The Southern Water Authority (Nightingale Stream Discharge) Order 1986

Notice is hereby given that the Southern Water Authority is applying to the Secretary of State for the Environment for an Order under section 1 of the Water Resources Act 1971, authorising the Authority to discharge water into an inland water.

The Authority seeks authorisation to discharge up to 3410 cubic metres (750,000 gallons) of water per day into the Nightingale Stream at Otterbourne, Hampshire (National Grid ref. SU 4769 2289), to augment the seasonal low flows of that stream.

The water will be abstracted from existing boreholes at Grid References SU47522322, SU47412332, SU47262327, SU46522331, SU46682240, SU46092269, SU47692300, SU46842322, SU46652295, SU47512305, and one new borehole at National Grid Reference SU47512305.

The water will be discharged as and when required to increase flows downstream during times of low flow and will maintain levels with no adverse effects on quality. Because the rate of discharge will be increased as natural flows diminish, no land drainage problems are expected.

Copies of the draft Order and of maps and other documents relating thereto may be inspected by any person free of charge at all reasonable times during the period 25th April to 6th June 1986, at the offices of the Authority at Sparrowgrove, Otterbourne, Winchester, Hampshire, and at Guildbourne House, Chatsworth Road, Worthing, West Sussex.

It will be appreciated if copies of objections are also sent to the Chief Solicitor, Southern Water Authority, Guildbourne House, Chatsworth Road, Worthing, West Sussex BN11 1LD.

GREENWICH AND LEWISHAM LONDON BOROUGH COUNCIL

Proposed Amendments to the Blackheath Village Controlled Parking Zone

Notice is hereby given that the Council of the London Borough of Lewisham, in pursuance of arrangements made between them and the London Borough of Greenwich under section 101 of the Local Government Act 1972 propose to make Orders amending the controlled parking zone entitled:

- (a) The Greenwich and Lewisham (Parking Places) (No. 1) Order 198 and the Greenwich and Lewisham (Business Parking Places) (No. 1) Order 198 under sections 45-49 of the Road Traffic Regulation Act 1984, as amended by section 8 (1) of and Part I of Schedule 5 to the Local Government Act 1985; and
- (b) The Lewisham (Waiting and Loading Restriction) (Amendment No.) Order 198 under section 6 of the Road Traffic Regulation Act 1984 as amended by section 8 (1) of and Part I of Schedule 5 to the Local Government Act 1985.

The general effect of the proposed Order would be to extend the system of controlled parking in the Blackheath Village area of the London Boroughs of Greenwich and Lewisham by the addition of the streets or parts of streets listed in Schedule 1 to this notice.

The general effect of the parking places and business parking places amending Orders would be to:

- (a) revoke and re-designate certain ticket parking metered 2-hour, residents' and business users' parking places and designate additional ticket parking metered 2-hour, residents' and business users' parking places on the highways specified in Schedules 2, 3 and 4 respectively to this notice at which charges may be made by Lewisham Borough Council for vehicles authorised by the Orders to be left in those parking places.
- (b) (i) Revoke the existing business users parking place in the Glebe.
(ii) Revoke one existing residents parking place in Tristan Square.
- (c) provide that the metered, 2-hour parking places would be in operation between 8 a.m. and 6.30 p.m. on Mondays to Saturdays inclusive and the residents' and business users' parking places would be in operation between 11 a.m. and 12 noon on Mondays to Fridays inclusive (Christmas Day, Good Friday and Bank Holidays excepted);
- (d) specify, in respect of the metered 2-hour parking places, that passenger vehicles (12 seats or less), goods carrying vehicles, motor-cycles and invalid carriages may be left therein, in respect of the residents' parking places, that vehicles displaying a valid residents' permit may be left therein and, in respect of the business users' parking places, that vehicles displaying a valid business permit may be left therein—such permits to be issued by Lewisham Borough Council.
- (e) provide that:
- (i) in respect of the residents' parking places, residents' permits and protective covers would be issued by Lewisham Borough Council on application being made by any person residing in the controlled area who is the owner of a passenger vehicle (12 seats or less), a goods carrying vehicle not more than 2.28 metres in height nor 5.25 metres in length, a motor-cycle or an invalid carriage; or
- (ii) in respect of the business users' parking places, business permits and protective covers would be issued by Lewisham Borough Council on application being made by any person (hereinafter referred to as a business user) who occupies premises in the controlled area and who uses such premises for non-residential purposes and who is the owner of a passenger vehicle (12 seats or less), a goods carrying vehicle not more

than 2.28 metres in height nor 5.25 metres in length or a motor-cycle:

Lewisham Borough Council would not issue a business permit to any business user which would be valid during any period during which (a) any other business permit issued to that business user would be valid; or (b) any resident's permit issued to that business user and relating to the vehicle in question is or would be valid;

