PRIVY COUNCIL OFFICE

At the Court at Buckingham Palace the 21st day of May, 1974

PRESENT,

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL

Whereas it is expedient to provide for revised rates and conditions of award of retired pay, pensions, terminal grants and gratuities for Officers, Petty Officers, Non-Commissioned Officers and Men of the Royal Navy and Royal Marines, for Officers and Ratings of the Women's Royal Naval Service and for Members of Queen Alexandra's Royal Naval Nursing Service:

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by section 3 of the Naval and Marine Pay and Pensions Act 1865, and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

1. This Order may be cited as the Naval and Marine Pay and Pensions (Pensions) (No. 1) Order 1974.
2. The provisions contained in this Order shall have the effect from 1st April 1972.
3. The revised rates and conditions of award of retired pay, pensions, terminal grants and gratuities in respect of service in the Royal Navy, Royal Marines, Women's Royal Naval Service and Queen Alexandra's Royal Naval Nursing Service shall be as specified in the Schedules annexed hereto.

W. G. Agnew

SCHEDULE I

SECTION I

General—Officers

1. The definitions and general conditions in this Section shall apply for the purpose of determining entitlement to retired pay, terminal grants and gratuities to Officers of Her Majesty's Royal Navy and Royal Marines, Women's Royal Naval Service and Queen Alexandra's Royal Naval Nursing Service.

Service**2. Service for Non-Effective Benefit Purposes.**

- (a) "Qualifying Service" means all full pay service from age 18.
 (b) "Reckonable Service" means all full pay service from age 21.
 (c) "Completed years of service", "years of Qualifying service" and "years of reckonable service" mean full pay service up to and including the last day on full pay.

3. Periods of Service. The following periods may be included in assessing qualifying and reckonable service:

- (a) Full pay service (including mobilised or embodied service or for the purpose of training) as an officer, rating or other rank of the Royal Navy, the Royal Marines, the Army or the Royal Air Force or of the Auxiliary and Reserve Forces, and of the former Armed Forces of India or Burma, or of the Armed Forces of the Commonwealth or a Colony, provided that where appropriate such service would be reckonable as qualifying service under Army or Royal Air Force regulations; except broken periods each of less than 6 months' duration.
 (b) While a permanent regular officer, periods in appointments not remunerated from Navy Votes which the Secretary of State for Defence considers can reasonably be regarded as part of an officer's career as such. They shall be appointments to which the officer brings his naval knowledge and from which he acquires additional experience and which have been officially offered to him as part of his naval service.
 (c) Loss of seniority or time forfeited by sentence of Court Martial or Disciplinary Court will not involve loss of service for retired pay or gratuity.

4. Previous Service.

- (a) In the case of previous service in respect of which the officer received a service gratuity, or in any case of previous service other than in the Royal Navy, the Royal Marines, the Army or the Royal Air Force, it may be stipulated as a condition for allowing such service to reckon for retired pay, that the officer shall make a payment to Naval Funds, either in a lump sum or otherwise. In default of such payment as may have been stipulated, the previous service will not be allowed.
 (b) If an officer has continued to draw concurrently with full pay the retired pay or other analogous award payable in respect of previous service, the further service will normally not confer eligibility for improved benefits on final termination of employment.
 (c) Service preceding a five-year interval in service shall not be included unless specially allowed by the Secretary of State for Defence, and eligibility to reckon such previous service will normally be determined at the time of resumption of service. Where, during a break in service the officer has been a member of the Royal Naval Reserve, or other reserve of any of the Forces, undertaking or liable for periodical training, the period of such membership will not be considered an interval in service for the purpose of deciding whether the previous service is admissible.
 5. **Extensions of Service.** If an officer continues on full pay beyond the period of Active List Service which he has under taken payment of terminal grant or gratuity will be deferred until the end of such further service.

Rank.**6. Rank for Retired Pay purposes.**

(a) The rank shall be the substantive rank held by the officer on his retirement, provided that, unless the officer is invalided, the rank had been held on the Active List for the following minimum periods:

- (i) Admiral: General, Royal Marines 1 year
 (ii) All other officers 2 years

- (b) If the substantive rank has been held for less than the period specified, the rank shall be the highest substantive rank which (with periods spent in higher substantive rank) satisfies the condition.
 (c) Service as Acting Captain, Royal Navy, may be reckoned towards the requirement of 6 years' service as Captain irrespective of the date of substantive promotion.

