sick leave), the Secretary of State may at his discretion allow the payment to the officer of the amount of the fares from his post to such place as the officer may proceed under medical advice on health grounds or for the purposes of undergoing treatment which is not available locally.

Comment.

The Secretary of State will require, before sanctioning the payment of the amount of fares under the above paragraph, the production of a certificate by a duly qualified medical practitioner that it is necessary for the officer to proceed to the place to which the journey is made on health grounds.

7.—(a) An officer who is making a journey in any of the cases referred to in (b) or (c) of paragraph 2 or in (a) or (c) of paragraph 4 above will be entitled to receive the amount of the fares by the approved route for members of his family, as defined in paragraph (b) below. In the cases referred to in (a) of paragraph 2 and (b) of paragraph 4 he will only be entitled to receive the amounts of the fares for any members of his family if the Secretary of State in any particular case so decides.

Comment.

(1) Families will be expected to travel together. Where the officer's family do not travel with him their expenses will not be paid unless the Secretary of State is satisfied that there was a good reason for separate journeys.

(2) Travelling expenses will be allowed for an officer's wife in cases under (a) of paragraph 2 only where the Secretary of State has been satisfied in advance that it was necessary or desirable for her to accompany the officer.

(3) Where, for the reason given in paragraph 3 and in the comment to paragraph 4, the officer is not entitled to receive the amount of the fares for himself, he will not be able to claim them for his family.

(b) The members of an officer's family referred to in (a) above are—

(i) his wife. If he is unmarried or a widower without children and occupies a post with representational duties, or a widower who has his children with him the Secretary of State may at

his discretion allow the payment to an officer of the fare of a sister or other relative. In no case will payment of expenses under the provisions of this paragraph be made to an officer living in a hotel;

(ii) sons who at the time of the commencement of the journey are under 16 years of age, or who, though 16 years of age or over, reside with and are dependent on their father by reason of physical or mental infirmity;

(iii) unmarried daughters residing with and dependent on their father;

(iv) sons up to the age of 18 years who are resident at their father's post abroad and are receiving full-time education at that post.

Comment.

Adopted or step-sons or daughters are included in the above enumeration.

8. The amount of the fares of the members of the family of an officer serving abroad who dies, leaving his family abroad, for a journey from the place where they are to the place to which they desire to go, will be paid at the request of his widow or other member of his family up to the amount of the fares from the officer's post to the United Kingdom.

9. If a member of the family of an officer serving abroad who is resident with the officer at his post is seriously ill and is required to proceed elsewhere on health grounds or for the purposes of treatment, the Secretary of State may, at his discretion, allow payment to the officer of the return fares of the sick person and (where necessary) another person travelling with the sick person, from the officer's post to such place as the sick person may proceed on medical advice.

Comment.

The comment to paragraph 6 above applies here.

10.—(a) An officer who is making a journey in any of the cases referred to in (b) or (c) of paragraph 2 or (a) or (c) of paragraph 4 above will be entitled to receive the amount of the fares by the approved route for servants (within the limits specified in paragraph (b) below). The Secretary of State may in special circumstances authorise the payment of the fares of a servant accompanying the officer in the cases referred to in (b) of paragraph 4 (provided no member of the family is also accompanying the officer) and (a) of paragraph 2 above.

(b) The maximum number of servants in respect of whom the amounts of fares may be paid are—

Married officers in Grade 4 and above: 2;
Unmarried officers of Grade 4 and above: 1.

Except that in the cases referred to in (a) of paragraph 4 (ordinary leave) the maximum number of servants for all officers is one.

Comment.

Comments (1) and (2) to paragraph 7 (a) above also apply to the case of servants.

11. Where an officer serving abroad dies, leaving at his post servants whom he had brought from the United Kingdom or elsewhere to his post and for whose return to their homes he had made himself responsible, the amount of the fares for such servants (within the limits of (b) above) for a journey from his post to their homes will be paid on request up to the amount of the fares to the United Kingdom.

12.—(i) Where the amounts of fares are payable under the previous paragraphs of this Regulation, these fares will be (a) in the case of an officer of Grade 4 or above or members of his family, first-class fares, including sleeping berths, where necessary, for a land journey, (b) in the case of an officer of Grades 5 and 6 or members of his family third class in the United Kingdom and second class elsewhere whether by sea or land, including sleeping berths, where necessary for a land journey, (c) in the case of servants, third-class fares in the United Kingdom and second-class fares elsewhere.

