## DEPARTMENT OF THE ENVIRONMENT

### CITY OF CANTERBURY

#### ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979

##### *Proposal to Designate Part of the City as an Area of Archaeological Importance*

The Secretary of State for the Environment considers that the City of Canterbury's historic centre merits treatment as an "Area of Archaeological Importance" in accordance with the provisions of Part II of the Ancient Monuments and Archaeological Areas Act 1979. The Secretary of State therefore proposes to make an Order designating part of the City as an Area of Archaeological Importance.

The effects of the Archaeological Importance designation are that notice is required of any proposed flooding and tipping operations and any operations in the area which will disturb the ground (subject to certain exceptions set out in section 35 of the Ancient Monuments and Archaeological Areas Act 1979); the investigating authority (the Canterbury Archaeological Trust) will then be empowered to enter, investigate and if necessary to excavate the site of operations covered by the notice, and to investigate in advance of operations any site which may be compulsorily purchased. Certain other powers of entry to the site of operations are given. There are also restrictions on the use of metal detectors in any place situated in an area of archaeological importance. Failure to observe the requirements is an offence.

Copies of the draft Order and of the map to which it refers have been deposited with Canterbury City Council and Kent County Council and are available for public inspection (free of charge) during normal office hours at the following addresses:

- Canterbury City Council, Military Road, Canterbury, Kent.
- Kent County Planning Department, Kent County Council, County Offices, Springfield, Maidstone, Kent.
- Department of the Environment South Eastern Regional Office, Charles House, 375 Kensington High Street, London W14 8QH.
- Department of the Environment Ancient Monuments Administration, Fortress House, 23 Savile Row, London W.1.

The Secretary of State may make the Order either without modifications or with such modification only as consists in reducing the area affected 6 weeks after the first publication of notice of his proposal to make the Order (this is the first publication).

Any representations concerning this notice should be made to the Secretary of State for the Environment, Ancient Monuments Administration, Fortress House, 23 Savile Row, London W.1, within 28 days of this notice. They should be in writing and should state the title of the draft Order.
