London—South Wales Motorway (M.4)

Following his rejection of all the tenders previously submitted, the Minister of Transport now invites new applications from firms of good standing who are prepared to invest not less than £300,000 for the exclusive rights to provide and operate a petrol filling station and catering premises on a 50-year ground lease at the Service Area to be established at Aust (Glos.) adjacent to the eastern end of the Severn Bridge on the London—South Wales Motorway. The Bridge and adjacent lengths of the motorway are expected to be opened to traffic early in 1966.

The Service Area site will be about 25 acres and is all on the northern side of the motorway near the top of cliffs overlooking the River Severn and the Severn Bridge, which is now under construction. Access to and from the motorway will be by way of a side road leading from a nearby two-level roundabout. The Minister will provide hard standings for vehicle parking areas, internal roads and exterior lighting within the Service Area.

Applicants are invited to submit their financial offers in two parts. The first part will apply from the opening of the Service Area until such time as both M.4 is open to traffic between London and South Wales, and M.5 is open from Birmingham to Bristol. The second part will apply thereafter until the end of the lease.

In order to ensure that the design and layout of the Service Area will be in harmony with the Severn Bridge and its associated buildings the Minister will require applicants' architects to prepare their schemes within a broad zoning and design specification laid down by the Consulting Architect for the Severn Bridge, Sir Percy Thomas, O.B.E., P.P.R.I.B.A. Further particulars and forms of application may be obtained from:

The Secretary, Ministry of Transport, HS Division (Room 2/33), St. Christopher House, Southwark Street, London S.E.1.

The closing date for the return of completed applications is Tuesday, 19th May 1964.
