PRESENT,

The QUEEN'S Most Excellent Majesty in Council

Whereas it is expedient to provide for the award of minimum pension benefits in consequence of the issue, under the Social Security Pensions Act 1975 and Part IV of the Social Security Pensions (Northern Ireland) Order 1975, of a contracting-out certificate in respect of the Armed Forces Pension Scheme:

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by section 3 of the Naval and Marine Pay and Pensions Act 1865 (1865 c. 73) and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

Citation

1. This Order may be cited as the Naval and Marine Pay and Pensions (Minimum Pension Provisions) Order 1978.

Interpretation

2. The Interpretation Act 1889 (1889 c. 63) shall apply for the interpretation of this Order as it applies for the interpretation of an Act of Parliament.

General

3. With effect from 6th April 1978 the minimum rates and the conditions of award of such minimum rates of retired pay and pensions in respect of service in the Royal Navy, Royal Marines, Queen Alexandra's Royal Naval Nursing Service and the Women's Royal Naval Service shall be as specified in the Schedule hereto.

N. E. Leigh

SCHEDULE

1. The provisions of this Schedule override all other provisions, whenever made, relating to the award, suspension or forfeiture of retired pay and pensions which would otherwise prevent or limit in duration or amount the award of pensions under the provisions of this Schedule. This Order does not, however, restrict in any way the award of such higher rate of retired pay or pension as may be payable in accordance with the provisions of other Orders in Council, in substitution for a pension provided for in this Schedule.

2. The provisions of this Schedule relate to members of the Armed Forces Pension Scheme, membership of which

includes all members of the Royal Navy, Royal Marines, Queen Alexandra's Royal Naval Nursing Service and the Women's Royal Naval Service, except officers of those Services serving on non-pensionable short service commissions.

Requisite Benefit Pensions

3. From the age of 60 years or from the day following cessation of full pay service, whichever is the later, a pension at the rate hereunder shall be payable to a member of the Armed Forces Pension Scheme (hereinafter referred to as "the Scheme") provided that at least 5 years' service, either contracted-out or reckonable, has been given; and his pension rights have not been transferred to another contracted-out occupational pension scheme:

- (a) An annual pension equal to $1\frac{1}{4}$ per cent. of final pensionable salary as defined in Clause 7 of this Schedule for each year of contracted-out service as defined in Clause 8 of this Schedule up to a maximum of 40 such years.
- (b) Where contracted-out service is less than a year, or exceeds a whole number of years, the calculation shall include the fraction of a year expressed as the number of days divided by 365.

4. Upon the death at any time of a member of the Scheme who has given at least 5 years' service, either contracted-out or reckonable, and has not had his pension rights transferred to another contracted-out occupational scheme, an immediate pension shall be payable to his widow for such time as she is also eligible for a National Insurance Widowed Mother's Allowance, Widows' or Category B Retirement Pension. The annual rate of the widow's pension shall be $\frac{1}{2}$ per cent. of the husband's final pensionable salary for each year and fraction of a year (as defined in Clause 3 (b) of this Schedule) of his contracted-out service.

Guaranteed Minimum Pensions

5. If a member of the Scheme has a guaranteed minimum in relation to the pension for him under the Scheme in accordance with section 35 of the Social Security Pensions Act 1975, the following provisions shall apply:

- (a) the member shall be entitled to receive from the Scheme from State pension age a pension payable for the remainder of his lifetime at a rate equivalent to a weekly rate of not less than that guaranteed minimum. If he is still serving in the regular Armed Forces of the United Kingdom payment may be postponed, but in the event of service continuing after the age of 70 years in the case of a male and 65 years in the case of a woman continued postponement of payment of the said guaranteed minimum shall be subject to the member's consent;

(b) if the member, being male, dies at any time and leaves a widow a pension shall be provided for her under the Scheme at a rate equivalent to a weekly rate of not less than half that guaranteed minimum. In the event of the widow's remarriage before the age of 60 years the pension provided for in this sub-Clause shall cease.

6. If the commencement of any member's guaranteed minimum pension is postponed for any period his guaranteed minimum shall be increased to the extent, if any, specified in section 35 (6) of the Social Security Pensions Act 1975, as amended from time to time.

Definitions

7. *Final pensionable salary* is the averaged annual rate of the aggregate of the earnings in respect of which contracted-out rates of National Insurance contributions have been paid less the averaged annual rate of a sum equal to the aggregate of $1\frac{1}{2}$ times that part of those earnings on which the rate of National Insurance contribution was equal to the rate payable on earnings up to the lower earnings limit; and which earnings were received in a period not exceeding three consecutive years ending on the 31st March immediately preceding the date on which pensionable service in the regular Armed Forces of the Crown ceased.