(ii) Where, however, the servant is a nurse or governess travelling with the child or children of 10 years of age or under of an officer in Grade 5 or above a first-class fare will be paid. (This does not apply to a journey or part of a journey by land where (a) there is only one such child, or (b) first-class sleeping accommodation is obtainable on payment of a supplement to a second-class fare, in which case this supplement will be payable.)

(iii) First-class fares will, however, be payable in respect of officers and servants in cases where no second-class accommodation is available, or, in exceptional cases abroad, where the Secretary of State is satisfied that second-class accommodation is unsuitable for Europeans.

13.—(a) Wherever the amount of fares is payable under the preceding paragraphs of this regulation (except in the case of journeys on ordinary and sick leave) a subsistence allowance will be granted to meet the expenses of food and sleeping accommodation where these are not included in the fare. The subsistence allowance or a proportion thereof—see (b) below—will be at the rate in force at the time for the countries traversed by an approved route, or for journeys by sea.

(b) Full subsistence allowance will be payable in respect of the officer himself, three-quarters of the full allowance for his wife, one-half of the full allowance for every other member of his family above the age of 12 months, and three-eighths of the full allowance for servants.

(c) Where some, but not all, of the items for which subsistence allowance is granted are provided under the fare, the subsistence allowance will be proportionately reduced.

Comment.

(1) Subsistence allowances are payable only for children and servants in respect of whom fares can be claimed under paragraphs 7 (b) and 10 (b) of this regulation. Where the expenses of a sleeping berth on a long journey are paid, only two-thirds of the subsistence allowance to meet the cost of food will be granted.

(2) Subsistence allowances are payable only where the expenses of the journey are met from public funds. If, however, no fare is payable (e.g., a journey on one of His Majesty's ships) and the officer has to pay for his board or if the fare payable does not include board, then a subsistence allowance is payable. Subsistence allowances are therefore payable, *inter alia*, in cases covered by paragraphs 8 and 11 but not in cases covered by paragraph 3 or when the officer retires in circumstances when he is not granted a pension (i.e., at his own request or for misconduct).

(3) See the comment to paragraph 2 above.

(4) See also Regulation 7, paragraph 3, regarding payment of subsistence allowances to an officer in certain circumstances after arrival at his post.

14. Necessary expenses (such as taxi fares, fees for registration of luggage, portage, &c.) incidental to the journey in respect of which the amount of the fare is payable under the preceding paragraphs of this regulation will be payable to the officer on his application.

Comment.

(1) Only incidental expenses which are reasonably necessary will be payable under this paragraph and the officer will be required to certify that the expenses which he claims were necessarily incurred.

(2) The comment to paragraph 2 above and comment (1) and (3) to paragraph 7 above apply to claims to these expenses.

15. Where an officer is proceeding to his post on transfer or on first appointment abroad or leaving his post on retirement on pension or on an appointment to the United Kingdom, or when an officer dies while serving abroad, the cost of transporting his personal effects by an approved route and method of transport will be allowed up to such amount as the Secretary of State may consider to be reasonable, except in the circumstances indicated in paragraph 3 or when the officer retires in circumstances where he is not granted a pension (i.e., at his own request or for misconduct).

Comment.

(1) This paragraph applies to heavy luggage containing personal effects as opposed to ordinary travelling luggage, which goes under paragraph 14 above, and the furniture which is dealt with in paragraph 16 below. It includes such things as clothes, household linen, books and small articles of decoration. The cost of transporting heavy articles such as pianos, radiograms and large gramophones would not be allowed under this head. As regards the transport of motor cars, see paragraph 19.

(2) Comments (1) and (3) to paragraph 7 above also apply here.

16.—(a) Where an officer is appointed or transferred to a post and has been authorised by the Secretary of State to rent unfurnished accommodation, the cost of transporting the officer's own furniture by an approved route and method of transport to his post will be allowed, but only within the following limits:—

(i) In the case of married and unmarried officers of Grade 6 and unmarried officers of Grade 5, up to 2 tons or 400 cubic feet or 12 cubic metres.

(ii) In the case of unmarried officers of Grade 4 or above or married officers of Grade 5, up to 4 tons or 800 cubic feet or 23 cubic metres.

(iii) In the case of married officers of Grade 4 and above, up to 7 tons or 1,400 cubic feet or 40 cubic metres.

