Civil Action No. C2-85-1661
Judge Holschuh

NOTICE OF SETTLEMENT HEARING TO ALL PERSONS WHO ACQUIRED WORKING INTERESTS IN CERTAIN OIL AND GAS WELLS FROM FAIRFAX PETROLEUM LIMITED

Class Determination

1. Notice is hereby given that the above-captioned action was commenced on 16th October 1985, in the United States District Court for the Southern District of Ohio. For the purpose of achieving a settlement of this action as described hereafter, the Court has ordered that the action be treated as a class action on behalf of all persons who acquired a working interest in the following described oil and gas wells by reason of certain turnkey drilling contracts and other agreements entered into with the defendants, Fairfax Petroleum Limited, Finfax Commercial Corporation, William C. M. Kivlan, Stabb & Montagu Limited, and William C. M. Kivlan:

Wayne County, Ohio

Boreman Well No. 1	Bowers Well No. 8
Boreman Well No. 2	Bowers Well No. 9
Boreman Well No. 3	Coen Well No. 1
Gallapoo Well No. 3	Rice Well No. 3
George Well No. 2	Stull Well No. 3
George Well No. 3	Trivanovich Well No. 5
Gibbons Well No. 1	Trivanovich Well No. 6
Hookway Well No. 2	Weaver Well No. 3
Mykrantz Well No. 1	

Licking County, Ohio

Clippinger Well No. 1 Clippinger Well No. 2
(hereinafter referred to as the "Subject Wells").

Description of Litigation

2. The complaint asserts claims on behalf of the named Plaintiffs and members of the class against defendants Fairfax Petroleum Limited, Finfax Commercial Corporation, William C. M. Kivlan, Stabb & Montagu Limited, and William C. M. Kivlan, individually ("Defendants"). The complaint alleges that Defendants' proposals to prospective investors were described in a Confidential Memorandum which contained materially false and misleading statements which misrepresented the risk inherent in oil and gas exploration in the State of Ohio, overstated the working interest in the Subject Wells to be assigned, and guaranteed delivery of commercial wells defined as those capable of producing at least 250 million cubic feet of recoverable gas. As a result of these and other misrepresentations, it is alleged that during 1982 and 1983 named Plaintiffs and members of the class made cash payments to Defendants in excess of \$3,000,000, and executed loan agreements and security agreements with Defendants in excess of an additional \$9,000,000.

3. The turnkey drilling contracts, operating agreements, loan agreements, and security agreements executed by named Plaintiffs and other class members entitle them as of the present time to their proportionate share of only twenty-five per cent (25%) of future production, if any, from their respective well or wells, attributable to the working interest after payment of production notes and operating expenses.

4. Defendants have denied the material allegations of the complaint and have vigorously contested the litigation, asserting that there is due to Finfax, under the terms of the original documents, approximately \$14,000,000.

5. After substantial pretrial discovery had been conducted by plaintiffs' counsel, including the deposition of the defendant William C. M. Kivlan, the Defendants agreed to a tentative settlement of the action. For purposes of the settlement only, the parties have agreed that the actions shall be treated as a class action on behalf of all persons who acquired a working interest in the Subject Wells by reason of certain turnkey drilling contracts and other agreements entered into with the Defendants.

Summary Description of Settlement

6. Pursuant to the Stipulation of Settlement and subject to the allowance of fees and expenses to counsel, named plaintiffs and class Members having interests in the Subject Wells shall be entitled to their proportionate share of fifty per cent (50%) of any proceeds of production held in escrow by the Clerk of Courts and attributable to the well or wells in which they hold an interest.

7. Pursuant to the Stipulation of Settlement and subject to the allowance of fees and expenses to counsel, named plaintiffs and class members having interest in the Completed Wells described in paragraph 6 above shall also be entitled to their proportionate share of sixty per cent (60%) of the working interest, if any, from the well or wells in which they hold an interest until such time as certain arrearages for prior production, if any (as defined in the Stipulation of Settlement), are satisfied. Thereafter, named plaintiffs and class members shall be entitled to their proportionate share of fifty per cent (50%) of the working interest, if any, from such well or wells.

8. Pursuant to the Stipulation of Settlement, Defendants shall also use their best efforts to secure completion of the Trivanovich Well No. 5, Trivanovich Well No. 6, and Weaver Well No. 3 within 90 days, with the cost thereof to be secured by production notes. Upon completion of said wells, class members having an interest in these wells will be entitled to their proportionate share of not less than twenty-five per cent (25%) of the working interest, with the balance of the working interest being applied to payment of the production notes. At such time as the production notes are paid, class members shall be entitled to their proportionate share of fifty per cent (50%) of the working interest, if any, from such well or wells.

9. Existing production notes payable to Phoenix Management totalling approximately \$354,797 as of November 1986, shall be paid exclusively out of the Defendants' share of future production. Defendants shall also satisfy all outstanding obligations to John P. Badami and/or J. B. Energy, Inc., as set forth in the Stipulation of Settlement and shall secure the release of a certain mechanic's lien filed by Badami and/or J. B. Energy, Inc., against the Subject Wells in the amount of \$20,464.

10. All operating agreements with Fairfax Petroleum Limited shall be terminated and new operators appointed for the Subject Wells. The operator of the wells shall be instructed to make distribution of future production proceeds directly to the class members or their designee.

11. Court costs, including those expenses incurred in connection with this notice, shall be paid from the proceeds of production held in escrow by the Clerk of Courts.

12. All claims of class members against Defendants shall be dismissed with prejudice.

The Settlement Hearing

13. The Court has scheduled a hearing to be held on May 13th 1987, at 9 a.m. at the United States District Court, U.S. Courthouse, 85 Marconi Boulevard, Columbus, Ohio, U.S.A. in Courtroom 3, to determine whether the proposed settlement is fair, reasonable and adequate and should be approved by the Court, and, if it is approved, the fees and expenses to be awarded to plaintiffs' attorneys.

14. Any member of the class who does not request exclusion as provided below, may appear at the hearing in person or by counsel, and show cause, if any he has, why the proposed settlement should not be approved as fair, reasonable and adequate, and why a judgment should not be entered dismissing the claims asserted in the complaint, on the merits and with prejudice; and why an allowance to plaintiffs' attorneys for fees and expenses incurred in connection with the subject litigation should not be made. However, no person shall be heard unless his objection is made in writing and filed with the Court, together with all supporting papers and briefs, not later than May 4th 1987, with proof of service of said papers showing delivery to:

Attorneys for Plaintiffs:

Examination of Pleadings and Papers

15. The foregoing references to the Stipulation of Settlement, the pleadings and other documents in this action are only summaries thereof. A copy of the Stipulation of Settlement, the pleadings, pretrial discovery by means of documents, interrogatories and oral depositions, and all papers filed in connection with this action, are available for inspection during regular business hours at the offices of Emens, Hurd, Kegler & Ritter, attorneys for plaintiff, 65 East State Street, Columbus, Ohio, U.S.A. 43215.

Attorneys Fees and Expenses

16. In a formal application filed with the Court enclosed herewith, plaintiffs' attorneys have applied for fees in the initial amount of \$81,343.75 plus expenses of \$20,371.11, plus additional amounts incurred through the date a final order is issued. Of the total amount requested by counsel, \$30,314.21 has already been paid by named plaintiffs and certain members of the class who would be reimbursed out of production proceeds on a pro rata basis for the funds previously advanced. If counsel's application for fees is approved by the Court in whole or in part, payment of those fees would be made from the escrow and future production prior to the distribution of any revenues to class members.

Due to the contingent nature of recovery and the risk associated with the conduct of the litigation, plaintiffs' counsel have also requested a per centage of the future gross revenue, if any, from the Subject Wells in the event that the Court approves the proposed settlement. That per centage ranges from ten per cent (10%) to twenty-four per cent (24%) of total Working Interest revenue and amounts to forty per cent (40%) of the Class Members' share of future production from which the approved percentage would be paid.

Request for Exclusion

17. Any member of the class may request exclusion from the class by written notice requesting exclusion addressed to the Clerk of the United States District Court, United States Courthouse, 85 Marconi Boulevard, Columbus, Ohio, U.S.A. 43215, Attention: *Ehrlich, et al. v. Fairfax Petroleum Limited, et al.*, C2-85-1661, provided that such notice shall be received by the court no later than May 4th 1987. The court will exclude you from the class if you so request in writing by the specified date.

18. If you do not request exclusion from the class as provided herein, your rights, including entitlement to share in the proceeds of settlement, will be determined in accordance with the Stipulation of Settlement. A class member who does not request exclusion may, but need not, enter an appearance through his counsel. If you do not request exclusion and do not enter such an appearance you will be represented by Emens, Hurd, Kegler & Ritter, attorneys for plaintiffs and the class.

Kenneth J. Murphy, Clerk, United States District Court

STATUTES IN FORCE

Complete ★ Convenient ★ Up-to-date

Statutes in Force is the official revised edition of the statutes and sets out the text of the current statute law.

It is the only official statement of the complete legislation and incorporates all specific amendments subsequently brought about by both primary and secondary legislation.

The complete edition consists of 93 looseleaf binders, holding some 60,000 pages in all.

The Acts are arranged in over 100 subject groups, which can be purchased separately. Subjects include:

Insolvency, Bankruptcy and Winding-Up	Income, Corporation and Capital Gains Taxes
Charities	Landlord and Tenant
Companies	Legal Aid
Contract	Partnerships and Business Names
Employment	Sale of Goods
Family Law	Stamp Duty
Friendly and Other Societies	Tort and Delict

Individual Acts showing all subsequent amendments to the original legislation can be supplied, and an *updating service* is also available to supply customers automatically with subsequent amendments to the legislation—for the whole set, for subject groups, or for individual Acts.
