The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS FOR THE RECRUITMENT OF ASSISTANT KEEPERS, GRADE II, IN THE NATIONAL GALLERY.

1. (i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

2. Candidates must be at least 22 and under 26 years of age on a date to be fixed in respect of the competition in which they are to take part. But

(a) a candidate who has served or is serving on a regular (including a regular short service) engagement in H.M. Forces may deduct the period of such service from his actual age;

(b) a candidate who has served or is serving voluntarily in H.M. Forces otherwise than on a regular or short service engagement or who has performed or is performing compulsory national service under the National Service Acts may deduct the period of such service from his actual age, up to a maximum of two years;

(c) candidates who have served in any established post to which they were admitted with the Certificate of the Civil Service Commissioners, or who have served on established conditions except for sick leave and pension in a post to which such a Certificate would normally apply, may deduct from their actual age any time not exceeding two years which they may have spent in such service.

3. Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment;

(b) If naturalised British subjects they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment;

4. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate Central Education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Civil Service Commissioners.

5. Candidates must have made a special study of art history and should be able to read not less than two modern foreign languages, preferably Italian or French, and German. A University honours degree is an advantage.

6. Those candidates who from their applications seem to have the best qualifications and experience will be summoned to interview before a Selection Board consisting of representatives of the National Gallery and of the Civil Service Commissioners which will recommend for the vacancies existing those candidates who appear to them to be most suitable. The Selection Board will take into consideration the candidates' records of experience and education, any recommendations that they may receive from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at this interview; and on their estimation of all the above evidence they will frame their decisions. The decision of the Commissioners will be final.

7. Any attempt on the part of candidates to enlist support for their applications through Members of

Parliament or other influential persons (except as referees to be named by them in their application form) will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidate's work.

8. The appointment of a selected candidate will be subject to his satisfying the Commissioners as to his eligibility in respect of age, nationality, health and character.

9. A successful candidate will be required to pay a fee of £1 before the issue of the certificate of qualification for appointment.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Admiralty, Air Ministry or Ministry of Supply unless he or she is a natural-born British subject and born within the United

Kingdom or in one of the self-governing Dominions, of parents also born within the United Kingdom or in one of the self-governing Dominions, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted to appointment or competition by special permission of the First Lord of the Admiralty, Secretary of State for Air or Minister of Supply, as the case may be.

4. *Qualifications. General Service Class Competition.* (i) The minimum qualifications must include either

(a) Corporate Membership of one of the following: the Institution of Civil Engineers, the Institution of Mechanical Engineers, the Institution of Electrical Engineers; or

Candidates who are taking the necessary examinations before 1st August, 1949, will be admitted provided that appointments will be made only if the examination qualifications are obtained during 1949.

Candidates qualified under (b) above will be recruited subject to their securing the qualification under (a) above before completion of probationary service.

(ii) In addition all candidates must produce evidence that both the examination subjects included in their qualification (see (i) (a) and (b) above) and their practical experience are appropriate to the particular requirements specified below.

They should have experience in design, construction and maintenance of mechanical and electrical plant and installations as required in large buildings or groups of buildings that go to make up an Institution.

Ministry of Transport. Candidates for mechanical posts should have completed a recognised course of theoretical and technical training in mechanical and automobile engineering and have experience of road vehicle design and construction. For electrical posts candidates should be experienced in the preparation of specifications and in investigating the performance of equipment. In addition a knowledge of testing in relation to electrical work is required.

In addition, candidates must have received a full and proper training as a mechanical and/or electrical engineer and will be required to state on their application forms the nature of any particular engineering experience they have gained. Training must include an engineering apprenticeship or pupilage including a minimum period of two years in the workshops of an establishment of good standing.

5. *Health and Character.* Successful candidates must satisfy the Commissioners as to their health and character.

6. *Application.* Application must be made on the appropriate form within the time and in the manner of which notice is given by the Commissioners.

7. *Competition.* Those candidates who on the evidence of their Application Forms, and any further information which the Commissioners think necessary to obtain, are found to be *prima facie* eligible, will be summoned to a Selection Board. Except that the Commissioners may, if they see fit, summon only those candidates who by reason of their experience and qualifications, appear to be most suitable for appointment. The same Selection Board may consider a candidate at one interview for one or more of the competitions. The Selection Boards will take into consideration the candidate's record of experience and training, any recommendation from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimate of all the above facts they will frame their recommendations. The decisions of the Commissioners will be final and will be announced separately for the separate competitions.

8. *Candidates trained as Teachers.* Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

9. *Assignment. General Service Class Competition only.* The Commissioners will decide to which Department each successful candidate is to be assigned. Assignment will be made in accordance with the needs of the public service but the wishes of candidates will, where possible, be respected.

10. *Canvassing.* Any attempt on the part of candidates to enlist support for their application through Members of Parliament or other influential persons, except as referees to be named in their Application Forms, will disqualify them for appointment.

11. *Fee.* A successful candidate will be required to pay a fee of £1 before the issue of a Certificate of Qualification for appointment.