Comment.

(1) The limits specified in (iii) above are the equivalent of about three van loads.

(2) In order to ensure that claims for the cost of transporting furniture are as low as possible, officers should, whenever possible, obtain three competitive tenders for transport, including insurance of the risk against damage in transport.

(b) Where an officer is allowed the cost of transporting his furniture under (a) above but cannot immediately find suitable unfurnished accommodation at his new post, he will be allowed storage charges for furniture up to the limits specified in (a) above, for a reasonable period.

Comment.

The storage under (b) may be at his new post or his old post. The period allowed will not ordinarily exceed three months.

(c) Where an officer has been given a rent allowance for furnished accommodation or where his official residence, though furnished, has not been completely equipped, he will be allowed the cost of transporting by an approved route and method of transport any essential articles of furniture which are not included in the furniture provided.

(d) Where an officer is leaving his post on retirement on pension or on appointment to the United Kingdom, or when an officer serving abroad dies, the cost of transporting his furniture to the United Kingdom or place of retirement by an approved route and method of transport will be allowed up to the limits as to quantity specified in (a) above, and up to the limits as to cost of the transport to London.

(e) Where the officer is being moved in the circumstances indicated in paragraph 3 and in the comment to paragraph 4, no allowances can be claimed under this paragraph.

17. Where an officer serving abroad is, at the time of his transfer to a new appointment, in possession of furniture at his old post and is not granted an allowance for transferring his furniture to his new post under paragraph 16 (a) above, the officer will, at his option, be allowed (unless the transfer is made in the circumstances indicated in paragraph 3 or in the comment to paragraph 4) either the cost of removing the furniture to London up to the limits of the quantity of furniture specified in 16 (a), or the cost (up to the limits as to cost of the transport of the furniture to London) of storing the furniture up to these limits as to quantity.

Comment.

If the officer is subsequently transferred to another post abroad in circumstances where he may be allowed the cost of removing his furniture to this post, he is then eligible to apply for the cost of removing his furniture under paragraph 16 (a) from London or the place abroad where he stored it, as the case may be. If he retires on pension or dies and his furniture has been stored abroad under paragraph 17, application may be made for the cost of removing his furniture to London under paragraph 16 (d).

18.—(a) Where an allowance is granted for the purpose of removing furniture under paragraphs 16 (a) or (d) or 17, or of removing essential articles of furniture under paragraph 16 (c) or of removing heavy luggage under paragraph 15, the reasonable cost of insuring during transit will also be allowed up to the limits specified in (b) below.

Comment.

Only the premium to cover the additional risks on removal will be allowed. No allowance for insurance will be given in so far as the risk is covered by the contract of removal and therefore covered by the allowances for removal.

(b) The limits referred to in (a) of this paragraph are—

(i) Where an allowance for the removal of furniture has been given under paragraph 16 (a). The total value of all insured property shall not exceed—

£	
In the case of married officers of Grades I to 4	2,000
In the case of unmarried officers of Grades I to 4	1,500
In the case of other married officers ...	1,000
In the case of other unmarried officers... ..	500

(ii) Where an allowance for the removal of essential articles of furniture has been given under paragraph 16 (c). The total value of all insured property shall not exceed—

£	
In the case of married officers of Grades I to 4	1,500
In the case of unmarried officers of Grades I to 4	1,200
In the case of other married officers ...	750
In the case of other unmarried officers... ..	400

(iii) Where an allowance for the removal of personal effects only has been given under paragraph 15. The total value of all insured property shall not exceed—

£	
In the case of married officers of Grades I to 4	1,000
In the case of unmarried officers of Grades I to 4	700
In the case of other married officers ...	350
In the case of other unmarried officers... ..	200

19. Where an officer of Grade 4 and upwards is appointed or transferred to a post at which it is necessary for the proper execution of his duties that he should have his own private motor car and where the Secretary of State is satisfied that it is not possible for the officer to purchase a car locally on reasonable conditions, the cost of transporting a car from the United Kingdom or from his previous post by an approved route and method of transport will be allowed.

Comment.

The motor car need not be included within the limits as regards weight and cubic capacity specified in paragraph 16 above.

REGULATION No. 7.

RENT ALLOWANCES.