7. Additions to Retired Pay for Service in Paid Acting Rank.

- (a) Paid acting and temporary rank held after 3rd September 1939 may reckon for increase of Retired Pay as follows:—
 (i) For each complete year (subject to a maximum of 3) for which the paid acting or temporary rank was held, there may be added one-third of the difference between the retired pay for which the officer is eligible and the retired pay for which he would have been eligible had his rank for retired pay been one rank above his substantive rank.
 (ii) Where an officer has failed to complete 2 years in a substantive rank required to qualify him for the retired pay of the rank such service may reckon for retired pay as if it had been acting or temporary rank.
 (iii) Parts of a year in acting or temporary rank will be calculated proportionately, provided the acting or temporary rank has been held for a minimum period of 1 year.
 (b) In no case shall service in an acting or temporary rank earn a rate of retired pay higher than would have been earned if the acting or temporary rank had been substantive.
 (c) The "years" or "parts of a year" referred to in Clause 7(a) of this Schedule need not be continuous in time but may be made up of broken periods.
 (d) The Secretary of State for Defence may fix a date after which periods of acting or temporary rank will no longer be reckonable for additions to retired pay.

8. Short Service Commissions.

- (a) A short service commission officer who was transferred to that commission from a pensionable commission solely because of failure to complete training due to causes outside his control including medical unfitness may, in addition to the gratuity in respect of his short service, be awarded on final satisfactory completion of service a gratuity at the rate provided for in Sub-clause 10(c)(ii) of Schedule II in respect of his pensionable service.
 (b) A short service commission officer who is granted a permanent commission will not be eligible for any gratuity in respect of his service on a short service commission, but his service on that commission may count towards an ultimate award of retired pay or gratuity as a permanent officer. If, after receipt of a gratuity in respect of short service, an officer is granted a permanent commission his previous service will not be reckonable towards an ultimate award of retired pay or gratuity as a permanent officer, unless satisfactory arrangements are made for the refund of the short service gratuity.
 (c) Service on a short service commission in the medical, dental, or education branches of the Royal Navy, may, in certain circumstances, be treated as contributory service under the National Health Service (Superannuation) Regulations or under the Teachers' (Superannuation) Act, as appropriate. Where service is so treated, both the employer's and the officer's contributions will be advanced by the Ministry of Defence and the total amount so advanced will be deducted from the gratuity for which the officer is eligible under the provisions of this Section. When contributions have been so advanced but as a result of being transferred to a permanent or pensionable commission the officer does not qualify for a gratuity under this Section, no refund of the employer's contributions will be required from the officer, but in order that his previous service may be reckonable towards an ultimate award of retired pay or gratuity as a permanent officer he will be required to refund the employer's contributions advanced on his behalf by the Ministry of Defence. Service which counts for service retired pay or gratuity may not also count as reckonable service for purposes of pension under the appropriate civil superannuation scheme. No part of a Short Service gratuity will be payable to the officer's estate or otherwise in the event of his death before completion of the period of Active List service he had undertaken.

Voluntary Retirement

9. (a) An officer who has not served at least 5 years after the grant of his permanent or pensionable commission will not be eligible for retired pay on voluntary retirement but may be awarded any service pension or gratuity for which he may be eligible by virtue of ratings service.

(b) An officer serving on a permanent or pensionable commission who was transferred to that commission from a short service commission, and who voluntarily retires less than 5 years after the grant of his permanent or pensionable commission will not be eligible for any gratuity on voluntary retirement, but may, if he had previous rating service, be awarded any gratuity for which he may be eligible under the conditions relating to the award of gratuities to ratings.

10. *Special Rules relating to Officers promoted from the lower deck.*

A rating promoted to a permanent commission while serving on a normal regular engagement may on retirement be granted either:

(a) Retired Pay under the conditions relating to the award of retired pay to officers, or

(b) Retired Pay under the current rules for the award of ratings' pensions whichever is more to his advantage.

Temporary Commission. An officer promoted to a temporary commission on the Special Duties List may, on retirement after completing 7 or more years of commissioned service, be awarded retired pay under the conditions set out in Schedule II, Section 1. An officer who retires at his own request may be awarded additions for commissioned service in accordance with Clause 14 of Schedule IV subject to the total award not exceeding the amount which would have been payable had the officer been on a permanent commission.

Women Officers.

11. *Officers of the Women's Royal Naval Service and Members of Queen Alexandra's Royal Naval Nursing Service.*

(Note.—For the general purpose of the regulations in this Schedule, the term "Officer" shall include a member of the Queen Alexandra's Royal Naval Nursing Service).

Except as otherwise provided in this Schedule, officers of the Women's Royal Naval Service (WRNS) and members of Queen Alexandra's Royal Naval Nursing Service (QARNNS) holding appointments in the Permanent Service who retire from the Active List on or after 1st April 1972 may be granted retired pay or gratuities under the general conditions applicable to officers of the Royal Navy holding permanent regular commissions as prescribed in Section 1 of Schedule I. The rates will be 90 per cent of the rates for men officers of equivalent ranks, as indicated below.

12. *Retirement on marriage*, or for compassionate reasons where the Secretary of State for Defence is satisfied that such reasons necessitate retirement or termination of service, may be treated as compulsory retirement for purposes of awards of retired pay.

