TUESDAY, 19<sup>TH</sup> JULY 1966

**MINISTRY OF DEFENCE**

Whitehall, London S.W.1.

19th July 1966.

The QUEEN has been graciously pleased to approve the following awards:

*Queen's Commendation for Valuable Service  
in the Air*

Squadron Leader John Laurence DILLON (582299),  
Royal Air Force.

In recognition of his skill, courage and determination as aircraft captain and navigator in flying in a medical team to assist and evacuate the worst of the injured British troops, when a hand grenade was thrown into a cinema in Southern Arabia. As far as is known no aircraft had flown before into the area at night and no night landing facilities were available there. It is very mountainous country and the conditions were extremely hazardous. The fact that speedy treatment was given to the injured and that the most seriously injured were taken from the area, gave great confidence to the troops operating in the Federation.

Flight Lieutenant Richard Christopher King ALCOCK  
(3513841), Royal Air Force.

In recognition of his skill, courage and determination in overcoming the difficulties of a night landing on a poorly illuminated strip in mountainous country, in rescuing badly wounded troops and landing a medical team into Southern Arabia to attend to British troops injured, when a hand grenade was thrown into a cinema. Vehicle headlights had to be used to guide the aircraft and by any standard this was a most difficult and exceptional flight and few would have dared hope for success. The successful outcome was the direct result of the outstanding flying skill and professional competence of this officer.

19th July 1966.

**ROYAL AIR FORCE**
