Notice is hereby given that the Rotherham Borough Council proposes to make an Order under sections 1(1) and (2), 2(1) and (2), 4(1) and (2), 45 and 46 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984 and all other enabling powers. The effect of the Order will be:

(1) To reduce (because of footway improvements) the portion of the eastern side of Howard Street, Rotherham, available as parking bays from a length of 47 metres to a length of 39 metres, resulting in a reduction of authorised bays on that side from 8 to 6. The length of 39 metres commences at a point 12 metres south of that kerb-line and proceeds in a southerly direction. The deleted length of 8 metres is the length of 8 metres described below.)

(2) To prohibit waiting at any time by vehicles (subject to exemptions mentioned below) on the east side of Howard Street, Rotherham, from a point 4 metres south of the south-eastern kerb-line of Eastwood Lane for a distance of 8 metres in a southerly direction.

(Waiting of vehicles on this 75 metres length of the south-east side of High Street is currently prohibited, subject to exemptions similar to the exemptions mentioned below, between 8 a.m. and 6 p.m. on Monday to Saturday inclusive.)

Exemptions from the prohibition of waiting will be provided for in relation to:

Exemptions from the prohibition of waiting will be provided for in relation to some removal of furniture, but in relation to the 75 metres length of the south-east side of High Street described above this exemption will at certain times be subject to the consent of the police.

Exemption from the prohibition of waiting will be provided for in relation to delivering and collecting goods and merchandise and loading and unloading a vehicle, but there will be limitations to this exemption, and these limitations will be more extensive in relation to the 75 metres length of the south-east side of High Street described above than in relation to the 8 metres length of the east side of Howard Street described above.

Exemption to some extent from the prohibition of waiting will be provided for in relation to disabled persons' vehicles properly displaying a badge under the Council's "orange badge" scheme and an appropriate parking disc, in that waiting by such a vehicle will be authorised for a period of two hours (not being a period separated by an interval of less than one hour from a previous period of waiting by the same vehicle in the same part of road on the same day), but in the case of the 75 metres length of the south-east side of High Street described above such vehicles will not be authorised to wait during the period between 8 a.m. and 9.30 a.m. on Monday to Saturday inclusive or during the period between 4.30 p.m. and 6 p.m. on Monday to Saturday inclusive.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:

HMSO Publicity, FREEPOST, Norwich, NR3 1BR