13. *Reckoning of Service.* Within the limits prescribed in Clauses 2, 3, 4 and 5 of Schedule I, all full pay service as an officer of the W.R.N.S. or as a member of the Q.A.R.N.N.S. or Q.A.R.N.N.S. Reserve or service as a rating in the W.R.N.S. may be taken into account in assessing qualifying and reckonable service for the award of retired pay and gratuities, as may service that would be treated as qualifying or reckonable service under Army or Royal Air Force regulations.

14. *Adjustments for parts of a year.* When an officer's reckonable service exceeds a given number of years (up to and including 33 years) his retired pay will be increased for each further day's service, by 1/365 of the difference between the rate for the number of years completed and the rate which would have been awarded had a further complete year been served.

SECTION II

Retired Officers of the Royal Navy and Royal Marines—Re-employment in Peacetime

15. An officer who is on retired pay may, while re-employed for training or on any authorised naval duty for periods not exceeding 6 consecutive months or aggregating 6 months or less in any 12 months, continue to draw his retired pay concurrently with any pay to which he is entitled; but payment of retired pay may be suspended when there is doubt about the duration of the period of re-employment. No retired pay will be payable when the period of re-employment exceeds 6 months, and where the retired officer has commuted any part of the retired pay which would have been liable to suspension had he not commuted, a deduction equivalent to the amount commuted will be made from his pay.

16. An officer whose service retired pay has been suspended under Clause 15 above and who, having been placed on the Retired List before 1st April 1972 is re-employed on or after that date without an actual break in service, will be eligible on reversion to the Retired List for awards of retired pay and terminal grant under the provisions in Sections I and II of Schedule II as appropriate for officers retiring on or after 1st April 1972 assessed on the basis of former service added to re-employed service as follows:

- (a) Under the provisions of Section I of Schedule II, provided that
 - (i) the period of re-employment is not less than 3 years; or
 - (ii) the officer is invalided from re-employment; or
 - (iii) he originally retired on or after 1st April 1972

(b) If the officer originally retired before 1st April 1972 and the period of his re-employment is less than 3 years and he is not invalided, under the provisions of the Order in Council under which his retired pay was originally assessed.

17. If during re-employed service an officer has served in a rank higher than that held before original retirement and has received the pay and allowances appropriate to that rank, this service may be allowed to reckon for assessment of a revised rate of retired pay on a similar basis to that laid down in Clause 7 of Schedule I.

18. If the officer had originally retired at his own request, re-assessed retired pay under either sub-clause (a) or (b) above will be on the basis of voluntary retirement, unless he is invalidated from re-employment.

19. An officer whose retired pay has been suspended under Clause 15 of this Schedule may receive, on reversion to the Retired List on or after 1st April 1972 terminal grant or additional terminal grant calculated as follows:

- (a) If retired pay has been re-assessed under sub-Clause 16(a)(i) or 16(a)(ii) above, the award shall be, for each complete year of re-employed service, one-tenth of the difference between 3 times the annual amount of retired pay awarded on termination of re-employment and the terminal grant (if any) previously awarded.
- (b) If retired pay has been re-assessed under sub-Clause 16(b) above, and the officer originally retired before 1st January 1956, as in sub-Clause (a) above.
- (c) If retired pay has been re-assessed under sub-Clause 16(a)(iii), or under sub-Clause 16(b) above where the officer originally retired on or after 1st January 1956, the difference between the terminal grant previously awarded and 3 times the amount of retired pay awarded on termination of re-employment.

20. An officer who originally retired at his own request with a gratuity only may receive an additional gratuity of £305 for each year of re-employed service.

21. An officer who re-enters the Service within 5 years of being discharged on redundancy will be required to refund a portion of the Special Capital Payment awarded to him. The refund will be calculated as follows:

$$\frac{a - b}{a} \times \text{The Special Capital Payment.}$$

(Where "a" = 5 years or this uncompleted period of service on redundancy, whichever is the less, and "b" = the break in service).

SECTION III

Retired Officers of the Royal Navy and Royal Marines—Re-employment in Emergency

22. On recall for service at a time of imminent national danger or of great emergency, or when re-employed with the armed forces on general mobilisation, one-half of the retired pay of a retired officer will remain in issue concurrently with the pay and allowances appropriate to his rank on re-employment. Any portion of the retired pay that has been commuted will be recovered from the retired pay remaining in issue, or, when this is insufficient to meet the liability, from his pay to the extent of the deficiency.

23. For the purposes of applying Clause 22 of this Schedule to a retired officer compulsorily recalled at a time of national emergency when general mobilisation has not been announced, the operative period will be determined by the Secretary of State for Defence in consultation with the Minister for the Civil Service.

SECTION IV

24. The provisions of this Section shall apply only to officers serving under the terms and conditions laid down in Order in Council (No. 96/CE) of 23rd July 1931 and subsequent amending Orders in Council, who retire from the Active List at their own request before reaching the age of 45 in order to accept appointments in or under the Naval Ordnance Inspection Division of the Weapons Department of the Ministry of Defence (Navy Department) as members of the Works Group (Variant) Class of the Home Civil Service. Such officers shall be eligible from the date of their retirement from the Active List for awards of retired pay and terminal grant at the rates and under the conditions in force at the time of their retirement for officers on the General Active List who are retired compulsorily for age or non-employment; but not for any increase that might otherwise be payable in respect of service in acting and temporary rank under Clause 7 of Schedule I.

