#### Civil Service Commission.

10th May, 1957.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

#### REGULATIONS FOR THE RECRUITMENT OF (1) CARTOGRAPHICAL DRAUGHTSMEN IN CERTAIN GOVERNMENT DEPARTMENTS, (2) CARTOGRAPHICAL DRAUGHTSMEN OR SURVEYORS IN THE ORDNANCE SURVEY, (3) CARTOGRAPHERS IN THE DIRECTORATE OF COLONIAL SURVEYS.

1. Both men and women may compete, but in the Ordnance Survey the number of vacancies for women may be restricted.

2. Candidates who by the date of their application have had at least two years' experience of the work of a cartographical draughtsman will be regarded as trained candidates.

3. Age.

Untrained candidates must be at least 16 years of age at the date of application and under 25 years of age on 1st March, 1957, except that candidates

applying for posts in the Geological Survey and Museum (Department of Scientific and Industrial Research) must be at least 16 years of age at the date of application and under 21 years of age on 1st March, 1957. But a candidate who has served or is serving in H.M. Forces may deduct from his actual age the period of such service rendered before 1st March, 1957.

Trained candidates—there is no upper age limit for these candidates, but in appointing persons in a permanent capacity Departments expect regular and effective service for a reasonable period, and the Commissioners will take this requirement into account.

#### 4. Refund of Marriage Gratuity

Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before the 15th October, 1946, or who are widowed or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

#### 5. Nationality.

(1) To be eligible for appointment (other than to a situation in the Admiralty or War Office) a candidate must be a British subject, a British protected person or a citizen of the Irish Republic and in addition satisfy one of the following conditions:—

(a) if he was a British subject, a British protected person or a citizen of the Irish Republic at birth:—

(i) at least one of his parents must be, or have been at death, a British subject, a British protected person or a citizen of the Irish Republic, or

(ii) the candidate must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment:

(b) if he was not a British subject, a British protected person or a citizen of the Irish Republic at birth, he must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment.

(c) if not qualified under sub-paragraph (a) or sub-paragraph (b) of this paragraph, he must satisfy the Commissioners that he is so closely connected with a country or territory within the Commonwealth either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in his favour.

(2) A candidate will not be eligible for appointment to a situation in the Admiralty or War Office unless (i) at all times since his birth he has been either a British subject or a citizen of the Irish Republic and (ii) he was born in a country or territory which is (or then was) within the Commonwealth or in the Irish Republic and (iii) each of his parents was born in a country or territory which is (or then was) within the Commonwealth or in the Irish Republic and is or was at death a British subject or a citizen of the Irish Republic and has or had been one or the other at all times from birth:

Provided that, notwithstanding that the aforesaid conditions are not satisfied, he may, if the conditions specified in paragraph (1) of this Regulation are satisfied, be admitted to appointment by special permission of the First Lord of the Admiralty or the Secretary of State for War, as the case may be.

#### 6. Educational Qualifications.

(a) Except as provided in paragraph (c) below, candidates must, by the date on which they submit their application forms, possess one of the following educational qualifications:

(i) A General Certificate of Education with passes at the Ordinary (or a higher) level in at least three of the following subjects:

English Language; Mathematics; Geography; Art, Geometrical and Mechanical Drawing, Technical Drawing, or a comparable subject; a science subject; a modern or classical language; Surveying.

(ii) The Scottish Leaving Certificate with passes on the lower or higher grade in at least three of the following subjects:

English; Mathematics; Geography; Art or Technical Subjects; Science; a modern or classical language.

Passes in subjects of the Scottish Universities Preliminary Examination will be accepted as equivalent to passes in the Scottish Leaving Certificate examination.

Scottish candidates who do not hold the requisite number of passes in the Scottish Leaving Certificate Examination or the Scottish Universities Preliminary Examination may, in appropriate circumstances, offer instead a Certificate of equivalent qualification based on their results in either or both of those examinations. Application for Certificates, including those based on performance in the Scottish Universities Preliminary Examination, should be made to the Secretary, Scottish Education Department, Government Buildings, Broomhouse Drive, Saughton, Edinburgh, 11, quoting the reference 540/57.

