## NEWCASTLE UPON TYNE CITY AND COUNTY COUNCIL

*The Parking Places and Restriction of Waiting Order 1967*

Notice is hereby given that the Council of the City and County of Newcastle upon Tyne propose to apply to the Minister of Transport for her consent to the making of an Order under Sections 85 to 87 of the Road Traffic Act 1960 as amended and extended by Sections 3 and 5 and by the Schedule to the Road Traffic and Roads Improvement Act 1960, by Section 29 of the Road Traffic Act 1962 and by the Parking Places (Transfer of Functions) Order 1967.

The proposed Order will revise the parking meter and restricted waiting scheme now operated under the Parking Places and Restriction of Waiting (Newcastle upon Tyne) (No. 1) Order 1963—the original Order.

On 24th January 1967 the Council advertised their intention of applying to the Minister of Transport for an order to consolidate and extend the scheme operated under the original Order. The proposals were divided into two parts. First, it was intended to revise the existing meter zone so that parking bays controlled by meters should generally be available for longer periods. It was also proposed that amendments be made to the streets in which daytime waiting should be restricted and to the cycle parking places contained in the existing meter zone. The second part consisted of proposals to extend the existing meter zone. Parking places controlled by meters were to be introduced in the extension area around the existing meter zone and daytime waiting was to be restricted in other streets within this area.

The Council have now decided that while the revision of the existing meter zone should continue as advertised on 24th January 1967, meter control should no longer be introduced into the extension area. Other proposals for the extension area, not including meter control, will be advertised in due course.

Since the Council applied to the Minister to consolidate and extend the scheme operated under the original Order, the Parking Places (Transfer of Functions) Order 1967 has given local authorities the power to make their own parking meter orders. In these circumstances the Council propose to make their own order for the existing meter zone, and this involves a new advertisement.

The general effect of the proposed Order will be:—

- (1) to extend the period available for waiting at parking places controlled by meters in the existing meter zone as indicated in Schedule I.
- (2) to amend the list of streets in which daytime waiting is restricted in the original Order as indicated in Schedule II.
- (3) to amend the list of cycle parking places contained in the original Order as indicated in Schedule III.

The content of the proposed Order which continues in force the provisions of the original Order may be summarised as follows:—

*Parking Places*

The Order designates parking places (i.e., lengths of highway where vehicles may wait) and fixes the maximum number of parking bays in each parking place as indicated in Column 2 of Schedule I. Parts of certain parking places are not to be occupied by parking bays and the Council is given power to determine the number and situation of parking bays in each parking place.

Between 8 a.m. and 6.30 p.m., only parking places may be used for the leaving of vehicles. Between 8.30 a.m. and 5.30 p.m. on any day, other than Sunday, Christmas Day, Good Friday, New Years Day or a Bank Holiday charges shall be made, and those vehicles described in Schedule IV may be left.

The initial charge for leaving a vehicle in a parking place for a period indicated in Column 2 of Schedule I shall be sixpence. An excess charge shall be incurred where any vehicle is left in a parking place for longer than the initial period, such charge being five shillings in the case of initial periods of one half hour and ten shillings in the case of initial periods of one two or five hours. Provision is made for the free use of unexpired time shown on a meter.

General provision is made for the effective operation of the parking meter scheme.

*Restricted Waiting*

Waiting is prohibited between 8 a.m. and 6.30 p.m. in the streets contained in the original Order in respect of which amendments are made as indicated in Schedule II. A number of exceptions are made.

*Motor Cycle Parking Places*

Parking places for solo motor cycles and cycles are provided in those streets indicated in the original Order in respect of which amendments are made as indicated in Schedule III.

A copy of the proposed Order and of plans showing its extent may be inspected between 9.00 a.m. and 4.00 p.m., Mondays to Fridays at the City Planning Officers Department, Civic Centre, Barras Bridge, Newcastle upon Tyne.

Any person wishing to object to the making of the proposed Order must send his objection in writing to the undersigned by 8th August 1967.

*Cyril R. Ward*, City Legal Adviser.

Civic Centre,  
Barras Bridge, Newcastle upon Tyne.

11th July 1967.

## SCHEDULE I.—PARKING PLACES WITH PARKING METERS

Column 1 indicates the parking bays contained in the Schedule to the original Order. In a number of streets parking bays have been reduced since the commencement of this Order, so that the numbers indicated are not necessarily operative now.