25. Any officer who, having retired from the Active List under the foregoing Clauses, voluntarily terminates his service in or under the Naval Ordnance Inspection Division within three years of taking up an appointment as a member of the Works Group (Variant) Class thereupon to have his retired pay reduced to the rate that would have been payable, less any part commuted at the time of his retirement from the Active List had that retirement been treated as though it were that of an officer on the General Active List retired at his own request; and to refund to the Ministry of Defence:

(a) the difference between the higher and lower rates of retired pay in respect of the period during which the former was in payment; and

(b) the difference between terminal grants based on the higher and lower rates of retired pay.

Payment of retired pay shall be discontinued until arrangements satisfactory to the Ministry of Defence have been made for refund of the amounts due.

SCHEDULE II

SECTION I

Service Retired Pay for Permanent or Pensionable Royal Navy and Royal Marine Officers

1. The provisions of this Section relate to officers holding permanent or pensionable commissions in the Royal Navy or Royal Marines, who retire from the Active List on or after 1st April 1972. In the case of aircrew officers proportionate gratuity will be calculated as follows:

- (a) For service short of 8 years:
 - For the first 18 months' service at the rate of £225 a year.
 - For service beyond the first 18 months at the rate of £345 a year, subject to a maximum of £2,580.
- (b) For service between 8 and 12 years £2,580 in respect of the first 8 years and at the rate of £605 a year for the remaining period subject to a maximum of £5,000.

16. *Supplementary List Aircrew* serving on pensionable commissions to age 38, who leave at their optional breakpoints, will be eligible for gratuities calculated in accordance with Clauses 14 and 15 above. If they leave at any time other than at their optional breakpoints they will not be eligible for a gratuity under this Section, but may be awarded any retired pay or gratuity for which they may be eligible as a permanent or pensionable officer.

17. *Supplementary List Electrical Officers* entered on or after 6th February 1964 who hold a degree, or degree equivalent, in electrical engineering (or in science with suitable engineering subjects), or are Graduate Members of the Institution of Electrical Engineers, or the Institution of Electronic and Radio Engineers, or who hold qualifications which approximate to, or which exempt them from Parts I and II of the Institution of Electrical Engineers' examination, may on satisfactory completion of 10 years' service on the Active List, be granted a gratuity of £3,500. Those who leave on completion of 5 years' service will be eligible for a gratuity of £1,525. In the case of Professionally Qualified Electrical Officers proportionate gratuity will be calculated as follows:

At the rate of £305 a year for the first 5 years and at £395 a year in respect of service between 5 and 10 years.

18. Electrical Officers entered before 6th February 1964 and retiring on or after 1st April 1972 will be eligible for a gratuity at the rate of £305 a year except that officers holding the professional qualifications laid down in Clause 17 of this Schedule who on 6th February 1964 had completed less than 5 years' service will be eligible for a gratuity of £3,500 on completion of 10 years' service.

SECTION VII

Gratuities in respect of other Short Service Commissions

19. An officer holding a Short Service Commission or a Commission on the Supplementary List in the Royal Navy under terms which provide for the payment of gratuity may, on satisfactory completion of the service on or after 1st April 1972, including any extension of service he has undertaken, be granted a gratuity at the following annual rates:

- (a) Air Traffic Control Officers £305 except that service below the rank of Acting Sub-Lieutenant will reckon only at the rate of £215 a year.
- (b) Other Officers including Helicopter Pilots, but excluding Pilots and Observers of fixed wing aircraft £305

SECTION VIII

General Conditions attaching to the award of Short Service Gratuities

20. Should the officer fail to complete the full period of Active List service which he has undertaken, an award may nevertheless be awarded as follows:

- (a) If his service is terminated for non-employment, or for incapacity, unsuitability or inefficiency not due to causes within his own control, or if he is permitted voluntarily to terminate his service within 6 months of the completion of the full period of Active List service he has undertaken, he may be awarded either a gratuity proportionate to the length of Active List service he has actually completed or a reduced gratuity at such rate as the Secretary of State for Defence may determine.
- (b) If his service is terminated on account of disability not due to causes within his own control, he may be granted a gratuity proportionate to the length of Active List service he has actually completed.
- (c) If he is permitted voluntarily to terminate his service more than 6 months before the conclusion of the period he has undertaken no gratuity will be payable to a Pilot or Observer, unless he has completed at least 18 months' satisfactory service and is in possession of the flying badge, nor to an officer of any other Branch unless he has completed at least one year's satisfactory service. Thereafter he may be allowed at the discretion of the Secretary of State for Defence, such gratuity as may be determined, but not in any event exceeding three-quarters of the amount proportionate to the length of his actual service on the Active List.
- (d) If his service is terminated owing to disability due to causes within his own control or to inefficiency or other cause within his own control but not amounting to misconduct, he may be allowed, at the discretion of the Secretary of State for Defence, such gratuity as may be determined, but not in any event exceeding the amount which would have been admissible had he been allowed to terminate his service voluntarily.
- (e) If his service is terminated on account of misconduct, the special payment of a compassionate gratuity shall be within the discretion of the Secretary of State for Defence according to the circumstances of his case, but the award will not in any event exceed 90 per cent of the gratuity which would have been admissible had he left voluntarily.
21. No part of a short service gratuity will be payable to the officer's estate or otherwise in the event of his death before completion of the period of Active List service he had undertaken.