8. "*Contracted-out Service*" means service in any of the regular Armed Forces of the United Kingdom during which contracted-out rates of National Insurance contributions were paid in respect of the emoluments received for such service.

9. *Reckonable Service*. Subject to the restrictions and qualifications in sub-Clause (c), (d), (e) and (f) of this Clause the periods of service defined in sub-Clauses (a) and (b) given from the age of 21 years in the case of officers or from the age of 18 years in the case of ratings or other ranks shall be included in assessing reckonable service for the purposes of this Schedule.

- (a) full pay service (including mobilised or embodied service or for the purpose of training) as an officer, rating or other rank of any of the regular Armed Forces of the United Kingdom, their Reserve or Auxiliary Forces, the former Armed Forces of India or Burma, and the Armed Forces of the Commonwealth or a Colony provided that where appropriate such service would be reckonable as qualifying service under Army or Royal Air Force regulations;
- (b) while a permanent regular officer, periods in appointments not remunerated from Defence Votes which the Secretary of State for Defence considers can reasonably be regarded as part of an officers career as such. These shall be appointments to which the officer brings his Service knowledge and from which he acquires additional experience and which have been officially offered to him as part of his Service career;
- (c) service preceding a five-year interval in service shall not be included unless specially allowed by the Secretary of State for Defence, and eligibility to reckon such previous service will normally be determined at the time of resumption of service. Where during a break in service the officer, rating or other rank has been a member of any of the Reserve or Auxiliary Forces of the United Kingdom, undertaking or liable for periodical training, the period of such membership will not be considered an interval in service for the purpose of deciding whether the previous service is admissible;
- (d) in the case of previous service where the break in service was more than one month in duration and in respect of which the officer, rating or other rank received a service gratuity, or in any case of previous service other than in the Armed Forces of the United Kingdom it may be stipulated as a condition for allowing such service to reckon for pension that the officer, rating or other rank shall make a payment to Defence Funds either in a lump sum or otherwise;
- (e) in the case of previous service where the break in service was more than one month in duration and in respect of which a preserved pension has been awarded or a contribution equivalent premium paid it shall be a condition for allowing such service to count as reckonable service in the current period of service that with the agreement of the officer, rating or other rank the preserved pension is cancelled or the contribution equivalent premium is refunded by the Department of Health and Social Security;
- (f) if an officer, rating or other rank has continued to draw concurrently with full pay the pension payable in

respect of previous service the further service will not normally be treated as reckonable service.

Diversion, Suspension and Forfeiture of Pensions

10. Any assignment or attempted assignment of a pension provided for in this Schedule shall be void. Except as provided for in Clause 11 below no pension provided for in this Schedule shall be commutable.

11. In cases where a guaranteed minimum pension has become payable and the total pension benefits (including the pension equivalent of any lump sum) payable to a member or his widow under the provisions of the Armed Forces Pension Scheme would not exceed £52 a year it shall be permissible to commute such pensions for a tax free lump sum in accordance with the life commutation tables prepared by the Government Actuary current at the time of commutation.

12. During any period in which a pensioner is, in the opinion of the Secretary of State, unable to act by reason of mental disorder or otherwise it shall be permissible to divert any pension payable in accordance with this Schedule, or such part of such pension as appears necessary for his care and maintenance, to his wife, son, daughter or any other person in whose care he may be or who may be responsible for the cost of his care and maintenance. Where only part of the pension is so diverted the balance shall be held for the pensioner until he is able to act or, as the case may be, for his estate.

13. During periods of imprisonment or detention in legal custody of the pensioner it shall be permissible to divert any pension payable in accordance with this Schedule to one or more of the pensioner's dependants as the Secretary of State may in his discretion determine.

14. Pensions awarded under Clauses 3 and 4 of this Schedule shall be liable to forfeiture in the following circumstances:

- (a) if the member is convicted of the offence of treason or one or more offences under the Official Secrets Acts 1911 to 1939 for which the member has been sentenced on the same occasion to a term of imprisonment of, or to two or more consecutive terms, amounting in the aggregate to, at least 10 years;
- (b) on the member's being convicted of an offence committed by him in connection with service in the Armed Forces of the Crown and which is certified by a Minister of the Crown either to have been gravely injurious to the State or to be liable to lead to serious loss of confidence in Her Majesty's Armed Forces.

