The Secretaries of State hereby direct that any person who intends at the Inquiries to submit that any highway or proposed highway to which the draft Side Roads Order relates should follow an alternative route, or that, instead of improving, diverting or altering a highway to which the draft Side Roads Order relates, a new highway should be constructed on a particular route, shall send to them at the South-Eastern Road Construction Unit, Federated House, London Road, Dorking, Surrey, RH4 1SZ not later than 12th August 1977 sufficient information about the alternative route or the route of the new highway, as the case may be, to enable it to be identified. Failure to comply with this direction will entitle the Secretaries of State and the person holding the Inquiries to disregard so much of any objection as consists of such submission.

Any person who proposes to make a submission about an alternative route for a highway or proposed highway, or about the construction of a new highway on a particular route instead of improving, diverting or altering a highway, is reminded of the power of the Secretaries of State to disregard objections which in their opinion amount in substance to objections to the M25 South Orbital Motorway (Egham—Chertsey Section) Scheme 1971 or the M25 Motorway (Chertsey—South of Byfleet Section) Scheme 1976.

MONOPOLY REFERENCE

CREDIT CARD FRANCHISE SERVICES

The Director General of Fair Trading in exercise of his powers under sections 47 (1), 49 (1) and 50 (1) of the Fair Trading Act 1973 hereby refers to the Monopolies and Mergers Commission the matter of the existence or possible existence of a monopoly situation in relation to the supply in the United Kingdom of credit card franchise services.

The Commission shall investigate and report on the questions whether a monopoly situation exists and if so:

- (a) by virtue of which provisions of sections 6 to 8 of the said Act that monopoly situation is to be taken to exist;
- (b) in favour of what person or persons that monopoly situation exists;
- (c) whether any steps (by way of uncompetitive practices or otherwise) are being taken by that person or those persons for the purpose of exploiting or maintaining the monopoly situation and, if so, by what uncompetitive practices or in what other way;
- (d) whether any action or omission on the part of that person or those persons is attributable to the existence of the monopoly situation and, if so, what action or omission and in what way it is so attributable; and

(e) whether any facts found by the Commission in pursuance of their investigations under the preceding provisions of this paragraph operate, or may be expected to operate, against the public interest.

For the purposes of this reference: "credit card franchise services" means the undertaking and performance of engagements with suppliers to pay for goods or services supplied to credit card holders against the presentation of a credit card or to acquire debts of credit card holders for goods or services so supplied but does not include the undertaking and performance of engagements to pay the amount of any cheque delivered to a person supplying goods or services or to refund amounts of cash supplied to credit card holders; and "credit card" does not include:

- (a) a credit card for acquisitions from only one supplier or group of suppliers under common ownership or control or trading under a common business name; or
- (b) a trading check.

The Commission shall report on this reference within a period of 18 months from the date hereof.