1. An officer serving abroad at a post at which a furnished residence is not provided will receive a rent allowance sufficient, in the opinion of the Secretary of State, to enable him to defray the cost of renting suitable furnished accommodation, excluding services and other tenant's charges. Alternatively, in special cases approved by the Secretary of State, an officer may be provided with a rent allowance sufficient to enable him to defray the cost of renting suitable unfurnished accommodation, excluding services and other tenant's charges, in which cases, under the provisions and within the limits of paragraph 16 (a) of Regulation No. 6, he is entitled to claim the cost of transporting his own furniture to his post.

Comment.

The Ministry of Works Regulations regarding Government property will apply in all cases where Government furniture is provided. No charge will be made for the use of Government furniture.

2. The rent allowance becomes payable from the date when an officer arrives at his post unless he is granted a subsistence allowance, in which case it becomes payable when this allowance terminates. Subject to paragraph 4 below, rent allowance ceases to be payable on the day on which the officer leaves his post on termination of his appointment.

3. An officer who is unable to find suitable accommodation immediately on arrival at his new post may be allowed in lieu of foreign and rent allowances to claim, for a period not normally exceeding 28 days, subsistence allowance at the rates specified in paragraph 13 of Regulation No. 6, for himself and for each member of his family (including servants) for whom fares are payable from public funds.

4. Where an officer who has been granted a rent allowance is transferred to another post otherwise

than at his own request and can show that he has been unable to dispose of the lease of his residence, he will be allowed to claim, as compensation for the rent for which he is liable, a sum which shall not exceed the rent allowance previously granted to him, for a period which will be determined by the Secretary of State but which will not exceed three months except in special cases.

5. An officer who has been granted a rent allowance shall not receive that allowance during the periods of authorised absence unless the Secretary of State is satisfied that he has not been able to sub-let.

Comment.

Officers who rent accommodation must furnish a certificate from the Head of the Diplomatic Mission or the Superintending consular officer—as the case may be—that they have made the most economical arrangements consistent with their rank and requirements. They must themselves defray any additional expenditure which may be caused by maintaining larger or more expensive establishments than are necessary. They must also endeavour to obtain a clause (known as a "diplomatic clause") in the lease enabling them to terminate it at short notice in the event of transfer before its expiry.

REGULATION No. 8.

LANGUAGE ALLOWANCE.

1. A language allowance of £30 a year will be payable to any officer of Branch B of the Foreign Service who is certified by the Civil Service Commissioners to have passed an examination in and to possess a competent knowledge (colloquial or otherwise) for ordinary purposes of the language (other than English) in current use in the country in which the officer holds a post.

2. This allowance may be increased to £60 per annum to any officer who is certified to possess a competent knowledge (colloquial or otherwise) for ordinary purposes of the following languages and who occupies a post in the country where the language in which he is proficient is in current use:—

Amharic.	Finnish.	Polish.
Arabic.	Hungarian.	Russian.
Bulgarian.	Japanese.	Serbo-Croatian.
Chinese.	Modern Greek.	Siamese.
Czechoslovak.	Persian.	Turkish.

Comment.

(1) Language allowances are subject to income tax.

(2) Members of Branch B of the Foreign Service will be expected, wherever possible, to learn the language of the country in which they are posted.

(3) Candidates for any of the allowances specified in this Regulation will normally be required to pay their own teacher's fees.

(4) No more than one such allowance will be payable under the provisions of this Regulation at any one time.

(5) An officer of the rank of Grade 5A or 6 employed in the Foreign Office in a post where a knowledge of French has been shown to be necessary may be paid an allowance of £30 per annum provided he is certified by the Civil Service Commission to have passed an examination in and to possess a competent knowledge of French.

REGULATION No. 9.

TRANSFERS AND PROMOTIONS.

1. In regard to all appointments whatever in the Service, the Secretary of State will be free to make any such selection as, on his own responsibility, he may deem right without being bound by claims founded on seniority or on membership of the Service.

Comments.

(1) The Secretary of State is not bound by the recommendations referred to in paragraphs 3 and 4 below.

(2) In accordance with Article 5 (3) of the Foreign Service Order in Council, 1943, the secondment or appointment of Foreign Service officers to posts outside the Foreign Service will not be excluded when it can be shown to be useful to the public service.

2. All members of the Service, whether married or unmarried, must be prepared to go to any post at which their services may be required.

Comment.

When appointments and transfers are made account will be taken, so far as possible, of the circumstances and wishes of the individual; members of the Service will, however, be expected to regard an intimation that they are to be transferred to a certain post as an order and not as a request.