(iii) A Senior Certificate of the Northern Ireland Ministry of Education with passes at the Ordinary (or higher) level in at least three of the following subjects:

English Language; Mathematics; Geography; Art, Geometrical Drawing, or Practical Drawing; a science subject; a modern or classical language.

(iv) A School Certificate with credits in at least three of the following: English; Mathematics; Geography; Art, Geometrical and Mechanical Drawing, Technical Drawing, or a comparable subject; a science subject; a modern or classical language.

(v) A statement from the Scottish Education Department or the Ministry of Education for Northern Ireland that the candidate has attained a standard equivalent to (i) above.

For the purpose of this Regulation a domestic science subject is not regarded as a science subject.

(b) For posts in the Ministry of Agriculture, Fisheries and Food and in the Ministry of Housing and Local Government, preference will be given to candidates who have a pass in Geography.

For posts in the Directorate of Colonial Surveys and in the Ordnance Survey, preference will be given to candidates who have a pass in Mathematics.

For posts in the Geological Survey and Museum (Department of Scientific and Industrial Research), preference will be given to candidates who have a pass in English Language.

For posts in the Admiralty, preference will be given to candidates with passes in English Language and Mathematics.

For posts in the War Office, preference will be given to candidates with passes in English Language, Mathematics, and Geography.

(c) Exceptionally, a candidate who does not possess the minimum educational qualifications prescribed in (a) above may be admitted to the competition if he has served satisfactorily on cartographical work for at least two years in a Government Department, and can obtain from his Department a Certificate of Competency.

#### 7. Experience.

To be eligible for consideration for posts in the Forestry Commission or the Department of Health for Scotland, candidates must, by the date of their application, have had at least two years' experience of the work of a cartographical draughtsman. For posts in other Departments previous experience is not essential.

#### 8. Health and Character.

Every successful candidate must satisfy the Commissioners on his health and character.

#### 9. Selection.

The Commissioners will invite to interview all candidates who appear to be eligible. Those who are to be interviewed will be required to produce specimens of their work, and untrained candidates may be asked to take a short test of neatness and accuracy immediately before the interview. The

Selection Board will recommend to the Civil Service Commissioners those candidates considered most suitable for appointment. Even if there are unfilled vacancies, no candidate will be appointed who does not reach a standard that satisfies the Commissioners. The Commissioners' decision will be final.

#### 10. Candidates Trained as Teachers.

Candidates who have been trained as teachers elsewhere than in England and Wales and upon whose training public money has been spent cannot be appointed until the consent of the appropriate education authority (e.g., the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

#### 11. Assignment.

Candidates will be required to name on their application forms in order of preference the Departments in which they wish to serve. If a candidate is successful for more than one Department, the Commissioners will determine to which Department he shall be assigned, but his own wishes will be met as far as possible.

The Ordnance Survey will decide whether candidates appointed to that Department will be trained as Draughtsmen or as Surveyors, but each candidate's wishes will be followed as far as the staffing situation permits. At the present time, however, men and boys will, save in exceptional circumstances, be trained as surveyors and women and girls only in drawing duties.

#### 12. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

#### 13. Fee.

A successful candidate will be required to pay a fee of £1 before the issue of a certificate of qualification for appointment.

The Civil Service Commissioners further give notice that an Open Competition will be held during 1957 under the above Regulations. Application forms may be obtained from the Secretary at once.

#### Office of the High Commission for India.

The High Commissioner for India has with the approval of the Secretary of State for Commonwealth Relations, appointed Mr. W. T. Baldwin, Assistant Superintendent, Mercantile Marine Office, Avonmouth, to superintend the transfer of Lascars or other persons and to grant the Certificate required under section 125 of the Merchant Shipping Act, 1894 (57 and 58 Vic. cap. 60).

The fee to be paid for every Lascar or other person in respect of whom such Certificate is applied for, is limited to three shillings each and in no case is the total amount of fees in respect of one crew to exceed five pounds.
