Air Ministry, 29th August, 1950.

The KING has been graciously pleased to approve the following award:—

Military Medal

3960 Corporal Saleh Haiderah YAFAI, Royal Air Force, Aden Protectorate Levies.

On the 14th May, 1950, a small airfield reconnaissance party comprising 4 British Officers and 20 Arabs was returning to Aden from Azzan when it was ambushed at a cleverly sited road block in the pass. The enemy, numbering between two and three hundred, in addition to covering the road block, commanded the heights from well concealed positions on either side of the route for about 400 yards. Corporal YAFAI was the non-commissioned officer in charge of the Section acting as escort to the party who, when fire was opened simultaneously from the front and both flanks, quickly took up positions and returned the enemy fire which was intense and accurate. The remainder of the party left their vehicles and took cover, but it soon became apparent that withdrawal offered the only possible hope of survival and, under cover of the escort's fire, the five vehicles were turned, being repeatedly hit during this difficult process. At this point the intensity of the enemy's fire reached its peak. With the greatest coolness and despite the fact that one of his men had been killed, and he himself had been wounded in the thigh, Corporal YAFAI, continued with controlled fire, to engage the enemy until the vehicles were well on the move. Corporal YAFAI'S cool and competent handling of his Section was up to the highest traditions of the Service and his outstanding leadership and resourceful covering of the withdrawing party were largely instrumental in averting the complete disaster which would have otherwise overtaken it.

Civil Service Commission.

29th August, 1950.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

The decision of the Civil Service Commissioners will be final.
