GREATER LONDON COUNCIL NOTICES

GREATER LONDON COUNCIL LONDON BOROUGH OF WANDSWORTH

The Wandsworth (Restriction of Through Traffic) (No. 1) Experimental Traffic Order 1977

Notice is hereby given that the Greater London Council on 4th April 1977 made the above-mentioned Order under section 9 of the Road Traffic Regulation Act 1967, as amended by the Transport Act 1968 and the Road Traffic Act 1974 and as modified by the Greater London Council (General Powers) Act 1974.

2. The Council propose to deter through traffic from using Beechcroft Road in the London Borough of Wandsworth without excluding it altogether. This will be achieved by means of light signals in conjunction with an electrically operated barrier which will be erected in the carriageway of Beechcroft Road approximately 30 metres south-east of the south-eastern kerb-line of Crockerton Road.

3. The general effect of the Order will be:

- (1) to prohibit all vehicles from entering the area of the carriageway lying below the aforementioned barrier except when the barrier is in the fully raised position;
- (2) to prohibit all vehicles from entering or proceeding in any area of the carriageway (to be known as "the bicycle lane") lying within the length of Beechcroft Road specified in Schedule 1 to this Notice and which area lies between the edge of the carriageway of that road and the nearest longitudinal single white line (which will be broken by a gap at traffic signs which are light signals for controlling the movement of vehicular traffic) marked on the carriageway of that road.

4. Exemption has been provided in the Order in relation to the prohibition referred to in paragraph 3 (2) above in respect of:

- (i) bicycles (not being motor vehicles);
- (ii) a vehicle being used for fire brigade, ambulance or police purposes if it is reasonably necessary and practicable for that vehicle to enter or proceed in a bicycle lane;
- (iii) any vehicle being used in connection with the removal of any obstruction in a bicycle lane;
- (iv) any vehicle which enters a bicycle lane for the sole purpose of waiting for a period not exceeding two minutes to enable a person suffering from any disability or injury (including blindness) which seriously impairs his ability to walk, to board or alight from that vehicle.

5. To apply in a modified form the provisions of the Wandsworth (Waiting and Loading Restriction) Order 1976 so that waiting by vehicles (otherwise than for the purpose of delivering or collecting goods or loading or unloading a vehicle) will be prohibited at any time in the lengths of road specified in Schedule 2 to this Notice.

6. The prohibition referred to in paragraph 5 above will not apply in certain circumstances, e.g., the picking up or

setting down of passengers, to licensed street trading, etc. The usual exemption relating to vehicles displaying a disabled person's "Orange Badge" will apply.

7. The prohibitions referred to in paragraphs 3 (2) and 5 above will not apply to anything done with the permission or at the direction of a police constable in uniform or in relation to the carrying out of statutory powers or duties in certain circumstances.

8. The Order provides that in pursuance of section 9 (5) of the Road Traffic Regulation Act 1967, the Council's Chief Engineer (Traffic) or some person authorised in that behalf by him, may, if it appears to him or that person essential in the interests of the expeditious, convenient and safe movement of traffic or for preserving or improving the amenities of the area through which any road affected by the Order runs, modify or suspend the Order or any provision thereof.

9. A copy of the Order which will come into operation on 1st May 1977 and of the Council's statement of reasons for making the Order can be inspected during normal office hours on Mondays to Fridays inclusive until 30th April 1978 in Room B.21, The County Hall, London, SE1 7PB.

10. Copies of the Order may be purchased from the Information Centre, Greater London Council, The County Hall, London, SE1 7PB.

11. Any person desiring to question the validity of the Order or of any provision contained therein on the ground that it is not within the powers of the relevant section of the Road Traffic Regulation Act 1967 or on the ground that any requirement of that section of the Act or of section 84A, 84B or 84C of the Act or of any regulations made under the said section 84C has not been complied with in relation to the Order may within 6 weeks of the date on which the Order was made, make application for the purpose to the High Court.

12. If the provisions of the Order continue in operation for a period of not less than 12 months and have not at any time been varied or suspended under section 9 of the Act of 1967, the Council will consider in due course whether the provisions of the Order should be reproduced and continued in force indefinitely by means of an Order under section 6 of the said Act of 1967. Any person desiring to object to the making of the Order under section 6 of the said Act of 1967 for the purpose of such reproduction and continuation in force may, within the period expiring on 19th March 1978 send a statement in writing of his objection and the grounds thereof to the Director of Planning and Transportation, The County Hall, London, SE1 7PB, quoting the reference PT/TN/RG.