15. Pensions awarded under the provisions of Clause 5 of this Schedule shall be liable to forfeiture in the circumstances described in Clause 14 (a) and also where the person entitled to the benefit or, as the case may be, the member of the Armed Forces, has in the opinion of the Secretary of State for Defence committed an act which is gravely prejudicial to the defence, security or other interests of the State; and where forfeiture of a member's guaranteed minimum pension is permitted by this Clause the prospective widow's guaranteed minimum pension may also be forfeited.

Uprating of Pensions

16. Pensions awarded in accordance with Clauses 3 and 4 of this Schedule shall be eligible for increase under relevant Armed Forces Pensions Increase Measures.

NOTTINGHAMSHIRE COUNTY COUNCIL

The Nottinghamshire County Council (Goldsmith Street and Chaucer Street, Mansfield) (Parking Places and Controlled Parking Zone) Order 1978.

Notice is hereby given that the Nottinghamshire County Council in consultation with the Mansfield Council propose to make an Order which creates a scheme of controlled parking on Goldsmith Street and Chaucer Street, Mansfield. The scheme allows for parking spaces to be established on the roads, without causing obstruction to local and servicing traffic or to emergency vehicles. The setting up of a Controlled Zone will include the introduction of "No Waiting" restrictions on all parts of roads, other than where parking places are provided. The limited time of waiting and resident parking provisions will apply between 8 a.m. and 6 p.m. on Mondays to Saturdays inclusive (the prescribed hours). Residents' cars, dual purpose vehicles, light goods vehicles or motor cycles, will be distinguished by the display of an annual permit which must be conspicuously displayed on the vehicle when parking on a resident's parking space within the restricted periods quoted. Any vehicle parking in these residents' spaces not displaying a permit at those times will be committing an offence. Permits may be issued at any time upon request to a bona fide resident living in any of the streets within the Controlled Area free of charge and will be valid for one calendar year.

Permits will be renewed on application annually. The issue of a resident's parking permit to a resident will permit the resident to park his car during the prescribed hours at any resident's parking space within the whole area. Residents' permits will indicate the area and year for which they are valid and will show the registration number of the vehicle for which they are issued, and will not be transferable to other vehicles. Whenever a resident changes his vehicle, a new permit will be issued in exchange for any existing permit.

Residents' parking spaces and all other parking spaces will be clearly marked on the roads with white lines and all vehicles parked in any parking place will have to park entirely within a parking space.

Exceptions will be permitted for a vehicle to wait at any time, whether or not at a parking space, subject to any other separate restrictions, if it is:

- (a) Picking up or setting down passengers;
- (b) Waiting for the purpose of loading or unloading goods;
- (c) A vehicle being used for Fire Brigade, Ambulance or Police purposes;
- (d) Waiting only for an obstruction to traffic to be removed;
- (e) In the service of or employed by the Post Office;
- (f) Waiting in connection with any funeral, building operation, road works, work undertaken by Statutory Undertakers, or furniture removal.

The two-hour limited waiting period applying at parking places other than those reserved for residents during the day time, will not apply to invalid carriages or vehicles displaying disabled drivers' or disabled persons' badges.

READING BOROUGH COUNCIL

The Borough of Reading (Residents' Parking Places) (St. Bartholomew's Road Area) Order, 1978

Notice is hereby given that the Reading Borough Council, pursuant to arrangements made under section 101 of the Local Government Act 1972, with the Berkshire County Council, in exercise of the powers of the said County Council under sections 1, 28 and 31 of the Road Traffic Regulation Act 1967 (as amended), propose to make the above-mentioned Order, the effect of which will be to introduce a new Residents' Parking Scheme, affecting residents of the following roads:

St. Bartholomew's Road
London Road (Nos. 142-147 even)
Wokingham Road (Nos. 1-21 odd)

The proposed Scheme will replace the existing Residents' Parking Scheme, currently operating in *St. Bartholomew's Road*. If introduced, it will involve the Parts of the other roads listed above in a Residents' Parking Scheme for the first time.

The purpose of the proposed Scheme is to conform with current Department of the Environment criteria on Residents' Parking Schemes, by allowing for the issue of parking permits in respect of designated parking places to residents eligible under the Scheme. This will replace the existing practice under the current Residents' Parking Scheme which allows for the issue of certificates exempting

residents from limited waiting restrictions, but which does not guarantee a parking space.

