Miss V. E. Hurford, Mr. E. B. Greenwood, Mr. A. M. Hill, Mr. M. A. Hood, Mr. D. B. Jones, Mr. A. R. MacDonald, and Mr. H. R. Williams to be Her Majesty's Inspectors of Factories.

Civil Service Commission, 17th January, 1958.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

REGULATIONS FOR RECRUITMENT TO THE NATIONAL AGRICULTURAL ADVISORY SERVICE (SCIENCE SPECIALISTS) UNDER THE MINISTRY OF AGRICULTURE, FISHERIES AND FOOD.

1. Both men and women, including married women, may compete under these Regulations.

2. *Age.*

Candidates must on 1st August, 1958, be at least 20½ years of age for appointment to Grade IV (a) or Grade IV (b), at least 25 years of age for appointment to Grade III, and at least 31 years of age for appointment to Grade II. A candidate under 25 years of age on 1st August, 1958, may, however, be accepted for appointment to Grade III if he is exceptionally well qualified.

There is no upper age limit specified for this Competition, but in appointing persons in a permanent capacity Departments expect regular and effective service for a reasonable period, and the Commissioners will take this requirement into account.

3. *Nationality.*

To be eligible for appointment a candidate must be a British subject, a British protected person or a citizen of the Irish Republic and in addition satisfy one of the following conditions:—

(a) if he was a British subject, a British protected person or a citizen of the Irish Republic at birth—

(i) at least one of his parents must be, or have been at death, a British subject, a British protected person or a citizen of the Irish Republic, or

(ii) the candidate must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment:

(b) if he was not a British subject, a British protected person or a citizen of the Irish Republic at birth, he must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment:

(c) if not qualified under sub-paragraph (a) or sub-paragraph (b) of this paragraph, he must satisfy the Commissioners that he is so closely connected with a country or territory within the Commonwealth either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in his favour.

4. *Qualifications.*

(a) Candidates for Grades II, III or IV must have, or obtain in 1958, a University degree in agricultural science, or the appropriate natural sciences, or a qualification accepted by the Commissioners as of equivalent academic standard. For Grade IV (a) candidates must have obtained a first or second class honours degree in the appropriate scientific subject or an equivalent academic qualification.

(b) Candidates sitting for their examinations in the summer of 1958 may be admitted to this competition, but will not be appointed unless on the result of the examination they satisfy Regulation 4 (a) above.

(c) Ability to drive a motor car is necessary for almost every post in the Service, and candidates who do not hold a current driving licence are normally expected to obtain one within three months of taking appointment.

5. Competition.

Candidates who appear from their applications to have the best qualifications will be summoned to a Selection Board in London consisting of representatives of the Civil Service Commissioners and the Ministry of Agriculture, Fisheries and Food. The Selection Board will take into consideration the candidates' record of education, training and experience (with due regard to loss of opportunity and professional knowledge by those who have served in the Forces) any recommendation that they may receive from persons named by candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview.

The Selection Board will recommend the grade and type of work in which a successful candidate will be offered appointment, and may recommend a candidate to a grade or type of work other than that for which he has applied. If a candidate is to be interviewed solely for a grade or type of work other than that for which he has applied, he will if possible be informed before being summoned for interview.

6. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

7. Candidates trained as Teachers.

Candidates who have been trained as teachers in Northern Ireland or in the Irish Republic, and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate education authority has been notified to the Commissioners.

8. Refund of Marriage Gratuity.

Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widowed or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible for appointment under these Regulations to situations which render them eligible for pension and other benefits under the Superannuation Acts, unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

9. Canvassing.

Any attempt on the part of candidates to enlist support for their application through Members of Parliament or other influential persons, except as referees to be named by them on their application forms, will disqualify them for appointment.

10. Fee.

A successful candidate will be required to pay the appropriate fee before the issue of a Certificate of Qualification for appointment, viz.:—

Grade III	£4
Grade III	£3
Grade IV (a) or IV (b)	£2

11. The Commissioners' decision will be final in all matters concerning this competition.

1. Both men and women may compete under these Regulations.

2. Age.

Candidates must be at least 17½ and under 24½ years of age on 1st March, 1958. But

(a) a candidate who has served or is serving in H.M. Forces or in H.M. Overseas Civil Service may deduct from his actual age the period of such service rendered before 1st March, 1958;

(b) a candidate who has served in any established post to which he was admitted with the Certificate of the Civil Service Commissioners, or who has served on established conditions except for sick leave and pension in a post to which such a certificate would normally apply, may deduct from his actual age any time not exceeding two years which he has spent in such service before 1st March, 1958.

3. Nationality.

To be eligible for appointment a candidate must be a British subject, a British protected person or a citizen of the Irish Republic and in addition satisfy one of the following conditions:—

(a) if he was a British subject, a British protected person or a citizen of the Irish Republic at birth—

(i) at least one of his parents must be, or have been at death, a British subject, a British protected person or a citizen of the Irish Republic, or

(c) if not qualified under sub-paragraph (a) or sub-paragraph (b) of this paragraph, he must satisfy the Commissioners that he is so closely connected with a country or territory within the Commonwealth either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in his favour.

8. Fee.

An application fee of 7s. 6d. is payable by all candidates. This must be sent with the application form, and is not returnable in any circumstances. A further fee of 7s. 6d., being the balance of the fee of 15s., must be paid by each candidate on admission to the examination.

9. Assignment.

The Commissioners will decide to which Service or Department each successful candidate is to be assigned. Candidates declared successful under Regulation 4 (b) on the written examination will be called to an interview in London shortly after their results are notified to them. This interview will be to help the Commissioners to assign them to Services and Departments. Candidates who are interviewed as part of the examination, under Regulation 4 (c), will not normally be required to attend for further interview. The Commissioners may, however, call any candidate to a second interview if this seems to them necessary.

The wishes expressed by successful candidates at interview, or on the preference form which they will be asked to fill up, will so far as possible be taken into account; but assignments must be made so as to fill the vacancies notified to the Commissioners in accordance with the needs of the public service. A candidate who declines to accept the post offered will have no claim to be assigned to another, and will be regarded as having declined appointment.

10. The Commissioners' decision will be final in all matters concerning this competition.

The Civil Service Commissioners further give notice that an Open Competition will be held under the above Regulations, the written examination commencing on 15th April, 1958.

Applications on the prescribed form for admission to the Competition should be received by the Secretary of the Civil Service Commission on or before 6th February, 1958. Application forms may be obtained from the Secretary at once.
