TREASURY

RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 29th February 1984.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 c. 13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 29th February 1984 and until the coming into operation of a further determination:

- I. The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;
- II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- III. The rates of such interest shall be:

Per cent. per annum

The Water Authority have placed a copy of the draft licences upon deposit at their offices at Saltersford Treatment Works, Saltersford Grantham, and Waterside House, Waterside North, Lincoln, and such draft licences which includes all the matters appearing to the Authority to be appropriate may be inspected free of charge at the offices referred to at all reasonable hours during the period beginning on 2nd March 1984 and ending on 2nd April 1984.

WESTMINSTER CITY COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

Amendment to Conservation Areas

Notice is hereby given that the Westminster City Council, as local planning authority, has amended the Regent Street and Soho Conservation Areas under section 277 of the Town and Country Planning Act 1971.

The object of the designation of a conservation area is to preserve the character or appearance of areas of special architectural or historic interest, as distinct from individual buildings, to control development in such areas and to stimulate and encourage measures to improve the environment.

Section 277A of the above Act brings demolition of buildings in conservation areas under control by applying with modifications the listed building control provisions of the Act to all buildings in such area. Anyone wishing to demolish a building in a conservation area must first apply for listed building consent to the Local Planning Authority. Such an application may be made separately or as part of an application for planning permission for the redevelopment of the site, but consent to demolish shall not be taken to have been given as part of planning permission for redevelopment unless specifically stated. In assessing whether or not consent should be granted, planning authorities will take account of the importance of the building to the character or appearance of any part of the conservation area.

Section 61A of the Act extends the control over trees in conservation area by requiring that any person wishing to cut down, top, lop, uproot, wilfully damage or wilfully destroy any tree in a conservation area subject to certain exemptions shall give the Local Planning Authority 6 weeks' notice of his intention of so doing.

The amendments to the conservation areas are described in the Schedule hereto.