NOTE: Lewisham Borough Council, in pursuance of arrangements made with Greenwich Borough Council under section 101 of the Local Government Act 1972 would also operate the issue of residents and business users' permits to those residents and business users respectively who either reside in or occupy premises in that part of the controlled area lying within the London Borough of Greenwich:

(f) specify that:

- (i) in respect of the metered, 2-hour parking places, the initial charge would be at the rate of 20 pence for 1 hour and the maximum initial period would be 2-hours;
- (ii) in respect of the residents' parking places, the charge for the issue of a resident's permit which would be valid for a period of 12 months running from the beginning of the months in which it first becomes valid would be £2.50;
- (iii) in respect of the business users' parking places, the charge would be increased to £25 for 12 months;
- (NOTE: Business permit holders would also be able to use specified areas of the Blackheath Station Car Park at no additional charge);
- (iv) in respect of the metered, 2-hour parking places, the excess charge, payable to Lewisham Borough Council would be £5; the excess charge period would be 1 hour and the period during which a vehicle may not return to a parking place would be 1 hour.

(g) provide that certain vehicles may wait free of charge in certain circumstances, e.g., to allow persons to board or alight (maximum 2 minutes), to load or unload (maximum 20 minutes) and, in respect of the metered, 2-hour and residents' parking places, vehicles left by specified disabled persons (no time limit).

The waiting and loading restriction Orders would further amend either the Greenwich (Waiting and Loading Restriction) Order 1976 or the Lewisham (Waiting and Loading Restriction) Order 1978 so that, except in the designated parking places:

- (a) waiting by vehicles (otherwise than for the purpose of delivering or collecting goods or loading or unloading a vehicle) would be prohibited between 11 a.m. and 12 noon on Mondays to Fridays inclusive in the streets and parts of streets specified in Schedule 5 of this notice;
- (b) waiting by vehicles for the purpose of delivering or collecting goods or loading or unloading a vehicle for a period of more than 20 minutes in the same place would be prohibited between 11 a.m. and 12 noon on Mondays to Fridays inclusive in the streets and parts of streets referred to in paragraph 4 (a) above; and
- (c) the use of any vehicle or of any animal or the wearing of fancy dress or other costume wholly or mainly for the purpose of advertising, in the streets or parts of streets referred to in paragraph 4 (a) above would be prohibited;
- (d) the sale or offer for sale of goods from a vehicle in the streets or parts of streets referred to in paragraph 4 (a) above would be prohibited except on a Sunday, unless there is in force a valid licence issued by the Lewisham Borough Council, or, as the case may be, Greenwich Borough Council, or the goods are immediately taken into or delivered at premises adjacent to the vehicle from which the sale is effected;
- (e) solo motor-cycle parking area would remain designated in Montpelier Vale, and Royal Parade, and the existing solo motor cycle area in Tranquil Vale would be revoked.

The prohibitions referred to in paragraphs 4 (c) and (b) above would not apply in respect of anything done with the permission or at the direction of a police constable in uniform or in certain circumstances, e.g., the picking up or setting down of passengers; the carrying out of statutory powers or duties; the taking in of petrol, etc., from

roadside petrol stations; to licensed street traders, etc. The usual exemption relating to vehicles displaying a disabled person's "organe badge" would apply.

6. A copy of each of the proposed Orders, of the Greenwich (Waiting and Loading Restriction) Order 1976, the Lewisham (Waiting and Loading Restriction) Order 1978 (and of the Orders which have amended those Orders), of the map which indicates each road or length of road to which the Orders relate and of the Councils of Greenwich and Lewisham's statement of reasons for applying for the proposed Orders can be inspected until 21st May 1986:

The Conservation Area covers the western end of the village including the Neo-Tudor Estate cottages built in the mid 19th Century, together with the Lansdowne Arms and the Golden Gates.

The principal objective in designation is to preserve and enhance the character and appearance of this area.

Designation provides control over demolition, and anyone wishing to demolish a building, or part of a building, must normally first apply for listed building consent to the local Planning Authority.

Further controls require anyone proposing to carry out work on trees within the Conservation Area, which are not already protected by a Tree Preservation Order, to give the local Planning Authority 6 weeks' notice of their intention.

The designation also requires that the local Planning Authority shall publish an advertisement in a local newspaper and display a notice on or near the site in the case of every application for planning permission for development which the authority considers would affect the character or appearance of the Conservation Area or the setting of a listed building. The application will not be determined for 21 days after the notice is first displayed and advertised. In determining any such application for planning permission, the local Planning Authority shall take into account any representations relating to the applications which are received by them within the 21 day period.

Further information is available from the Planning Department, North Wiltshire District Council, Monkton Park, Chippenham (Telephone Chippenham 654188, extension 152 or 155).
