TOWN AND COUNTRY PLANNING ACTS

LICHFIELD DISTRICT COUNCIL

Fazeley and Drayton Bassett (Part) Conservation Area

Notice is hereby given that on 3rd March 1992, Lichfield District Council, under powers conferred on them by Section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990 designated parts of the Parishes of Fazeley and Drayton Bassett as a Conservation Area. The Conservation Area comprises the area shown within the continuous black boundary line on the designation map.

The effect of the designation is that:

- (a) Any application for planning permission for development of land which would, in the opinion of the Local Planning Authority, affect the character or appearance of the Conservation Area, must be given publicity under Sections 67 and 73 of the Planning (Listed Buildings and Conservation Areas) Act 1990.
- (b) Any person wishing to demolish the whole or part of a building, or cut down, top, lop, or uproot or wilfully damage or destroy any tree within the Conservation Area must (subject to certain exemptions) first apply for consent from the Local Planning Authority, or in the case of trees, give the authority 6 weeks' notice of the proposed action.

A copy of the designation map may be inspected at the offices of the Chief Executive, Lichfield District Council, District Council House, Frog Lane, Lichfield, between the hours of 9 a.m. and 5 p.m. Mondays to Fridays inclusive.

NORTH WILTSHIRE DISTRICT COUNCIL

PLANNING (LISTED BUILDINGS & CONSERVATION AREAS) ACT 1990

*Notice of Designation of a Conservation Area
Bradenstoke Conservation Area, Lyneham, Wiltshire*

Notice is hereby given that North Wiltshire District Council designated the above-named Conservation Area on 17th March 1992.

A plan of the Bradenstoke Conservation Area is available for public inspection, free of charge, at the District Council Offices, Planning Department, Monkton Park, Chippenham, Wiltshire, at the following times: 8.45 a.m. to 5.15 p.m. Monday to Thursday; 8.45 a.m. to 4.45 p.m. Friday.

The Conservation Area encompasses the core of the historic village of Bradenstoke, and the former Abbey and Norman earth work that lies about ½-mile south-west of the village, on the hillscarp overlooking the Dauntsey Vale.

The principle objective of designation is to preserve and enhance the character and appearance of this area.

Designation provides control over demolition, and anyone wishing to demolish any building or structure, or part of any building or structure, must first apply for Conservation Area Consent to the local planning authority. Further controls require anyone proposing to carry out work to trees within the Conservation Area, which are not already protected by a Tree Preservation Order, to give the local planning authority 6 weeks notice of their intention.

Designation also requires the local authority to publish an advertisement in the local newspaper and display a notice on or near the site in the case of every planning application which the authority consider would affect the character of appearance of the Conservation Area or the setting of a Listed Building. The application will not be determined for 21 days after the notice is first displayed, during which time representations relating to any such

application may be made to the Council. In determining the application the local planning authority shall take into account the representation made.

Further information is available from the Planning Department, North Wiltshire District Council, Monkton Park, Chippenham, Wiltshire SN15 1ER. (Tel. Chippenham (0249) 443322 Ext. 670).
