## CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD.

St. James's Palace, S.W.1.

9th July, 1957.

The QUEEN has been graciously pleased to give orders for the following appointments to the Most Excellent Order of the British Empire.

*To be an Additional Officer in the Military Division of the said Most Excellent Order.*

The Reverend Stanley William HARRISON, G.M., Royal Air Force.

*To be an Additional Member in the Military Division of the said Most Excellent Order.*

Flying Officer Charles Anthony Sidney EVANS, M.B., B.S. (504887), Royal Air Force.

On 5th March, 1957, a Royal Air Force Beverley transport aircraft carrying R.A.F. personnel and police dogs crashed on the village of Sutton Wick, Drayton, Berkshire. The aircraft, which had a large quantity of petrol on board, immediately caught fire and a major conflagration ensued. Wing Commander Harrison, Station Chaplain, and Flying Officer Evans, a Medical Officer from Royal Air Force Station, Abingdon, were soon on the scene of the crash and for three hours they worked together to rescue the occupants of the aircraft. They extricated fourteen bodies from the wreckage and displayed courage and resourcefulness of a high order, refusing to give up while there was hope of finding survivors among the wreckage. Some 1½ hours after the crash, Wing Commander Harrison rescued a police dog alive. At one stage a calor gas cylinder bottle exploded near these officers and the fire thereupon began to gain ground. Undeterred by this, they continued their search of the wreckage until it was clear that there could be no survivors. Whilst Wing Commander Harrison was undoubtedly the leader in the rescue operations, Flying Officer Evans was conspicuous in always being with him in the most dangerous places.
