TOWN AND COUNTRY PLANNING ACTS

CHERWELL DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

Town and Country Planning (Listed Buildings and Buildings in Conservation Areas) Regulations 1987

Notice is hereby given that the Cherwell District Council, pursuant to section 277 of the Town and Country Planning Act 1971, has designated the areas described in the Schedules below as the Barford St. Michael Conservation Area and the extension to the Hornton Conservation Area. Plans of the said areas may be inspected at the Cherwell District Council Offices, Bodicote House, Bodicote, Banbury, Oxon, during normal office hours.

The effects of the said designation are:

- (a) All planning applications for development which would affect the character of the area must be advertised and site notices must be posted so that the maximum opportunity for comment is given to the public before a decision is reached.
- (b) Cherwell District Council, as the local planning authority, will exercise particular care to ensure that change, when it occurs, does not detract from the character of the area.
- (c) No building in a conservation area may be demolished or partially demolished without conservation-area consent having first been obtained from the local planning authority. (For alteration, demolition or extension of listed buildings in a conservation area, listed-building consent must be applied for, and this takes precedence over conservation-area consent.) Exceptions to this rule are those laid down in paragraph 97 of Department of the Environment Circular 8/87. These exceptions mainly affect small buildings within the curtilage of a dwelling-house; gates, walls, fences or other enclosures below a certain height; temporary buildings; certain agricultural and industrial buildings; and buildings required to be demolished under the provisions of the Town and Country Planning Act 1971, the Housing Act 1985 or the Pastoral Measure 1983.
- (d) It is an offence to cut down, top, lop, uproot or wilfully damage or destroy any tree (not already the subject of a tree preservation order) in the area without giving 6 weeks' notice to the District Council. This provision does not relate to trees covered by a felling licence, to dead trees, to trees which do not exceed 77mm (3 inches approximately) in diameter, or to certain other trees, details of which can be obtained from the address above.

(e) Cherwell District Council, as the local planning authority, will require planning applications in this Conservation Area to be accompanied by sufficient details to enable the impact of the proposed development on the character of the Conservation Area to be assessed. This may include details of scale, massing, design and materials of buildings and their relationship to existing buildings.

STATUTES IN FORCE

Complete ★ Convenient ★ Up-to-date

Statutes in Force is the official revised edition of the statutes and sets out the text of the current statute law.

It is the only official statement of the complete legislation and incorporates all specific amendments subsequently brought about by both primary and secondary legislation.

The complete edition consists of 104 looseleaf binders, holding some 60,000 pages in all.

The Acts are arranged in 125 subject groups, which can be purchased separately. Subjects include:

Charities	Insolvency, Bankruptcy and Winding Up
Companies	Landlord and Tenant
Contract	Legal Aid
Employment	Partnerships and Business Names
Family Law	Sale of Goods
Friendly and Other Societies	Stamp Duty
Income, Corporation and Capital Gains Taxes	Tort and Delict

Individual Acts showing all subsequent amendments to the original legislation can be supplied, and an *updating service* is also available to supply customers automatically with subsequent amendments to the legislation—for the whole set, for subject groups, or for individual Acts.
