This is a Scheme under sections 16, 17 and 19 of the Highways Act 1980, which, if made, would authorise him to provide for the exclusive use of traffic of Classes I and II of the classes of traffic set out in Schedule 4 to the Highways Act 1980:

(a) a special road about 20.25 kilometres in length from a point on the A40 Trunk Road about 245 metres east of Waterstock Lane near Waterstock to a point 380 metres north of the junction of the A421 Trunk Road and Wendlebury Road near Wendlebury in the Counties of Oxfordshire and Buckinghamshire; and

 - (iii) to construct new highways;
 - (iv) to stop up private means of access to premises, and
 - (v) to provide new means of access to premises;

all on or in the vicinity of the route of the above-mentioned part of the said motorway; and

- (b) provide for the transfer of each of the said new highways to the highway authority specified therefor in the Order as from the date on which he notifies that authority that the new highway has been completed and is open for through traffic.

- (4) The M40 London-Oxford-Birmingham Motorway (Waterstock to Wendlebury Section Appropriation) Order 198, notice of which was published on 3rd April 1987. This is an Order under section 18 of the Highways Act 1980 which, if made, will authorise him to appropriate as part of the special roads authorised to be provided by the Scheme mentioned at (1) above:

(a) two lengths of the eastbound and westbound carriageways of the London-Fishguard Trunk Road (A40) which extend from their junction with the M40 Motorway (Stokenchurch to Waterstock Section) at Great Milton for a distance of 2.34 kilometres and 2.20 kilometres respectively, and

(b) two slip roads connecting the eastbound and westbound carriageways of the London-Fishguard Trunk Road (A40) with the Oxford-Thame Road (A418) near Wheatley to the east of the bridge carrying the A418 across the Trunk Road.

- (5) The M40 London-Oxford-Birmingham Motorway (Waterstock to Wendlebury Section Compulsory Purchase) Order (No. SE) 198, notice of which was first published on 19th June 1987. This is an Order under sections 239, 240 and 246 of the Highways Act 1980 as extended and supplemented by section 250 of that Act and under section 2 of the Acquisition of

Land Act 1981 which, if made, will authorise him to purchase compulsorily:

(iii) the diversion of watercourses and the execution of other works on watercourses in connection with the construction of special roads and the construction and improvement of other highways; and

(iv) use by the Secretary of State in connection with such construction and improvement of highways, and
(b) the land and rights described in Schedule 2 thereto for the purpose of mitigating any adverse effect which the existence or use of the highway proposed to be constructed or improved by him as mentioned above will have on the surroundings thereof.

The Secretaries of State for the Environment and Transport hereby direct that any person who intends at the inquiries to submit that any special road to which the draft scheme mentioned in (1) above relates should follow an alternative route, or that, instead of improving, diverting or altering a highway to which the draft Order mentioned in (3) above relates, a new highway should be constructed on a particular route, shall send to the Secretary of State for Transport at his South East Regional Office, Federated House, London Road, Dorking RH4 1SZ, not later than 14th August 1987 sufficient information about the alternative route or the route of the new highway, as the case may be, to enable it to be identified.
