CHERWELL DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACT, 1971

TOWN AND COUNTRY AMENITIES ACT, 1974

Notice is hereby given that the Cherwell District Council have pursuant to section 277 of the Town and Country Planning Act 1971 as re-enacted by section 1 of the Town and Amenities Act 1974 designated the area described in the Schedule below as the Wroxton Conservation Area. A plan of the said area may be inspected at the Cherwell District Council Offices, Bodicote House, Bodicote, Banbury Oxon, during normal office hours.

The effect of the said designation is that:

- All planning applications for development that would affect the character of the area must be advertised and site notices posted so that the maximum opportunity for comment is given to the public before a decision is reached.
- The Cherwell District Council as district planning authority, will exercise particular care to ensure that change, when it occurs, does not detract from the character of the area.
- No building in a conservation area may be demolished without obtaining listed building consent from the district planning authority. Exceptions to this rule are those laid down in paragraph 15 of the Department of the Environment Circular 147/74, details of which are available in the offices of the Cherwell District Council. These exceptions mainly affect small buildings within the curtilage of a dwellinghouse, gates, fences, walls or other enclosures, temporary buildings, certain agricultural and industrial buildings and buildings required to be demolished under the provisions of the Town and Country Planning Act 1971, the Housing Act 1957, or the Pastoral Measure 1968.
- It is an offence to cut down, top, lop, uproot, wilfully damage or wilfully destroy any tree in a conservation area (and not already the subject of a tree preservation order), without giving 6 weeks notice to the District Council. This provision does not relate to trees covered by a felling licence, to dead trees, where the trees concerned do not exceed 75 mm (3 inches approx.) in diameter, and in certain other cases details of which can be obtained from the Cherwell District Council.

- The Cherwell District Council will generally only consider detailed planning applications in this conservation area. Sufficient detail must be shown to enable the district planning authority to assess the scale, massing, design and materials of buildings and their relationship to existing buildings. Outline planning applications are not considered acceptable in this area.