SECTION IX

Gratuities for Women Officers

22. The general conditions governing the award of gratuities to male officers shall also apply to women officers, except where otherwise stated. The rates will be 90 per cent of the rates for male officers of equivalent rank as set out in Sections I and II of Schedule I and Sections II, III, VII and VIII of Schedule II.

23. *Gratuities for Third Officers, WRNS, retired compulsorily after 7 years' service.* Third Officers WRNS who are retired compulsorily for non-employment on completion of 7 years' service in the rank will be eligible for a gratuity of £1,921.50.

24. *Gratuities for Officers on short service engagements.* WRNS Officers granted short service commissions and who satisfactorily complete a 7-year commission on or after 1st April 1972 will be eligible for a gratuity of £1,921.50. On optional withdrawal after satisfactorily completing 5 years' service on a short service commission, they will be eligible for a gratuity of £1,372.50.

25. *Nursing Sisters.* Nursing Sisters entered for short service will, on satisfactorily completing the period of service undertaken, be eligible for a gratuity at the rate of £275 for each year of short service.

26. *Gratuities for permanent and short service officers leaving on marriage or for compassionate reasons:*

- (a) Permanent Officers who have completed at least 4 years' service as officers and who, being ineligible for retired pay or for gratuities under the provisions of the foregoing Clauses, are permitted to retire or are required to terminate their service on marriage, or for compassionate reasons where the Secretary of State for Defence is satisfied that such reasons necessitate retirement or termination of service on or after 1st April 1972 may be awarded a gratuity of £182 for each complete year of qualifying service subject to a maximum of £1,820.
- (b) A short service officer whose service is terminated for the reasons stated in the preceding sub-Clause will be eligible for a gratuity at the rate of £275 a year proportionate to the length of short service commission actually completed. The minimum of 1 year's service stipulated in sub-Clause 20(c) of this Schedule may be disregarded for purposes of awards under this Section.

SCHEDULE III

SECTION I

Ratings—General

1. The provisions and general conditions in this Section shall apply for the purpose of determining entitlement to pensions terminal grants and gratuities to ratings of the Royal Navy, other ranks of the Royal Marines, ratings of the Women's Royal Naval Service and the Naval Nurses of Queen Alexandra's Royal Naval Nursing Service who give service on full pay on or after 31st March 1972. They do not apply to RN Locally Entered Ratings. The rates of pension are effective from 1st April 1972.

2. *Ratings.* Except where otherwise stated, the term "ratings" in this Schedule should be read as including Fleet Chief Petty Officers, Chief Petty Officers, Petty Officers, Non-Commissioned Officers, Ratings and other ranks of the Royal Navy, Royal Marines, and Women's Royal Naval Service and Naval Nurses of Queen Alexandra's Royal Naval Nursing Service.

3. *Reckonable Service.*

(a) "Reckonable Service" means all full pay service from age 18.

(b) "Years of Reckonable Service" means full pay service from the age of 18 up to and including the last day on full pay. Rates for residual parts of a year are to be calculated proportionately according to the number of days.

4. *Periods of Service.* The following periods may be included in assessing reckonable service:

- (a) Unforfeited full pay service given, otherwise than as a commissioned officer, after attaining the age of 18 years, in the Royal Navy, the Royal Marines, the Army, Royal Air Force, or in the Armed Forces of the British Commonwealth or Colonies, or in the former Armed Forces of India or Burma.
- (b) Service as a commissioned officer which would reckon under Clause 3 of Schedule I.
- (c) Periods on full pay for the purposes of training while a member of the Auxiliary or Reserve Forces, except broken periods individually of less than six months' duration.
- (d) Whilst a regular rating, periods in appointments not remunerated from Navy Funds which the Secretary of State for Defence may decide can reasonably be regarded as part of the rating's career as such. These will generally be appointments to which the rating brings his Naval knowledge and from which he acquires additional experience and which have been offered to him as part of his Naval Service.
- (e) In the case of women, full-time employment as a Naval Nurse in Queen Alexandra's Royal Naval Nursing Service or with the Navy, Army or Air Force as a member of a Voluntary Aid Detachment.