3. Recommendations for promotions to Grades 1, 2, 3 and 4 and for transfers within Grades 1, 2 and 3 will be made to the Under-Secretary of State responsible for administration.

Comment.

The Promotions Board will be convened by the Under-Secretary of State responsible for administration as and when he considers it desirable.

The Board will normally sit under the Chairmanship of the Head of Personnel Department and will consist of: one or more members of Personnel Department, the Head of Establishment and Organisation Department or his Deputy. One or more of the Foreign Service Inspectors, if available, with power to co-opt additional members as desired.

In the case of appointments and transfers to posts within the Foreign Office the Heads of Departments concerned may be represented on the Board.

4. Recommendations for promotions to Grades 5 and 5A will be made by Personnel Department in consultation with the Establishment Department, Inspectors of Foreign Service posts and, in the case of appointments to posts within the Foreign Office, the Heads of the Departments concerned. Recommendations will be subject to the approval of the Head of Personnel Department.

5. Transfers within Grades 4, 5, 5A and 6 will be made by the Personnel Department in consultation with the Establishment Department and the Foreign Service Inspectors.

REGULATION No. 10.

DISCIPLINARY QUESTIONS.

1.—(i) This Regulation applies to all cases where a member of Branch B of the Service is accused of a disciplinary offence. It does not apply to cases where an officer is merely admonished.

(ii) (a) In this Regulation the expression "disciplinary offence" means conduct by a member of the Service prejudicial to the interests of the Service or unbecoming the position which he holds in the Service, or disobedience of official instructions of such a character that a warning or a reprimand with or without a transfer to another post may be an appropriate penalty.

(b) In this Regulation a "grave disciplinary offence" means a disciplinary offence which, in the opinion of the Secretary of State, is of so serious a character that dismissal from the Service or a reduction in rank or a loss of seniority may be an appropriate penalty.

Comment to paragraph 1 (ii) (a) and (b).

It is not possible or desirable to attempt to lay down rules which determine in all circumstances what conduct constitutes a disciplinary offence or a grave disciplinary offence nor the penalty that would be appropriate. There are certain courses of conduct which are reprehensible whatever the rank of the member; in other cases conduct may be reprehensible if the member holds a high post, but less serious when the member is of junior status. There are also courses of conduct which may most appropriately be dealt with by the Head of the Post at which the officer is serving or by the Head of the Personnel Department direct. The Report of 25th February, 1928, of a Board of Enquiry appointed to investigate certain statements affecting civil servants (Command 3037) are still fully applicable to members of the Foreign Service as a useful guide to their conduct.

(c) "Promotions Board" means either the whole Board or a committee of the Board selected by the Under-Secretary of State responsible for Administration.

(d) Any reference to a person holding any office includes a person who is, with the authority of the Secretary of State, temporarily acting for the holder of that office.

2. The expression "official superior" means in the case of—

(i) a member of the staff of a Diplomatic Mission abroad, the Head of that Mission or a

Foreign Service Inspector or, in the case of an officer in charge of a Mission, a Foreign Service Inspector or a person charged by the Secretary of State to investigate the matter;

(ii) a member of the staff of a Consulate, the senior Consular Officer of the district or a Foreign Service Inspector or, in the case of the senior Consular Officer of the district, the Head of the Diplomatic Mission of the country in which the Consulate is situated (if any) or a Foreign Service Inspector;

(iii) a person working in the Foreign Office, the Head of the Department concerned or, where the person concerned is himself the Head of a Department, the superintending Under-Secretary of State for that Department.

3. The Secretary of State may suspend a member of the Foreign Service from duty if the question whether he has been guilty of a disciplinary offence is raised and the Secretary of State considers that his suspension is desirable until the question has been investigated and a decision reached. Unless the Secretary of State shall determine otherwise, the remuneration of an officer suspended from duty will cease from the date of his suspension. In the event of his reinstatement, it may, however, be restored wholly or in part should the Secretary of State so determine.

4. Complaints of disciplinary offences by a member of the Service shall be made by the official superior in a letter addressed to the Under-Secretary of State responsible for Administration setting out the full facts of the case with any comments or explanations which the official superior feels it necessary to make. A copy of this letter shall be communicated to the person complained of either by the official superior or, if he has not done so, by the Under-Secretary of State.

