Notice of proposals for licences to abstract and to impound water River Slea Augmentation Scheme

Notice is hereby given that the National Rivers Authority (Anglian Region) in pursuance of section 52 of the Act have formulated proposals in the form of draft licences, as follows:

(1) *Licence Serial Number 4/30/11/G/107*

To abstract up to 400,000 cubic metres of water a year from underground strata (Lincolnshire Limestone) at National Grid Reference TF 0604 4588.

(2) *Licence Serial Number 4/30/11/I/108*

To obstruct or impede the flow of the River Slea by means of impounding works at National Grid Reference TF 0549 4593,

both in the parish of Sleaford in the district of North Kesteven in the county of Lincoln.

The purpose of the proposed abstraction is to maintain and augment flows and levels in the River Slea during periods of low natural flows. It is intended that water abstracted should be discharged into the River Slea at National Grid Reference TF 0594 4593. The impounding works are required to prevent water draining from the river through permeable strata upstream of the point of discharge, and will be raised only when the discharge is made. Flows in the river will not be impeded at other times.

A copy of the draft licences and of any maps, plans or other documents prepared in connection with the proposals may be inspected free of charge at North Kesteven District Council Offices, The Hoplands, Boston Road, Sleaford, Lincolnshire at all reasonable hours during the period beginning on 17th October 1991 and ending on 17th November 1991.

Any person who wishes to make representations about the proposals should do so in writing to the Regional Manager (Water Resources), National Rivers Authority (Anglian Region), Kingfisher House, Goldhay Way, Orton Goldhay, Peterborough PE2 0ZR, before the end of the said period. Copies of all such representations received by the Authority will be forwarded to the Secretary of State for the Environment.

After expiry of the said period the Authority will be entitled to pass a resolution by virtue of which the licences authorising the proposals shall be deemed to be granted, unless the Secretary of State for the Environment, either in consequence of any representations made to him, or otherwise, requires application for the licences to be made to him.

TOWN AND COUNTRY PLANNING ACTS

BABERGH DISTRICT COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990, NOTICE UNDER SECTION 70(8)

Extension to Monks Eleigh Conservation Area

Notice is hereby given that Babergh District Council on 5th June 1991 extended the conservation area at Monks Eleigh under section 69(1) of the Planning (Listed Buildings and Conservation Areas) Act 1990. The conservation area boundary has been extended to include the former allotment site situated between the properties on the south side of Churchfield, to the west of Church Hill and to the north of the Brent Eleigh Road. In addition, part of the embankment on the north side of the Brent Eleigh Road has also now been included within the conservation area. The precise revised boundary is shown on a map available from the Chief Planning Officer at the address below. The effect of the designation is:

1. Conservation Area consent is now required for almost all demolition work (including most boundary walls);
2. The Council must receive 6 weeks' notice of intent to carry out any of the following acts: to cut down, top, lop, uproot, wilfully damage or destroy any tree in the area, in respect of which no Tree Preservation Order is for the time being in force;
3. These provisions of the General Development Order 1988 (as amended) relating to permitted development rights in conservation areas, now apply. The Council will advertise in a local newspaper and on the site itself, all applications received for proposals which would affect the character of the conservation areas as required by Planning (Listed Building and Conservation Areas) Act 1990.
4. The Council will seek to secure a higher standard of design on extensions to existing buildings and new buildings to ensure they acknowledge the vernacular architecture of the area; and
5. The Council will be able to carry out enhancement schemes, when resources permit.

Further information and copies of a map showing the extension to the Monks Eleigh Conservation Area boundary can be obtained from Geoffrey Swain, Chief Planning Officer, Babergh District Council, Corks Lane, Hadleigh, Ipswich IP7 6SJ, or by contacting Richard Ward, Conservation Officer, on direct line telephone number 0473 825784.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
