Notice is hereby given that the Port of London Authority ("the Authority") intend to apply to the Secretary of State for Transport for the confirmation of certain byelaws made by them under sections 161 and 162 of the Port of London Act 1968. The byelaws will be additional to the Port of London River Byelaws 1978 (as amended), byelaw No. 9.

The existing byelaw prohibits a master from navigating his vessel when unfit to do so by reason of drink or drugs.

The additional byelaws will stipulate that if a master is suspected of being unfit to navigate his vessel by reason of drink, a harbourmaster is empowered to direct the vessel to go to a berth or mooring and, once there to administer a breath test similar to that provided for in the Road Traffic Act.

If the breath test is positive the harbourmaster is empowered to direct the vessel to remain at the berth until a suitable substitute master is found. It will be an offence not to comply with a direction under these byelaws.

Copies of the byelaws may be inspected free of charge during normal office hours at the offices of the Authority at International House, World Trade Centre, London E1 9UN and Thames House, St. Andrews Road, Tilbury, Essex RM18 7JH. Copies may also be obtained either on personal application or by post from those offices.

Any objection to the byelaws should be addressed to the Secretary of State for Transport, Room 1/9, Sunley House, 90 High Holborn, London WC1V 9LP, within one month from the date at the foot of this notice. A copy of any such objection should be sent at the same time to either of the two above-mentioned offices of the Authority.

# Statutes in Force

## A vital reference work on the law of the land

What is *Statutes in Force*?

*Statutes in Force* is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

**comprehensive**

**convenient**

**constantly updated**

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

*Statutes in Force* is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:  
HMSO Publicity, FREEPOST, Norwich, NR3 1BR