5. The member of the Service complained of may present his defence to the complaint made against him in a letter addressed to the Under-Secretary of State responsible for Administration. The latter may refer this letter to the official superior for his comments, and any comments received in reply from the official superior will be communicated to the person complained of in order that he may have an opportunity of making any further reply which he may think necessary.

6. It is not desirable that the official superior should address any other communications about the case to the Under-Secretary of State responsible for Administration or to any other person, but should he do so, they will be treated in accordance with the procedure laid down in paragraph 4 above.

7. If the disciplinary offence is an ordinary disciplinary offence and the person complained of does not dispute the facts, the decision as to the penalty to be imposed may be taken by the Under-Secretary of State responsible for Administration and communicated by him or by the Head of the Personnel Department to the person concerned. If the person complained of disputes the facts alleged against him or wishes to appeal against the penalty, the case shall be referred to a committee of the Promotions Board on which a legal adviser of the Foreign Office shall sit if the Secretary of State so directs or if the person complained of so requests. In this event the Board shall furnish to the Secretary of State in writing its opinion on the facts and as to what, if any, offence is proved (if the facts are in dispute), and its advice upon the penalty.

8.—(i) If the disciplinary offence is a grave disciplinary offence, and the person complained of does not dispute the facts alleged against him, the case shall be sent to the Promotions Board to express their advice as to the penalty. This advice shall be furnished to the Secretary of State in writing.

(ii) If the person complained of disputes the facts alleged against him, his case shall be heard by a committee of the Promotions Board and the Board shall furnish to the Secretary of State in writing its opinion as to the facts and what offence (if any) is proved and its advice as to the penalty. In either case the decision of the Secretary of State shall be communicated to the person concerned by the Under-Secretary of State responsible for Administration.

9. When any disciplinary offence is referred for consideration to the Promotions Board, all the

letters relating to the offence referred to in paragraphs 4, 5 and 6 above shall be laid before the Board. The Board may summon any witnesses whom it considers it desirable to hear, and the accused person shall have a right to be heard and subject to the consent of the Board to bring any witnesses whom he may desire. The accused person shall have the right to be present, when all other witnesses are giving evidence.

10. The decision as to the penalty shall in all cases remain vested in the Secretary of State after he has considered the report and advice of the Board.

REGULATION No. II.

Overtime is payable at home to officers in Grades 5 and 5A in respect of duty in excess of 46 hours per week and to officers in Grade 6 in respect of duty in excess of 42 hours per week. At posts abroad no overtime is payable.

Comment.

In the Foreign Office the normal working week is 42 hours including lunch and tea intervals but not including time occupied in travelling to and from the place of work.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz. :—

REGULATIONS FOR FILLING VACANCIES FOR SENIOR RESEARCH OFFICER, RESEARCH OFFICERS, ASSISTANT RESEARCH OFFICERS AND RESEARCH ASSISTANTS IN THE MINISTRY OF TOWN AND COUNTRY PLANNING.

1. Both men and women may compete under these Regulations.

2. Candidates for the posts of Senior Research Officer and Research Officer must be at least 30 and under 49 on the 1st August, 1947; for the posts of Assistant Research Officer at least 28 and under 40 on the 1st August, 1947; and for the posts of Research Assistant at least 21 and under 30 on the 1st August, 1947.

3. Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either (i) have at least one parent who is or was at death a British subject; or (ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment;

(b) If naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment;

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Candidates must possess a University Degree in Geography, Economics, Geology, or a kindred subject, with at least Second Class Honours or equivalent. In addition, candidates for the posts of Senior Research Officer, Research Officer, and Assistant Research Officer must have a general background of knowledge and research experience on subjects such as population, regional and economic geography, housing, communications and services, and natural resources.

5. (i) Every candidate must satisfy the Commissioners as to health and character before appointment.

(ii) The Commissioners reserve the right to give such preference to disabled persons or to particular classes of disabled persons as may be necessary in order to give effect to any general policy regarding the employment of such persons which may be adopted by His Majesty's Government, provided that the disability is not of a nature to interfere with the discharge of the duties required.

6. No person undergoing a course of study with the aid of a grant from public funds shall be eligible to compete before the completion of the course, unless he or she has previously obtained permission to do so from the authority which administers the grant.

7. Every candidate must apply on the appropriate form within the time and in the manner of which notice is given by the Commissioners. The candidate will be required to state on the application form for which particular grade or grades he or she wishes to be considered.

