Civil Service Commission, 30th September, 1952.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

REGULATIONS FOR THE RECRUITMENT OF ELECTRICAL ENGINEERS AND ASSISTANT ELECTRICAL ENGINEERS IN THE ADMIRALTY.

1. *Sex.*

Men only may compete under these Regulations.

2. *Age.*

Candidates for Electrical Engineer posts must have been born on or before 1st October, 1922. Candidates for Assistant Electrical Engineer posts must have been born on or before 1st October, 1927. As a reasonable period of service is expected from persons appointed to the Civil Service, the Commissioners reserve the right to give weight to this factor in considering candidates who are nearing 60 years of age.

3. *Nationality.*

No person is eligible for employment in the Admiralty who is not a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions.

No departure from this rule will be made without the special permission of the First Lord of the Admiralty, and then only in exceptional cases and in

favour of candidates who are British subjects and who also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. *Qualifications and experience.*

I. The minimum qualifications must include

(a) A University Honours Degree in Engineering or equivalent qualification; and

(b) A minimum of two years practical training followed by practical experience in a responsible electrical engineering post of three years for Assistant Electrical Engineer posts and eight years for Electrical Engineer posts or such other experience as the Commissioners consider equivalent.

II. Special experience in any of the following will be regarded as of particular value:—

Electrical engineering design and manufacture;
Generating stations and distributing systems;
Electronic engineering and its applications;
Electrical installations as applied to ships;
Research, investigation and experiment.

It will be a condition of appointment that candidates who are not Corporate Members of the Institution of Electrical Engineers must obtain the qualification during the probationary period.

5. *Health and character.*

Successful candidates must satisfy the Commissioners as to their health and character.

6. *Competition.*

Those candidates who on the evidence of their Application Forms, and any further information which the Commissioners think necessary to obtain, are found to be *prima facie* eligible, will be summoned to a Selection Board, except that the Commissioners may, if they see fit, summon only those candidates who by reason of their experience and qualifications, appear to be most suitable for appointment. The Selection Board will take into consideration the candidates' record of experience and training, any recommendation from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimate of all the above facts they will frame their recommendations. The decision of the Commissioners will be final.

7. *Candidates trained as Teachers.*

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. *Canvassing.*

Any attempt on the part of candidates to enlist support for their application through Members of Parliament or other influential persons, except as referees to be named in their Application Forms, will disqualify them for appointment.

9. *Fee.*

A successful candidate will be required to pay a fee of £4 before the issue of a Certificate of Qualification for appointment.