5. The following shall not be reckonable service:

- (a) Periods of imprisonment or detention, whether awarded summarily or by sentence of court martial; or confinement in cells.
- (b) Time forfeited through conviction by the Civil Power, or consequent upon an Order under the Probation of Offenders' Act.
- (c) Time spent in desertion and, unless restored by the Secretary of State for Defence, any service preceding desertion.
- (d) Any service during which pension is drawn except as provided in Clauses 26 to 34 of this Schedule.
- (e) Service rendered by any person who shall have re-entered after having been dismissed from Her Majesty's Service with disgrace or discharged with ignominy.

6. *Previous Service.*

- (a) In the case of previous service in respect of which the rating received a service gratuity (including a gratuity in respect of supplemental or extended service), it shall be a condition of allowing such service as reckonable service under Clause 4 of this Schedule that the gratuity shall be refunded either in a lump sum or otherwise.
- (b) In any case of previous service other than in the Royal Navy, Royal Marines, Army or Air Force, it may be stipulated as a condition for the allowing of such service towards pension or gratuity that the person makes a payment to Naval Funds, either in a lump sum or otherwise.
- (c) Previous service as a Maltese locally enlisted other rank or airman, which is reckonable for pension purposes may be added to reckonable naval service for the award of a service pension and terminal grant. The pension and terminal grant will be assessed at the current rate appropriate for each period of service, but assessed for both periods at the rank determined under Clauses 8 to 11 of this Schedule.
- (d) Previous service as a Maltese locally enlisted other rank or airman which is reckonable for gratuity purposes may be added to reckonable naval service for the award of a gratuity on discharge. The amount of gratuity payable is the sum of the amounts for each period of service, each amount being related to the gratuity payable on the total reckonable time on the current scale for each Service in the proportion of reckonable time in that Service to total reckonable time.

7. *Service preceding a five-year interval of service* will not be reckonable unless specially so allowed by the Secretary of State for Defence, and eligibility to reckon such service will normally be determined at the time of resumption of service. However, the following periods will not be regarded as intervals in service for the purpose:

- (a) A period during which a man was a member of a Reserve Force undertaking, or liable for, periodical training.
- (b) A period during which a man, although not a member of an organised reserve, remained liable for recall, provided his period of service included a period of war service. War service for this purpose is defined as full pay service between 3rd September 1939 and 15th August 1946.

8. *Rank for Assessment of Pension.* Except as provided in Clauses 9 to 11 of this Schedule pensions will be based on the length of reckonable service and normally on the highest paid rank whether acting or confirmed, held for an aggregated period of 2 years or more during the 5 years preceding discharge to pension. Where during the 5 years preceding the termination of full pay service, a rating has completed a total of at least one year, but less than 2 years in a higher rating or ratings, will be assessed initially on the highest paid rating held for 2 years or more to which an addition will be made for this service in the higher rating. The addition will be calculated by taking for the first year of service in the higher rate, one third of the difference between the pension payable for the rating held for 2 or more years and the pension of the next higher rating plus a proportionate amount calculated by days for any period in a higher rating in excess of one year. For the purposes of this Clause, paid service in a higher rank may, where it is to a rating's advantage, be treated as if it were in all respects service in a lower rating.

9. In the case of those invalided, pension may be based on the length of reckonable service and on the substantive rank held at the time of discharge provided the higher rate was a regular roster advancement if this is more favourable than the rule in Clause 8 of this Schedule.

10. Where a rating has completed a pensionable engagement but is permitted to remain in the service in a lower rank, he may on final discharge be awarded the pension for which he would have been eligible had he been discharged on the date on which he reverted to the lower rank (but calculated at the rates current on the date on which he is actually discharged) with an addition of the annual increments of pension appropriate to the lower rank for the period served in that rank.

11. When a rating has been disrated for misconduct or reverted for inefficiency or unsuitability during the 5 years preceding termination of full pay service and is eligible for a service pension under Clause 2 of Schedule IV the rank on which such a pension is to be based will be determined by the Secretary of State for Defence having regard to the circumstances of the case.

12. *General Conditions governing the award of service gratuities.* The provisions of this Section relate to ratings who are transferred to the Reserve or discharged from regular engagements without entitlement to service pension. The Secretary of State for Defence may stipulate that the award of any gratuity under this Section shall be conditional on the rating undertaking further service in the reserves or other Auxiliary Force, and if the person refuses to undertake such service the gratuity, or such part of it as may be determined, shall not be payable.

13. Where a rating is discharged for misconduct or for inefficiency within his own control, the award of a service gratuity and its amount will be at the discretion of the Secretary of State for Defence, but where the discharge is for misconduct any gratuity awarded shall not exceed 90 per cent of the award which would have been admissible had the discharge been on other grounds.

14. A Service gratuity will not be payable on re-engagement for further service, on appointment to a commission, or on discharge for the purpose of giving further full pay service in the Armed Forces.