8. Candidates will be summoned to an interview before a Selection Board which will recommend to the Commissioners for appointment those candidates who appear to be most suitable. The Commissioners may, if they see fit, summon only those whose qualifications and experience are considered to be specially suitable. The Board will take into consideration the candidate's record of experience and education, with due regard to loss of opportunity of those who have served in the Forces, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above facts will frame their recommendations. The Selection Board will recommend for appointment to a particular grade those candidates who are eligible for more than one grade. The decision of the Commissioners will be final.

9. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

10. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as references to be named by them in their application forms, will disqualify them for appointment. The Interviewing Board will disregard recommendations from persons who are not personally acquainted with the candidate's work, whether at School, at the University, in the Forces or otherwise.

11. Every successful candidate will be required to pay a certification fee of £1.

TOWN AND COUNTRY PLANNING ACT, 1944

CITY OF PORTSMOUTH (COMMERCIAL ROAD) COMPULSORY PURCHASE ORDER, 1947.

NOTICE is hereby given that the Lord Mayor Aldermen and citizens of the City of Portsmouth acting by the Council in pursuance of their powers under Section 2 (2) of the Town and Country Planning Act, 1944, on the 15th day of May, 1947, made an Order, which has been submitted for confirmation by the Minister of Town and Country Planning, authorising them to purchase compulsorily for the purposes of dealing satisfactorily with an area of extensive war damage the lands described in the Schedule hereto, and directing that the provisions of the Act relating to expedited completion of purchase shall apply hereto.

A copy of the Order, and of the map referred to therein, have been deposited at the City Council Chambers, 1, Clarence Parade, Southsea, and will be open for inspection without payment of fee between the hours of 9.30 a.m. and 5.30 p.m.

Where the Minister confirms the Order, he may, if he is satisfied that it is requisite so to do, confirm the Order with a Direction that the provisions of the Act relating to expedited completion of purchases shall apply to the said land.

Where the confirmed Order contains such a Direction the following provisions will operate:—

(a) The Lands Clauses Acts and the Acquisition of Land (Assessment of Compensation) Act, 1919, as amended and applied by the Town and Country Planning Act, 1944, will have effect as if a notice to treat such as is mentioned in Section 18 of the Lands Clauses Consolidation Act, 1845, had been served on every person on whom the Council could, under the terms of that Section, have served such a notice, namely, all persons interested in the said lands; all persons enabled by the Land Clauses Acts to sell and convey or release any of the said lands; or such of the above persons as would after diligent enquiry be known to the Council, and the date on which such notice to treat will be deemed to have been served will be the date on which the Order is registered in the Register of Local Land Charges kept in respect of the area in which the lands are situated. Such notice to treat will not be deemed to have been served on any person in respect of an interest which is a tenancy for a year, or from year to year, or a less interest.

(b) The Lord Mayor Aldermen and Citizens of the City of Portsmouth acting by the Council may, at any time after the expiration of two months from the date of first publication of the notice of confirmation of the Order and subject to the said tenancies, execute a Declaration.

(i) of their intention to enter on the whole or part of the lands to which the Order relates and take possession thereof at the expiration of a period specified in such declaration, not being less than fourteen days from the completion of the service of a notice to that effect on occupiers, and on persons entitled to claim compensation who have given information to the Council of the nature of the land in respect of which they are entitled to claim compensation and of their interest therein, and

(ii) that the lands will vest in the Council at the expiration of the period specified in such declaration.

Any objection to the Order must be made in writing stating the grounds of the objection, and addressed to the Minister of Town and Country Planning, 32, St. James's Square, London, S.W.1, before the Twenty-first day of July, 1947.

The Minister is not, in all cases, required to arrange for objections to be heard by a person appointed by him for that purpose. It is important, therefore, that an objection should include a full statement in writing of the grounds on which the objection is made as the objector may have no further opportunity to make such a statement.

Any owner or occupier of any land to which the Order relates may send to the Lord Mayor Aldermen and Citizens of the City of Portsmouth at the address below, a request in writing to serve him with a notice that the Order has been confirmed, and naming a place where a copy of the Order and of the map and of any descriptive matter annexed thereto, may be seen. Such request should contain a statement of the name, postal address and the interest in the land of the owner or occupier, and particulars sufficient to enable the local planning or highway authority to identify the extent and boundaries of the land.
