The Board hereby give notice of a change regarding acceptance of certain proficiency tests as a qualification for the issue of a craft certificate. The tests are those referred to in Columns 2 and 3 of Sections A and B of Schedule 3 Part II of the current Order; they are no longer available having been superseded by the later category-based tests. Workers who have passed the requisite number of these superseded tests but have not yet applied to an Agricultural Wages Committee for the issue of a craft certificate have until 31 December 1979 to do so. After this date the only qualification leading to the issue of a craft certificate listed in Sections A or B will be the category-based tests. Workers who have passed any of these superseded proficiency tests— for which they will have received the National Proficiency Tests Council's "Certificates of Practical Skill"—may already, if they wish, ask the Council to credit these passes towards an appropriate category-based proficiency test and will still be able to do so after 31 December 1979.

Copies of the proposals may be obtained free of charge from the Secretary to the Board at Eagle House, 90/96 Cannon Street, London EC4N 6HT. Any objections to the proposals must be lodged in writing with the Secretary on or before the 18 January 1979 stating precisely the grounds for objection.