15. If a rating dies while serving no gratuity will be payable under this Section.

16. *Adjustments for parts of a year.* Reckonable service will be as for service pensions in Clauses 4 to 7 of this Schedule. Where the total of reckonable service is not in complete years, the residual period of less than a year will be reckonable in calculating the amount of the gratuity. The award for the residual part of a year will be calculated, according to the number of days, as a proportion of the increase payable for the next complete year at the appropriate point of the scale.

SECTION II

17. *Service Pensioners Re-employment in Peacetime.* For the purpose of this Section re-employment on a pensionable basis shall be any period of re-employed naval service during which a long service pensioner has given up payment of his pension in order that such additional service may be reckonable for increase of pension on final discharge.

18. Ratings who were in re-employment on a pensionable basis on or after 1st April 1972, will qualify on discharge for re-assessed service pensions and terminal grants in accordance with the following conditions, provided that the interval in service as defined in Clause 7 of this Schedule does not exceed 5 years.

19. Where the period of continuous pensionable re-employment is 3 years or more, or the rating is invalidated from re-employment, the pension and terminal grant will be re-assessed on total pensionable service (including re-employed service) at the rates shown in Clauses 8 to 11 of Schedule III and Clause 6 of Schedule IV. Where the period of re-employment is less than 3 years and the rating is not invalidated the additional service rendered will count towards an increased pension at the rates laid down in the Order in Council under which the original pension was awarded. The re-assessed terminal grant will be reduced by the amount of terminal grant previously paid.

20. Where a pensioner who was re-employed in a lower rank than that held when he was originally discharged to pension has qualified for re-assessment of his pension under Clause 19 of this Schedule, he may on final discharge, if more to his advantage, be awarded the pension to which he would have been entitled at the time when he was originally discharged to pension, but calculated in accordance with Clauses 8 to 11 of Schedule III and Clause 6 of Schedule IV together with an addition based on his further service and rank as defined in Clauses 8 and 9 of this Schedule.

21. Where the period of continuous pensionable re-employment is less than 3 years and the rating is not invalidated, the pension will be re-assessed on total pensionable service at the rates laid down in the Order in Council under which the previous pension was awarded. A terminal grant, if payable under this Order in Council, will be re-assessed on total pensionable service and reduced by the amount of the terminal grant previously paid.

22. *Pensioners Re-employed after an interval of over 5 years.* Where a pensioner is re-employed on a pensionable basis after an interval in service of more than 5 years, as defined in Clause 7 of this Schedule, the pension previously awarded will not be re-assessed on final discharge and no terminal grant will be payable. Where the period of continuous pensionable re-employment is 3 years or more, or the rating is invalidated from re-employment, the pension previously awarded will be increased by additions in respect of the re-employed service at the rates shown in Clause 6 of this Schedule. Where the period of re-employment is less than 3 years and the rating is not invalidated, the additional service rendered will reckon for increase of the pension only at the rates laid down in the Order in Council under which the pension was awarded.

Officers Re-employed as Ratings.

23. An officer who after being awarded retired pay is subsequently re-employed as an R.N. rating or Royal Marine other rank, may be dealt with under this Section as though his retired pay were a service pension.

24. *Commutation.* When a pensioner who has commuted a part of his pension re-enters the Royal Navy or the Royal Marines and ceases to draw pension, he will be required to refund the value of the commuted part for the period of further service. He shall be given the option of refunding the money by:

- deduction from his final pension, on discharge, for a period equal to the re-employed service of an amount equivalent to that commuted; or
- deduction from any terminal grant payable on final discharge; or
- further commutation of pension to provide a sum equal to the capital value of the commuted portion of the original pension for the period of re-employed service; or
- deduction from Naval pay while serving.

A deduction equivalent to the amount of the original part of the pension commuted will be made from any revised award made on final discharge, but the commutation will be ignored in assessing the final terminal grant which will be based on the gross pension irrespective of commutation.

25. Ratings who re-enter the service within 5 years of being discharged on redundancy will be required to refund a portion of the Special Capital Payment awarded to them. The refund will be calculated as follows:

$$\frac{a-b}{a} \times \text{The Special Capital Payment}$$

("a" representing 5 years, or the uncompleted period of service on redundancy, whichever is the less, and "b" the break in service). This formula will produce a refund broadly as follows:

Break in Service	Refund of Special Capital Payment
1 year	4/5ths
2 years	3/5ths
3 years	2/5ths
4 years	1/5th
5 years and over	— (nil)

In addition to the above a discount of a period equal to that by which service on redundancy was enhanced will be made from any subsequent service reckonable for terminal benefits.

Re-employment of Service Pensioners in an Emergency.

26. This Section relates to:

- Service pensioners recalled for service during a period of general recall.
- Other service pensioners who give further service (otherwise than on normal or non-continuous service engagements) during a period of general recall to service on account of an emergency, or who are specially re-employed on full pay in anticipation of an imminent general recall.

27. The provisions of this Section may be brought into operation for such pensioners on such occasions and for such periods as the Secretary of State for Defence may determine in consultation with the Minister for the Civil Service.

