TOWN AND COUNTRY PLANNING ACTS

SWALE BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1987 (As amended)

Notice is hereby given that on 14th July 1987, the Swale Borough Council designated the area specified in the Schedule hereto as a Conservation Area of special architectural or historic interest, the character or appearance of which is desirable to preserve or enhance.

Plans showing the boundaries of the Conservation Area are available for public inspection during normal office hours at the offices of Swale Borough Council, Planning and Development Department, Swale House, East Street, Sittingbourne, Kent.

R. J. Harman, Borough Planning Officer

SCHEDULE

Tonge

A conservation area has been designated which includes St. Thomas a Becket's Spring and the land around it, The Stream and Mill Pond. To the north the area is bounded by the railway embankment, to the east it follows a line parallel to and some 15 metres from the pond or streamside. The boundary encircles the spring following the rear gardens in The Street, Bapchild and then runs northwards some 15 metres to the west of the waters edge to enclose the wooded island, Tonge Castle and the adjacent Elm trees. The boundary then follows a track back to Church Road and runs south of the Council houses as far as the railway embankment. The area includes Old Mill and Mill House and the gardens and outbuilding and Tonge Mill and Mill House dated 1837 and 1866.

Notice is hereby given that the Town and Country Amenities Act 1974 provides that non-listed buildings and parts of buildings (with certain exceptions) within Conservation Areas may not be demolished without the consent of the local planning authority. An application for consent for the demolition of such a building should be made as a separate application. Consent to demolish must not be taken to have been given as part of planning permission for redevelopment of the site unless the planning permission states that it includes consent to demolish. The Act also provides that anyone wishing to cut down, top, lop or uproot any tree (with certain exceptions) within a Conservation Area must give the Borough Council 6 weeks notice of his intention. A notice under this section must state the work proposed and must give sufficient particulars to identify the tree concerned. (488)

- if it is intended to demolish any building or part of a building or to carry out any work which may in any way affect a tree within the Conservation Area, the advice of the District Planning Authority should be sought; and
