RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 23rd January 1989.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 24th January 1990 and until the coming into operation of a further determination:

- (i) The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;
- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- (iii) The rates of such interest shall be:

The Secretary of State for Transport has prepared this draft Compulsory Purchase Order which he proposes to make. If made it will authorise the purchase of land forming part of a common as defined in the Acquisition of Land Act 1981, and the acquisition of rights over such land. The rights to be acquired and the land over which they subsist are described in the Second Schedule to this Notice and are also shown coloured pink on the map.

5. The Secretary of State is required to give public notice of his intention to issue a certificate before he reaches a decision, to give an opportunity for objections to be made. TOWN AND COUNTRY PLANNING ACTS

CEREDIGION DISTRICT COUNCIL TOWN AND COUNTRY PLANNING ACT 1971

Notice of Designation of Conservation Area in the town of Tregaron
 Notice is hereby given in pursuance of section 277 of the Town and Country Planning Act 1971, as amended by the Town and Country Amenities Act 1974 and the Local Government Planning and Land Act 1980, that the Ceredigion District Council have determined that

the areas described in the Schedule to this Notice, are areas of special architectural or historic interest and that it is desirable to preserve or enhance the character and appearance of the same and have accordingly designated the said areas as a Conservation Area in the Town of Tregaron.

The effect of the said designation of the Conservation Area is that where any application for planning permission for development of land in or adjacent to the Conservation Area is made to the council

and either the development, would in the opinion of the council, affect the character or appearance of the Conservation Area or the development would, in the opinion of the council, affect the setting of a listed building, the application will be subject to the special procedure contained in section 28 of the Town and Country Planning Act 1971. Furthermore, the demolition of all buildings is brought under control and consent to demolition of any building within the Conservation Area shall not be taken as being given as part of planning permission for re-development of the site unless the council states that it includes consent to demolish the building in the Notice granting planning permission and that before any tree within the Conservation Area, not being a tree already the subject of a Tree Preservation Order is cut down, topped, lopped, uprooted, wilfully damaged or wilfully destroyed, the consent of the Local Planning Authority must be obtained. Permitted development rights under the general Development Order 1988 are also more restricted than in other areas.

A map of the said areas now designated as the Conservation Area of the Town of Tregaron, may be inspected free of charge during normal office hours at the Town Hall, Queens Road, Aberystwyth.

R. O. Watkin, Director of Administration