28. A service pensioner will, during periods of further service to which these provisions apply, continue to receive his service pension subject to the conditions normally attached thereto.

29. On discharge or release from such service, a service pensioner, provided his service has been satisfactory and of at least 6 months' duration, may receive an addition to his pension of half the difference between:

- (a) the pension for which his previous service qualified him or would have qualified him under Clauses 8 to 11 of Schedule III and Clause 6 of Schedule IV and
 (b) the pension for which he would be eligible under Clauses 8 to 11 of Schedule III and Clause 6 of Schedule IV if his further service were added to his previous service.

30. No terminal grant or additional terminal grant will be payable in respect of the re-employment.

31. An addition under Clause 29 of this Schedule may be granted although the existing pension was assessed under regulations in force before 1st April 1972.

32. If service pensioners are employed with the Armed Forces of the British Commonwealth or Colonies, the provisions of this Section may be applied to them at the discretion of the Secretary of State for Defence as if their further service had been with the Royal Navy, Royal Marines, or Women's Royal Naval Service.

Ratings serving on regular engagements continuing in service during a Future Emergency.

33. The following Clause will be brought into operation on such occasions, being periods of general recall to service on account of emergency as the Secretary of State for Defence may determine in consultation with the Minister for the Civil Service, and in respect of each such occasion may fix a date from which it will come into operation and after which it will cease to apply.

34. A rating serving on a normal regular engagement while this Clause is in operation, who completes 22 years' reckonable service for pension under Section I of this Schedule may be allowed, with effect from the date of completion of 22 years' service, to receive an immediate award of service pension and terminal grant, calculated on 22 years' service. If he elects to receive pension while serving, he will thereafter be regarded for pension purposes as a re-employed pensioner under Clauses 26 to 32 of this Schedule.

SCHEDULE IV

SECTION I

Service Pension and Terminal Grants.

1. The provisions of this Section relate to ratings who give service on full pay on or after 31st March 1972. They do not apply to R.N. Locally Entered ratings. A rating who was serving on 31st March 1972, shall be eligible to receive, in place of the award admissible under the terms of this Schedule, the award for which he would have qualified under the regulations contained in Order in Council (No. 44* of 4th February 1972).

NPP

Conditions of Award.

2. A service pension and terminal grant assessed as in Clauses 8 to 11 of Schedule III and Clause 6 of Schedule IV may be awarded to:

- (a) A rating discharged otherwise than for misconduct or for inefficiency within his own control, provided he has completed at least 22 years' reckonable service.
 (b) A rating who is invalidated after having undertaken an engagement or re-engagement which would normally enable him to qualify for pension under Sub-clause (a) above provided he has completed at least 12 years' reckonable service. The rate of pension on invaliding with less than 22 years' reckonable service but more than 12 years will be the appropriate 22 year rate divided by 22 and multiplied by the number of years and days of reckonable service.

3. A rating whose services are terminated for misconduct or for inefficiency within his own control and who has completed at least 22 years' reckonable service may be granted such portions of the service pension and terminal grant assessed under Clauses 8 to 11 of Schedule III and Clause 6 of Schedule IV as the Secretary of State for Defence may determine, having regard to the circumstances of the case, but when the services are terminated for misconduct, the amount shall not in any event exceed 90 per cent. of the award which would have been admissible had the discharge been on other grounds.

4. A rating who is discharged not more than 3 months before completing 22 years' reckonable service so that he may enter civil employment which he has obtained but which cannot be held open for him, may be awarded a service pension and terminal grant calculated on the actual reckonable service he has rendered, provided that this is not less than 21 years and 9 months.

5. The rates of any pension that may be awarded under the foregoing Clauses will be based on the rank of the rating and on the length of his reckonable service.

6. *Rates of Pension.* Subject to the provisions of the foregoing Clauses, pension may be awarded at the following rates:

Terminal Grants in Addition to Service Pension

7. A terminal grant in addition to service pension will be payable at a rate equal to 3 times the annual value of any pension awarded, a year for this purpose being regarded as 52 weeks. Where an addition in respect of a gallantry award is made to a pension under the provisions of the Order in Council of 14th October 1947, such addition shall be omitted for the purpose of assessing the terminal grant.

8. *Maximum rates of pension.* Men who on 1st April 1972, were serving on engagements that could take them beyond 37 years' reckonable service (i.e. those who entered under the terms of DCI(RN)1104/64) will receive an addition to the 37 year rate of pension equal to 1/37 of the appropriate 37 year rate of pension for each year of reckonable service beyond 37 years subject to a maximum of 5 years, i.e. 5/37 of the 37 year rate of pension.

SECTION III

Service Gratuities.

9. (a) Ratings who, after 31st March 1972, are transferred to the Reserve or discharged from regular engagements without entitlement to service pensions, (see Clause 12 of Schedule III) may on completion of 12 years' reckonable service be awarded a gratuity as follows:
