### ST. HELENS METROPOLITAN BOROUGH COUNCIL

#### *Vulcan Village Conservation Area*

Notice is hereby given that at its meeting on 17th December 1986, St. Helens Metropolitan Borough Council designated Vulcan Village, Newton-le-Willows, as a Conservation Area under the powers set out in section 277 of the Town and Country Planning Act 1971. The designation of the Conservation Area came into effect on 17th December 1986.

The western boundary of the conservation area follows the retaining wall of the Earlestown to Warrington Railway embankment along the rear of Derby Row. From here it crosses Wargrave Road at a point opposite the boundary of G.E.C. Vulcan Works and follows this to form the northern boundary of the area.

It continues to follow the Vulcan Works boundary south, across the new double gates along the northern and eastern boundary of NORWEB substation to the new access road to the rear of Manchester Row. The boundary then follows the kerb-line of this road, including the parking bays in a southerly direction until it meets Wargrave Road where it crosses back to the Earlestown to Warrington railway.

The effect of the designation is that:

- (1) The demolition of certain buildings within the Conservation Area requires listed building consent.
- (2) The Borough Council can carry out emergency repairs to unlisted buildings in the Conservation Area.
- (3) Any person proposing to do works on trees in the area is required to give 6 weeks prior notification to the Local Planning Authority of his intention, unless the trees are already protected by a tree preservation order, in which case an application for consent will be required.
- (4) The Secretary of State can make grants or loans to preserve or enhance the character or appearance of the Conservation Area.
- (5) The Local Planning Authority must from time to time publish its proposals to preserve and enhance any part of such area. Such proposals must be submitted to a public meeting.
- (6) Planning applications for development which would in the opinion of the Local Planning Authority, affect the character or appearance of the Conservation Area must be given publicity and representations received in consequence must be taken into account in determining the application.

Further details are available for inspection at Wesley House, Corporation Street, St. Helens, at Town Hall, Earlestown, Newton-le-Willows, or by telephoning St. Helens 24061, extension 2252.
