LONDON COUNTY COUNCIL

TOWN AND COUNTRY PLANNING ACT 1962

Administrative County of London Development Plan

Notice is hereby given that the Minister of Housing and Local Government is considering proposals for alterations to the above-mentioned Development Plan submitted to him by the London County Council on 5th June 1963 relating to land at Royal Mint Street, Dock Street and Cartwright Street, Stepney. His present intention is to modify the proposals as submitted in the following way:

<i>Modification Number</i>	<i>Description of Modification</i>	<i>Reason for Modification</i>
1	Land to the northwest of, and adjoining, the East Smithfield Goods Depot (as indicated on the deposited map), proposed by the Council to be zoned for open space and programmed 2nd period but now to be modified to railway use and not programmed.	This land was the subject of an objection by the British Railways Board. In order to meet this objection the Council has requested that the land be zoned for railway purposes.
2	Land adjoining that referred to in modification 1 and fronting Cartwright Street, (as indicated on the deposited map) proposed by the Council to be zoned for open space but now to be modified to residential use.	In view of modification 1, the remaining proposed open space land would adjoin railway premises. The Council considers that it would not in any event be suitably placed for open space purposes and has requested that the land be zoned for residential purposes.

Copies of the modifications have been deposited for public inspection in Room 370, North Block, at the County Hall, London, S.E.1, and also at Municipal Offices, Commercial Road, London, E.1.

Any objection to the modifications should be sent in writing to the Secretary, Ministry of Housing and Local Government, Whitehall, London, S.W.1, before the 4th day of May 1964 and should set out fully the reasons for the objection.

Dated this 9th day of April 1964.