In order to implement the proposed Scheme, it will be necessary to introduce the following restrictions:

(a) *Waiting limited to two hours between 8 a.m. and 6.30 p.m.—Monday to Saturday.* St. Bartholomew's Road—west side, between a point 88 yards north of its junction with Wokingham Road and a point 115 yards south of its junction with London Road.

(b) *Resident Permit Holders only between 8 a.m. and 8 p.m.—Monday to Saturday.* St. Bartholomew's Road—west side

(i) between a point 20 yards north of its junction with Wokingham Road and a point 68 yards north of that point;

(ii) between a point 50 yards south of its junction with London Road and a point 65 yards south of that point.

The Council consider that, as a general principle, residents' parking spaces in the area shall relate to the expected demand for parking permits. The balance of parking spaces will be made available on a casual basis for non-permit holders as detailed above.

Further details of these proposals, together with a map showing the affected area, may be inspected at the Reception Desk, Civic Offices, Civic Centre, Reading, during normal office hours.

If you wish to object to the proposals, you should send the grounds for your objection in writing to the undersigned by 10th November 1978.

Dated 20th October 1978.

Wm. Henry Tee, Chief Executive and Town Clerk.

Civic Offices,
Civic Centre, Reading.

The effect of the proposed Order will be to make it an offence to drive a vehicle into either of the areas of the road junctions described in the Schedule to this Notice (yellow boxed areas) at times when it would be impossible for the vehicle to leave the areas, owing to the presence of other stationary vehicles.

An exception will be made for drivers wishing to turn right and who are prevented from leaving either of the yellow boxed areas only by moving traffic or other vehicles waiting to complete a right turn.

Full details of these proposals are contained in the draft Order which, together with a map showing the restricted areas and a statement of the Council's reasons for proposing to make the Order, may be inspected at the Reception Desk, Civic Offices, Civic Centre, Reading, during normal office hours.

HUNTINGDON DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971 (AS AMENDED)

Notice is hereby given that under section 277 of the Town and Country Planning Act 1971 (as amended) the Huntingdon District Council has designated the following Conservation Areas. The main provisions of the Act are:

- (a) the control of demolition of all buildings within Conservation Areas, except listed buildings and ecclesiastical buildings;
- (b) the formulation by the Local Planning Authority of proposals for preservation and enhancement of Conservation Areas;
- (c) the control of advertisements in Conservation Areas;
- (d) urgent repair of unoccupied buildings;
- (e) compulsory acquisition of listed buildings;
- (f) protection of trees in Conservation Areas.

Easton No. 35

The Conservation Area for Easton contains a small but highly attractive area along the frontage of the main village street together with the stream which runs parallel to it. The boundary includes all of the properties along Church Road, continuing from the Parish Church of St. Peter to Townsend Farm in a westerly direction. The boundary crosses the stream in a northerly direction to include Ford Cottage along Chapel Lane. Also included within the boundary are Grange Farm House and its immediate environs, situated opposite the Parish Church across the small village green, and a small cottage immediately to the south of the Church.

Bythorn No. 36

The village of Bythorn has developed around a basically circular road pattern and the Conservation Area boundary includes the large majority of properties within this framework. The central core of the village which represents the heart of the Conservation Area is situated around the Parish Church, village green and former primary school, and also includes Thornberry, School Lane and a large grass field on the east side of Warren Lane. Outside the main core the boundary includes all properties along the southern side of the A.604 Huntingdon-Kettering Road which form the southern limits of the village. In a westerly direction Bythorn House and its associated farm-buildings come within the boundary, apart from two modern barns on the north of the site. The boundary then continues for a short distance along Warren Lane. The northern extent of the Conservation Area contains Smith's Farm and Scott's Farm with the contemporary outbuildings, but excludes the modern barns. The eastern limit includes all properties from the disused village hall southwards to Corner House at the junction with the A.604.

Keyston No. 37

The road pattern of Keyston is unusual in that it takes the form of a loop, at the centre of which is the Parish Church, representing the focal point of the village. The Conservation Area boundary concentrates on the properties situated within this loop, and its southern extremity is marked by the Pheasant Public House and cottages to the rear. The boundary extends in a northerly direction to include Keyston House, Manor Farm and Butts Hill Lodge along Loop Road, and within the loop it contains Keyston Farm and neighbouring cottages, Ash Tree Cottage, the former and present Rectory, the former village school, the Parish Church and property immediately to the east, plus all associated open land within this area. The boundary also stretches eastwards along Toll Bar Lane to include Stone House, Thatches, Hill Farm House and the property adjacent to Hill Farm. Corner House is also included within the Conservation Area boundary as it rejoins the loop.
