COMMONS REGISTRATION ACT 1965

DENBIGHSHIRE COUNTY COUNCIL

COMMONS REGISTRATION ACT 1965

Common Land or Town or Village Greens

Provisional Registrations and How to Object to Them

Registrations

The second and last period for applications for registration under the above Act of:—

- (a) land which is common land or a town or village green;
- (b) rights of common over such land; and
- (c) persons claiming to be owners of such land

ended on 2nd January 1970.

The Council is the Registration Authority for the registration area of which particulars are given below. The registers of Common Land and Town or Village Greens for this registration area, containing all registrations made under the Act and Notes of Objections so far made, are available for inspection free of charge at the Council's Offices at the County Offices, Ruthin, Denbighshire, between the hours of 8.30 a.m. and 5.15 p.m. on Mondays to Thursdays and 8.30 a.m. and 4.30 p.m. on Fridays. A table giving brief details about these registrations, made after 30th June 1968, is set out below. In addition, each local authority, other than the Council, has available for inspection copies of registrations affecting land in its own area and copies of register entries of all objections so far made affecting such land.

Objections

The period for objecting to registrations made after 30th June 1968 begins on 1st May 1970 and ends on 31st July 1972. The period for objecting to registrations made before 1st July 1968 is now running and will end on 30th September 1970. Every objection must be made in writing on the special form (Form C.R.26) which is available free and post free from the Council at the County Offices, Ruthin, Denbighshire, and must reach the Council, as Registration Authority, at the above address:—

- (a) in the case of an objection to a registration made before 1st July 1968, not later than 30th September 1970, and
- (b) in the case of an objection to a registration made after 30th June 1968, not earlier than 1st May 1970 nor later than 31st July 1972.

Registrations are independent of each other, so that, for example, a registration of land as common land made before 1st July 1968 and not objected to before 1st October 1970 will become final and definitive on the latter date, but if registrations of rights over that land, or claims to ownership thereof, are made after 30th June 1968, objections to such registrations can be made during the second objection period.

Every objection which is not rejected is noted on the register as soon as possible after receipt, and particulars are sent by the Registration Authority to the person (if any) on whose application the registration was made and to certain other persons directly interested in the registration. In addition copies of register entries of objections are sent to local authorities holding copies of the registrations to which they relate.

The noting of an objection on the Register does not mean that it is officially admitted to be correct and it has no immediate effect on the registration. The effect is that unless the registration is cancelled, or the objector withdraws his objection, the matter will be referred to a Commons Commissioner for decision.

W. E. Bufton, Clerk to the Registration Authority.

Dated 11th September 1970.

Particulars of Registration Area

The Administrative County of Denbigh together with 12.5 acres or thereabouts of land situate between Coediog and Cerrig-y-Bala in the Parish of Llanylcol and near Twll Du in the Parish of Llanfor in the Administrative County of Merioneth, which is the subject of an Agreement under section 2 (2) of the Commons Registration Act, 1965, dated 6th October 1967, made between the Denbighshire and Merionethshire County Councils.

The Official Verbatim Report of Parliamentary Proceedings

Hansard reflects opinion on all topics of the day and is of great interest to the business or professional man. In addition to a factual word-for-word transcription of speeches in debate, it contains the answers to all Parliamentary Questions, complete Division Lists, and following each session details of the composition of the House. Proceedings up to 10 p.m. each day are reported in the issue on sale at 8.30 the following morning at the Government Bookshop in Holborn. A Weekly Edition is also published, and bound volumes are issued periodically during the session. Standing Orders can be accepted, if a suitable deposit is sent, for debates on definite subjects.
