The effect of the Order will be to introduce a peak-hour urban clearway (i.e. waiting, loading/unloading of vehicles prohibited and picking up/setting down of passengers and personal luggage limited to 2 minutes) in the aforesaid length of road.

The clearway will be in operation between the hours of 8 a.m. and 9.30 a.m. and between the hours of 4 p.m. and 6 p.m. on any day other than a Saturday or a Sunday.

The severely disabled and blind persons will be exempt from the above specified 2 minute period.

The waiting restrictions at present in force at the eastern end of the said length of road will remain in force during off peak periods.

A copy of the Order, together with a plan illustrating the proposal, and a Statement of Reasons for making the Order may be inspected during all reasonable hours at the offices of the Cheltenham Borough Council at the Municipal Offices, Promenade, Cheltenham.

Objections to the Order must be sent to the Secretary, Department of the Environment, 2 Marsham Street, London, SW1P 3EB, by 7th November 1972, quoting the reference TTP 5/10/051 and stating the reasons for objection.

City of Manchester (Moston) Smoke Control Order, 1972

Notice is hereby given that the Lord Mayor, Aldermen and Citizens of the City of Manchester acting by the Council of the said City, in exercise of the powers conferred on them by section 11 of the above-mentioned Act on the 9th October 1972, made an Order entitled the City of Manchester (Moston) Smoke Control Order 1972, declaring the area described in the Schedule hereto to be a smoke control area, which Order is about to be submitted to the Secretary of State for the Environment for confirmation.

Subject to the exemptions provided by the Order, including the exemptions referred to in paragraph 7 below and by virtue of section 11 (4) of the Act if, on any day after the Order has come into operation, smoke is emitted from a chimney of any building within the smoke control area the occupier of that building shall be guilty of an offence and liable to a fine not exceeding £20 unless he proves that the emission of smoke was not caused by the use of any fuel other than an authorised fuel. The authorised fuels include anthracite, coke and other carbonised fuels, gas and electricity.

If confirmed the Order will not come into operation before 1st June 1974, or before a later date determined under the provisions of the Clean Air Act 1956.

Copies of the Order and of the map referred to therein may be inspected free of charge at the Policy

and Finance Section (Room 116), Town Clerk's Office, Town Hall, Manchester, at all reasonable times during the period of 6 weeks from 16th October 1972 and at Moston District Library, Moston Lane, Moston, Manchester 10 and New Moston District Library, Hollinwood Avenue, Moston, Manchester 10, during the same period.

Within the said period any person who will be affected by the Order may by notice in writing to the Secretary, Department of the Environment, 2 Marsham Street, London, SW1P 3EB, object to the confirmation of the Order.

Subject to certain conditions, persons incurring expenditure in connection with a private dwelling in order to comply with the Order are entitled to a grant towards that expenditure provided that the expenditure is incurred after the confirmation, and before the coming into operation of the Order, and with the approval of the Corporation. After the Order has been confirmed, such persons should, before any work is carried out or any expenditure incurred, submit their proposals to the Clean Air Section of the Health Department in the Town Hall Extension, Manchester.

The parts of the proposed smoke control area coloured pink on the map referred to in paragraph 4 above will be surveyed in 1972-73 or thereabouts for action under Part III of the Housing Act 1957. As the Smoke Control Order does not prohibit the emission of smoke from premises in those parts of the smoke control area coloured pink on the map the grant referred to in paragraph 6 will not be payable in respect of dwellings in those parts of the smoke control area.

If the Order is confirmed, notices of confirmation will be published in the Press and copies of the notice posted in the smoke control area.
