MINISTRY OF POWER.

MINES AND QUARRIES ACT, 1954.

*Draft Gravel and Sand Quarries (Overhanging)  
(Exemption) Regulations, 1958.*

The Minister of Power, in accordance with the provisions of section 142 of, and Part I of the Second Schedule to, the Mines and Quarries Act, 1954, hereby gives notice that he intends to make General Regulations under sections 141 and 108 of the Act, entitled the Gravel and Sand Quarries (Overhanging) (Exemption) Regulations, 1958.

Section 108 (2) of the Act requires every manager of a quarry to secure that in no part of the quarry to which his jurisdiction extends shall the face or sides of the quarry or any gallery thereon be so worked as to cause overhanging. The Regulations will apply to every quarry of gravel or sand in which any of the mineral is normally got from under water and, in relation to every such quarry, will exempt from that requirement every part in which gravel or sand is normally got in this way. The Regulations will also provide for the making of rules to secure that employees are not at any time in danger from a fall of an overhanging face or side, and will require precautions to be taken to prevent any person from accidentally gaining access to any ground which may be liable to fall by reason of such overhanging. It is proposed that the new Regulations should come into force on 19th September, 1958.

Copies of the draft Regulations may be purchased (price 3d. net) from Her Majesty's Stationery Office at any of the addresses shown on the last page of this Gazette.

Any objection to the draft Regulations by, or on behalf of, any person affected thereby must be sent to the Minister of Power, Thames House South, Millbank, London, S.W.1, before the 8th day of September, 1958. Each such objection must be in writing and must state:

- (a) the specific ground of objection; and
- (b) the omissions, additions or modifications asked for.

TOWN AND COUNTRY PLANNING ACTS,  
1944 AND 1947.

EXTINGUISHMENT OF PUBLIC RIGHT OF WAY.

*Urban District of Shoreham-by-Sea.*

Notice is hereby given that the Minister of Housing and Local Government, in exercise of the powers conferred upon him by section 23 of the Town and Country Planning Act, 1944, as incorporated with the Town and Country Planning Act, 1947, has prepared in draft and proposes to make an Order extinguishing the public right of way over that part of the footpath leading from Woodards View in a north-easterly direction towards the Brighton Road in the urban district of Shoreham-by-Sea which part is approximately 420 feet in length and is shown coloured red between the points marked A and B on the map annexed to the draft Order.

Copies of the draft Order and of the map relative thereto showing the land over which the right of way is to be extinguished may be inspected at the West Sussex County Council Beach Office, Weald Dyke, Shoreham Beach, without payment of fee during the usual office hours.

Any objection to these proposals must be made in writing, and addressed to the Minister of Housing and Local Government, Whitehall, London, S.W.1, before the 15th day of November, 1958.

The Minister is not, in all cases, required to cause a local inquiry to be held. It is important, therefore, that an objection should include a full statement in writing of the grounds on which the objection is made, as the objector may have no further opportunity to make such a statement.

Dated the 12th day of August, 1958.

E. H. T. Wiltshire, Assistant Secretary.

Statutory Instruments 1958 No. 1271.

*The Exported Ponies Protection Order, 1958.*

(Made 31st July, 1958.)

Under section 23 of the Diseases of Animals Act, 1950, the Minister and the Secretary of State may make such orders as they think fit for protecting horses carried by sea or air from unnecessary suffering during the passage and on landing, and this Order, which comes into operation on 18th August, 1958, provides that no pony shall be shipped by sea or by air from Great Britain to any place outside Europe, unless immediately before shipment it has been inspected by a veterinary inspector and has been certified by him to be capable of being conveyed to its destination without unnecessary suffering.

Statutory Instruments 1958 No. 1272.

*The Horses (Sea Transport) Amendment Order, 1958.*

(Made 31st July, 1958.)

This Order, which comes into operation on 18th August, 1958, amends the Horses (Sea Transport) Order, 1952, in three respects. It requires lighting in parts of a ship in which horses are carried to be dimmed at night when not required at full strength, and it substitutes for the requirement that a ship carrying horses shall be provided with competent persons to ensure the proper watering, feeding and care of the horses, the requirement that for these purposes the owner of such a ship shall provide a competent person experienced in the handling of horses, and, where necessary, a sufficient number of assistants. The Order also provides that after 17th August, 1959, all ships carrying horses below decks shall be provided with means of access to the animals in addition to the main hatchways.

Statutory Instruments, 1958 No. 1284.  
*The Swine Fever (Infected Areas Restrictions) Amendment Order, 1958.*  
(Made 31st July, 1958.)

This Order, which came into operation on 9th August, 1958, amends the Swine Fever (Infected Areas Restrictions) Order, 1956. The principal amendments make provision for the selling of swine at a dispersal sale of livestock on premises within an infected area, and for the movement of swine in the course of transport by road between two places outside an infected area through an infected area. The Order also makes contravention or failure to comply with any conditions attached to any licence issued under these Orders an offence against the Diseases of Animals Act, 1950.

Copies of the above-mentioned Orders may be obtained from H.M. Stationery Office, York House, Kingsway, London, W.C.2.
