### RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

#### NOTICE

TREASURY MINUTE dated 2nd February 1983.

The Lords Commissioners of Her Majesty's Treasury read section 3 (2) of the National Loans Act 1968 (1968 c. 13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 2nd February 1983 and until the coming into operation of a further determination;

II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);

The Secretary of State for Transport hereby gives notice that he has made an Order under section 1 of the Road Traffic Regulation Act 1967 as amended by Part IX of the Transport Act 1968 and Schedule 6 to the Road Traffic Act 1974 on that length of the Folkestone-Honiton Trunk Road (A31) which lies partly in the Borough of Poole and partly in the District of Wimborne in the county of Dorset and which extends from the junction of the trunk road with the eastern side of Blandford Road, Corfe Mullen (B3074) via Lake Gates Roundabout and the Wimborne Minster Bypass to the western side of Canford Bottom Roundabout. The Order comes into operation on 25th February 1983. The effect of the Order is:

1. to revoke and re-enact the existing clearway restrictions on the trunk road between Lake Gates Roundabout and Corfe Mullen. These restrictions prohibit the waiting by vehicles on the main carriageway and vehicles waiting for the purpose of trading on any verge or layby bordering that carriageway. These restrictions will however end on the eastern side of the junction with Blandford Road, Corfe Mullen instead of the junction with Knoll Lane as hitherto:

2. on the Wimborne Bypass itself which extends from Canford Bottom Roundabout to Lake Gates Roundabout, to prohibit:

(b) waiting by any vehicle for the purpose of trading on any verge or layby bordering the main carriageway of the Bypass.

(a) to a vehicle waiting upon the direction or with the permission of a police constable in uniform or of a traffic warden;

(b) so as to prevent a vehicle from being used in connection with any building operation or demolition, the removal of any obstruction to traffic, the maintenance of the road or of any of the services therein;

(c) to a vehicle being used for fire brigade, ambulance or police purposes;

(d) to a vehicle being used for the purpose of delivering or collecting postal packets;

(e) to a vehicle being used in the service of a local authority or of a water authority in pursuance of statutory powers or duties;

(f) to a vehicle waiting while any gate or other barrier at the entrance to premises to which the vehicle requires access or from which it has emerged is being opened or closed, if it is not reasonably practicable for the vehicle to wait elsewhere; and

(g) to a vehicle waiting in any case where the person in control of it:

(i) is required by law to stop;

(ii) is obliged to stop in order to avoid an accident; or

(iii) is prevented from proceeding by circumstances outside his control.

Any person who desires to question the validity of, or of any provision contained in, the Order, on the ground that it is not within the powers with respect to the Order conferred by the above Act, or on the ground that any requirement of, or of any Instrument made under, any provision of that Act has not been complied with in

The effect of the Order which comes into operation on 19th March 1983, is to prohibit vehicles from entering the box junction in a manner which then causes any part of the vehicle to remain stationary within the marked area.

Exceptions will be provided in the Order to enable a vehicle to wait in the marked area while waiting to complete a right turn for so long as it is prevented from completing that turn by reason of the presence of other stationary vehicles, waiting in or near that area to complete a right turn; or if when the person so causing or permitting had reason to believe that he would immediately be able to cause or permit the vehicle to be driven out of that area.

A copy of the made Order, together with a plan illustrating the proposal may be inspected during office hours at the offices of Hertfordshire County Council, County Hall, Hertford; Dacorum District Council, Civic Centre, Hemel Hempstead and Hemel Hempstead Library, Combe Street, Hemel Hempstead, or obtained by application to the Director (Transport), Eastern Regional Office, 49-51 Goldington Road, Bedford, quoting ref. 505909/A41/53.

#### NOTICE OF APPLICATION TO VARY A LICENCE TO ABSTRACT WATER

Notice is hereby given that an application is being made to the Southern Water Authority by the Mid Kent Water Company, High Street, Snodland, Kent, to extend the existing licence variation for Thanington Pumping Station at grid ref. TR 138567, and Howfield Pumping Station at grid ref. TR 119562 (licence No. 9/40/4/427G) to abstract water by means of existing boreholes from the chalk underground strata.

The variation previously granted provided for: The amalgamation of the existing licences of right to abstract water at Thanington and Howfield into a single combined licence and also increased the maximum daily authorised quantities during the months of May to August inclusive for five years from 1978 or until the commissioning of the new source of supply at Broad Oak, whichever occurred first. The authorisation for the temporary increase in maximum daily quantities from 4.5 million gallons daily to 5 million gallons daily at Thanington and from 3 million gallons daily to 3.75 million gallons daily at Howfield

expires in June 1983 and this application seeks to extend the authorisation which will then lapse at the expiration of the temporary abstraction authorised from the River Great Stour at Plucks Gutter and the commissioning of the new source of supply at Broad Oak. The increase of 1.25 million gallons daily in the combined maximum daily abstractions is needed to meet peak Summer demand in the Canterbury area until the new additional supply becomes available, when the temporary increase will lapse. The annual aggregate licence quantity will remain unchanged at 2,555 million gallons per annum. The Company is prepared for this increase to remain linked to the prescribed flow at the Horton Gauge on the River Great Stour to be specified by the Southern Water Authority, such that when flows in the river fall below this figure the original authorised quantities will not be exceeded.

A copy of the application and of any map, plan or other document submitted with it may be inspected free of charge at the Canterbury Divisional Office, Odsal House, Harbledown, Canterbury, Kent, at all reasonable hours during the period 4th February 1983 and ending 4th March 1983.

## POWYS COUNTY COUNCIL

*The County of Powys (Hall Street, Welshpool) (Prohibition of Through Traffic) Order 1983*

Notice is hereby given that on 26th January 1983, the County Council of Powys made the above-named Order under section 1 (1), (2) and (3) of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968, Schedule 19 to the Local Government Act 1972, Schedule 6 to the Road Traffic Act 1974, and Schedule 7 to the Local Government Planning and Land Act 1980.

Subject to certain exceptions, this Order makes it unlawful to drive a vehicle along the length of the County unclassified road known as Hall Street, Welshpool, which extends for a distance of approximately 69 metres in a north-easterly direction from its junction with the A458 Trunk Road, High Street/Broad Street to its junction with Seven Stars Road (off the B4381, Brook Street).

Exceptions in the Order permit entry by vehicles for the purposes of access and the pursuance of statutory duties only.

The recommended alternative route for through traffic wishing to proceed from High Street/Broad Street to Seven Stars Road/Brook Street is as follows:

At the junction of Hall Street with High Street/Broad Street, proceed south-eastwards along Broad Street for a distance of approximately 130 metres to the traffic signals at The Cross. Turn left on to the A483 Trunk Road, Church Street, and proceed for a distance of approximately 100 metres in a northerly direction to its junction with Brook Street, at which point turn left, and travel along Brook Street for a distance of approximately 110 metres in a north-westerly direction to its junction with Seven Stars Road (leading to Hall Street).

As there is a one-way traffic flow in Hall Street (i.e. in a north-easterly direction from its junction with High Street/Broad Street to its junction with Seven Stars Road) all vehicles wishing to proceed in a south-westerly direction towards High Street and Broad Street must travel via Brook Street and Church Street.

The Order will come into operation on Monday, 7th February 1983.

A copy of the Order and a map showing both the length of road concerned and the recommended alternative route may be examined during office hours at:
